What readers are saying about **Saved Warriors** "This book is absolutely magnificent! I loved the characters so much! Kali is brave, sarcastic and strong. She's been through a horrible experience in her past but she's one tough cookie and holds her own even amongst aliens. Arana, Rorc and Mac are strong, possessive and domineering. I loved their stubbornness, thoughtfulness and determination to keep and protect their mate. They're just absolutely wonderful and yummy. The chemistry between the four is out of this world and scorching hot. I loved how their relationship developed throughout the story. They might be strong each on their own, but together they are a force to be reckoned with. I really liked that we got a glimpse of both planets - Saber and Wravuk. Both look quite intriguing and beautiful. Overall, the story is filled with action, drama, fun, conflicts, alpha characters and sizzling romance. I loved every page of it and can't wait for more stories from the Pyxis System!" Nevena, Goodreads "loved it !!! love this series !!! this is book 2, where are heroes all meet. Indie, Goodreads "This book was a very well-written story by a new favorite author to me, Aurora Welkin. This book 2 in Intergalactic Enosis: The Pyxis System Book Series was interesting and it had very well-thought out scenes, characters, and story. These characters have strong wills and personalities with realistic interactions. This wonderful story has the following: intrigue, twists, turns, adventure, action, love, steam and a HEA." Sara M., Goodreads "...Ms. Welkin has a way of drawing you into her stories with amazing storytelling and world building. She then takes you on a wild roller coaster ride and trust me you will need a fan and tall glass of iced tea in order to survive. Her characters are so delightfully flawed that you can't help cheer for their happily ever after..." A Dhasu Alien Romance

Charmaine Ross Full blown terror hasn’t had a chance to take hold of me - not yet at any rate. Abducted by aliens. Sold like livestock. I’m rescued by a muscular, demanding alien with charcoal skin and strange nodes on his body that flash with luminescent light. He tells me I’m safe with him, but I know I’m not. From the moment I first set eyes on him, something indescribable and intense sparks between us. I’ve never felt anything like this before. Nothing that makes my heart beat faster and my body ache quite like this. He wants to take care of me. Protect me. And then take me to the Sanctuary with the other rescued women and turn his back on me. He tells me that Dhasu only have one bond-mate in their life and he has already found his, so I cannot be it. Yet I want him. The longer we’re stuck on a hostile planet with the very beings that bought me from that stage, the harder it will be to let him leave me there. Falling for him doesn’t make sense. Maybe I’m losing my mind. Maybe I’ve already lost it. Maybe we’ll die on this horrible planet, but if we really are bonded-mates..? Maybe we’ll get more than we bargained for. If you like impossible odds, lawless and corrupt aliens, smouldering alien warriors and the tension of rejected fated mates, you’ll love Seized by the Alien Space Warrior. Alien's Challenge: A Sci-Fi Alien Romance

Nancey Cummings Stop me if you've heard this story before. One minute Alice was camping, trying to connect with nature, then there's this blinding white light. Gravity must have quit because Alice and her sleeping bag were floating off the ground. Classic alien abduction. She wakes up on an alien planet full of, you know, aliens. Outlaws. Rules are optional and people are property. So not cool. Then there's a train robbery and she's getting abducted. Again. But this guy? He's a giant lizard man, just a solid wall of muscle, scales, and bad attitude. He's dangerous and he's gone into a mating fever, which he says is her fault. So what is she going to do about it? Better question, what is tall, dark and grumpy going to do about it? Two decades ago Faris was exiled to this prison planet. Only the strong survive here. He's too old for a mating fever but his body has other ideas. The human female was not part of the plan, an ordinary smash and grab, but she's his now. And he does not share. Alien's Challenge is a stand alone book in the Outlaw Planet Mates series. The books can be read in any order. No cliffhangers, no cheating and a HEA.
