Beware of God

Stories

Simon and Schuster Violent rabbis, lovelorn wives, a busy Grim Reaper, shame-filled simians, and one seriously angry deity populate this humorous and disquieting collection. Shalom Auslander's stories in *Beware of God* have the mysterious punch of a dream. They are wide ranging and inventive: A young Jewish man's inexplicable transformation into a very large, blond, tattooed goy ends with a Talmudic argument over whether or not his father can beat his unclean son with a copy of the Talmud. A pious man having a near-death experience discovers that God is actually a chicken, and he's forced to reconsider his life -- and his diet. At God's insistence, Leo Schwartzman searches Home Depot for supplies for an ark. And a young boy mistakes Holocaust Remembrance Day as emergency preparedness training for the future. Auslander draws upon his upbringing in an Orthodox Jewish community in New York State to craft stories that are filled with shame, sex, God, and death, but also manage to be wickedly

funny and poignant.

How to Read Literature Like a Professor Revised

A Lively and Entertaining Guide to Reading Between the Lines

Harper Collins **A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.**

Design-A-Study

The White Tiger

A Novel

Simon and Schuster **SOON TO BE A MAJOR MOTION PICTURE** The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Occupational Outlook Handbook

A Dictionary of Literary Terms and Literary Theory

Wiley-Blackwell The fourth edition of J.A. Cuddon's classic dictionary has been thoroughly revised and updated to maintain it as the most comprehensive and accessible work of its kind currently available, for students, teachers and general readers alike. Expanded to include many new entries, it has been improved throughout, in places rendered more concise, in others amended and extended, with both major and minor additions. The work of the third edition, to cover the schools and various terminologies of literary theory is continued, without compromising coverage afforded to more traditional critical terms and topics. At this untimely death in 1996, Charles Cuddon, as he was known, had completed much of the revisory and updating work involved in preparing the edition. That work and other unfinished plans and outlines have since been overseen and developed by C.E. Preston of Sidney Sussex college, Cambridge, helped, as she acknowledges, by several of her academic colleagues. Among the entries extensively rewritten or newly contributed are: * "CrimeFiction", * "Dramatic Monologue", * "Ellipsis", * "Punctuation", * "Rhyme", * "Verse Novel", and * "Sonnet Cycle". After more than twenty years in print, Cuddon's Dictionary of Literary Terms and Literary Theory remains "a superlative work of reference that will be read for pleasure", just as it was acclaimed to be when first published in 1976. There is now no better memorial to its author's extraordinary polymathy and literary scholarship.
