## Taming the Omega

### A Taboo Dubcon MMMF Erotic Wolf Shifter Romance

**Ada Stuart** Mated to three large alpha shifters? Omega Mira, has everything lined up: New pack, new job and the perfect beta cover. It's the perfect setup while she completes her medical training. Until she comes face to face with the Mooncrest Pack's most viscous undercover agent. One sniff, and Jacob knows he's caught a spy - and his mate. Mira is less thrilled about the discovery. Particularly when she learns he plans to share her with two of his friends. ———— "Taming the Omega" is a steamy hot Dubcon Reverse Harem Erotic Wolf Shifter Romance. Full length, explicit sex scenes, standalone, no cheating or cliffhangers - and Happily Ever After. Reader advisory: All books in this series can be read as standalone. But you might enjoy them more if you have read them in sequence. Trigger warnings: This story contains elements of non-consensual sex, strong language, thoughts of depression and very explicit sex scenes. Themes: Reverse Harem, Enemies to lovers, Happily ever after, Opposites attract, Alpha male, Unrequited love, Matchmaker, Law enforcement, Military, Accidental pregnancy, Arranged marriage, Love triangle, Menage, Protector, Wolf shifter, Pack life, Omega, Alpha ———— Excerpt: Mira reached for her handbag and located the bottle of pills. After taking out one of them, she turned to the sink to get some water. There was some noise coming from the door behind her and she whirled around. "Doing drugs, Doc?" Jacob asked. His voice sounded icy cold as he looked at the pill in her hand. She had never heard him talk like that before. Not to her. This was probably the voice he used when dealing with culprits and criminals in his work as an enforcer. Quickly, he grabbed her hand, holding it forcefully while using his superior strength to keep her still. She budged a little until she realised how little strength he needed to hold her. "I've a headache," Mira

blurted out. "These help." He took the bottle from her. "I'll need Logan to verify that. Damn, the smell is even worse in here. You stink, woman." She winced at his sharp words. As any woman, she hated to know she wasn't her best. "What is that damn smell?" Jacob said with a confused voice. He leaned down and sniffed her neck. Deeply. A look of surprise spread across his face. She could scent him clearly. The alpha male scent became stronger, more present. Alerting every cell in her body about the presence of a virile and unmated alpha. Making her omega soul whimper in appreciation. Her wolf needed to know when to keep quiet. To know when it was best to stay hidden. "What the..." Jacob said hoarsely. He grabbed her chin and lifted it up, forcing her to look into his eyes as they darkened with desire. She had never seen lust, pure naked lust before this moment. Not from him. Not from any other man. She opened her mouth to object. To give an order and make him release her. -----

## Exposed

**SHADOWSWEPT PUBLISHING LLC** My enemy had seen me naked. He was holding the proof right before my eyes, and my stomach lurched sickeningly. "Seems like you had too much to drink last night," he remarked in that condescending tone he always used with me. I looked up at him as he stood watching me from the doorway with his attitude of superiority. In that moment of weakness, I actually tried to plead with him. "Please. I've never done anything to you." "Begging me on your knees. That's a good start." Dread turned my clammy skin cold. Mason Sumner hated my guts, and he would have no compassion for me. This was bad. This was really, really bad.

## The Image of Islam in Russia

**Routledge** This book covers the developing and important issue of the role and place of Islam in the increasingly complex dynamics of Russian politics. It is achieved by examining various aspects of Islam and Muslims in Russia from a multidisciplinary perspective. Islam and Muslims are currently at the forefront of popular culture, mass media and political imaginations in the age of the 'Global War on Terrorism'. Frequently, these are for the 'wrong' reasons as they are not well understood, but rather stereotypically misrepresented, often for various political reasons. Russia is also highly stereotyped; the diverse and mysterious country is often misunderstood in terms of the communicated cultural, social and political images. This book is an attempt to expose and analyse the wealth in diversity of Islam and Muslims in Russia, a country where different religions have occupied the same political spaces, for better and worse, for many centuries. The content of this book is focused upon the contemporary social, political, cultural and identity contexts of Russia in terms of the interrelated dynamics and forces that are shaping the relations and place of Islam and Muslims in Russia today. The chapters in this book were originally published in the journal Religion, State & Society.

## Marathon

# Corredor o no, el enemigo está en

## tu cabeza

**GRIJALBO** Red circle: #YourMarathon is what moves you, what gives you hope, and what makes you get out of bed every morning without an alarm clock. What's your marathon? Are you already running it? Are you about to take off? Are you just receiving the calling? Marathon, the challenge that requires preparation, courage, passion, and guts so that you can face off with yourself. This is not a book about the advantages of running, nor does it contain tips to improve your scores. Rather, these pages get us closer to the war that as a Marathon runner every person fights in their head, which is the same battle that you deal with when you want to go beyond your limits and reach your own goals. The arena for this battle isn't a track, it's in the mind: that place where in some moments you're a slave, an insurgent, a lover, a conquistador, a victim, a criminal, a gladiator, or even a Jedi Knight. Marathon is an intense book, intimate and original, in which you'll tour Mexico City, Paris, Papantla, Houston, and Rome. You'll visit the heart of the most emblematic competition in track and field and, between euphoria, frustration, searching, music, and revenge, you'll run 42 kilometers of learning.
