HOPELESS ROMANTIC

A BEAUTIFULLY WRITTEN AND ENTERTAINING ROMANTIC COMEDY

Kensington Books “Adair just keeps getting better!” —Jill Shalvis, New York Times bestselling author “Lighthearted and humorous...a sweet, satisfying romance.” —Publishers Weekly A Goodreads Most Anticipated Romance of January An Amazon Book Review Highly Anticipated Romantic Comedy & Best of the Month Selection An Apple Books Best of the Month Selection A funny and delightful story from the New York Times bestselling author of the St. Helena Vineyard series that fans of Avery Flynn, Kristan Higgins, and Helena Hunting will love. Set against the breezy backdrop of coastal Rhode Island, bestselling author Marina Adair’s latest novel asks whether two of a small town’s biggest hearts can learn to put themselves first—in the name of love. . . As caregiver for her autistic brother, Beckett Hayes knows how meaningful a little extra help can be when life happens. Which is why she runs Consider It Done, a personal concierge service in her small town. Her job also gives her the flexibility to follow her passion, being Rome, Rhode Island’s unofficial special needs advocate, training emotional support companions in her spare time. There’s not much of that, though, and certainly not enough for serious dating. It’s always been family first for Beck. But one unquestionably gorgeous, good-natured man is suddenly a temptation that’s getting tougher to resist. . . Sixteen years ago, Levi Rhodes was ready to sail off into the sunset—literally. But then his father’s death and his sister’s unexpected pregnancy postponed his sailing scholarship and the adventures he had planned. Running the family marina and bar was the least he could do for his grieving mother. Plus, his niece needed a father-figure. But now that she’s in high school and has her bio-dad in her life, Levi’s wondering if it’s time to get his sea legs under him again. Or he was wondering, until curvy, caring Beck showed up in his bar, and then in his dreams. . . “Charming...Sweet and sensitive, Hopeless Romantic is a funny romance that gently manages heavy issues.” —Shelf Awareness A portion of royalties to benefit The Organization for Autism Research. Praise for Marina Adair “Small town sweetness, endearing characters and a unique quirky flair.” —Carly Phillips, New York Times bestselling author “Marina Adair is a breath of fresh air. . . A NOVEL

HOPELESS ROMANTIC

THE UNTOLD HISTORY OF ETHIOPIA

Independently Published Right now, there is a bloody civil war in Ethiopia that is discussed on CNN, BBC and FOXNEWS. And this book aims to shift these discussions back to the late antique period, when Ethiopia was one of the greatest empires in the world and to 1930's when the fascists entered Ethiopia, because that is the root cause of the war that is happening today. Ethiopia has a secret history, and no one is focusing on this. The book attempts to shed light on these points by surveying historical events which leads up to about the sixteenth century-with few exceptions. This time period was selected as the termination point because many sources are available for events dealing with the past two to three centuries of history. Hence, people who are interested in this timeline can easily access the particular era that interests them. In this early part of history, we see how Ethiopia was a great superpower who traded with Egyptians, the Middle East, India, Greeks, Romans and Persians. Trading with such influential regions made the country rich and powerful. This nation was so great that the third century prophet Mani mentioned that Ethiopia was one of the four great empires of the time (along with Rome, China and Persia). Regrettably, this great story is seldomly related to our generation because fascists who came into Ethiopia in the 1930's, with the intent of forcefully taking natural resources (ex. ivory, gold, copper), stole the history of Ethiopia. The second aim of the book deals with how in the late 19th century as the Europeans started to carve up Africa, Italy chose Ethiopia. Unfortunately for the colonizers, Italy became the only European country to lose to an African nation. As a result, Italy lost respect from other European nations. Newspapers at the time shamed Italy for losing to a nation of black people. Needless to say, Italy wanted revenge. They got their chance with Benito Mussolini and the fascists. Mussolini sent researchers like Carlo Conti Rossini and Enrico Cerulli to study the best way to conquer Ethiopia. These men studied Ethiopian religion, ethnicity and language the same way the Nazis studied the Jewish community, to see the most efficient way to divide and conquer them. The real tragedy happened when the original research of - Conti Rossini and Cerulli - became seen as the official history. The research they conducted, unfortunately found its way into western universities wherein they are being studied to this day. Their writings became the authoritative history of Ethiopia. Regrettably, present-day Ethiopians are now killing each other because of ethnic and religious differences which the Italians wrote was the central cause of conflict in their country. The second section of the book is a fable meant to highlight the negative impact of ethnic divisions in Ethiopia. As the reader will recognize, the style and voice of this section is unique compared with the previous sections. Perhaps the most distinctive feature is that the fable's main character is a fictional talking mouse named Sammy. This mouse and the journey he embarks on are meant to serve as a metaphor for our present state of affairs. The secondary goal of this book is to change our attitude of learning about history. Often times history is told in a dry and uninteresting way that is off-putting to young people. Especially when it comes to the history of Ethiopia, we often shy away from telling our story for fear of insulting others. In reality, history does not have to be dull or contentious. It can be enjoyable and unifying. The way a story is told is arguably just as important as the story being told. With that being said, the author has decided to tell the story of Ethiopia through the symbolic lens of the love that exists between a husband and wife. By employing such a rhetorical device, the author attempts to tell the story of Ethiopia in a way that is digestible for everyone. After all, who doesn't love a good love story?

ON THE CORNER OF LOVE AND HATE

Simon and Schuster For fans of Lauren Layne and Kristan Higgins comes a delightfully "fun bit of fluffy entertainment" (Publishers Weekly) in the first book of a charming new series, in which a young woman is forced to help her old friend revamp his image for the upcoming mayoral elections...and discovers that she might not be as immune to his charms as she once thought. When Emmanuelle Peroni's father—and current mayor of Hope Lake, Pennsylvania—suggests she help with Cooper Endicott's campaign, she's horrified. Cooper, one of her (former) oldest friends, drives her crazy in every way possible. But he's also her father's protégé, so Emma reluctantly launches her plan to help him win the local election. It's not as easy as it looks. Cooper's colorful love life is the sticking point for many voters, and his opponent is digging up everything he can from his past. It seems that every time Emma puts out the flames from one scandal, another one flares up. Emma knows that if Cooper wants to win, he needs to keep his nose clean. The only problem? She might just be falling in love with the one person she promised never to pursue: the mayoral candidate himself.

MODERN ROMANCE

Penguin The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for Modern Romance, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In Modern Romance, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

DYSFUNCTIONAL LOVE SONGS

AFFIRMATIONS FOR THE HOPELESS ROMANTIC

Have you ever heard yourself singing a song and then had an epiphany? "Wow! This song is dysfunctional." Why are we listening to these songs? Instead of lamenting over past relationships, why not laugh a little and grow a little? We love songs because the songwriter puts words to our emotions. Sometimes, those words affect us in the wrong way -- especially if we have experienced trauma. Let's help each other heal. Each chapter will start with a song lyric. I take that lyric and speak to the writer as if she was my best friend. "Girl, you got to get out." And please hear me. This isn't about gender. It isn't about sexual orientation. It's about freedom. . After you have laughed and cried and poured another glass of wine, I'd like you to pause. You can do this in a pair, small group, or alone. Each chapter will be followed by an affirmation. This is your assignment. Take out a notebook and write the affirmation in your own hand. Look at the words you wrote in your own handwriting. The next assignment is to speak the affirmation out loud. Sound is power. Hear your own voice. Fill your mind with the sound of you speaking your power. You are worth it. You deserve it. You are lovable. You are beautiful. I want to laugh with you. Healing comes from laughter. Hope comes from healing. Power comes from hope. Freedom is the result. Laugh. Heal. Hope. This book is dedicated to you. I hope you laugh. I hope you start writing. I hope you start healing. Your friend, Bridget

HOPELESS ROMANTIC

THE DEAD ROMANTICS

Penguin The New York Times Bestseller and Good Morning America Book Club Pick! "I LOVED this book! ...Funny, breathtaking, hopeful, and dreamy."—Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* "One of the Summer's Hottest Reads"—Entertainment Weekly A disillusioned millennial ghostwriter who, quite literally, has some ghosts of her own, has to find her way back home in this sparkling adult debut from national bestselling author Ashley Poston. Florence Day is the ghostwriter for one of the most prolific romance authors in the industry, and she has a problem—after a terrible breakup, she no longer believes in love. It's as good as dead. When her new editor, a too-handsome mountain of a man, won't give her an extension on her book deadline, Florence prepares to kiss her career goodbye. But then she gets a phone call she never wanted to receive, and she must return home for the first time in a decade to help her family bury her beloved father. For ten years, she's run from the town that never understood her, and even though she misses the sound of a warm Southern night and her eccentric, loving family and their funeral parlor, she can't bring herself to stay. Even with her father gone, it feels like nothing in this town has changed. And she hates it. Until she finds a ghost standing at the funeral parlor's front door, just as broad and infuriatingly handsome as ever, and he's just as confused about why he's there as she is. Romance is most certainly dead . . . but so is her new editor, and his unfinished business will have her second-guessing everything she's ever known about love stories.

The cause: Daniel Grant, a ridiculously hot carpenter who's ten years younger than her and as casual as they come—the complete opposite of sophisticated city-girl Alexis. And yet their chemistry is undeniable. While her ultra-wealthy parents want her to carry on the family legacy of world-renowned surgeons, Alexis doesn't need glory or fame. She's fine with being a "mere" ER doctor. And every minute she spends with Daniel and the tight-knit town where he lives, she's discovering just what's really important. Yet letting their relationship become anything more than a short-term fling would mean turning her back on her family and giving up the opportunity to help thousands of people. Bringing Daniel into her world is impossible, and yet she can't just give up the joy she's found with him either. With so many differences between them, how can Alexis possibly choose between her world and his? "Abby Jimenez's words are like fairy dust... they sprinkled humor and warmth all over my life. Pick up *Part of Your World* if you're looking for an uplifting, feel-good, romantic read—and for a beautiful reminder that we should always try to live the life that makes us the happiest." --Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis*

HANG THE MOON

A NOVEL

HarperCollins In a delightful follow-up to *Written in the Stars*, Alexandria Bellefleur delivers another queer rom-com about a hopeless romantic who vows to show his childhood crush that romance isn't dead by recreating iconic dates from his favorite films... Brendon Lowell loves love. It's why he created a dating app to help people find their one true pairing and why he's convinced "the one" is out there, even if he hasn't met her yet. Or... has he? When his sister's best friend turns up in Seattle unexpectedly, Brendon jumps at the chance to hang out with her. He's crushed on Annie since they were kids, and the stars have finally aligned, putting them in the same city at the same time. Annie booked a spur-of-the-moment trip to Seattle to spend time with friends before moving across the globe. She's not looking for love, especially with her best friend's brother. Annie remembers Brendon as a sweet, dorky kid. Except, the 6-foot-4 man who shows up at her door is a certified Hot Nerd and Annie... wants him? Oh yes. Getting involved would be a terrible idea—her stay is temporary and he wants forever—but when Brendon learns Annie has given up on dating, he's determined to prove that romance is real. Taking cues from his favorite rom-coms, Brendon plans to woo her with elaborate dates straight out of Nora Ephron's playbook. The clock is ticking on Annie's time in Seattle, and Brendon's starting to realize romance isn't just flowers and chocolate. But maybe real love doesn't need to be as perfect as the movies... as long as you think your partner hung the moon.

MUCH ADO ABOUT NOTHING

THE SPANISH LOVE DECEPTION

A NOVEL

Simon and Schuster A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

PROFESSOR FEELGOOD

OUR CHEMICAL HEARTS

Penguin John Green meets Rainbow Rowell in this irresistible story of first love, broken hearts, and the golden seams that put them back together again. Henry Page has never been in love. He fancies himself a hopeless romantic, but the slo-mo, heart palpitating, can't-eat-can't-sleep kind of love that he's been hoping for just hasn't been in the cards for him—at

least not yet. Instead, he's been happy to focus on his grades, on getting into a semi-decent college and finally becoming editor of his school newspaper. Then Grace Town walks into his first period class on the third Tuesday of senior year and he knows everything's about to change. Grace isn't who Henry pictured as his dream girl—she walks with a cane, wears oversized boys' clothes, and rarely seems to shower. But when Grace and Henry are both chosen to edit the school paper, he quickly finds himself falling for her. It's obvious there's something broken about Grace, but it seems to make her even more beautiful to Henry, and he wants nothing more than to help her put the pieces back together again. And yet, this isn't your average story of boy meets girl. Krystal Sutherland's brilliant debut is equal parts wit and heartbreak, a potent reminder of the bittersweet bliss that is first love.

A LONG FATAL LOVE CHASE

Dell "I'd gladly sell my soul to Satan for a year of freedom," cries impetuous Rosamond Vivian to her callous grandfather. Then, one stormy night, a brooding stranger appears in her remote island home, ready to take Rosamond to her word. Spellbound by the mysterious Philip Tempest, Rosamond is seduced with promises of love and freedom, then spirited away on Tempest's sumptuous yacht. But she soon finds herself trapped in a web of intrigue, cruelty, and deceit. Desperate to escape, she flees to Italy, France, and Germany, from Parisian garret to mental asylum, from convent to chateau, as Tempest stalks every step of the fiery beauty who has become his obsession. A story of dark love and passionate obsession that was considered "too sensational" to be published in the authors lifetime, *A Long Fatal Love Chase* was written for magazine serialization in 1866, two years before the publication of *Little Women*. Buried among Louisa May Alcott's papers for more than a century, its publication is a literary landmark—a novel that is bold, timeless, and mesmerizing."
