We know that this format works very well because hundreds of thousands of healthcare professionals and students, in hospitals and colleges all over the world, have used this handy, no-nonsense chart to help them successfully pass the ACLS certification exams. THE THINGS I WANT MOST

THE EXTRAORDINARY STORY OF A BOY'S JOURNEY TO A FAMILY OF HIS OWN

Bantam The remarkable story of a couple who risked everything to open their home--and their hearts--to answer an abandoned child's wish. It was a small note buried in the file of a deeply troubled eleven-year-old boy--a plea for a normal life Rich and Sue Minitier

couldn't ignore: *The Things I Want MOST: A family A fishing pole A family*The Miniters heard in that simple note the voice of a frightened child who wanted what all children want and need: someone to love who would love them in return. So they brought Mike home to the cozy country inn they'd restored and managed in rural upstate New York. There, over the next year, they would try to make Mike's dream come true. But first they would have to work through the fear, anger, and distrust that accompanied this boy who had lived his whole life with the label "severely emotionally disturbed." For the biggest obstacle to Mike's happiness was Mike himself, who gave the Miniters every reason to give up but one--the power of love. When Richard and Sue Miniters decided to open their home--and their hearts--to a foster child, they couldn't imagine the frustrations and joys, the breakthroughs and setbacks, not to mention the emotional toll, that awaited them. Here is the remarkable true story of how their lives changed forever with their decision to answer an abandoned child's wish for *THE THINGS I WANT MOST*. -->
