## Atmosfera zero. Viaggio nel gusto a bassa temperatura. Ediz. a colori

### Elevation

*SPERLING & KUPFER* Scott Carey sta percorrendo senza fretta il tratto di strada che lo separa dal suo appuntamento. Si è lasciato alle spalle la casa di Castle Rock, troppo grande e solitaria da quando la moglie se n'è andata, se non fosse per Bill, il gattone pigro che gli tiene compagnia. Non ha fretta, Scott, perché quello che deve raccontare al dottor Bob, amico di una vita, è davvero molto strano e ha paura che il vecchio medico lo prenda per matto. Infatti Scott sta perdendo peso, lo dice la bilancia, ma il suo aspetto non è cambiato di una virgola. Come se la forza di gravità stesse progressivamente dissolvendosi nel suo corpo. Eppure, nonostante la preoccupazione, Scott si sente felice, come non era da molto tempo, tanto euforico da provare a rimettere le cose a posto, a Castle Rock. Tanto, da provare a riaffermare il potere della parola sull'ottusità del pregiudizio. Tanto, da voler dimostrare che l'amicizia è sempre a portata di mano. In un racconto di rara intensità, che è anche un omaggio ai suoi maestri, King si prende la libertà, più che legittima, di dare una possibile risposta alle tristi derive del nostro tempo.

### Parliamo Italiano!

*Houghton Mifflin College Division* The Second Edition of Parliamo italiano! instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute Parliamo italiano! video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

### Entschuldigung

*Europa Edizioni* Sono gli anni Ottanta, Raffaele e Umberto decidono di fare una vacanza insieme, l'occasione è l'Oktoberfest. Partono da Roma, direzione Monaco di Baviera. **Entschuldigung**. Chiedetemi... se questa vacanza è il racconto di "una mirabolante avventura" di due adolescenti, che avevano pochi soldi, ma contrapponevano a questa oggettiva difficoltà tante intuizioni. È la storia di come una salda amicizia può essere veramente messa alla prova dai molteplici accadimenti che succedono ai due protagonisti. Due giovani amici che hanno caratteri e comportamenti diversi, due mondi opposti anche nell'interpretare l'essenza della vacanza. Se la prima regola era risparmiare dei soldi, la seconda era sicuramente correre più velocemente possibile. Attraverso una scrittura precisa, sincera e godibile, l'autore fa partecipe il lettore delle disgrazie e delle fortune dei protagonisti, rendendo la narrazione davvero esilarante. Raffaele Ippolito è nato a Roma il 28 agosto 1963, nel giorno in cui Martin Luther King a Washington faceva il discorso "I have a dream", non proprio un giorno qualunque. Si diploma in ragioneria e poi si laurea in Sociologia, lavora presso l'Istituto Poligrafico e Zecca dello Stato. È sposato ed ha una figlia. Coltiva varie passioni: lo sport, la corsa in particolare, il teatro, da spettatore, ma anche e non solo da oltre vent'anni si diletta nella recitazione. La lettura, prediligendo le tematiche storiche, saggistiche e di avventura ed i viaggi, cercando di non avere una conoscenza solo geografica dei luoghi, ma tentando di esplorare anche le abitudini di chi vive quei luoghi.

If On A Winter's Night A Traveler

*HarperCollins* These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author whose bestselling novel describes a world in which the US won the War... The Man in the High Castle is Dick at his best, giving readers a harrowing vision of the world that almost was. "The single most resonant and carefully imagined book of Dick's career."

## Journeys Out of the Body

## The Classic Work on Out-of-Body Experience

*Harmony* The definitive work on the extraordinary phenomenon of out-of-body experiences, by the founder of the internationally known Monroe Institute. Robert Monroe, a Virginia businessman, began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbound by time or death. Praise for Journeys Out of the Body "Monroe's account of his travels, Journeys Out of the Body, jam-packed with parasitic goblins and dead humans, astral sex, scary trips into mind-boggling other dimensions, and practical tips on how to get out of your body, all told with wry humor, quickly became a cult sensation with its publication in 1971, and has been through many printings. Whatever their 'real' explanation, Monroe's trips made for splendid reading." —Michael Hutchinson, author of Megabrain "Robert Monroe's experiences are probably the most intriguing of any person's of our time, with the possible exception of Carlos Castaneda's." —Joseph Chilton Pierce, author of Magical Child "This book is by a person who's clearly a sensible man and who's trying to tell it like it is. No ego trips. Just a solid citizen who's been 'out' a thousand times now and wants to pass his experiences to others." —The Last Whole Earth Catalog

## Essential Ottolenghi [Two-Book Bundle]

## Plenty More and Ottolenghi Simple

*Ten Speed Press* Experience Yotam Ottolenghi's wholly original approach to Middle Eastern-inspired, vegetable-centric cooking with over 280 recipes in a convenient ebook bundle of the beloved New York Times bestselling cookbooks Plenty More and Ottolenghi Simple. From powerhouse chef and author (with over five million book copies sold) Yotam Ottolenghi comes this collection of two fan favorites. These definitive books feature over 280 recipes—spanning every meal, from breakfast to dessert, including snacks and sides—showcasing Yotam's trademark dazzling, boldly flavored, Middle Eastern cooking style. Full of weeknight winners, for vegetarians and omnivores alike, such as Braised Eggs with Leeks and Za'atar, Polenta Chips with Avocado and Yogurt, Lamb and Feta Meatballs, Baked Orzo with Mozzarella and Oregano, and Halvah Ice Cream with Chocolate Sauce and Roasted Peanuts, Essential Ottolenghi includes: Plenty More: More than 150 dazzling recipes emphasize spices, seasonality, and bold flavors. Organized by cooking method, from inspired salads to hearty main dishes and luscious desserts, this collection will change the way you cook and eat vegetables. Ottolenghi Simple: These 130 streamlined recipes packed with Yotam's famous flavors are all simple in at least (and often more than) one way: made in thirty minutes or less, with ten or fewer ingredients, in a single pot, using pantry staples, or prepared ahead of time for brilliantly, deliciously simple meals.

## Vol. 14 - IV Ediz. - Testimonianze per la memoria storica di Caivano raccolte da Ludovico Migliaccio e Collaboratori

## The Late Mattia Pascal

*New York Review of Books* Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work

## The Route 66 Encyclopedia

*Voyageur Press* An encyclopedia with a twist, The Route 66 Encyclopedia presents alphabetical entries on Route 66 history, landmarks, personalities, and culture, from Bobby Troup's anthem "Route 66" to The Grapes of Wrath to the Wigwam Motel, illustrated with over 1,000 old and new, color and black-and-white photos and memorabilia. You'll learn about Jack Rittenhouse and Will Rogers as well as the contributions of lesser-known figures like Arthur Nelson and Angel Delgadillo. With references to the old (including the history of the U Drop Inn Café in Texas) and new (including a section about the recent Cars movie), The Route 66 Encyclopedia provides a sweeping look at a highway that has become more than just a road. These pages cover the history of Route 66 and the people who played a role in its transformation from highway to icon between 1926 and the present, but like the highway itself, this work does not fit within the traditional confines of generalities or terminology. Yes, this is an encyclopedia, a reference book for all things Route 66. However, it is also a time capsule, a travel guide, a history book, a memorial, a testimonial, and a chronicle of almost a century of societal evolution.

## Twilight

*Little, Brown Books for Young Readers* Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

## Zer0039

musica, arte, divertimento : guida al meglio di un anno italiano

*Mondadori*

## Route 66 Lost & Found

## Ruins and Relics Revisited

*Voyageur Press* Much more than a ribbon of crumbling asphalt, Route 66 is a cultural icon revered the world over for its nostalgia value—an east-west artery pointing America toward all the promise that the great West represented. But as stretches of Steinbeck's "Mother Road" were bypassed and fell into disuse, so too did most of the bustling establishments

that had sprouted up from Illinois to California to cater to weary travelers and hopeful vacationers alike. Motor courts, cafes, main streets, filling stations, and greasy spoons—all are represented in this second volume of *Lost & Found* images from photographer Russell Olsen. As with its predecessor, *Route 66 Lost & Found* (2004), this new installment presents dozens of locations along Route 66's entire 2,297 miles, showing them both as in their heydays in period photographs and postcards and as they appear today. Each site is accompanied by a capsule history tracing the locale's rise and fall (and sometimes rebirth), as well as an exclusive map pointing out its location along Route 66.

## Little Santa

*Penguin* A resident of the North Pole with the ability to slide up and down chimneys meets a flying reindeer and some industrious elves in this fictional biography of Santa Claus.

## Enciclopedia SEI.

## Bourbon Empire

## The Past and Future of America's Whiskey

*Penguin* How bourbon came to be, and why it's experiencing such a revival today Unraveling the many myths and misconceptions surrounding America's most iconic spirit, *Bourbon Empire* traces a history that spans frontier rebellion, Gilded Age corruption, and the magic of Madison Avenue. Whiskey has profoundly influenced America's political, economic, and cultural destiny, just as those same factors have inspired the evolution and unique flavor of the whiskey itself. Taking readers behind the curtain of an enchanting—and sometimes exasperating—industry, the work of writer Reid Mitenbuler crackles with attitude and commentary about taste, choice, and history. Few products better embody the United States, or American business, than bourbon. A tale of innovation, success, downfall, and resurrection, *Bourbon Empire* is an exploration of the spirit in all its unique forms, creating an indelible portrait of both bourbon and the people who make it.

## Safe Haven

*Grand Central Publishing* In a small North Carolina town, a mysterious and beautiful woman running from her past slowly falls for a kind-hearted store owner . . . until dark secrets begin to threaten her new life. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her . . . a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards . . . and that in the darkest hour, love is the only true safe haven.

## The Imagined Immigrant

## Images of Italian Emigration to the United States Between 1890 and 1924

*Fairleigh Dickinson Univ Press* Using original sources—such as newspaper articles, silent movies, letters, autobiographies, and interviews—Ilaria Serra depicts a large tapestry of images that accompanied mass Italian migration to the U.S. at the turn of the twentieth century. She chooses to translate the Italian concept of *immaginario* with the Latin *imago* that felicitously blends the double English translation of the word as "imagery" and "imaginary." *Imago* is a complex knot of collective representations of the immigrant subject, a mental production that finds concrete expression; impalpable, yet real. The "imagined immigrant" walks alongside the real one in flesh and rags.

## The PDT Cocktail Book

## The Complete Bartender's Guide from the Celebrated Speakeasy

*Sterling Publishing (NY)* Reveals all of the cocktail recipes available at the famous PDT bar as well as behind-the-scenes secrets on bar design, food, and techniques.

## From Satori to Silicon Valley

## San Francisco and the American Counterculture

*Lexikos Pub*

## New York Cult Recipes

*Sterling Epicure* Paris may be the capital of haute cuisine, but expat Marc Grossman craves the food he grew up with in New York and Brooklyn. So he has lovingly recreated those iconic recipes, from blintzes, bialys, and black & white cookies to pork buns, matzo ball soup, and everything in between. Grossman zooms in on particular neighborhoods and their special fare, even including addresses of his favorite restaurants.

## Imperial City

## Rome under Napoleon

*University of Chicago Press* In 1798, the armies of the French Revolution tried to transform Rome from the capital of the Papal States to a Jacobin Republic. For the next two decades, Rome was the subject of power struggles between the forces of the Empire and the Papacy, while Romans endured the unsuccessful efforts of Napoleon's best and brightest to pull the ancient city into the modern world. Against this historical backdrop, Nicassio weaves together an absorbing social, cultural, and political history of Rome and its people. Based on primary sources and incorporating two centuries of Italian, French, and international research, her work reveals what life was like for Romans in the age of Napoleon. "A remarkable book that wonderfully vivifies an understudied era in the history of Rome. . . . This book will engage anyone interested in early modern cities, the relationship between religion and daily life, and the history of the city of Rome."—*Journal of Modern History* "An engaging account of Tosca's Rome. . . . Nicassio provides a fluent introduction to her subject."—*History Today* "Meticulously researched, drawing on a host of original manuscripts, memoirs, personal letters, and secondary sources, enabling [Nicassio] to bring her story to life."—*History*

## The Grammar of Fantasy

## An Introduction to the Art of Inventing Stories

*Enchanted Lion Books* A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of *The Grammar of Fantasy* is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, *The Grammar of Fantasy* gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and

folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

## The Vermouth of Turin

## Slow Food Nation

## Why Our Food Should Be Good, Clean, and Fair

*Rizzoli Publications* By now most of us are aware of the threats looming in the food world. The best-selling *Fast Food Nation* and other recent books have alerted us to such dangers as genetically modified organisms, food-borne diseases, and industrial farming. Now it is time for answers, and *Slow Food Nation* steps up to the challenge. Here the charismatic leader of the Slow Food movement, Carlo Petrini, outlines many different routes by which we may take back control of our food. The three central principles of the Slow Food plan are these: food must be sustainably produced in ways that are sensitive to the environment, those who produce the food must be fairly treated, and the food must be healthful and delicious. In his travels around the world as ambassador for Slow Food, Petrini has witnessed firsthand the many ways that native peoples are feeding themselves without making use of the harmful methods of the industrial complex. He relates the wisdom to be gleaned from local cultures in such varied places as Mongolia, Chiapas, Sri Lanka, and Puglia. Amidst our crisis, it is critical that Americans look for insight from other cultures around the world and begin to build a new and better way of eating in our communities here.

## The Holy Spirit

## An Introduction

*Messenger International* The Holy Spirit is often portrayed as something "weird." But the Bible makes it clear that the Spirit is not something. He is someone—a Person who has promised to never leave your side. John Bevere invites you into a personal discovery of the most ignored and misunderstood Person in the Church: the Holy Spirit.

## L'Espresso colore

## My Brilliant Friend

Beginning in the 1950s Elena and Lila grow up in Naples, Italy, mirroring two different aspects of their nation.

## The Geometry of Pasta

*Boxtree* Beautiful, and an instant classic! Nigella Lawson 'Really delicious, authentic pasta recipes' Jamie Oliver 'Every cook - from the novice to the seasoned chef - will learn something from this exquisite and delightful book' Jack Monroe The Italians have a secret . . . There are said to be over 300 shapes of pasta, each of which has a history, a story to tell, and an affinity with particular foods. These shapes have evolved alongside the flavours of local ingredients, and the perfect combination can turn an ordinary dish into something sublime. With a stunning cover design to celebrate its 10-year anniversary, *The Geometry of Pasta* pairs over 100 authentic recipes from critically acclaimed chef, Jacob Kenedy, with award-winning designer Caz Hildebrand's incredible black-and-white designs to reveal the science, history and philosophy behind spectacular pasta dishes from all over Italy. A striking fusion of design and food, *The Geometry of Pasta* tells you everything you need to know about cooking and eating pasta like an Italian.

## Food Tourism Around The World

*Routledge* Food and wine are vital components of the tourism experience, and are increasingly being seen as prime travel motivators in their own right. *Food Tourism Around The World: Development, Management and Markets* offers a unique insight into this phenomenon, looking at the interrelationship between food, the tourism product and the tourist experience. Using international case studies and examples from Europe, North America, Australasia and Singapore, *Food Tourism Around The World: Development, Management and Markets* discusses the development, range and repercussions of the food tourism phenomenon. The multi-national contributor team analyses such issues as: \* the food tourism product \* food tourism and consumer behaviour \* cookery schools - educational vacations \* food as an attraction in destination marketing Ideal for both students and practitioners, the book represents the most comprehensive and wide-ranging treatment yet of this recent development in tourism.

## Tristano

*Verso Books* This book is unique as no other novel can claim to be: one of 109,027,350,432,000 possible variations of the same work of fiction. Inspired by the legend of Tristan and Isolde, *Tristano* was first published in 1966 in Italian. But only recently has digital technology made it possible to realise the author's original vision. The novel comprises ten chapters, and the fifteen pairs of paragraphs in each of these are shuffled anew for each published copy. No two versions are the same. The random variations between copies enact the variegations of the human heart, as exemplified by the lovers at the centre of the story. The copies of the English translation of *Tristano* are individually numbered, starting from 10,000 (running sequentially from the Italian and German editions). Included is a foreword by Umberto Eco explaining how Balestrini's experiment with the physical medium of the novel demonstrates 'that originality and creativity are nothing more than the chance handling of a combination'.
