The American Journey** [McGraw-Hill/Glencoe](#) **African Americans in Glencoe The Little Migration** [Arcadia Publishing](#) **The village of Glencoe has a proud history of early African American settlement. In recent years, however, this once thriving African American community has begun to disperse. Robert Sideman, a thirty-year Glencoe resident, relates this North Shore suburb's African American history through fond remembrances of Glencoe communities such as the St. Paul AME Church, as well as recounting the lives of prominent African Americans. At the same time, Sideman poses a difficult question: how can the village maintain its diverse heritage throughout changing times? African Americans in Glencoe reveals an uplifting history while challenging residents to embrace a past in danger of being lost. Glencoe Illinois [Arcadia Publishing](#) **Glencoe, Illinois, "Queen of Suburbs," has long been heralded as an idyllic place to live. Situated on Lake Michigan in the heart of Chicago's North Shore, Glencoe was first settled in 1835 by Anson Taylor, a young storekeeper. Glencoe began to thrive thanks to one of its famous early residents, Walter Gurnee, president of the Chicago and Milwaukee Railroad. Gurnee moved to Glencoe in the mid-1850s and in 1855 established a railroad stop across the street from his home. His****

presence accounts for the town's accessibility and nucleus, but it was the vision of Dr. Alexander Hammond, who arrived in Glencoe in 1867, that helped to shape it into the model suburban town it has become. It is the people of the past and present who are at the heart of this community. This collection of over 200 images captures the heart and spirit of this all-American suburb, from the village's founding and early history as a farming community and utopian settlement to the annual Fourth of July parades that continue to trumpet through the town's center. **Glencoe Native American Literature** [Glencoe/McGraw-Hill](#) Glencoe's new collection of ethnic anthologies gives students access to a wealth of literature written by some of the best classic authors and the finest contemporary voices. There, in the autumn of 1877, the Sioux are joined by the remnants of the latest Indian nation to make a stand against the US Army, the Nez Perce. Their survivors are led by Chief White Bird. A young man follows White Bird to Sitting Bull's camp. He is White Bird's close relative and aims to tell the story of the Nez Perce War from the Nez Perce point of view. This young man's name is Duncan McDonald. Descended from chiefs of the Nez Perce and from chiefs of Scotland's most formidable clan, Duncan's family - first as Highlanders, then as Native Americans - have twice been**

victims of massacre and dispossession. Written with the help of Duncan McDonald's present-day kinsfolk on the Flathead Indian Reservation in Western Montana, this real-life family saga spans two continents and more than thirty generations to link Scotland's clans with the native peoples of the American West. The Torment of Secrecy The Background and Consequences of American Security Policies [Rowman & Littlefield](#) Edward Shils's The Torment of Secrecy is one of the few minor classics to emerge from the cold war years of anticommunism and McCarthyism in the United States. Mr. Shils's "torment" is not only that of the individual caught up in loyalty and security procedures; it is also the torment of the accuser and judge. This essay in sociological analysis and political philosophy considers the cold war preoccupation with espionage, sabotage, and subversion at home, assessing the magnitude of such threats and contrasting it to the agitation by lawmakers, investigators, and administrators so wildly directed against the "enemy." Mr. Shils's examination of a recurring American characteristic is as timely as ever. "Brief...lucid... brilliant." American Political Science Review. "A fine, sophisticated analysis of American social metabolism." New Republic. "An excitingly lucid and intelligent work on a subject of staggering importance...the social preconditions of political democracy." Social Forces." From birth, Catriona Campbell and Alasdair Og MacDonald are enemies—for he is the second son of her clan’s most powerful foe. Yet from the moment they meet, they know they will lie in each other’s arms someday. Their love, though centuries forbidden, comes at the most dangerous of times, as they become pawns of war . . . and of history. For rebellion has been stirring, and under the orders of King William III, a bloody price will be paid at Glencoe . . . This “stirring” love story set against the backdrop of a notorious massacre is “well worth a Highland journey” (Kirkus Reviews). “Roberson’s world of 17th-century Scotland is atmospherically real.” —Publishers Weekly Glencoe Literature Unit Four Planning Guide American Literature Grade 11 Glencoe Literature Unit Five Planning Guide American Literature Grade 11 Glencoe Literature Unit Seven Planning Guide American Literature Grade 11 Glencoe Literature: The Reader's Choice, Course Six, American Literature, Student Edition [McGraw-Hill Education](#) "The two most engaging powers of an author are to make new things familiar, and familiar things new." - Samuel Johnson (1709-1784) Glencoe Literature for 2002 also "makes new things familiar and familiar things new."
