Essentials of Financial Risk Management John Wiley & Sons A concise introduction to financial risk management strategies, policies, and techniques This ideal guide for business professionals focuses on strategic and management issues associated with financial risk. Essentials of Financial Risk Management identifies risk-mitigation policies and strategies; suggestions for determining an organization's risk tolerance; and sources of risk associated with currency exchange rates, interest rates, credit exposure, commodity prices, and other related events. Examples illustrate risk scenarios and offer tips on an array of management alternatives, including changes in the way business is conducted and hedging strategies involving derivatives. P4 Advanced Financial Management Q&a 2014 New edition updated for 2014 examinations Set of over 500 short form questions (Q&As) which condense and break down all elements of the P4 syllabus into interactive questions which can be completed very quickly and multiple times before the exam. The process of revisiting key areas will lead to better knowledge retention and a more active revision technique. Mixture of numerical and narrative questions, reflecting the balance which you need to strike between these two skills in the P4 exam. Includes extensive revision of the easier narrative marks which you can use to create a very solid foundation in terms of marks. Questions are based on review of both the ACCA syllabus and past papers to ensure a focus on key areas. Includes mark breakdown of past papers over the 2008 to 2012 period to identify the key areas. Covers both UK and International paper options. For samples and further explanation of our technique, see [www.accasimplified.com](http://www.accasimplified.com).
