A Ship Made of Paper

A Novel

Ecco No novelist alive knows the human heart better than Scott Spencer does. No one tells stories about human passion with greater urgency, insight, or sympathy. In A Ship Made of Paper, this artist of desire paints his most profound and compelling canvas yet. After a shattering incidence of violence in New York City, Daniel Emerson has returned to the Hudson River town where he grew up. There, along with Kate Ellis and her daughter, Ruby, he settles into the kind of secure and comfortable family life he longed for during his emotionally barren childhood. But then he falls in love with Iris Davenport, the black woman whose son is Ruby's best friend. During a freak October blizzard, Daniel is stranded at Iris's house, and they spend the night together -- the beginning of a sexual liaison that eventually imperils all their relationships, Daniel's profession, their children's well-being, their own race-blindness, and their view of themselves as essentially good people. And the emotional stakes are raised even higher when Iris's husband, Hampton, suffers a devastating accidental injury at Daniel's hands. A Ship Made of Paper captures all the drama, nuance, and helpless intensity of sexual and romantic yearning, and it bears witness to the age-old conflict between the order of the human community and the disorder of desire.

River Under the Road

A Novel

HarperCollins From the bestselling, critically acclaimed author of *Man in the Woods* and *Endless Love*, a stunning, stinging portrait of class and creativity-and the double-edged sword of success Thirteen parties over the course of two decades-an opium infused barbeque, a reception for a doomed presidential candidate, a fund-raiser for a blind child who speaks in tongues, a visit to one of New York's fabled sex clubs-brilliantly reveal the lives of two couples, one hoping to be admitted to the kingdom of Art, the other hoping for a small share of the American dream, both driven by forces of history they rarely perceive or acknowledge. Thaddeus Kaufman, the son of booksellers, and Grace Cornell, raised in a basement apartment she longs to escape, meet at a neighborhood art fair in Chicago. Soon after, they head to New York, aloft on the wings of young love. Jennings Stratton, the son of a caretaker, and Muriel Sanchez, the daughter of a cop, meet in a house he is refurbishing in New Mexico, and they, too, head for the big city. In a vast Hudson River estate, the lives of the two couples ultimately intertwine. Thaddeus has made it big in an unexpected way, setting off a chain reaction of envy among his friends and peers and forever changing the dynamic of his marriage with Grace, for whom success has been elusive, and art, once a source of solace, has become a font of bitterness. And Jennings, hoping to transcend his reputation as the local Casanova, a man suited only for menial tasks, has ventured into a cycle of theft and betrayal that threatens to destroy the fragile life of his family. Funny and cutting, affecting and expansive, *River Under the Road* is Scott Spencer's masterpiece of all that lies beneath our everyday lives-a story about the pursuit of love, art, and money, and the inevitable reckoning that awaits us all.

Man in the Woods

A Novel

Harper Collins A man, a woman, a child, and an unforgettable dog combine forces in this gripping and surprising psychological thriller, the most stunning novel yet from Scott Spencer—named one of Publishers Weekly's Top Ten Books of 2010. Can we ever get away with murder? Are there secrets that cannot remain hidden no matter how deeply we try to bury them? And do the things we hide control our destinies even more than the things we choose to reveal? But Paul is a man of deep convictions, and the compromises we all make to get along in the world elude him. On his way home after a particularly trying day, Paul discovers a man beating a dog, and in a few fateful moments is plunged into a world of violence and onto a tumultuous journey of self-knowledge, guilt, and redemption.

An Ocean Without a Shore

A Novel

HarperCollins A wildly entertaining and occasionally heartbreaking story of frustrated longing, and the lengths we will go for those we love—even if they don't love us in return *An Ocean Without a Shore*, from the bestselling, critically acclaimed author of *Endless Love* and *Man in the Woods*, is a beautifully rendered exploration of that most timeless of human dilemmas: the one in which your love is left unreturned. Since their college days, Kip Woods has been infatuated with Thaddeus Kaufman, who, years later, is a married father of two children and desperately trying to revive a failing career. Kip's devotion to Thaddeus has been life-defining and destiny-altering, but it has been one that Thaddeus has either failed to notice or refused to acknowledge. But over the course of this heated and mesmerizing novel, set against a background of privilege and affluence in Manhattan and the Hudson Valley, Kip will be forced to reckon with the prison of his own making and decide how much he is willing to sacrifice for a love that may never be shared. Picking up where his most recent novel, *River Under the Road*, left off, but writing squarely in the vein of *Endless Love*, his classic novel of passion and obsession, Scott Spencer gives us an intimate, immersive, and unsettling portrait of the devastation we will wreak in the name of love, and the bitterness of a friendship ravaged by fathomless yearning.

The Way of a Ship

A Square-Rigger Voyage in the Last Days of Sail

Vintage Canada From the author of *Godforsaken Sea* -- a #1 bestseller in Canada and "one of the best books ever written about sailing" (Time magazine) -- comes a magnificent re-creation of a square-rigger voyage round Cape Horn at the end of the 19th century. In *The Way of a Ship*, Derek Lundy places his seafaring great-great uncle, Benjamin Lundy, on board the *Beara Head* and brings to life the ship's community as it performs the exhausting and dangerous work of sailing a square-rigger across the sea. The "beautiful, widow-making, deep-sea" sailing ships could sail fast in almost all weather and carry substantial cargo. Handling square-riggers demanded detailed and specialized skills, and life at sea, although romanticized by sea-voyage chroniclers, was often brutal. Seamen were sleep deprived and malnourished, at times half-starved, and scurvy was still a possibility. Derek Lundy reminds readers what Melville and Conrad expressed so well: that the sea voyage is an overarching metaphor for life itself. As Benjamin Lundy nears the Horn and its attendant terrors, the traditional qualities of the sailor -- fatalism, stoicism, courage, obedience to a strict hierarchy, even sentimentality -- are revealed in their dying days, as sail gave way to steam. Derek Lundy tells his gripping tale with the kind of storytelling skill and writerly breadth that is usually the ken of our finest novelists, and in so doing, imagines a harrowing and wholly credible history for his seafaring Irish-Canadian ancestor.

Union Books DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Difficult Women

New York Review of Books David Plante's dazzling portraits of three influential women in the literary world, now back in print for the first time in decades. *Difficult Women* presents portraits of three extraordinary, complicated, and, yes, difficult women, while also raising intriguing and, in their own way, difficult questions about the character and motivations of the keenly and often cruelly observant portraitist himself. The book begins with David Plante's portrait of Jean Rhys in her old age, when the publication of *The Wide Sargasso Sea*, after years of silence that had made Rhys's great novels of the 1920s and '30s as good as unknown, had at last gained genuine recognition for her. Rhys, however, can hardly be said to be enjoying her new fame. A terminal alcoholic, she curses and staggers and rants like King Lear on the heath in the hotel room that she has made her home, while Plante looks impassively on. Sonia Orwell is his second subject, a suave exploiter and hapless victim of her beauty and social prowess, while the unflappable, brilliant, and impossibly opinionated Germaine Greer sails through the final pages, ever ready to set the world, and any erring companion, right.
