KEY=PRIMARY - REEVES ROMAN

American History Firsthand Working with Primary Sources Addison-Wesley Longman Designed to give students an up-close and personal view of history, *American History First Hand: Working with Primary Sources* offers students the opportunity to experience written documents, visual materials, material culture artifacts, and maps—the materials historians actually work with to decipher the past. Completely unique in this market, *American History First Hand: Working with Primary Sources* is innovative and exciting, allowing students to learn first-hand what history is and what historians actually do. In each volume there are 12 archives, and each archive contains loose facsimiles for students to explore. In addition to the documents, students will also obtain a four-page introduction that describes the issues and themes of the folders. Pedagogical materials will help them explore the ramifications of these sources, as they practice the art of historical analysis. **To 1877 American History Firsthand Working with Primary Sources** Pearson College Division Designed to give students an up-close and personal view of history, *American History First Hand: Working with Primary Sources* offers students the opportunity to experience written documents, visual materials, material culture artifacts, and maps—the materials historians actually work with to decipher the past. Completely unique in this market, *American History First Hand: Working with Primary Sources* is innovative and exciting, allowing students to learn first-hand what history is and what historians actually do. In each volume, there are 12 archives, with each archive containing loose facsimiles for students to explore. In addition to the documents, students will also obtain a four-page introduction that describes the issues and themes of the folders. Pedagogical materials will help them explore the ramifications of these sources, as they practice the art of historical analysis. **History Firsthand: Primary Source Research in Elementary School** Cory Brandt and Monica Edinger developed "History Firsthand," a U.S. history unit for elementary classes. The students learn how to use online primary source materials and how to do online research while investigating the issue of immigration to the United States. This unit is part of the Learning Page, a service provided by the American Memory Fellows Program of the U.S. Library of Congress. **America Firsthand, Volume Two Readings from Reconstruction to the Present** Bedford/St. Martin's With its distinctive focus on ordinary people, this primary documents reader offers a remarkable range of perspectives on America's history from those who lived it — from Jews in the Early Republic to strikers at an auto plant in 1940s Detroit, and from a Civil War battlefield nurse to a 1990s dot.com entrepreneur. **America Firsthand, Volume 1 Readings from Settlement to Reconstruction** Bedford/St. Martin's This distinctive, class-tested primary source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it. "Points of View" sections provide varied vantage points on important topics, and select images draw students into interpreting the visual record. This carefully crafted, ready-to-go collection saves instructors time and effort in finding consistently engaging and informative sources. **Landmarks Throughout American History** Gareth Stevens Publishing LLLP Have you ever heard the expression, "You had to be there?" When you visit a national landmark, you have the chance to experience a primary source and history firsthand. Readers will explore the fascinating history of the United States by visiting such landmarks as Independence Hall, the White House, Gettysburg Cemetery, and other amazing places. They'll get a taste of our how our national landmarks act as exciting primary sources. This volume offers accessible, interpretive text, and full-color photographs of spell-binding landmarks. **America Firsthand, Volume 2 Readings from Reconstruction to Present** Bedford/St. Martin's This distinctive, class-tested primary source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it. "Points of View" sections provide varied vantage points on important topics, and select images draw students into interpreting the visual record. This carefully crafted, ready-to-go collection saves instructors time and effort in finding consistently engaging and informative sources. **Sports in American History From Colonization to Globalization** Human Kinetics Sports in American History: From Colonization to Globalization, Second Edition, journeys from the early American past to the present to give students a compelling grasp of the evolution of American sporting practices. This text provides students with insights into new and alternative perspectives, examines sport as a social and cultural phenomenon, generates a better understanding of current sport practices, and considers future developments in American sport. The second edition includes the following enhancements: • The final chapter highlights sport in the twenty-first century and gives students an updated view of contemporary sport. • Content about the progressive era now makes up two chapters and provides students with a clearer understanding of this instrumental period. • New "People and Places" and "International Perspectives" sidebars introduce key figures in sport history and provide students with a global understanding of sport. • Time lines with major sport and societal events and milestones provide context in each chapter. • More than 150 images provide historical authenticity and relate people and events to the accompanying text. • Chapter objectives and discussion questions help students absorb and apply relevant content. • An ancillary suite helps instructors prepare for class with an instructor guide, test package, and presentation package. This comprehensive resource delivers coverage of sport by historical periods—from the indigenous tribes of premodern America, through colonial societies, to the era of sport in the United States today. Sports in American History, Second Edition, examines how women, minorities, and ethnic and religious groups have influenced U.S. sporting culture. This gives students a broader knowledge of the complexities of sport, health, and play in the American experience and how historical factors, such as gender, ethnicity, race, and religion, provide a more complete understanding of sports in American history. The easy-to-follow material is divided into 11 chronological chapters starting with sporting practices in colonial America and ending with globalized sport today, making it ideal for a semester-long course. The second edition maintains dedication to providing authentic primary documents—including newspapers, illustrations, photographs, historical writings, quotations, and posters—to bring the time periods to life for students. An extensive bibliography features primary and secondary sources in American sport history. Sports in American History, Second Edition, is unique in its level of detail, broad time frame, and focus on sports and the evolving definitions of physical activity and games. In addition, excerpts from primary documents provide firsthand accounts that will not only inform and fascinate readers but also provide a well-rounded perspective on the historical development of American sport. With sidebars offering an international viewpoint, this book will help students understand how historical events have shaped sport differently in the United States than in other parts of the world. **Firsthand Louisiana Primary Sources in the History of the State** University of Louisiana "Firsthand Louisiana: Primary Sources in the History of the State brings to its readers a companion to the study of Louisiana's history. Compiled for the first time in a single book, the dozens of important, interesting, devastating, and even entertaining firsthand accounts cover Louisiana's history from 1682, when Sieur de La Salle claimed the land for the French, up through recent controversies over the removal of Confederate memorial statues in the state. Edited by experts in the field of Louisiana history who saw a need for a collection of primary sources in the college history classroom, it also provides a fascinating read for non-academics who simply want to gain the perspective of the people—women, men, Native Americans, whites, African Americans, and many others—who created the state's complicated past. Gain on-the-scene views of important moments in the Bayou State. How did the initial interactions between Native Americans, French colonizers, and enslaved Africans play out? Why did colonists overthrow their own governor in 1768, and how did the Spanish Empire react? What did Louisianians say about the coming of the Civil War and its aftermath? How did the Plessy v. Ferguson decision, which originated in New Orleans, and the state Constitution of 1898 set the stage for Louisiana's race relations in the twentieth-century? What effects did World War II have on the state? Closer to our own time, what can we learn from firsthand accounts about the "Race from Hell," the dangers of the "chemical corridor," and the debate over how the Civil War is remembered? Read letters, speeches, reports, diaries, and more to gain a deeper understanding of Louisiana, its peoples and cultures, and its history"-- **America Firsthand: Readings from Reconstruction to the present** Bedford/St. Martins One of the most widely adopted primary source U.S. history readers, *America Firsthand* presents history in the words of the people who made it, inviting and provoking students to think critically about the past. The seventh edition continues to bring the past to life with more visual and textual sources that increase diversity, represent current scholarship, and engage students. **Program of the ... Annual Meeting of the American Historical Association** **America Firsthand: Readings from settlement to Reconstruction** Bedford/St. Martins One of the most widely adopted primary source U.S. history readers, *America Firsthand* presents history in the words of the people who made it, inviting and provoking students to think critically about the past. The seventh edition continues to bring the past to life with more visual and textual sources that increase diversity, represent current scholarship, and engage students. **America: A Concise History 4e & America Firsthand 8e V1 & America Firsthand 8e** Brief and affordable, yet careful not to sacrifice elements vital to student learning, *America* gives students and instructors everything they want -- and nothing they don't. The authors' own abridgement preserves the hallmark explanatory power of the parent text, helping students to understand not only what happened but why -- so they're never left wondering what's important. A unique seven-part narrative structure highlights the crucial turning points in American history and explores the dynamic forces shaping each period, facilitating students' understanding of continuity and change. The narrative is enriched and reinforced by vibrant full-color art and carefully crafted maps, which provide invaluable tools for student comprehension and enrichment. Two primary-source features in every chapter ensure that students understand historical events as they were viewed nationally and internationally. The result is a brief book that, in addition to being an excellent price, is an excellent value. **America A Concise History 4e V2 + America Firsthand 7e** Bedford/St. Martins **American Religious History: Belief and Society through Time [3 volumes]** ABC-CLIO A mix of thematic essays, reference entries, and primary source documents covering the role of religion in American history and life from the colonial era to the present. Often controversial, religion has been an important force in shaping American culture. Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic. Religious teachings, values, and practices deeply affected political structures and policies, economic ideology and practice, educational institutions and instruction, social norms and customs, marriage, and family life. By analyzing religion's interaction with American culture and prominent religious leaders and ideologies, this reference helps readers to better understand many fascinating, often controversial, religious leaders, ideas, events, and topics. The work is organized in three volumes devoted to particular periods. Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume, and roughly 10 essays that explore significant themes. These essays are followed by approximately 120 alphabetically arranged reference entries providing objective, fundamental information about topics related to religion in America. Each volume presents nearly 50 primary source documents, each introduced by a contextualizing headnote. A selected, general bibliography closes volume three. Timelines in each volume highlight key events in American religious history Some 30 essays survey broad themes central to American religious history Roughly 360 reference entries provide fundamental information about specific topics related to religion in American history Excerpts from around 150 primary source documents provide first-hand accounts of how religion has shaped American history Entry bibliographies and a selected, general, end-of-work bibliography direct users to additional information resources **American Military History A Documentary Reader** Wiley-Blackwell A collection of primary documents that explore the many facets of the American military from the colonial period to the present The second edition of *American Military History* offers an exceptional collection of primary documents relating to history of the military of the United States from 1607 through the present. The writings offer insight into the armed forces in relation to the social, cultural, economic, political, and territorial development of the United States. Several documents comment on strategic initiatives, combat operations, force structure, public policy, and home fronts. The writings also present firsthand testimony of extraordinary men and women in uniform and most of the documents explore the connections between combatants

and the societies that produced them. From the beginnings of the war against the natives through the tragedy of the Civil War and up to the current Global War on Terror, American Military History offers a chronological account of the evolution of the United States military. This vital text: Includes writings that explore the diversity of the armed forces Explores leadership in America's military affairs Traces America's ways of war beginning in 1607 through the present Examines the patterns of design and purpose of the American military over time Reveals the vitality of civil-military relations in the United States Written for academics and students of military history, American Military History is an important text that draws on primary sources to explore the many facets of America's military history. **American History The Modern Era Since 1865 America A Concise History 4e V1 + America Firsthand 7e Bedford/St. Martins America: A Concise History [With America Firsthand] Bedford/St. Martins Differentiating for Success How to Build Literacy Instruction for All Students Capstone** "In this book, Nancy Witherell and Mary McMackin share easy-to-follow lesson plans that address key reading skills for students in grades 3-5"-- **Cracking the AP U.
