DUTCH SHORT STORIES FOR BEGINNERS

20 CAPTIVATING SHORT STORIES TO LEARN DUTCH & GROW YOUR VOCABULARY THE FUN WAY!

Do you know what the hardest thing for a Dutch learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students. Books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the beautiful Dutch tongue. How Dutch Short Stories for Beginners works: - Each story is exciting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Dutch and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Dutch, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Dutch Short Stories for Beginners and start learning Dutch right now!

BiSL® - A FRAMEWORK FOR BUSINESS INFORMATION MANAGEMENT - 2ND EDITION

Van Haren This book describes a process framework for business information management: the Business Information Services Library (BiSL®) - a public domain standard that is consistent with the IT Infrastructure Library (ITIL) and Application Services Library (ASL). BiSL establishes a bridge between IT and business processes, and between business information administrators and information managers. The BiSL process model provides an insight into all of the primary processes within their field of operations and into the relationship between the various processes. It offers a starting point for the improvement of these processes using best practices, amongst other things, and it provides uniform terminology. This book explains BiSL, a process framework for business information management, encompassing the best way to manage and execute business information management in day-to-day practice, and explains how the framework BiSL can help to improve business processes and the alignment of business and IT. Additional Training material is available for free for APMG accredited trainers. Cambridge University Press *This book is an application of Gandhi's 'nonviolent' resistance to the family context.*

NEURO-LINGUISTIC PROGRAMMING FOR DUMMIES

John Wiley & Sons *NLP has a simple premise: take someone who's good at something, model how they do it and learn from them. This way it is possible to understand the thought processes common to excellence in any field and weed out negative or habitual thinking. Neuro-Linguistic Programming techniques extremely popular in many areas including business, education, sports, coaching, counselling, personal development and relationships. Neuro-linguistic Programming for Dummies avoids the jargon of many other books and provides both the basic essentials for the beginner and advanced theory for experienced NLP readers*

150 ECG PROBLEMS E-BOOK

Elsevier Health Sciences *This book offers 150 12-lead ECGs and rhythm strips, each with a clinical case history and question. The full ECG is reproduced and a study of it with the case history should be enough to give an answer. On the back the case is examined, with a description of the main features of the ECG along with a clinical interpretation and a "what to do" section. The cases are graded in difficulty. The unique page size allows presentation of all 12-lead ECGs across a single page for clarity. Several of the cases incorporate chest X-rays and coronary angiograms illustrating the appearances that are associated with various cardiac conditions. All the cases are graded in difficulty and are cross-referenced to the new editions of ECG Made Easy and ECG in Practice for further information. For this Fourth Edition over 30 new ECGs have been included, mainly to provide clearer examples, though the book deliberately retains some technically poor records to maintain a 'real-world' perspective.*

33 ARTISTS IN 3 ACTS

W. W. Norton & Company *This compelling narrative goes behind the scenes with the world's most important living artists to humanize and demystify contemporary art. The best-selling author of Seven Days in the Art World now tells the story of the artists themselves—how they move through the world, command credibility, and create iconic works. 33 Artists in 3 Acts offers unprecedented access to a dazzling range of artists, from international superstars to unheralded art teachers. Sarah Thornton's beautifully paced, fly-on-the-wall narratives include visits with Ai Weiwei before and after his imprisonment and Jeff Koons as he woos new customers in London, Frankfurt, and Abu Dhabi. Thornton meets Yayoi Kusama in her studio around the corner from the Tokyo asylum that she calls home. She snoops in Cindy Sherman's closet, hears about Andrea Fraser's psychotherapist, and spends quality time with Laurie Simmons, Carroll Dunham, and their daughters Lena and Grace. Through these intimate scenes, 33 Artists in 3 Acts explores what it means to be a real artist in the real world. Divided into three cinematic "acts"—politics, kinship, and craft—it investigates artists' psyches, personas, politics, and social networks. Witnessing their crises and triumphs, Thornton turns a wry, analytical eye on their different answers to the question "What is an artist?" 33 Artists in 3 Acts reveals the habits and attributes of successful artists, offering insight into the way these driven and inventive people play their game. In a time when more and more artists oversee the production of their work, rather than make it themselves, Thornton shows how an artist's radical vision and personal confidence can create audiences for their work, and examines the elevated role that artists occupy as essential figures in our culture.*

THE GOVERNESS AFFAIR

Courtney Milan *The start of a critically acclaimed historical romance series by New York Times bestselling author Courtney Milan... Hugo Marshall earned the nickname "the Wolf of Clermont" for his ruthless ambition--a characteristic that has served him well, elevating the coal miner's son to the right hand man of a duke. When he's ordered to get rid of a pestering governess by fair means or foul, it's just another day at work. But after everything Miss Serena Barton has been through at the hands of his employer, she is determined to make him pay. She won't let anyone stop her--not even the man that all of London fears. They might call Hugo Marshall the Wolf of Clermont, but even wolves can be brought to heel... The books in the Brothers Sinister series: ½. The Governess Affair (free prequel novella) 1. The Duchess War 1½. A Kiss for Midwinter (a companion novella to The Duchess War) 2. The Heiress Effect 3. The Countess Conspiracy 4. The Suffragette Scandal 4½. Talk Sweetly to Me*

TOW-TRUCK PLUCK

Pushkin Children's Books *Pluck has a little red tow truck. He drives it all over town looking for a place to live. Then Dolly the pigeon tells him that the tower of the Pill Building is empty. In the Pill Building, Pluck meets Mr. Penn and Zaza the cockroach. Pluck makes lots more friends and solves all kinds of problems. But the biggest problem is Dove Grove. It used to be a garden with tall trees, but it*

has been neglected and gone wild. Grown-ups never go there, but the kids from the Pill Building love playing there. But now the Park Superintendent has decided to chop down the trees to make a paved square. Pluck and his friends try to save Dove Grove. But first he has to rescue Longmount from the canal.
