The Guest House Penguin For generations, the natives of Harrisport have watched wealthy summer families descend on their Cape Cod town, inhabiting the massive cottages along the town's best stretches of beachfront. But when rich Southerner Tucker Moss breaks the heart of local girl Edie Wright in the summer of 1966, an enduring war starts between the two families that lasts for generations.... Edie's youngest child, Lexi, should know better than to fall in love with a Moss, but at eighteen, she falls hard for Tucker's son, Hudson—only to find herself jilted when Hudson breaks off their engagement. Eleven years later, Lexi returns home after two years away studying architectural photography, just in time for yet another summer on the Cape. When Hudson's younger brother, Cooper, arrives unexpectedly to sell the seaside estate after the death of his father and hires Lexi to photograph it, an unlikely

attraction forms, and Lexi finds herself torn once again between passion and family loyalty. Then renovations at the Moss guest house reveal a forty-six-year-old declaration of love carved into a piece of framing—and a startling truth that will force two women and the men who love them to confront the treacherous waters of their pasts. The Uninvited Guests Knopf Canada It's rural England, just after the turn of the last century. Charlotte married Edward Shift after the sudden death of her first husband, Horace Torrington. They live at Sterne, the home they are in danger of losing due to a financial crisis, with Charlotte's 3 children: Emerald, Clovis and Smudge. On the day of Emerald's birthday party, a terrible train wreck occurs on a branch line and the stranded passengers seek refuge at Sterne. Among these passengers is Charlie Traversham-Beechers, a sketchy figure from Charlotte's past. This unusual guest list makes for an unforgettable birthday celebration for Emerald and an evening of the past literally coming back to haunt Charlotte.

A Little Night Magic A Novel St. Martin's Griffin In New York Times bestselling author Lucy March's new novel, Olivia Kiskey needs a change. She's been working at the same Nodaway Falls, New York, waffle house since she was a teenager; not a lot of upward mobility there. She's been in love with Tobias, the cook, for the last four years; he's never made a move. Every Saturday night, she gathers with her three best friends—Peach, Millie, and Stacy—and drinks the same margaritas while listening to the same old stories. Intent on shaking things up, she puts her house on the market, buys a one-way ticket to Europe, and announces her plans to her friends . . . but then she meets Davina Granville, a strange and mystical Southern woman who shows Olivia that there is more to her life than she ever dreamed. As Liv's latent magical powers come to the surface, she discovers that having an interesting life is maybe not all it's cracked up to be. The dark side of someone else's magic is taking over good people in town, and changing them into vessels of malevolence. Unwilling to cede her home to darkness, she battles the demons of her familial past and her magical present, with those she loves at her side . . . and in the cross fire. Can the most important things in life—friendship, love, magic, and waffles—get her through the worst that the universe can throw at her? **Book News**

deeply felt ways of living. A couple in their thirties live in a small rented cottage in a quiet part of Tokyo; they work at home, freelance copy-editing; they no longer have very much to say to one another. But one day a cat invites itself into their small kitchen. It leaves, but the next day comes again, and then again and again. Soon they are buying treats for the cat and enjoying talks about the animal and all its little ways. Life suddenly seems to have more promise for the husband and wife — the days have more light and color. The novel brims with new small joys and many moments of staggering poetic beauty, but then something happens.... As Kenzaburo Oe has remarked, Takashi Hiraide's work "really shines." His poetry, which is remarkably cross-hatched with beauty, has been acclaimed here for "its seemingly endless string of shape-shifting objects and experiences, whose splintering effect is enacted via a unique combination of speed and minutiae." The Just And The Unjust The Revealed and Hidden Writings of Rabbi Nachman of Bratslav His Worlds of Revelation and Rectification Walter de Gruyter GmbH & Co KG Zvi Mark uncovers previously unknown and never-before-discussed aspects of Rabbi Nachman's personal spiritual world. The first section of the book, Revelation, explores Rabbi Nachman's spiritual revelations, personal trials and spiritual experiments. Among the topics discussed is the powerful "Story of the Bread," wherein Rabbi Nachman receives the Torah as did Moses on Mount Sinai- a story that was kept secret for 200 years. The second section of the book, Rectification, is dedicated to the rituals of rectification that Rabbi Nachman established. These are, principally, the universal rectification, the rectification for a nocturnal emission and the rectification to be performed during pilgrimage to his grave. In this context, the secret story, "The Story of the Armor," is discussed. The book ends with a colorful description of Bratzlav Hasidism in the 21st century. An Unwilling Conquest Harlequin *
