**MERRIAM-WEBSTER'S WORD OF THE DAY**

---

**Welcome to Merriam-Webster Kids! Fall 2021 marks the debut of our new imprint that serves our mission to help kids better understand and communicate with the world around them through highly engaging content designed to foster a love of language and learning from an early age. Our list is small, yet focused; over time you will see it build across all categories and ages that serve ages 0-12 and the families, teachers, and librarians that support them. From the largest team of dictionary editors and writers in America, and one of the largest in the world, thank-you for supporting us and Merriam-Webster Kids. Inspired by Merriam-Webster's popular Word of the Day digital feature, this book builds knowledge one day at a time with 366 masterful words, ages 8-12. Become a word virtuoso in just one year with 366 crackerjack words aimed to impress. This charmingly illustrated book features boffo words selected by the masterminds at Merriam-Webster to highlight the English language and its odd and unexpected history.**

## THE AMAZING NUMBER OF FRENCH WORDS THAT COME FROM ENGLISH

---

---

Saul Rosenthal We are so used to hearing about all the French words that are found in English and about how purist the French are about their language, that we don't realize how many English words have migrated into French. You'll be astonished by how many English words are used in French. French is inundated with them! Swamped with them! Most are native English words, but surprisingly, some were originally French words which moved into English long ago, evolved a different meaning, and then moved back to French with the new meaning as anglicismes. English words aren't always taken into French with the same spelling and usage as they have in our language. For example, you'll encounter le week-end, which has gained a hyphen, and le warning which doesn't mean "the warning" in a general sense, but specifically means the emergency lights or flashers on a car. Some words are specific to certain sports, like l'uppercut or le football, or to other activities, such as playing bridge, while other words which are general in English have only limited meanings in French. An example is le slice, which only refers to golf and tennis, and not to a slice of melon, for instance. Some words are so well integrated into French that the average Frenchman wouldn't be aware that they are words of English origin. At the other extreme are words that that same Frenchman would recognize immediately as English words even though he uses them without reflection (much as we would say ravioli and pizza are Italian words, or taco and tamale are Mexican Spanish words). All these words will be marked as anglicisme or mot anglais in a French dictionary like Le Petit Robert, and the use of some of them would be frowned on in formal speech or writing, but many are very widely used in normal casual speech. You'll find it a fascinating book. **READ WHAT PROFESSORS AND INSTRUCTORS OF FRENCH AND OTHERS HAVE WRITTEN ABOUT EARLIER BOOKS IN THIS SERIES:** I think your books are wonderful. You have made a fantastic contribution to the French language profession. --- Prof. Judy Baughin, Raymond Walters College You have done a real service to learners of French...This is important work. --- Prof. John Romeiser, U. of Tenn. I have to say your Key Words and Expressions is just the kind of book I would have liked to have had when I was teaching myself French oh-so-many years ago. --- Prof. John Moran, Dir.Language Programs, NYU If you really want to learn spoken French, you need this book (Key Words). You'll need other books as well, you'll need audio materials, and you'll need live language experience. But this book is a necessity. ---- reader

reviewer amazon.com I love the Faux Amis, especially the relaxed, conversational presentation. ---- Prof. Norman Shapiro, Wesleyan U. Your little books are great! ---- Prof. AG Fralin, Washington and Lee U. I absolutely \*love\* Faux Amis. It's so well done. --- Prof. Herta Rodina, Ohio U. I love your books! They are easy to navigate, and they are extremely useful to non-native French speakers. ---- Prof. John Turvaville, U. of Tenn. Perhaps the most amazing thing about this book (Key Words) is that it took until 2007 for anyone to think of writing it! ---- reader reviewer amazon.com The books are excellent.---- Prof. Luke Bouvier, U. of Mass, Amherst I've been perusing Key Words for the past couple of days and it's great fun... What a great idea for a book! --- Prof. Herta Rodina, Ohio U. This (Key Words)is easily one of the best and most important French resources I own (and I've got dozens of them)... It's amazing, absolutely amazing how this book has improved my understanding of spoken French. - reader reviewer, amazon.com I wish Rosenthal had written Rules for the Gender of French Nouns twenty years ago when I was a student. - Stephen Hedge, review in "The French Review"

---

## **ITALIAN A SHORT STORY FOR BEGINNERS**

---

### **LEARN ITALIAN NATURALLY**

---

Createspace Independent Publishing Platform Learn Italian through the power of story. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or bellow respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the

translated idea is presented right there on the same page within a glances reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the utmost value. When you meet a Italian speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with a Italian and English alternating text. Each paragraph is presented with its translation bellow. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suites you and your growing level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

## **A SMALL HOUSE IN FRANCE**

---

**Memoirs Publishing** The little cottage stood out against a bleak skyline, forlorn, empty, neglected and overgrown. After a three-year search, could it be just what a retired English couple were looking for as a holiday home of their own? A magical holiday to rural France with their children some years before had sowed the seeds of a daring plan for Brenda and Ray Barrington - to spend the early years of their retirement buying and restoring a cottage in the French countryside for use as a maison secondaire. Their budget and time were limited, but their enthusiasm and determination were boundless. The couple soon found themselves deeply engrossed in their dream project and discovering the full ramifications of owning a rural property deep in the land of wine and haute cuisine.

## **PUTNAM'S WORD BOOK**

---

### **INDICATIVE MOOD**

---

Paris Writers Press 105 Essential or Fundamental French Verbs is a bilingual French-English manual which presents an innovative learning method for those who wish to master the French indicative mood. By classing the verbs in terms of frequency of use, both oral and written, the teacher or student is able to progress logically and at his own rhythm. In order to help English speakers learn the correct French pronunciation, a simple color coding has been applied to signal complex sounds and to indicate silent letters. To reinforce a cumulative learning experience, each new element is subsequently recapitulated through diagrams and tables that show how it is used in the different tenses, as well as how these are formed. MARIANNE YAYANE VERBUYT is a teacher and educator with a passion for transmitting knowledge. After more than two decades working within some of the most renowned scholastic institutions in Europe and the United States, as a co-author of the book, "Apprendre malgré le handicap ou la maladie" and as the primary educator highlighted in the acclaimed documentary, "Sur la route couleur de sable," Marianne decided to apply all of her pedagogical experience to understanding the mechanisms of learning. Integrating feedback from her many students, she figured out a coherent and innovative way to communicate the complexities of the French language to a non-Frenchspeaker. The simple and graphic aesthetic of this manual is intended to transform the student into a powerful participant in his or her own learning process."

## **LIFE IS SO DAILY!**

---

### **A 365 DAY WALK WITH THE WORD**

---

Createspace Independent Publishing Platform Life Is So Daily! A 365 Day Walk With The Word By Pastor Cecil A. Thompson In the 1970's I was on the ministerial staff of a large church. At one of our weekly staff meetings, the Senior

Pastor announced that he wanted to start daily devotionals. Each staff member was to write seven devotionals which would be printed and distributed to the congregation each Sunday. Unfortunately, the project only lasted a short while because staff members complained that it was impossible to produce material for seven days. Thirty years later, September 15, 2000, I was pastoring a small congregation and requested the members email addresses. The number of responses surprised me so I sent them a short devotional message. Once again the response surprised me. They wanted me to send more! As I prayed about the commitment it would require on my part, the Lord prompted me to use this method to share His Word through my life experiences. The Daily E Votional was born. At the outset I sent out a new message seven days a week. Some of my spiritual counselors advised me to reduce it to five days a week or I would not have the energy to sustain it. I listened and limited the E Votionals to five days a week. The other change I made was to shorten the messages. Can I let you in on a little secret? It is much easier to write much than to write little. I eventually tried to cut back to a single page and encapsulate the message within four paragraphs. I also discovered that people like stories, which reminded me that Jesus used stories as the basis for much of His teaching. He painted word pictures that allowed the people to visualize His message. I have had a very unique work history all the way from driving a milk delivery truck, to jet aircraft mechanic, to police officer, to juvenile probation officer, to Air Force Personnel Officer, to Missile Launch Officer, to Nuclear Safety Officer, to Criminal Justice Planner and, through almost all of it, a preacher and teacher of God's Word. This book provides a full year of selected Daily E Votionals to assist you in making each day more meaningful in serving the Lord. My desire for each of us is that we will allow every situation in our life an opportunity to serve the Lord. May God bless you, Dear Hearts! Pastor Cecil

### **A HISTORY**

---

---

---

---

### **MANNA FOR THE SPIRIT**

---

---

---

---

### **A 365+ DAY BIBLICAL DEVOTIONAL**

---

---

Createspace Independent Publishing Platform A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to. In Health and Faith, Jay

## **ULTIMATE FRENCH NOTEBOOK**

---

**BoD - Books on Demand** The Ultimate French Notebook is a vocabulary notebook for French learners, but it's also suitable for French speakers who want to learn English, because all the content in the vocabulary section is both in French and English. The notebook has 160 pages including 65 different topics. There are 64 pages about vocabulary, 15 pages about grammar and 74 empty pages for your own notes. Every topic includes two pages, the left pages contain all the most important words and phrases in French and the right pages are empty so that you can add all the words and phrases that you learn. You will learn more than 3000+ unique words and 600+ phrases from the left pages. After filling all the empty pages with your own notes you could reach a total amount of even 5000-6000 words. Use this notebook as the center of your French or English studies and gather all the most important vocabulary within the pages of this notebook. Use it together with other learning resources like applications, text books, French classes or whatever you like and always add the words and phrases that you have learned in this notebook.

## **THE BOOKSELLER**

---

---

## **THE COLLECTED WRITINGS OF FRANZ LISZT**

---

---

## **ESSAYS AND LETTERS OF A TRAVELING BACHELOR OF MUSIC**

---

**Scarecrow Press** During his early years, Franz Liszt worked as a traveling piano virtuoso, his adventures highlighted by his entrée into the literary world as a correspondent for the most popular French journals of his time. In this second volume of Janita Hall-Swadley's *The Collected Writings of Franz Liszt*, Liszt's work as a music essayist and journalist is on full display. In his essays, readers will see the influence of the revolutionary theories of Hugues-Felicité Robert de

Lamennais, Victor Hugo, and François-René de Chateaubriand as Liszt boldly calls for social reforms on behalf of musicians and musical institutions, from demands for a repertoire of church music of divine praise to the timely publication of inexpensive music editions.
