Dossier on the Ascension The Story of the Soul's Acceleration into Higher Consciousness on the Path of the Ascension SCB Distributors Dossier on the Ascension is a profound look into the life of the soul, her purpose and destiny. Serapis Bey shows that the soul's reunion with God through the ascension is the goal of life for all. He gives practical keys for spiritual growth that can lead to the attainment of the ascension. The author answers the ultimate questions about life after death. What Is Lightbody? World Tree Press In July of 1989, Tashira and Suzane Coronis formed Angelic Outreach to be the first physical plane expression of the Council of Ein Sophs vision of multi-universal ascension. Angelic Outreach was designed to support incarnate Lightworkers to awaken to their multidimensional vastness, embody Divinity, and to lighten up planet Earth. On May 30, 1994 a dramatic shift occurred in the Divine Plan for planet Earth. The entire time frame for planetary ascension was accelerated. In June, 1994, many of you experienced the surfacing of intense survival fear and enemy patterning, old physical traumas briefly reappeared, time accelerated and you feel frustrated about completing projects. These energies were emerging out of your genetic encodements. If you know what is happening to you and know that it is part of a coherent process, then you feel less crazy. The purpose of "What is Lightbody?" is to allow you to find your place in that process. Every decision that each of us makes affects the ascension process. We are co-creative Masters, beings of Light, and we see you as Light Masters also. Welcome to the Fifth Dimension The Quintessence of Being, the Ascended Masters' Ultimate Secret North Atlantic Books Based on her popular workshops in Canada and Europe, Welcome to the Fifth Dimension is author Diane LeBlanc's guide to helping readers recognize and integrate their multiple dimensions. Through examples, exercises, and channeled teachings, she shows us how to regain our co-creative power and live each day and moment in a state of grace. The key, says LeBlanc, is Quintessence, a self-coaching program that revitalizes the five most important dimensions of human existence in order to feel better, recover from disease, and be fully happy. The book breaks Quintessence into groups of five: the five energy fields that surround the body, the individual's five main ÒSoul families,Ó the five dimensions of the human brain, and others. The book assesses and draws on many contemporary schools of thought, as seen in books like The Law of Attraction, The Power of Now, and The Celestine Prophecy. It also provides original teachings channeled from the powerful entity LeBlanc describes as the "Mother Earth Consciousness," personified as Bianca Gaia who is LeBlanc's alter ego. Packed with charts, diagrams, and illustrations, this compelling book encourages readers to radically enhance their health and happiness by opening their minds to this new way of thinking. Guide for the Advanced Soul A Book of Insight Obsessed with obtaining the Holy Grail at any cost, Shinji and his Servant, Rider, press their attack on a weakened Saber. Who is Saber?. Anime. Channeling Investigations on Receiving Information from Paranormal Sources, Second Edition North Atlantic Books In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about "the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it." He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic writing. According to Klimo,

few people tap into their abilities to perform channeling and for those who think they can, he serves as guide. **Death Without Fear Comfort for Those Facing Death Or Bereavement** In his usual light and irreverent style, Stubbs demolishes ignorance of life's final taboo--death--by sharing first-hand accounts, told through mediums, of what it's like to die, what the afterlife is like, and what people do on the other side. **International UFO Library: Feb / Mar 1994 UFO Library Joseph J. What are fifth-dimensional beings like? This book explains all of these questions in a way that we can easily understand. It explains what our relationships are to known extraterrestrial groups and what they are doing to help the Earth and her people in this crucial galactic moment in time. It will help you rediscover what your soul has known from the beginning—that life does have a higher purpose. And that each encounter along the way, no matter how difficult, is a stepping-stone that will lead you back to your source. The world's religions have singled out great masters who have walked the earth and "ascended" to God. Elijah was swept up into heaven in a chariot of fire. Gautama Buddha entered Parinirvana. Jesus ascended to the Father, and Mary was assumed into heaven. These masters were not exceptions to the rule. They were teachers, mentors, examples. They came to show us how we, too, can master the circumstances of our life and walk the path home to God. The Path to Your Ascension shapes the wisdom of these ascended masters into a personal guide for your own soul's liberation. It offers practical techniques to accelerate your spiritual growth and describes the angels and masters who can help you achieve your goal. In down-to-earth terms, sprinkled with touching anecdotes, it reveals your greatest opportunities for spirituality and the most serious challenges to making it all the way home. " Before Religion A History of a Modern Concept Yale University Press Examining a wide array of ancient writings, Brent Nongbri dispels the commonly held idea that there is such a thing as ancient religion. Nongbri shows how misleading it is to speak as though religion was a concept native to pre-modern cultures. Living with Soul An Old Soul's Guide to Life, the Universe and Everything, Vol. One Dandelion Books Living with Soul picks up where every other spiritual book leaves off. By exposing the "God Hoax", master teacher and age Tony Stubbs, explores the real designers in Intelligent Design, and the Grand Deception behind organized religion. The "Jesus Conspiracy" chapter reveals how we have been controlled for 2,000 years. Living with Soul, the first volume in a two-book compendium, also details how You-the-Soul carefully crafted every aspect of the life you're living and why. Writes Stubbs in the Preface: The book's intent is not to minimize the reality of death and suffering or the joy when a new life comes into the world, but to change the way we see and experience it as a set of interlocking plans designed and orchestrated by us at the soul level for very specific purposes. Ivakhiv A study of people and politics at two New Age spiritual sites. In this richly textured account, Adrian Ivakhiv focuses on the activities of pilgrim-migrants to Glastonbury, England and Sedona, Arizona. He discusses their efforts to encounter and experience the spirit or energy of the land and to mark out its significance by investing it with sacred meanings. Their endeavors are presented against a broad canvas of cultural and environmental struggles associated with the incorporation of such geographically marginal places into an expanding global cultural economy. Ivakhiv sees these contested and "heterotopic" landscapes as the nexus of a complex web of interests and longings: from millennial anxieties and nostalgic re-imaginings of history and prehistory; to real-estate power grabs; contending religious visions; and the free play of ideas from science, pseudo-science, and popular culture. Looming over all this is the nonhuman life of these landscapes, an "otherness" that alternately reveals and conceals itself behind a pageant of beliefs, images, and place-myths. A significant contribution to scholarship on alternative spirituality, sacred space, and the politics of natural landscapes, *Claiming Sacred Ground* will interest scholars and students of environmental and cultural studies, and the sociology of religious movements and pilgrimage. Non-specialist readers will be stimulated by the cultural, ecological, and spiritual dimensions of extraordinary natural landscapes. Adrian Ivakhiv teaches in the Faculty of Environmental Studies at York University in Toronto, and is President of the Environmental Studies Association of Canada. Awaken and realize that all of mankind will create their "body for Ascension," whether they accomplish this now or later, and that this is not the exclusive domain of Christ or Buddha or many others who have ascended -- this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God, that there is divine equality and no one is greater than another, then you will have begun our journey in the way that it was intended. In your near future your Planetary Hierarchy will release the world from theology, ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it! The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In the past, mankind's choices of beliefs and religions have supported only the emotional body and the darker, material side of life. And truly, if one is going to remain on Earth, very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth-dimensional reality. No matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension, and it also explains your eternal

journey in a way that was never before available to mankind. **Conversations with Nostradamus: Volume 1 His Prophecies Explained** Ozark Mountain Publishing The third and final book in their series contains 132 additional quatrains written and deciphered by Nostradamus himself, plus the exposure of bogus quatrains erroneously attributed to the great psychic Dolores Cannon has pierced the veil of the space/time continuum by her use of regressive hypnosis, to bring us warnings of events to come.
