**Know Your State Punjab** Arihant Publications India limited Home to the wide population of Sikh community, Punjab is a state in north India sharing border with Pakistan. It is one of the most lively tourist places in the country with Chandigarh being its capital. Gaining an insightful knowledge about the state of Punjab helps you score good marks in Punjab Public Service Commission (PPSC) recruitment examinations or any other state government exams. To serve the above purpose, this book 'Know Your State Punjab has been revised thoroughly. It includes the detailed study of history, geography, economy, polity, art and culture, center and state government welfare schemes and current affairs of Punjab. It also includes more than 1100 MCQs as a whole for self-evaluation. Easy-to read and systematically organized, it is a handy and perfect resource book to learn about Punjab in an easy-to-digest manner. **The Pearson General Knowledge Manual 2010 (New Edition)** Pearson Education India An Updated and Revised Edition of the Most Popular General Knowledge Manual **Fighting for Faith and Nation Dialogues with Sikh Militants** University of Pennsylvania Press The ethnic and religious violence that characterized the late twentieth century calls for new ways of thinking and writing about politics. Listening to the voices of people who experience political violence—either as victims or as perpetrators—gives new insights into both the sources of violent conflict and the potential for its resolution. Drawing on her extensive interviews and conversations with Sikh militants, Cynthia Keppley Mahmood presents their accounts of the human rights abuses inflicted on them by the state of India as well as their explanations of the philosophical tradition of martyrdom and meaningful death in the Sikh faith. While demonstrating how divergent the world views of participants in a conflict can be, *Fighting for Faith and Nation* gives reason to hope that our essential common humanity may provide grounds for a pragmatic resolution of conflicts such as the one in Punjab which has claimed tens of thousands of lives in the past fifteen years. **AKASHVANI Vol. XXVIII. No. 17 ( 28 APRIL, 1963 )** Publications Division (India),New Delhi "Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English ) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1,1983. It also evaluates the violent response of the Indian State in fuelling and suppressing the Sikh separatist movement, resulting in a tragic sequence of events which has included the raiding of the Golden Temple at Amritsar and the assassination of Prime Minister Indira Gandhi. The book reveals the role in this movement of a section of young semi-literate Sikh peasantry who were disaffected by the Green Revolution and the commercialisation of agriculture in Punjab. Drawing on a wide range of sources, Deol examines the role of popular mass media in the revitalisation of religion during this period, and the subsequent emergence of sharper religious boundaries. **Handbook of Research on Citizen Engagement and Public Participation in the Era of New Media** IGI Global New media forums have created a unique opportunity for citizens to participate in a variety of social and political contexts. As new social technologies are being utilized in a variety of ways, the public is able to interact more effectively in activities within their communities. The Handbook of Research on Citizen Engagement and Public Participation in the Era of New Media addresses opportunities and challenges in the theory and practice of public involvement in social media. Highlighting various communication modes and best practices being utilized in citizen-involvement activities, this book is a critical reference source for professionals, consultants, university teachers, practitioners, community organizers, government administrators, citizens, and activists. **Parliamentary Debates Official Report Born to be sold** Ukiyoto Publishing Expression of love and grief might become bland in the words of one's mouth. But when they are written, they could incite the hearts of those who believe in them. This is the remains of love, the whispers from the past, the warmth of the hands that still linger on one's skin, coming with the profanities in metaphor. *The Shes In My Soliloquy* is a collection of prose and poetry. **Public Relations Management Prabhat Prakashan** In Indian context. **AKASHVANI Vol. XXXII. This book proposes that the explanatory factors underlying this event may be more complex than imagined thus far. The book discusses how the leadership of the grassroots movement was embedded within the ruling elite and possessed the necessary resources as well as unparalleled access to spaces of power for the movement to be successful. It shows how the democratisation of the higher bureaucracy along with the launch of the economic liberalisation project meant that the urban, educated, high-caste, upper-middle class elite that provided critical support to the demand for an RTI Act was no longer vested in the state and had moved to the private sector. Mirroring this shift, the framing of the RTI Act during the 1990s saw its ambit reduced to the government, even as there was a concomitant push to privatise public goods and services. It goes on to investigate the Indian RTI Act within the global explosion of freedom of information laws over the last two decades, and shows how international pressures had a direct and causal impact both on its content and the timing of its enactment. Taking the production of the RTI Act as a lens, the book argues that while there is much to celebrate in the consolidation of procedural democracy in India over the last six decades, existing social and political structures may limit the extent and forms of democratic deepening occurring in the near future. It will be of interest to those working in the fields of South Asian Law, Asian Politics, and Civil Society. **Religion, Rights and Fundamentalism in Indian Perspective Whiskey's Secret Polyglot Publications London Troubled Reflections Reporting Violence : Media's Symbiotic Relationship with Violence, Ethnic Violence, Terrorism, and War** The PADMA ACHIEVERS 2016 Disha Publications Ambition always begins with a dream, with a purpose. Though money may be an important part of it, most people strive and achieve for reasons other than money. It's the quest to prove themselves. However, not all those who strive succeed. That's where the importance of awards and public recognition comes in. Awards are not only for acknowledging success, they recognise many other qualities: ability, efforts, struggle and above all, excellence. Disha's Padma Achievers 2016 focuses on those truly remarkable Indians/ foreigners who have won fame and encouragement to pursue their excellence in their respective fields. The book goes into great detail of the lives of Padma Vibhushan, Padma Bhushan and Padma Shri awardees - how they got their recognition, their struggle and how they achieved these rare feats in their respective fields. Padma Achievers 2016 has been designed to cater to - a) Aspirants of various competitive exams like Civil services, Banks, Railways, UPSC and PSC exams and Quiz Competition across the country and, b) Teachers, researchers, media persons, laymen and avid readers. The book may benefit you in many ways like - . The knowledge about various honours, awards and recognitions conferred by the government of India has multiple practical uses and it can make you crack various competitive exams like UPSC, Civil Services, SSC, Banking, Insurance, Railways, Engg Services and AFCAT etc. and can keep you updated on the latest trends. . Whether it is an Essay or Group Discussion or PI, the book can help you enhance your general knowledge. You have every chance to be able to stand out from the crowd if your knowledge on the GK is sufficient. It can enhance your public speaking skills while giving examples of these distinguished personalities. . It will help strike a conversation with a friend or colleague. General knowledge and current affairs are instant conversation starters. . It also helps you keep up with the latest trends in diverse fields like Science & Engineering, Trade & Industry, Medicine, Art & Cinema, Literature & Education, Sports & Journalism, Spiritualism, Social Work & Public Affairs etc. . With the inspiration from the lives of people who made it big, it makes you street smart and helps you take well informed decisions in life and may prove to be a guiding light in your professional career. . Since the awardees come from diverse cultures and ethnicities, it will help you form a perspective about the cultures that are different from your own. A must reference book for teachers, researchers, motivators and mentors who will find multiple examples of guiding their students as well as for parents for motivating their kids. The book also provides a first-hand information about other Indian as well as International awards like Civilian awards - Gandhi Peace Prize, Indira Gandhi Peace Prize, Tagore Award; Gallantry awards- Param Vir, Maha Vir, Ashok Chakra; National sports awards- Rajiv Gandhi Khel Ratna, Dronacharya award, Arjuna award, Dhyan Chand Award, Bravery awards and Dada Saheb Phalke Awards; Nobel Prize, Magsaysay Awards, Pulitzer Prize & Oscar Awards etc. The book provides listings of winners of such awards. The only compendium of Indian/ International awards and their achievers is concisely written and illustrated with pie charts on the basis of age-group, gender and diversified fields etc. **Mining Intelligence and Knowledge Exploration First International Conference, MIKE 2013, Tamil Nadu, India, December 18-20, 2013, Proceedings** Springer This book constitutes the proceedings of the First International Conference on Mining Intelligence and Knowledge Exploration, MIKE 2013, held in Tamil Nadu, India on December 2013. The 82 papers presented were carefully reviewed and selected from 334 submissions. The papers cover the topics such as feature selection, classification, clustering, image processing, network security, speech processing, machine learning, information retrieval, recommender systems, natural language processing, language, cognition and computation and other certain problems in dynamical systems. **Report - Committee of Privileges THE INDIAN LISTENER Vol. XIII. More popular images of the city capture the world's collective imagination—as a Bollywood fantasia or a slumland dystopia. Yet for many, if not most, people who live in the city, the neighborhood streets are indeed shared with local gods and guardian spirits. In *The Neighborhood of Gods*, William Elison examines the link between territory and divinity in India's most self-consciously modern city. In this densely settled environment, space is scarce, and anxiety about housing is pervasive. Consecrating space—first with impromptu displays and then, eventually, with full-blown temples and official recognition—is one way of staking a claim. But how can a marginalized community make its gods visible, and therefore powerful, in the eyes of others? *The Neighborhood of Gods* explores this question, bringing an ethnographic lens to a range of visual and spatial practices: from the shrine construction that encroaches on downtown streets, to the “tribal art” practices of an indigenous group facing displacement, to the work of image production at two Bollywood film studios. A pioneering ethnography, this book offers a creative intervention in debates on postcolonial citizenship, urban geography, and visibility in the religions of India. **Indian Press Since 1955 Reports of Patent, Design, and Trade Mark Cases** Arihant Publications India limited **Headlines From the Heartland Reinventing the Hindi Public Sphere** SAGE In the 1990s, a newspaper revolution began blowing across northern and central India. When literacy levels rose, communications expanded, and purchasing power climbed in these Hindi-speaking states, newspapers followed—picking up readers in small towns and villages. Even while these newspapers surged to the top of national readership charts, they localised furiously in the race for readers. But in this universe of local news, questions arose about what localisation was doing to regional identity and consciousness. Using notes from her pioneering field-study in eight states, Sevanti Ninan brilliantly brings alive India's ongoing Hindi newspaper revolution, and its impact on politics, administration and society. Set against the socio-economic and political changes in the countryside, it is a remarkable story of how journalism flowered in unexpected and unorthodox ways, and colourful media marketing unfurled in the Hindi heartland. **Intelligent Computing, Communication and Devices Proceedings of ICCD 2014, Volume 2** Springer In the history of mankind, three revolutions which impact the human life are the tool-making revolution, agricultural revolution and industrial revolution. They have transformed not only the economy and civilization but the overall development of the society. Probably, intelligence revolution is the next revolution, which the society will perceive in the next 10 years. ICCD-2014 covers all dimensions of intelligent sciences, i.e. Intelligent Computing, Intelligent Communication and Intelligent Devices. This volume covers contributions from Intelligent Communication which are from the areas such as Communications and Wireless Ad Hoc & Sensor Networks, Speech & Natural Language Processing, including Signal, Image and Video Processing and Mobile broadband and Optical networks, which are the key to the ground-breaking inventions to intelligent communication technologies. Secondly, Intelligent Device is any type of equipment, instrument or machine that has its own computing capability. Contributions from the areas such as Embedded Systems, RFID, RF MEMS, VLSI Design & Electronic Devices, Analog and Mixed-Signal IC Design and Testing, MEMS and Microsystems, CMOS MEMS, Solar Cells and Photonics, Nano Devices, Single Electron & Spintronics Devices, Space Electronics and Intelligent Robotics are covered in this volume. **(Free Sample) Incredible Rajasthan General Knowledge for RPSC, RSMSSB, RJS & other Competitive Exams** Disha Publications The book "Incredible Rajasthan General Knowledge for RPSC, RSMSSB, RJS & other Competitive Exams" contains complete details of Rajasthan in terms of its History, Polity, Economics, Geography, General Knowledge & Awareness.
