**Alpha Second [Whithowe Forest Pack 1] Siren-BookStrand The Private Club Three Days J.S. Cooper The Private Club** is a three book erotic romance novella serial. What happens at the private club stays at the private club! When Meg Riley lost her job as an attorney, she never thought she'd end up working for a private club. But when she met the handsome and elusive, Greyson Twining, she knew she couldn't turn the job down; even though she didn't really know what the position entailed. Greyson Twining is the owner of the private club and he knows that it's a mistake to hire, Meg. However, there is something about the way she smiles at him that makes him forget his own reservations. And then there's the call from, Brandon Hastings telling him not to hire Meg. A call he should have listened to more closely. As Meg and Greyson embark on day one of training, neither of them realize that there are secrets about to come out that will completely alter both of their lives. Part two will be out on February 13th and part three will be out on February 20th. The Billionaire Bargain (A FREE Romantic Comedy!) [Lila Monroe Books](#) Discover the sexy fun of the Billionaire series... From USA Today bestselling author Lila Monroe! Sexy Australian billionaire Grant Devlin is ruining my life. He exercises shirtless in his office, is notorious for his lunchtime hook-ups, he even yawns sexily. If I didn't need this job so bad, I'd take his black Amex and tell him where to swipe it. He doesn't even know I exist, but why would he? He jets off to Paris with supermodels, I spend Friday nights with Netflix and a chunk of Pepperidge Farm frozen cake—waiting for his call. Because every time he crashes his yacht, or blows \$500k on a single roulette spin in Monte Carlo, I'm the PR girl who has to clean up his mess. But this time, it's going to take more than just a fat charity donation. This time, the whole company is on the line. He needs to show investors that he's settling down, and Step #1 is pretending to date a nice, stable girl until people forget about what happened with the Playboy Bunnies backstage at the Oscars. My plan is perfect, except for one thing: He picks me. The Billionaire Series: 1. The Billionaire Bargain 2. The Billionaire Secret 3. The Billionaire Game 4. The Billionaire Prize 5. At Any Price [Silver Griffin Associates](#) "This is one of 13 romance novels that should be on every woman's bucket list."--Bustle.com I had the craziest idea when I decided to auction my virginity online. I have reasons for it. Good reasons. My mom's hospital bills, for one. My medical school tuition, for another. By day, I'm a student and popular gaming blogger, but my dream is to become a doctor. This auction could free me from a crushing pile of debt and give me the cash I need to make my dreams a reality. And honestly, I'm also looking forward to cashing in that troublesome V-card. Win, win. My rules are set in stone: One night, then no further contact with the auction winner. Enter Adam Drake, the brilliant gaming company CEO and multimillionaire. He won my auction. He's young, driven, and so damn sexy. It's frightening how attracted I am - though I'd never admit it. And it's clear I'll need to protect my heart. But Adam is used to making the rules and before I can catch it, he's found a loophole. Every stipulation I made to protect myself is getting tossed by the wayside. I can't help but wonder... Is he playing me? Or is he playing for keeps? The Spaniard's Baby Bargain [Harlequin](#) Billionaire Manolo del Guardo has been dumped—by his nanny. However she was perplexed to find out that her secret crush Hunter had no idea who she was or why she was there. Jaxon is Nancy's teacher at the Academy. He's handsome, skillful and extremely mysterious. Nancy is turned on by his charisma, but she doesn't want to be. What happens when secrets are revealed and lovers are questioned? When Nancy finds out a secret about the Lovers Academy, she isn't sure who to trust. Both Hunter and Jaxon have opened up to her, but only one of them has her best interests at heart. Then something happens that no-one expects and life at the Academy is turned on its head. There's one person that will do anything to ensure that Nancy's choices are punished and they will stop at nothing to ensure that the full truth stays buried. The Fountainhead [Penguin](#) The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall."—The New York Times Falling for My Boss [CreateSpace](#) Scott Taylor was sex on legs and it was all Elizabeth Jeffries could do to resist him. When Elizabeth Jeffries was hired for a job with her party gram company, she had no idea that her new boss Scott Taylor was going to have such an effect on her. He was a handsome flirt and he liked to push the boundaries of their office relationship. Only Elizabeth, with the guidance of her best friend, has decided to push right back. She wants Scott to know that he's not the only one that can play games. Thus begins the ultimate game of cat and mouse. They both begin to tease and lure each other into their webs and then something explosive happens. The games go too far and Elizabeth is pushed to the limit. Scott doesn't know what to think when he finds out Elizabeth's big secret and the reason why she took the job. The truth causes everything to blow up, however neither one of them were to know that that wasn't to be the last job that Elizabeth would take that would bring her back into his world. Their future together looked bright until Brandon found out that Katie was keeping a huge secret from him. Once he realized the truth, he broke her heart and she never saw him again. Seven years later, Katie has finally moved on and accepts the position of her dreams at Marathon Corporation as an executive manager. The only problem is, Brandon Hastings bought the business a month after she started working there. Now Katie has to fly to San Francisco to attend a company-wide orientation and she is scared that Brandon is going to fire her on sight. Little does she know that Brandon has lot more planned for her and this time he's the one keeping a secret. The Ex Games [Simon and Schuster](#) Brace yourself for the battle of the exes.... Hayden and Nick used to be a hot item, but their brief affair ended with a highly publicized breakup. Now the two are "just friends," excluding the occasional flirtation. When Hayden wins the girls' division of a local snowboarding competition, Nick is unimpressed, claiming that Hayden wouldn't have a chance against a guy. Hayden calls Nick's bluff and challenges him to a head-to-head boarding contest. Their mutual friends quickly take sides, the girls on Hayden's and the boys on Nick's, making for an all-out battle of the sexes. This friendly competition is bound to get heated -- and they might end up igniting some old flames. The Billionaire's Marriage Mission [HarperCollins Australia](#) Billionaires always get what they want! Travis Black might be darkly, broodingly handsome, but as far as Beth is concerned he's also very infuriating! What would a rich, successful and charming man like him want with a quiet, vulnerable and oh-so-ordinary woman like her? Travis soon makes that abundantly clear. However, Beth isn't into casual affairs so this is one billionaire who won't get what he wants. Or will he? The Ex Games 3 [J.S. Cooper](#) What other secret is Brandon hiding? Seven years ago, Katie Raymond made a mistake that cost her the love of her life. Now, Brandon Hastings is back in her life and it seems like he is determined to make her pay for her previous mistakes. An Everlasting Name Cultural Remembrance and Traditions of Onymic Commemoration [Walter de Gruyter GmbH & Co KG](#) The ever-growing interest in cultural memory has generated an impressive body of academic literature on public commemoration, but not enough attention has been paid until now to the power and appeal of names to transcend death. This book is the first to investigates onymic commemoration as a technology of immortality. Bringing together issues as diverse as casualty lists on public display and honorific street-names, the inquiry expands on the commemorative capacity of an "everlasting name" as a site of remembrance. It explores how notions about names, being, fame and an afterlife have coalesced into prestigious and time-honored commemorative practices and traditions that demonstrate the cultural power of an "everlasting name" to confer immortality through remembrance. By linking ancient traditions and modern practices, this book offers a cross-cultural analysis of onymic commemoration that is broad in scope and covers a wide time frame, encompassing diverse historical periods, cultural contexts and geopolitical settings. Billionaire Unexpected Jax The Billionaire's Obsession Series I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxon Montgomery, my billionaire boss, and the king of one-nighters. Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have? The Billionaire's Fake Fiancée I pretended to be the girlfriend of one of the richest men in New York City. It was only meant to be the one time. I mean, it was the week before Christmas, I was shopping with my best friend and we were hungry and wanted to dine at the new swanky restaurant on the Upper West Side. For some reason the hostess misheard me when I mentioned Max Parker's name. I'd been complaining that he was the reason why I'd lost my job. Who was I to correct her when it meant that "my relationship" had caused a table to suddenly open up? And then the next week I accidentally let it slip that Max Parker was my boyfriend to get into an exclusive club. And then there was the time when I saw that Chanel handbag and Prada shoes. I mean, it didn't really hurt anyone, did it? It was just a little white lie. How was I to know that my fake boyfriend would find out that I'd been using his name? Now he's blackmailing me into playing his fake fiancé (Fiancée) in an arrangement that could only be classified as risqué. Turns out if I want to keep my apartment and not move home with my parents, I'm going to have to play along with his game. Only he's going to have to go along with my rules as well and while he smirks at that idea he doesn't know that I've got a plan of my own. Tell Me I'm Yours The British Billionaires Is there more to the spoiled, entitled, British billionaire man-whore than what I see on the surface? I really want to hate Dylan Lancaster. He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me. It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients. What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me. Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late? Held (Gone #2) [Stacy Clafin](#) This follows Gone, the first book in the trilogy. Held follows Macy Mercer after being abducted by Chester Woodran, a man who has committed murder...she's sure of it. He seems to want to keep Macy - so he can replace his daughter who looks just like Macy. Now that Chester is convinced Macy believes she is his daughter, he has relaxed and is even being nice. That unnerves Macy more than when he was being mean. They set off to their new home...in a place Macy thought was only reserved for scary movies. Meanwhile, back home her family and friends continue to deal with her disappearance. New clues come in, furthering their confusion and distress. Other books now available: Gone (#1) Over (#3) The Complete Trilogy The Ex Games 2 [J.S. Cooper](#) Seven years ago, Brandon Hastings and Katie Raymond had a relationship that other couples envied. They loved each other more than anything, but one lie ruined their relationship forever. Now, Brandon is the CEO of the company that Katie works for and she is finding it hard to be around him without wanting to touch him and be touched by him. Katie gives in to one moment of weakness with Brandon, and he reveals a secret that breaks her heart once again. Katie is determined that she will not let Brandon break her again and they go back in forth in a mouse and cat game that has them both wondering what's really going on. Just when Katie thinks she can take no more, one more secret is revealed that will make her question everything she ever thought she knew about

Brandon Hastings. Billionaire Unwed Zeke The Billionaire's Obsession You met Lia and Zeke in Billionaire Unloved, Jett and Ruby's book. Now you can find out what happened to them. Did Lia really end up marrying the wrong guy? Although this story is part of The Billionaire's Obsession series, it can be easily be enjoyed as a standalone friends to lovers billionaire romance. Lia: I thought I had my life all worked out. My wedding had been meticulously planned. All I had to do was walk down the aisle and get married to the man I'd been engaged to for over a year. Pretty easy and uncomplicated, right? Unfortunately, all of my well laid plans go up in smoke when my fiancé leaves me at the church alone because he found a woman who was better suited for his snobby world of wealth and privilege. After realizing what kind of man my intended groom really was, it was hard not to be more relieved that I'd dodged a bullet than I was heartbroken. Problem is, I still need to get married. All of my hopes and dreams are dependent on me tying the knot by my twenty-eighth birthday, and that date is closing in fast. Way too quickly for me to fall in love all over again. As usual, my best friend Zeke Conner is there to pick up the pieces after I'm left at the altar by a jerk. He helps me work through the demoralizing event so I can put it behind me and move on. I'm stunned when he offers to marry me himself, but it's a bargain I can't really refuse. As my relationship starts to change with my best friend, I find myself caught in a web of sensual desire and unending passion that's as terrifying as it is satisfying. Probably because it seems all too real. Our arrangement was supposed to be temporary. A deal between friends that Zeke swore would benefit both of us, but as our marriage starts to feel like so much more than just a charade for me, what will happen when it all ends? This book was originally published under the title "Temporary Groom" as a part of the now-discontinued Left at The Altar Series. It's been completely re-written with added chapters and material, and retitled Billionaire Unwed as part of The Billionaire's Obsession series. Falling For the Billionaire One Night Series, #4 "A man like me takes what he wants when he wants it." Lacey wanted to find a sexy and irresistible man. Only, she never thought she'd meet someone like Henry James. Henry James had a wicked smile and dazzling eyes. He was arrogant, handsome, teasing, and the sexiest man she'd ever seen in her life. The only problem was Henry James was everything she wasn't looking for in a man. He was too handsome. Too rich. Too alpha. He was the sort of man that could have Lacey doing what he wanted without her even knowing. He was the sort of man that had her doing things she never thought she'd do. Plain and simple, Henry James was trouble and Lacey wanted nothing to do with him. However, Henry had other plans and the first of which was to get Lacey into his bed. Decision Making Under Uncertainty Theory and Application [MIT Press](#) An introduction to decision making under uncertainty from a computational perspective, covering both theory and applications ranging from speech recognition to airborne collision avoidance. Many important problems involve decision making under uncertainty—that is, choosing actions based on often imperfect observations, with unknown outcomes. Designers of automated decision support systems must take into account the various sources of uncertainty while balancing the multiple objectives of the system. This book provides an introduction to the challenges of decision making under uncertainty from a computational perspective. It presents both the theory behind decision making models and algorithms and a collection of example applications that range from speech recognition to aircraft collision avoidance. Focusing on two methods for designing decision agents, planning and reinforcement learning, the book covers probabilistic models, introducing Bayesian networks as a graphical model that captures probabilistic relationships between variables; utility theory as a framework for understanding optimal decision making under uncertainty; Markov decision processes as a method for modeling sequential problems; model uncertainty; state uncertainty; and cooperative decision making involving multiple interacting agents. A series of applications shows how the theoretical concepts can be applied to systems for attribute-based person search, speech applications, collision avoidance, and unmanned aircraft persistent surveillance. Decision Making Under Uncertainty unifies research from different communities using consistent notation, and is accessible to students and researchers across engineering disciplines who have some prior exposure to probability theory and calculus. It can be used as a text for advanced undergraduate and graduate students in fields including computer science, aerospace and electrical engineering, and management science. It will also be a valuable professional reference for researchers in a variety of disciplines. To My First And Last One Night Stand [J.S. Cooper](#) To Marco (No, I'm not going to add Polo), Last night was a mistake. A big mistake. Or should I say small? I don't want to hurt your ego. I should have listened to your sister. You're insufferable and rude and far too cocky. Don't worry. I won't be telling anyone what happened because as far as I'm concerned it never did. Please stop calling me. I do not need to come and collect my bra from you. Or the t-shirt you lent me to sleep in when I got cold. And no, that one act doesn't make you a gentleman. Far from it. Also, I do not need to have your smell near me to fall asleep. In fact, your shirt does the opposite. It gives me nightmares. Millie P.S. No, I do not want a repeat of last night at my office. I don't care if that's your fantasy or not. Stop texting me your fantasies, by the way. P.P.S. The texts I sent you this morning were drunk texts. I was still hungover. Do not construe them as anything else. P.P.P.S. Could you have given me any more love bites? There was no need to "mark your territory" because I am not yours! You've GOT to Read This Book! 55 People Tell the Story of the Book That Changed Their Life [Harper Collins](#) There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling Chicken Soup for the Soul® series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's The Human Comedy helped him realize that, in order to successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-doubt in the midst of his success—and how reading To Kill a Mockingbird strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book Space Cadet impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—You've Got to Read This Book! has treasures in store for you. The accomplished rider knows life presents much more fearsome challenges. The animal's owner, Zach McCray, is offering half a million dollars to anyone who can stay on him for a full eight seconds. That purse would go a long way to help Dusty and her brother rebuild their nearly bankrupt ranch. Will Zach let a woman ride his bull? Not likely. Still, the headstrong Dusty intrigues him. Her father worked on the McCray ranch years ago, and Zach remembers her as a little girl when he was a cocky teen. Times change, and now she's a beautiful and desirable young woman. A few passionate kisses leave Zach wanting more, but will Dusty's secrets tear them apart? A Boy and His Dragon [Dreamspinner Press LLC](#) A Being(s) in Love Story Arthur MacArthur needs a job, and not just for the money. Before he dropped out of school to support his younger sister, he loved being a research assistant at the university. But working for a dragon, one of the rarest and least understood magical beings, has unforeseen complications. While Arthur may be the only applicant who isn't afraid of Philbert Jones in his dragon form, the instant attraction he feels for his new employer is beyond disconcerting. Bertie is a brilliant historian, but he can't find his own notes without help--his house is a hoard of books and antiques, hence the need for an assistant. Setting the mess to rights is a dream come true for Arthur, who once aspired to be an archivist. But making sense of Bertie's interest in him is another matter. After all, dragons collect treasure, and Arthur is anything but extraordinary.
