The Life and Times of Birsa Munda

Prabhat Prakashan **The Life and Times of Birsa Munda The year: 1890-92. It was a time of turmoil when several Adivasis in the Chhotanagpur region were falling prey to the false preaching of the Christian churches and were forced to embrace Christianity. It was a ploy by the British to convert Adivasis into Christianity in an attempt to stem protests. Birsa Munda and his family also believed in the preaching initially and converted to Christianity. Soon, however, Birsa saw through the trickery and not merely did he convert to Hinduism again, he also convinced several Adivasis who had converted to Christianity to embrace Hinduism once again. It was this Birsa Munda who later became 'God' of the Adivasis and came to be regarded as 'Dharti-Aba' or 'Father of the Universe.'** The British administration was jolted and in an attempt to nab Birsa announced a reward of Rs 500 for his arrest. The British trick worked and some greedy informers of the British captured Birsa when he was sleeping at night. This book, a biography of the great Adivasi leader, Birsa Munda, tries to capture some of the brave glimpses from the life of a daring revolutionary who gave up all he had to fight for the rights of his people and to ensure the freedom of his motherland.

Prabhat Prakashan Birsa Munda is famous as •Birsa Bhagwanê (God Birsa) among the Munda tribes of modern Jharkhand state . He was born on 15th of November in the year 1875 at a place called Ulihata in Ranchi district. Since he was born on Thursday , he was named •Birsa Munda as per the culture and tradition of Munda tribes .

Birsa Munda, 1872-1900

The book tells the story of BIRSA MUNDA , who led an armed struggle against the British to establish the munda Raj in the tribal region of Chotta-Nagpur, Jharkhand, formerly in Bihar. Besides he launched a spirited campaign against priesthood, alcoholism and belief in spirits and black magic prevalent among various tribal communities.

Birsa Munda and His Movement, 1872-1901

A Study of a Millenarian Movement in Chotanagpur

This work is a complete account of probably the best-known millenarian movement in tribal India. The movement of the Mundas led by Birsa was typical of the resistance and revitalization movements in the latter half of the nineteenth century. A combination of a religious and a political movement, it represented the struggle and aspirations of his people, sowing the first stirrings of nationalism among them and featuring an urge to recreate the old world which had disappeared under the onslaught of colonialism. Since the second revised edition of Birsa Munda and His Movement was published in 1983, the Birsa cult has developed further, and Birsa Munda has emerged as the icon of tribal people all over India. His movement Ulgulan (the upheaval) has been appropriated by all sorts of people, and by all political parties in Chotanagpur to further their agenda. The legend of the lad from Chalkad has travelled far and wide; and his portrait hangs in the Central Hall of Parliament, the only tribal leader to have been so honoured. Acclaimed as the first of its kind, this study is based on anthropological data and archival material. It traces Birsa's early life and his transformation into a black Christ against the background of the processes of transformation of the tribal society in Chotanagpur. His political movement and his religion are closely studied in the context of their impact on the course of history. The book was translated into various languages of the country and inspired various forms of creative adaptation in contemporary folk and regional literature, including Mahasweta Devi's major novel Aranyer Adhikar. This centennial edition marks the centenary of the martyrdom of Birsa Munda, and is also the third edition in English, restoring official documents and maps which appeared in the first edition, and includes a rare photograph of Birsa Munda, contemporary missionary accounts and additions to the bibliography, besides a fresh updating of the Birsa story as it is seen today. K. S. Singh, formerly of the Indian Administrative Service, spent many years in the Jharkhand region serving and studying tribal people. He has researched and written extensively on tribes, their history and anthropology. Among his well-known works are The Indian Famine 1967: A Study in Crisis and Change (1974), Birsa Munda and His Movement (1983), Tribal Society in India: An Anthro-Historical Perspective (1985) and the introduction to People of India (1992/2002). The last book is part of his magnum opus, the 43 volume project on the people of India, based on the first pan-Indian survey of all communities of India, conceptualized, spearheaded, and edited by him, as Director General of the Anthropological Survey of India. (1984-1993).

Cultural Histories of India

Subaltern Spaces, Peripheral Genres, and Alternate Historiography

Routledge This book explores the social and cultural histories of India, focusing on cultural encounters and representations of subaltern communities from the seventeenth to the twenty-first century. Examining cultural encounters between Europeans and Indians during the precolonial and colonial periods, the book analyzes European, especially English, efforts to exoticize or investigate the social practices of the Other. It also presents the culturally conditioned Indian subject's perspective on Europe and the imperial society. The book engages with narratives of suppressed movements of tribals and dalits, of erosion of the culture and history of ancient communities, and recovers the local narratives of marginalized groups in Andaman and Malabar, which get superseded by the larger narrative of nation-building. Often relying on oral history instead of printed material and sociological fieldwork, the alternate histories are presented through unconventional, literary or semi-literary genres like travel narratives, fiction, films, and songs, thus presenting an alternative interpretation to the central narrative of the progress of mainstream India. Representing cultural history and the view from below, the book shifts its focus from the conventional historiography associated with political history and will be of interest to academics working in the field of cultural studies, the historiography of India, South Asian Studies and an interdisciplinary audience in history, sociology, literature, media, and English studies.
