Hamlyn All Colour Cookery: 200 Recipes for Kids

Hamlyn All Colour Cookbook

Hachette UK As parents, we all know that children can be notoriously difficult to cook for. Many of us fall into the habit of cooking the same dishes over and over again, simply because we cannot bear the idea of scraping wasted food into the bin at the end of a meal. However, a child's formative years are when they learn to accept and like new foods, and it is therefore of great importance to encourage them with new tastes and different textures as often as you can. Hamlyn All Colour Cookbook: 200 Recipes for Kids has been put together with this in mind, but also with the knowledge that children are generally fussy creatures and like their food to be simple and to look good. Each recipe has been photographed to show you exactly what you will be cooking (and what they will be eating), and has of course been tested for child-appeal. To prevent your children getting bored by the same meals, we have also added a creative variation at the end of each recipe.

Pressure Cooker Perfection

America's Test Kitchen 100 foolproof pressure-cooker recipes that will change the way you cook. In *Pressure Cooker Perfection*, the first volume in our new test kitchen handbook series, the editors at America's Test Kitchen demystify an appliance that to many home cooks remains intimidating -- but shouldn't. Modern pressure cookers are safer, quieter, more reliable, and more user-friendly than old-fashioned jiggle-top models. And they can prepare a wide range of foods -- everything from barbecue to risotto -- in record time. Cooking under pressure results in better-tasting dishes because every drop of flavor is trapped in the sealed pot. This fact, combined with the shorter cooking time, means that your dishes will be supercharged with flavor. And cooking under pressure is versatile. While they're ideal for roasts and stews, pressure cookers can also turn out perfectly tender beans, grains, and legumes in short order. If ever there was a cooking method that could benefit from the obsessive trial and error that our test kitchen is known for, this is it. When cooking time is compressed, every minute matters, and when flavors are amplified, even a small change becomes significant. We ran hundreds of tests in fifteen pressure cookers to find out what works and what doesn't, and we deliver the foolproof, guaranteed-successful recipes in *Pressure Cooker Perfection*. With this foolproof guide to cooking under pressure, every home cook will be guaranteed success.

The Boat Landing Cookbook

Galangal Press "The little known cultures and cuisine of northern Laos are the source of the recipes, contributed by Laos' local ethnic groups and Luang Namtha Province's oldest and most renown ecolodge. Few outsiders have the opportunity to explore the foods of northern Laos in depth. Much of it is only available in people's homes and villages or from the cooking pots of local stalls and markets. Restaurants generally present 'pan Asian' dishes to meet tourist's expectations and the locals' need for different tastes than a home cooked meal. Cookbooks on Lao food are scarce and until now, did not cover Lao cuisine north of Luang Prabang. But now, Food from Northern Laos describes the dishes, ingredients and cooking arts of this scarcely known cuisine within its cultural context. With this book, we hope Lao cooking will gain the recognition it deserves. Eighty-eight dishes from Lao, Kmhmua', Tai Dam, Tai Yuan, Tai Lue Akha are presented in clear, simple recipes. Sprengers' stunning photography of the province's people and, food preparation in village homes and at The Boat Landing Guest House and Restaurant ties the dishes to their indigenous setting. unique cookbook includes: A photo-illustrated glossary of ingredients and substitutions ; Descriptions of Lao preparation and cooking techniques ; An explanation of traditional cooking equipment ; A bibliography, including web links." --Publisher.
