#### WHAT IS A FRIEND?

---

---

#### A FRIEND IS A GIFT YOU GIVE YOURSELF: A NOVEL

---

Simon and Schuster Goodfellas meets Thelma and Louise when an unlikely trio of women in New York find themselves banding together to escape the clutches of violent figures from their pasts. After Brooklyn mob widow Rena Ruggiero hits her eighty-year-old neighbor Enzo in the head with an ashtray when he makes an unwanted move on her, she embarks on a bizarre adventure. Taking off in Enzo's '62 Impala, she retreats to the Bronx home of her estranged daughter, Adrienne, and her granddaughter, Lucia, only to be turned away by Adrienne at the door. Their neighbor, Lacey "Wolfie" Wolfstein, a one-time Golden Age porn star and retired Florida Suncoast grifter, takes Rena in and befriends her. When Lucia discovers that Adrienne is planning to hit the road with her ex-boyfriend Richie, she figures Rena's her only way out of a life on the run with a mother she can't stand. But Richie has massacred a few members of the Brancaccio crime family for a big payday, and he drags even more trouble into the mix in the form of an unhinged enforcer named Crea. The stage is set for an explosion that will propel Rena, Wolfie, and Lucia down a strange path, each woman running from something and unsure what comes next. A Friend is a Gift You Give Yourself is a screwball noir about finding friendship and family where you least expect it, in which William Boyle again draws readers into the familiar—and sometimes frightening—world in the shadows at the edges of New York's neighborhoods.

## VOICES ON THE GIFT OF COMPANIONSHIP

---

Friendships serve as a cornerstone to a rich life. Each of these twenty-four accomplished authors share authentic stories that consider the meaning of life affirming, sometimes life-saving or gut-wrenching, and fun realities of investing in each other: think Chicken Soup with adult beverages. The investment in friendship offers a reciprocal return that may support you and your friend throughout life's challenges and joys. Friends: Voices On The Gift Of Companionship presents genuine and literary accounts of shared experiences with those who energize and shape all our days. Share these stories with your friends. Celebrate and clarify the value of friendships. Honor those who have helped you through life's challenges. Acknowledge the profound value of the big friend, the one who moved through life's phases with you. Recognize the importance of the friends who have served as witness to your growth and change. Remember the friends you lost along the way but who brought you and still bring you joy. Learn the value of a friendship that changes. Accept the times no one stood with you. Consider the meaning of the memories no one ever speaks of. Navigate the mostly virtual friendships. Thank the teachers and the givers. Say good-bye because it's time or because you have no other choice. Navigate relationships when paths diverge. Thank a friend, by sharing these stories. You are invited to consider, value, and celebrate the friendships of your past, present, and future. We recommend reading with a friend or book group-a great gift.

## THE GIFT INSIDE THE BOX

---

Penguin Adam Grant, the bestselling author of Give and Take, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of Goodnight Gorilla, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. "Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year." --Dax Shepard of the podcast "Armchair Expert"

But it does mean they are friends of the indestructible, irreplaceable, and forever kind.

## **THE GIFT**

---

Coffee House Press A "winning and expansive novel" that "describes one woman's intimacies with lovers, strangers, culture and ideas, and family and friends" (Chris Kraus, author of I Love Dick). In the midst of the Occupy Wall Street movement, a writer and academic from New York named Barbara Andersen begins spamming people indiscriminately with ukulele covers of sentimental songs. A series of inappropriate intimacies ensues, including an erotically charged correspondence and then collaboration with an extraordinarily gifted and troubled musician living in Germany. "All this might seem like so much postmodern hot air, but the narrator has an exceptionally graceful page presence: loony and profound, vulnerable and ingenuous, Barbara acts to unify the book's central concerns, giving its intellectual flights of fancy a palpable human pulse. Maybe nothing in this book is exactly what it seems. But the sadness, at least, is real" (Publishers Weekly, starred review).
