According to Forbes, real estate offers the safest, steadiest, and simplest way to build wealth. In fact, Andrew Carnegie once claimed that "90% of millionaires become so by investing in real estate." Even millennials know that real estate is a key way to build wealth, with the average millennial millionaire already owning 3 properties. I know what you're thinking... I don't have millions of dollars to buy real estate! Well, you don't have to be a millionaire to get started in real estate investing. Many millionaires started with just a small investment and built up their portfolio from there. For example, Arnold Schwarzenegger used his bodybuilding savings to invest in real estate, which eventually made him his first million. Acting didn't make him a millionaire. Real estate did! Think of it this way: By saving and investing just 7% of your paycheck for a down payment, you can already own real estate and start reaping the benefits. Financial Freedom with Real Estate is a straightforward guide to help you understand how wealth creation works through real estate. It provides useful tools and strategies for real estate investing, even without millions of dollars. In Financial Freedom with Real Estate, you will discover: ● How you can replace your salary with rental income, so you are not dependent on your 9 to 5 job ● Why millionaires like Shark Tank judge Barbara Corcoran say that real estate is the best investment you can make ● A step-by-step guide into getting into your first real estate investment ● 6 essential formulas you need to master to make money ● How to buy your first investment property, even if you don't have money to invest ● The secret to saving money by owning real estate ● The lease arrangement that most real estate investors overlook, that can bring in higher and steadier returns ● 3 simple ways to double, then triple and exponentially increase your investment portfolio and send you on your way to become financially free ● Free bonus: An easy-to-follow checklist towards financial freedom And much more. It is no longer enough to rely on your job. The COVID-19 pandemic has shown how expendable employees can be in times of crisis. 64% of Americans don't have enough money for retirement and will have to keep working beyond 60. Do you want to be one of these people? Don't get left behind and remain stuck in a thankless job. Start your journey towards financial freedom today.

## HOW I BECAME FINANCIALLY FREE THROUGH PROPERTY IN 7 DAYS AND HOW YOU CAN TOO!

---

I left everything and became financially free all over again from scratch, just to prove a point. I achieved financial freedom in a week and in this short book I explain step by step exactly how I did it and HOW YOU CAN TOO! In this book you will have the exact scripts and 'magic words' to secure property deals and actually make money in the REAL WORLD starting from scratch. Strategies covered include:- Deal Packaging - Rent-to-Rent- Serviced Accommodation- Networking and Selling - Securing Deals Without a Penny! The first time I became financially free took me 4 years of hard work. The second time only 7 days. The difference was my knowledge. In this book I do not hold back with information, despite it being only 87 pages long. You do not need luck or money, you need knowledge and implementation. My Financial Freedom Challenge #FFChallenge was featured in many newspapers and the BBC Six O'Clock News. Here is how one journalist, Phil Shanahan, told the story: "Without a penny to invest, young multi-millionaire property investor Samuel Leeds set off on an extraordinary undercover mission to prove he could become financially free again from scratch. Samuel left home in an old banger and headed for a hotel which had been pre-booked for him in an unfamiliar city. He had to make money by the end of the week or face eviction.Wearing a black wig and fake glasses, Samuel took on the alias of Lucas Ruby. He was denied access to his funds and could only deal with strangers. It was no stroll in the park and he was thrown out of a networking event when his cover was blown. But within seven days of arriving in Sheffield the 27-year-old entrepreneur had made an incredible £8,000 from selling property deals. He immediately invested the money in two city centre apartments generating a monthly rental profit of up to £2,650. On his return to Staffordshire, he stopped off at a homeless charity in Manchester to donate a £2,000 surplus from the challenge.By adopting the same strategies he preaches to thousands of students each year, the property tycoon proved beyond doubt that knowledge is key to becoming financially independent. A YouTube video on the Financial Freedom Challenge attracted half a million views in a fortnight.In this concise book Samuel Leeds explains in clear steps how he gained financial freedom in a week - and how you can too!"
