KEY=MUCHA - MURRAY MELENDEZ

Art Nouveau, 1890-1914

Harry N. Abrams *A volume created to accompany an exhibition considers the popular and influential style of art nouveau showcasing all mediums from Tiffany lampshades to Lalique jewelry.*

Alphonse Mucha

Prestel Pub *Alfons Mucha is known largely for having originated Art Nouveau, when his poster of the actress Sarah Bernhardt became a legendary icon of the movement. Mucha went on to design hundreds of pieces in the decorative arts field, but later distanced himself from the style he pioneered, devoting his time and energy to painting. This book presents the full array of Mucha's artistic contributions-not only his posters and jewelry designs but also his design for the pavilion of Bosnia and Herzegovina at the 1900 World's Fair. The book also includes his works on canvas, which include pastels and frescoes, and his magnum opus, The Slavic Epic, a series of 20 paintings depicting the history of his native people. A stunning selection of 700 color illustrations is accompanied with essays that explore Mucha's style and inspirations, his transition away from the decorative arts, and his forays into photography. Fans of Art Nouveau will treasure this dazzling and unique study of the artist and his contributions to design and illustration.*

Alphonse Mucha

Skira Editore *Alphonse Mucha was an extraordinarily prolific and versatile artist who made his mark in the diverse fields of design - including posters, jewellery, interior decoration, theatre, packaging and product designs - as well as in painting, book illustration, sculpture and photography. He is one of the best-known Czech artists to wide international audiences today and rose to international fame in fin-de-siècle Paris with his elegant designs for theatre posters for Sarah Bernhardt, the most famous French actress of the time, and decorative panels (panneaux décoratifs) featuring gracefully posed women. For those posters Mucha created a distinctive style - "le style Mucha" - characterised by harmonious compositions, sinuous forms, organic lines and a muted palette, which became synonymous with the newly emerging decorative style of the time - Art Nouveau. By the time of the Paris Exposition Universelle of 1900, Mucha had become a leading figure in this decorative art movement, who defined the look of the era. The catalogue explores the development of Mucha's career and overall achievements as a multifaceted and visionary artist. It is divided into six sections, highlighting Mucha's personality as Bohemian; picture maker for people; cosmopolitan; mystic; patriot and philosopher.*

The Architecture of Continuity

Essays and Conversations

V2_publishing *The state of contemporary architecture is the product of a 150-year battle between the Polytechnic and the Fine Arts that has forced us into today's stalemate, one in which architecture is caught in the gaping chasm between a materialistic high-tech and an expressionistic formalism. Nevertheless, Spuybroek's aim is to mend such a rift by rethinking technology as part of our sensory apparatus, materiality as the realm of activity and agency, and structure as the product of genesis. Building on Gottfried Semper's materialist theory of architecture, Spuybroek takes us from a philosophy of technology to a surprisingly historical argumentation that insistently revives the words of John Ruskin, William Hogarth and Wilhelm Worringer. The book includes several probing essays alongside extensive conversations in which we can see Spuybroek refine and sharpen his arguments. He makes statements such as 'No, I am not a Gothic Revivalist, but almost,' or 'We should use new instruments to address old architectural problems; not to create new problems,' and even 'We should reinvent tectonics, not do away with it.' In a period of calm with regard to architectural theorization this book makes a refreshing return to the basics, thereby realigning theory, methodology and architectural form.*

The Egyptian Revival

Ancient Egypt as the Inspiration for Design Motifs in the West

Routledge *In this beautifully illustrated and closely argued book, a completely updated and much expanded third edition of his magisterial survey, Curl describes in lively and stimulating prose the numerous revivals of the Egyptian style from Antiquity to the present day. Drawing on a wealth of sources, his pioneering and definitive work analyzes the remarkable and persistent influence of Ancient Egyptian culture on the West. The author deftly develops his argument that the civilization of Ancient Egypt is central, rather than peripheral, to the development of much of Western architecture, art, design, and religion. Curl examines: the persistence of Egyptian motifs in design from Graeco-Roman Antiquity, through the Medieval, Baroque, and Neo-Classical periods rise of Egyptology in the nineteenth and twentieth-century manifestations of Egyptianisms prompted by the discovery of Tutankhamun's tomb various aspects of Egyptianizing tendencies in the Art Deco style and afterwards. For students of art, architectural and ancient history, and those interested in western European culture generally, this book will be an inspiring and invaluable addition to the available literature.*

Historical Dictionary of Surrealism

Scarecrow Press *Surrealism was a broad movement, which attracted many adherents. It was organized and quite strictly disciplined, at least until the death of its leader, Andre Breton, in 1966. As a consequence, its membership was in a constant state of flux: persons were constantly being admitted and excluded, and often the latter continued to regard themselves as Surrealists. The wide-ranging nature of the Surrealist movement was spread over many countries and many different art forms, including painting, sculpture, cinema, photography, music, theater, and literature, most notably poetry. The Historical Dictionary of Surrealism*

relates the history of this movement through a chronology, an introductory essay, a bibliography, and over 600 cross-referenced dictionary entries on persons, circles, and groups who participated in the movement; a global entry on some of the journals and reviews they produced; and a sampling of major works of art, cinema, and literature."

Twelve Years a Slave

Prabhat Prakashan *"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt*

Revolt into Style

The Pop Arts

Faber & Faber *'The first serious attempt to analyse pop culture by someone who was part of it.' Julian Mitchell, Guardian The redoubtable George Melly (1926-2007): flamboyant jazz singer, sexually ambiguous raconteur, prodigiously gifted critic. In the early sixties, at the birth of what we now recognise as the pop revolution, Melly began work as a broadsheet journalist, commenting upon this new cultural phenomenon. Revolt into Style (1970) is his first-hand account of those turbulent and exciting years when all things creative - whether music, fashion, film, art or literature - were changed utterly. Central to the book are The Beatles - the epitome of the swinging sixties - who charted the decade's changes and about whose significance the Liverpudlian Melly had a special feel and insight. Alongside the Fab Four is a large cast of movers and shakers, of wannabes and taste-makers, all dissected by Melly's surgical mind.*

The Art of Glass

Art Nouveau to Art Deco

Papadakis Publisher -- Published to coincide with a major exhibition. -- Examines in depth the historical background of each designer and firm, their styles and techniques. This introduction to the most innovative period of goth century glass-making was published to coincide with The Art of Glass - Art Nouveau to Art Deco exhibition at the Sunderland Museum and Art Gallery. The fascinating history of art glass in this Period begins in the 1880's with the precursors to Art Nouveau, follows the creations of Galle, Daum and Muller Freres. It continues with the development of opalescent, frosted and clear molded glass -- especially Lalique, Art Deco, functionalism, Orrefors and English and Scottish glass. But it is above all the glass itself, beautifully reproduced in full color, that brings to life one of the most exciting and creative periods in the history of art glass.

Art Nouveau in Buenos Aires

A Love Story

Ediciones Polígrafa S.A. *Buenos Aires boasts a number of impressive buildings in a range of architectural styles. But when Anat Meidan, an art collector with a passion for La Belle Époque, moved to the city, she was delighted to discover how much of the city's Art Nouveau architecture from the early 20th century had survived. The author set about researching these extraordinary buildings as well as the people who designed and built them. Working with Gustavo Sosa Pinilla, Meidan toured the city and documented its architecture, using a few well-placed connections to gain access to the interiors of private homes and buildings usually closed to the general public. In this meticulously researched, richly illustrated book, featuring hundreds of splendid photographs, the reader is invited to share the author's voyage around the city as she narrates a very personal account of her love affair with Buenos Aires.*

Witches

Open Road Media *The New York Times–bestselling author of Fear of Flying celebrates witches in a gorgeously illustrated brew of witchcraft lore, potions, secrets, and myth. With a mix of genuine fascination, passionate enthusiasm, and keen feminist insight, Erica Jong wades through a bog of myths, misinformation, historical hysteria, and contemporary Halloween costumes to offer a generous exploration and celebration of witches. From their origins as descendants of ancient goddesses to contemporary practitioners of the craft, the evolution of the concept of “witch” has been as changeable as the centuries themselves. From evil crone to sexual seductress, they are the embodiment of both light and dark, fertility and death, divinity and paganism, baleful curses and healing cures. They have been scapegoated as the object of men’s worst fears and embraced as heroines of female empowerment. As muses, they have influenced popular culture from Shakespeare and Yeats to Anne Sexton and Ken Russell. With reverence and a hint of mischief, Jong reveals witches’ rites, rituals, and magical recipes, including authentic spells and incantations. “A steaming cauldron of beautifully illustrated prose, poetry, love potions and flying lotions” (Glamour) from the renowned author of Fanny, Witches is “nothing less than a complete transformation of our concept of witches . . . accomplishe[d] with panache in this sumptuously and provocatively illustrated book” (Publishers Weekly). This ebook features an illustrated biography of Erica Jong, including rare photos and never-before-seen documents from the author’s personal*

collection.

Start with a House, Finish with a Collection

Scala Books *This book is the story of how a couple's use of American art and antiques evolved from furnishing a house into a full-blown passion for collecting. Featuring exquisite examples of Hollingsworth and Morris family furniture, Weber boxes, Pennsylvania clocks and Kirk-Stieff silver, as well as American paintings by the Peale family, Edward Hicks, Edward Redfield and Horace Pippin, this museum-calibre collection reveals a pride in the early American sensibility. The combination of text and extraordinary photographs traces this remarkable journey and demonstrates that life can be more than comfortable living among these collections. The compendium catalogues the diversified and important collection, making this a valuable scholarly reference as well as a reading pleasure. 0.*

Selections from the Dhawan Collection: MASTER of ART NOUVEAU

An art catalogue for the traveling museum exhibition ALPHONSE MUCHA: MASTER OF ART NOUVEAU

The Women of Klimt, Schiele and Kokoscha

Female portraits and nudes, mothers & children, and couples by the three most outstanding painters of Viennese modernism. In the early 20th century, the traditional relationship between the sexes was challenged by a number of social, economic, and philosophical changes. It was above all the incipient development towards gender equity that provoked vehement counter-arguments. On the other hand, sexual liberation can be seen as a common goal of men and women, since they both sought to escape the restrictive moral taboos of the 19th century. Gustav Klimt, Egon Schiele, and Oskar Kokoschka--then the three most outstanding painters of Viennese modernism-- approached the subject matter generally referred to as the

"woman question" from slightly different, albeit overlapping perspectives. The book will present an in-depth exploration of these differences and similarities.

Toulouse-Lautrec Illustrates the Belle Epoque

Editions Hazan, Paris *The celebrated French artist Henri de Toulouse-Lautrec (1864 1901) created works that epitomize the theatricality, elegance, and decadence of late-19th-century Paris. This beautifully illustrated book features a selection of Toulouse-Lautrec's drawings, paintings, and posters, and more than 90 prints, some of which have never previously been published. The works cover the entirety of Toulouse-Lautrec's career, beginning with a drawing completed when he was just 16 years old. The stunning images are accompanied by essays that explore Toulouse-Lautrec's life in Paris and the people and places represented in his art, as well as the distinguishing characteristics of this particular selection of artworks. In addition, the catalogue includes a chronology of the artist's life and a full checklist with scientific and technical analysis of the works. Encompassing a range from Toulouse-Lautrec's most well-known and iconic prints and posters to rarely seen material, this is an essential resource for admirers of his art."*

You Are an Artist

Thames & Hudson *A playful reintroduction to the artist within us all—including hands-on exercises—from the renowned and inspirational teachers. According to contemporary artist and activist Bob and Roberta Smith, every human is an artist. Drawing is an important part of learning to communicate, and above all else, life is a conversation, making art a vital part of human existence. You Are an Artist helps the reader work out what kind of artist they are and what they can achieve, combining thought-provoking meditation on art practice with practical exercises and creative prompts that encourage creativity and self-expression. This collection of entertaining, at times startling, and often evocative narratives bring to life a series of lessons about the nature of art and inspiration. Providing ideas, tips, and practical examples from Bob's own work as an art teacher and activist, You Are an Artist is for everyone who wants to be an artist and needs a creative push to take the plunge.*

Art Deco by the Sea

Mackintosh's Masterwork

The Glasgow School of Art

Rutgers University Press *Of the many practitioners of art nouveau in Great Britain, Charles Rennie Mackintosh (1868–1928) has outlasted them all. His work bridged the more ornate style of the later nineteenth century and the forms of international modernism that followed. Like Frank Lloyd Wright, with whom he is frequently compared, he is known for so thoroughly integrating art and decoration that the two became inseparable. His work has been honored by a major exhibition at the Metropolitan Museum of Art, and his designs have proliferated to such an extent that they can be found reproduced in posters, prints, jewelry, and even new buildings. His most important project was the Glasgow School of Art, which still functions as a highly prestigious art school. This glorious building is visited each year by thousands of tourists from around the world. Built over a dozen years, beginning in 1897, the Glasgow School of Art is Mackintosh's greatest and most influential legacy. This completely redesigned and heavily illustrated edition of Mackintosh's Masterwork has been greatly expanded and contains newly discovered material about both the early life of the architect and the formative years in which his plans for the School of Art were executed.*

Life Between Islands

Caribbean-British Art 1950s - Now

Tate Publishing *The first major publication with a focus on contemporary art that reflects on a pre- and post-Windrush Caribbean/British movement This fascinating book traces the connection between Britain and the Caribbean in the visual arts from*

the 1950s to today, a social and cultural history more often told through literature or popular music. With its multi-generational perspective, it reveals that the Caribbean connection in British art is one of the richest facets of art in Britain since the Second World War, and is a lens through which to understand the Caribbean diasporic experience in all its social, cultural, psychological, and political complexities across generations. Features over 40 artists, including Aubrey Williams, Donald Locke, Horace Ové, Sonia Boyce, Claudette Johnson, Peter Doig, Hurvin Anderson, Grace Wales Bonner, and Alberta Whittle.
