Another Dawn

Grand Central Publishing *Betrayal had ruined Banner Coleman's wedding day and on her wedding night she was a jilted bride. Now old seeds of greed and desire are harvesting a scandal - and Banner's affair with an old family friend could shatter a friendship and a family.*

Another Dawn

Bethany House Publishers *Grace Graham is back in Tennessee with her four-year-old son on a short unpaid leave from work, helping her father recover from surgery and spending time with her sister. Shoal Creek seems more backward than ever after her years in California, and it's hard to find organic food anywhere. When the unthinkable happens and her son is diagnosed with measles, Grace's fears over modern medicine take a dangerous turn. Worse, the town has fallen into quarantine and its residents focus their anger and blame on Grace. She is alone and scared, until one brave woman chooses to reach out a hand of forgiveness and mercy. But when the outbreak takes a life-threatening turn, will Grace be able to forgive herself?*

Another Darkness, Another Dawn

A History of Gypsies, Roma and Travellers

Reaktion Books *Vilified and marginalized, the Romani people—widely referred to as Gypsies, Roma, and Travellers—are seen as a people without place, either geographically or socially, no matter where they live or what they do. In this new chronological history of the Romani, Another Darkness, Another Dawn demonstrates how their experiences provide a way to understand mainstream society's relationship with outsiders and immigrants. Becky Taylor follows the Gypsies, Roma, and Travelers from their roots in the Indian subcontinent to their travels across the Byzantine and Ottoman Empires to Western Europe and the Americas, exploring their persecution and enslavement at the hands of others. Rather than seeing these peoples as separate from society and untouched by history, she sets their experiences in the context of broader historical changes. Their history, she reveals, is ultimately linked to the founding of empires; the Reformation and Counter-Reformation; numerous wars; the expansion of law, order, and nation-states; the Enlightenment; nationalism; modernity; and the Holocaust. Taylor also shows how the lives of the Romani today reflect the increasing regulation of modern society. Ultimately, she demonstrates that history is not always about progress: the place of Gypsies remains as contested and uncertain today as it was upon their first arrival in Western Europe in the fifteenth century. As much a history of Europe as of the Romani, Another Darkness, Another Dawn paints a revealing portrait of a people who still struggle to be understood.*

Lydia had vowed no man would ever take away her pride, while Ross Coleman stayed true to his wife, who had died in childbirth, the woman who had given him his son. Yet Lydia and Ross would find themselves together, fighting the same enemy and the same dangerous emotions building inside them . . . unable to stop the events that would eventually pit a man's deadly vengeance against the strength of a woman's love.*

Breaking the Chains of Gravity

The Story of Spaceflight before NASA

Bloomsbury Publishing NASA's history is a familiar story, one that typically peaks with Neil Armstrong taking his small step on the Moon in 1969. But America's space agency wasn't created in a vacuum. It was assembled from pre-existing parts, drawing together some of the best minds the non-Soviet world had to offer. In the 1930s, rockets were all the rage in Germany, the focus both of scientists hoping to fly into space and of the German armed forces, looking to circumvent the restrictions of the Treaty of Versailles. One of the key figures in this period was Wernher von Braun, an engineer who designed the rockets that became the devastating V-2. As the war came to its chaotic conclusion, von Braun escaped from the ruins of Nazi Germany, and was taken to America where he began developing missiles for the US Army. Meanwhile, the US Air Force was looking ahead to a time when men would fly in space, and test pilots like Neil Armstrong were flying cutting-edge, rocket-powered aircraft in the thin upper atmosphere. *Breaking the Chains of Gravity* tells the story of America's nascent space program, its scientific advances, its personalities and the rivalries it caused between the various arms of the US military. At this point getting a man in space became a national imperative, leading to the creation of the National Aeronautics and Space Administration, otherwise known as NASA.

The Dawn of Everything

A New History of Humanity

Farrar, Straus and Giroux INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. *The Dawn of Everything* fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

Tower of Dawn

Bloomsbury Publishing Follow Chaol on his sweeping journey to a distant empire in this next instalment of the THRONE OF GLASS series by global #1 bestselling author Sarah J. Maas. Chaol Westfall has always defined himself by his unwavering loyalty, his strength, and his position as the Captain of the Guard. But all of that has changed since Aelin shattered the glass castle, since Chaol's men were slaughtered, since the King of Adarlan spared him from a killing blow, but left his body broken. Now he and Nesryn sail for Antica - the stronghold of the southern continent's mighty empire and of the legendary healers of the Torre Cesme. It's Chaol's one shot at recovery, and with war looming back home, Dorian and Aelin's survival could depend on Chaol and Nesryn convincing Antica's rulers to ally with them. But what they discover there will change them both - and be more vital to saving Erilea than they could have imagined.

Errol Flynn

The Illustrated Life Chronology

Rowman & Littlefield Though there have been myriad books on Errol Flynn - scores of biographies, film studies, analyses, etc. - there has never been one that unfurls his dashing life day-by-day, predominantly through photos, letters, news clippings, and documents. This book does so: from Flynn's birth in Hobart, Australia in 1909 through to his death in Vancouver, Canada in 1959, with over 1,000 images (many rarely or never before published) culled from Florczak's personal collection of over 11,000. The book is the result of the author's travels around the world to photograph locations key to Flynn's life, and with text gathered from years of research in the Warner Bros. Archives, the USC Cinematic Arts Library, and the Margaret Herrick Library. Among other popular day-by-day pictorial biographies are those of Frank Sinatra, Marilyn Monroe, Judy Garland, Ernest Hemingway, Elvis Presley, The Beatles, and Eric Clapton. Flynn's colorful life was lived out on the world stage and a better candidate for a book of this style would be hard to find.

From Duke Till Dawn

The London Underground

HarperCollins *"magnificent... a fast-paced and seductive treasure."* – Publishers Weekly (Starred Review & Best Summer Books pick) A 2017 RT Reviewers' Choice Award Nominee for Best British Isles-set Romance! Eva Leigh launches a seductive new series that sizzles with the dark secrets of London's underworld... Years ago, the Duke of Greyland gave his heart—and a princely sum of money—to a charming, destitute widow with unparalleled beauty. But after one passionate night, she slipped from his bed and vanished without a trace. And just when he's given up hope of ever seeing her again, Greyland finds her managing a gaming hell. He's desperate to have her... until he discovers everything about his long-lost lover was a lie. In truth, Cassandra Blake grew up on the streets, picking pockets to survive. Greyland was a mark—to be fleeced and forgotten—but her feelings for the duke became all too real. Once he learns of her deception, however, the heat in his eyes turns to ice. When her business partner absconds with the gaming hell proceeds—leaving unsavory investors out for blood—Cassandra must beg the man she betrayed for help. Greyland wants compensation, too, and he'll assist her under one condition: she doesn't leave his sight until her debts are paid. But it's not long before the real Cassandra—the smart, streetwise criminal—is stealing his heart all over again.

Dear Dawn

Aileen Wuornos in Her Own Words

Catapult The chilling autobiography of the notorious female serial killer who was recently the subject of a two-hour Investigation Discovery special. Between 1989 and 1990, Aileen Wuornos, a hitchhiking prostitute, shot, killed, and robbed seven men in remote Florida locations. Arrested in 1991, she was condemned to death on six separate counts and executed by lethal injection in 2002. An abused runaway who turned to prostitution to survive, Wuornos has become iconic of vengeful women who lash out at the nearest target. She has also become a touchstone for women's, prostitutes', and prisoners' rights advocates. Her story has inspired myriad books and articles, as well as the 2003 movie *Monster*, for which Charlize Theron won an Academy Award. But until now, Wuornos's uncensored voice has never been heard. *Dear Dawn* is Wuornos's autobiography, culled from her ten-year death row correspondence with beloved childhood friend Dawn Botkins. Authorized for publication by Wuornos and edited under the guidance of Botkins, the letters not only offer Wuornos's riveting reflections on the murders, legal battles, and media coverage, but go further, revealing her fears and obsessions, her rich humor and empathy, and her gradual disintegration as her execution approached. A candid life story told to a trusted friend, *Dear Dawn* is a compelling narrative, unwaveringly true to its source. "It is both empowering and heartbreaking, because Wuornos represents the fury of a wronged girl-gone-wild, whose rage was unleashed on men." —The Rumpus "Condenses ten years of obsessive correspondence into a fragmented, sometimes funny, sometimes nightmarish, often paradoxical portrait of Wuornos." —Muzzle Magazine

Cold is the Dawn

A Novel of Irish Exile and the Great Irish Famine

Silverwood Books A gripping historical novel following the men and women of the Irish diaspora.

One Woman to Another, and Other Poems

Holding Back The Tears

Rose Garden Press This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and

decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.
