## Picturing the Space Shuttle The Early Years

**University of Florida Press Rare views of the beginnings of a historic space program After the excitement of the first Moon landing, the U.S. space program took an ambitious new direction closer to home: NASA's Space Shuttle program promised frequent access to Earth orbit for medical and scientific breakthroughs; deploying, repairing and maintaining satellites; and assembling a space station. Picturing the Space Shuttle is the first photographic history of the program's early years as the world's first space plane debuted. Showcasing over 450 unpublished and lesser-known images, this book traces the growth of the Space Shuttle from 1965 to 1982, from initial concept through its first four space flights. The photographs offer windows into designing the first reusable space vehicle as well as the construction and testing of the prototype shuttle Enterprise. They also show the factory assembly and delivery of the Space Shuttle Columbia, preparations at the major NASA field centers, and astronaut**

selection and training. Finally, the book devotes a chapter to each of the first four orbital missions, STS-1 through STS-4, providing an abundance of seldom seen photos for each flight. Mostly selected from J. L. Pickering's personal archive, the world's largest private collection of U.S. human space flight images, the high-quality photographs in this book are paired with veteran journalist John Bisney's detailed descriptions and historical background information. The book also includes images of NASA and Shuttle contractor booklets, manuals, access badges, and press kits, as well as a foreword by Robert Crippen, the pilot of the first Space Shuttle flight. Picturing the Space Shuttle recreates the excitement of an era in which the possibilities of space exploration seemed limitless.

# Miracles and the Supernatural Throughout Church History Remarkable Manifestations of the Holy Spirit From the First Century Until Today

**Destiny Image Publishers Miracles of the Past Preparing You for the Future**  
The Body of Christ is ordained to walk in the supernatural. That has always been the plan, and you have a part to play in the mercy, power, and love of God being demonstrated in the earth. Despite claims that miracles ceased with the apostles, Jesus said that believers would do the same works He did and even greater works (John 14:12). From the book of Acts until today, the Spirit of God has demonstrated an enduring pattern of confirming the gospel through signs, wonders, and miracles. And today, the Holy Spirit desires to continue His pattern by empowering YOU. In **Miracles and the Supernatural Through Church History**, author and teacher, Tony Cooke, uncovers the power of God revealed through the centuries to prepare you for the future. Discover the miraculous works of the Holy Spirit through individuals like Ignatius of Antioch, Tertullian, Basil of Caesarea, Augustine, Martin Luther, John Wesley, Charles Finney, and many more. These accounts will energize you, teach you, and bolster your faith to cooperate with the Holy Spirit, moving in the same supernatural compassion and power that Jesus did as you carry His life-transforming message to the world around you.

One April in Boston

The Gift of the Spyglass

**Spyglass Books, LLC One April in Boston is the story of a real American family and a gift that was passed down from generation to generation. It**

teaches American history, the power of imagination, and the value of goal setting. In this unique book you will learn the real story of Paul Revere's midnight ride; witness the first shots of the American Revolution; attend the reading of the Declaration of Independence in Boston on July 18, 1776; visit the Paul Revere House in 1909; and much more. After researching his Boston ancestors for six years, author Ben Edwards has crafted a tale that not only tells their story by tying in real connections to Paul Revere and Abraham Lincoln, but honors his relative Private Philip Edwards by revealing the gift he gave to the neighborhood children before leaving for France to fight in World War I and passing into legend. When the story begins in April 1775, 10-year-old Ben Edwards carries a spyglass that once belonged to his grandfather, an early Boston sea captain. Ben believes he can glimpse the future through its lens. His goal is to work on a sailing ship and see the world. Can the spyglass and a member of the Sons of Liberty help Ben on his journey? Will his predictions about the future come true? By reading the book you'll discover that Ben's gift is something we all possess, a power that can help you on your own life's journey—if you believe in it.

Madras Studios

Narrative, Genre, and Ideology in  
Tamil Cinema

**SAGE Publications India** This book documents the history of Tamil cinema, one of the most colossal film industries in the world, and studies the major studios of Madras, the largest outside classical Hollywood in the private sector. It engages with five major studios of Madras—Modern Theatres, AVM, Gemini, Vijaya-Vauhini, and Prasad— through the origins of their founders, and explicates how their history influenced the narratives, genre, and ideology of the canonical films made in Madras studios, arguing for their lasting influence on Tamil cinema. Based on rare primary and secondary materials, and oral history, this book engages with Tamil cinema at the intersection of its industrial, cultural, and socio-political history to argue for its specificity in terms of its aesthetics and its belief in the potential of the medium to mobilize audiences for ideology, politics, and reflexivity.

The Vacationers

A Novel

**Penguin** "Delicious . . . richly riveting . . . The Vacationers offers all the delights of a fluffy, read-it-with-sunglasses-on-the-beach read, made substantial by the exceptional wit, insight, intelligence and talents of its author."—People (four stars) An irresistible, deftly observed novel from the New York Times bestselling author of All Adults Here and This Time Tomorrow— about the secrets, joys, and jealousies that rise to the surface over the course of an American family's two-week stay in Mallorca. For the Posts, a two-week trip to the Balearic island of Mallorca with their

extended family and friends is a celebration: Franny and Jim are observing their thirty-fifth wedding anniversary, and their daughter, Sylvia, has graduated from high school. The sunlit island, its mountains and beaches, its tapas and tennis courts, also promise an escape from the tensions simmering at home in Manhattan. But all does not go according to plan: over the course of the vacation, secrets come to light, old and new humiliations are experienced, childhood rivalries resurface, and ancient wounds are exacerbated. This is a story of the sides of ourselves that we choose to show and those we try to conceal, of the ways we tear each other down and build each other up again, and the bonds that ultimately hold us together. With wry humor and tremendous heart, Emma Straub delivers a richly satisfying story of a family in the midst of a maelstrom of change, emerging irrevocably altered yet whole.

### Ultimate Guide to Prayer

### Three Bestsellers in One Volume

**Gospel Light Publications** In book one of this volume, *Intercessory Prayer*, explains the nuts and bolts of prayer with wisdom, gentleness and humor. This book not only shows you just how vital your prayers are, but inspires you and gives you courage to pray for the “impossible”. In book two, *How to Pray for Lost Loved Ones*, teaches you how to pray for the salvation of your friends and family. This book examines biblical principles for interceding for the unsaved and, in the process, removes your fears and gives you tangible tools you can use to take back the lost. In book three, *Watchman Prayer*, teaches you all about the watchman’s vital role and how, with the help of the Holy Spirit, your strategic prayers can draw a perimeter of protection around your loved ones.

## The Ten Most Influential Churches of the Past Century

### And How They Impact You Today

**Destiny Image Publishers** Your Church Can Influence the World History has shown that great leaders have the ability to reach beyond the walls of their churches to influence cultures for Christ. We’ve seen it in the

**Pentecostal/Charismatic movement, in the explosive growth of house churches in Communist China, in the expansion of the Southern Baptist Convention, and in the worldwide rise of praise and worship music led by Hillsong Church, among other phenomena. In *The Ten Most Influential Churches of the Past Century*, Dr. Elmer Towns presents evidence of the powerful influence of these churches and how their innovative strategies and faith accomplish these goals. Then he tells how you can apply these principles to your church. You will learn how some of the most influential leaders in Church history became conduits for your future ministry and how your church can experience exponential growth. Most importantly, you will see that the great results in these ten churches grow out of the power of the Word of God, the ministry of many dedicated lay workers, the faith-producing ministry of great leaders—all under the anointing of the Holy Spirit.**

**Everything Like Before**

**Stories**

**Archipelago** From one of the greatest Norwegian authors of the twentieth century, comes a collection of spare, biting stories of people caught between reality and expectation, hope and despair, love and longing. A man and a woman in a quiet, remote house, an old man on a park bench, an estranged brother in a railway café -- Kjell Askildsen's characters are surrounded by absence. Filled with disquiet, and longing, they walk to a fjord, they smoke, they drink on a veranda, they listen to conversations that drift through open windows. Small flashes like the promise of a sunhat, a nail in a cherry tree, or a raised flag, reveal the interminable space between desire and reality in which Askildsen's characters are forever suspended. Widely recognized as one of the greatest modern

short-story writers, with unadorned prose and a dark humor, Askildsen captures life as it really is, the worlds of his characters uncanny mirrors of our own.

## Bridget's Belfast

**Routledge Redefining Irishness in a Coastal Maine City, 1770-1870: Bridget's Belfast examines how Irish immigrants shaped and reshaped their identity in a rural New England community. Forty percent of Irish**

immigrants to the United States settled in rural areas. Achieving success beyond large urban centers required distinctive ways of performing Irishness. Class, status, and gender were more significant than ethnicity. Close reading of diaries, newspapers, local histories, and public papers allows for nuanced understanding of immigrant lives amid stereotype and the nineteenth century evolution of a Scotch-Irish identity.

## Rediscovering the Natural Law in Reformed Theological Ethics

**Wm. B. Eerdmans Publishing** Is knowledge of right and wrong written on the human heart? Do people know God from the world around them? Does natural knowledge contribute to Christian doctrine? While these questions of natural theology and natural law have historically been part of theological reflection, the radical reliance of twentieth-century Protestant theologians on revelation has eclipsed this historic connection. Stephen Grabill attempts the treacherous task of reintegrating Reformed Protestant theology with natural law by appealing to Reformation-era theologians such as John Calvin, Peter Martyr Vermigli, Johannes Althusius, and Francis Turretin, who carried over and refined the traditional understanding of this key doctrine. *Rediscovering the Natural Law in Reformed Theological Ethics* calls Christian ethicists, theologians, and laypersons to take another look at this vital element in the history of Christian ethical thought.
