As this Blood Deal Prof Croft Book 2, it ends stirring physical one of the favored ebook Blood Deal Prof Croft Book 2 collections that we have. This is why you remain in the best website to see the incredible books to have.

KEY=DEAL - DWAYNE HARDY

Blood Deal Everson Croft here, professor of mythology and nervous as sin. Tonight's the night I tell Caroline the truth: about my feelings, my magic, everything. So why am I surprised when Detective Vega calls me to a new case? An elusive creature is chewing up residents in a housing project run by rival gangs. One more mangled body and the place will explode into warfare. Problem is, someone's protecting the killer. All signs point to the vampire Arnaud—who's just upped the stakes. If I don't send Detective Vega down a trail of bad leads, he'll snatch her child. But is Arnaud trying to derail the investigation or twist it to his own ends, ones that could reshape the city? Worse, Caroline has disappeared, and I'm under suspicion. No one believes I last saw her with Angelus, a mysterious hunk and full-blooded faerie. Dangerous no matter how you slice it. Two cases: one personal, one professional, and both going to hell in a hurry. Time to wizard up. Book of Souls A Prof Croft Prequel How did Everson Croft discover his powers? Let's go back to the night I turned thirteen, the night Grandpa filleted my finger with his cane sword. I can't say what terrified me more, the cold anger in his eyes or the crazy things in his locked study. A talking trunk. Squirming coats. A bookshelf whose titles shifted before my eyes. And one chilling title in particular: Book of Souls. Ten years later and I'm en route to a Romanian monastery, in search of that lost book. But I'm not the only one. Three others have beaten me to the local village: two researchers and... Well, I'm not sure who Flor is, other than Spanish, secretive, and sexier than a summer dress. Can I trust her - or any of them? I don't know, but we've got werewolves on our scent, not to mention an ancient curse hanging over the remote ruins. Getting there and back is going to require serious cooperation. Or serious magic. Book of Souls is a short prequel that can be read before or after Demon Moon (Prof Croft, Book 1) Demon Moon Createspace Independent Publishing Platform Everson Croft here, professor of mythology and behind-the-scenes wizard. Show me an amateur conjurer, and I'll stop him before he gets himself killed. That's the idea, anyway. But New York City isn't what it used to be, and I don't mean the recent crash. Amateur casters are calling up creatures they shouldn't be able to. And there's been a murder at the city's most hallowed cathedral, a message in blood on the victim's back the NYPD wants me to interpret, like yesterday. Something tells me I'm in over my head. And that's not just Chinatown's newest mob boss, a scary-powerful vampire, or my possessed cat talking. No matter how much magic I hurl, worse keeps chasing bad, and I'm amassing enemies like they're aluminum cans. Did I mention the end of the world might be nigh? Damn. Maybe I'm the amateur here. Blood Lines Penguin FBI agent Cynna Weaver teams up with sorcerer Cullen Seabourne to help identify elected officials who have accepted demonic pacts. But the passion simmering between them—and their investigation—spiral out of control when an ancient prophecy is fulfilled. Siren Call A Prof Croft Prequel 2 How did Everson Croft end up with a talking cat? For that story, we have to go back to my early years as a wizard. With New York City in the dumps, the red light is back on in Times Square. Vampires, dark fae, and exotic entertainers have set up shop, promising pleasures beyond the wildest imagination. But now male clients are turning up stiff -- all over. I'm thinking supernatural predator, even as the clues keep drawing me back to Tabitha: a mysterious call girl who is one hundred percent mortal. I need to solve this case before the killer feeds again, but damn if I'm not sinking deeper into Tabitha's dangerous and tantalizing world. Which is exactly what she seems to want... Siren Call is the second prequel to the 200,000+ selling Croftverse. If you like occult action, spell-cracking suspense, and moments of heart, heroism, and all-out laughter, you'll love Prof Croft! BOOKS IN THE CROFTVERSE Prof Croft Series Preq 1: Book of Souls Preq 2: Siren Call Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage Book 5: Black Luck Book 6: Power Game Book 7: Druid Bond Book 8: Night Rune Book 9: Shadow Duel Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow Book 3: Blue Howl Book 4: Blue Venom Book 5: Blue Blood Book 6: Blue Storm Purge City If you can't stand the heat... When New York City unveils a program to roast supernaturals, I wonder if I should be sweating. The bloodthirsty Arnaud thinks so, and he's insisting that our survival depends on a wizard-vampire alliance. Never mind his history of wanting me dead. Or undead. Meanwhile, the mayor wants me on his team—an offer that's only slightly less unnerving given our recent clash. So who's really behind the purge? City Hall? The werewolves? Or is it the brainchild of the fae, whose newest advisor to the mayor slipped from my bed and life four months ago? I'm getting the cold feeling someone's trying to manipulate the program, and me, to set off a larger war, one that could explode through the city. One thing's for sure. If I don't get my head straight and my magic on, it's going to be a hell of a summer. Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage (spring 2017) The prequel can be read before or after book 1 Black Luck 'Cause sometimes luck ain't enough In the year since the Whisperer's attack, I've been busting my hump to become my best wizard, like my father. Now I'm ready for a test. When a dark mage starts planting infernal bags around New York City, I get my wish. Like time bombs, the bags detonate without warning, spawning demonic beings that rip the souls of innocents from their bodies. And the attacks are accelerating. Meanwhile, a new wizard has come to town. A recent addition to the Order, Pierce is everything I'm not: refined, self-assured, and adept at magic. He even has Detective Vega blushing. If riling my resentment wasn't enough, he's trying to shoulder me out of my own case, stoking my suspicions. With the race to stop the dark mage growing more desperate by the minute, I need to prove that I'm the wizard to get it done - not Pierce. And without relying on my luck quotient. That saying about being careful what you wish for? It's there for a reason. BOOKS IN THE CROFTVERSE Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow - More to come! Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage Blood Price Penguin Private detective Vickie Nelson teams up with her old partner on the police force and a vampire who happens to be the illegitimate son of King Henry VIII to find the source of several vicious attacks plaguing Toronto. Blood Secret Harper Collins The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence. Born in Blood The Lost Secrets of Freemasonry Rowman & Littlefield Its mysterious symbols and rituals had been used in secret for centuries before Freemasonry revealed itself in 1717. But where had this powerful organization come from and why had Freemasonry been attacked by the Roman Catholic Church? Robinson answers those questions and more. Troubled Blood Mulholland Books In the epic fifth installment in this “compulsively readable” (People) series, Galbraith’s “irresistible hero and heroine” (USA Today) take on the decades-old cold case of a missing doctor, one which may be their grisliest yet. Private Detective Cormoran Strike is visiting his family in Cornwall when he is approached by a woman asking for help finding her mother, Margot Bamborough—who went missing in mysterious circumstances in 1974. Strike has never tackled a cold case before, let alone one forty years old. But despite the slim chance of success, he is intrigued and takes it on; adding to the long list of cases that he and his partner in the agency, Robin Ellacott, are currently working on. And Robin herself is also juggling a messy divorce and unwanted male attention, as well as battling her own feelings about Strike. As Strike and Robin investigate Margot's disappearance, they come up against a fiendishly complex case with leads that include tarot cards, a psychopathic serial killer and witnesses who cannot all be trusted. And they learn that even cases decades old can prove to be deadly . . . Graveyard Druid A New Adult Urban Fantasy Novel When the local vampire coven hires Colin to stop an undead outbreak at the city graveyard, it sounds like money in the bank to everyone's favorite down on his luck druid. But when you're cursed by an ancient fae sorceress with a score to settle, nothing is ever as it seems... Colin McCool here, otherwise known as the Junkyard Druid. Not my favorite title, but since it's my only title I guess I'm stuck with it. But hey, things are looking up. Sure, a powerful and sentient magical artifact may have taken up residence inside my skull, and I'm still burdened with a nasty curse cast by an ancient sorceress of the Tuatha Dé Danann... ..but I'm trying really hard to look on the bright side of things. Seeing as how I've been dragged back into the world of the fae, I figure I may as well be of use. And if I can make a little scratch while using my druidic talents for good and not evil, so much the better. Which is why I took this job working for Austin's vampire coven, cleaning up a ghoulish infestation at the city cemetery. It's not their fault and they don't want the heat, so they hired me to take care of it before it gets out of hand. Easiest. Job. Ever. I'll just whack a few ghouls, hide the bodies, and collect my fee. I mean, seriously - what could possibly go wrong? Blue Venom INTO THE HEART OF DARKNESS With his time as the Blue Wolf winding down, Jason knows the dangers of looking past the next mission all too well. And Legion has just been called to its most challenging one yet. In a closed kingdom in Southeast Asia, a town of 5,000 people has disappeared from the map. Victims of the country's tyrannical leader? Or targets of a shadowy reptilian race rumored to lurk deep in the rainforest? As the Blue Wolf and his team of hunters careen from fact-finding to zombie attacks to full-on jungle warfare, Jason begins to understand why his handler urged him to reject the mission--and the unthinkable consequences of failure. A poisonous force is gaining strength, warping minds and allegiances. And it's starting to infect his teammates... BOOKS IN THE CROFTVERSE Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow Book 3: Blue Howl Book 4: Blue Venom - More to come! Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage Book 5: Black Luck Book 6: Power Game When Scotland Was Jewish DNA Evidence, Archeology, Analysis of Migrations, and Public and Family Records Show Twelfth Century Semitic Roots McFarland The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names. Fast Food Nation The Dark Side of the All-American Meal Houghton Mifflin Harcourt Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production. Game of Thrones versus History Written in Blood John Wiley & Sons Since it first aired in 2011, Game of Thrones galloped up the ratings to become the most watched show in HBO's history. It is no secret that creator George R.R. Martin was inspired by late 15th century Europe when writing A Song of Ice and Fire, the sprawling saga on which the show is based. Aside from the fantastical elements, Game of Thrones really does mirror historic events and bloody battles of medieval times—but how closely? Game of Thrones versus History: Written in Blood is a collection of thought-provoking essays by medieval historians who explore how the enormously popular HBO series and fantasy literature of George R. R. Martin are both informed by and differ significantly from real historical figures, events, beliefs, and practices of the medieval world. From a variety of perspectives, the authors delve into Martin's plots, characterizations, and settings, offering insights into whether his creations are historical possibilities or pure flights of fantasy.

Topics include the Wars of the Roses, barbarian colonizers, sieges and the nature of medieval warfare, women and agency, slavery, celibate societies in Westeros, myths and legends of medieval Europe, and many more. While life was certainly not a game during the Middle Ages, *Game of Thrones versus History: Written in Blood* reveals how a surprising number of otherworldly elements of George R. R. Martin's fantasy are rooted deeply in the all-too-real world of medieval Europe. Find suggested readings, recommended links, and more from editor Brian Pavlac at gameofthronesversushistory.com. The *Ballad of the White Horse* Aeterna Press The *Ballad of the White Horse* is a poem by G. K. Chesterton about the idealized exploits of the Saxon King Alfred the Great. Written in ballad form, the work is usually considered one of the last great traditional epic poems ever written in the English language. The poem narrates how Alfred was able to defeat the invading Danes at the Battle of Ethandun under the auspices of God working through the agency of the Virgin Mary. In addition to being a narration of Alfred's military and political accomplishments, it is also considered a Catholic allegory. Chesterton incorporates a significant amount of philosophy into the basic structure of the story. Aeterna Press *Blue Curse ELITE SOLDIER TURNED WEREWOLF* Cursed by a blind witch, Special Ops soldier Jason Wolfe finds himself transforming into a creature of local legend, a lupine referred to in fearful whispers as Blue Wolf. Faster, stronger, and more lethal, he's the perfect weapon - but not for the U.S. military. To break the curse, Jason must join a war between ancient tribal foes: blue werewolves and the formidable White Dragon. In a battle spanning from the peaks of Central Asia to the valleys of Manhattan, and with the help of a bookish wizard named Prof Croft, Jason will test the limits of his newfound powers. Because with the curse now spreading to his mind, he's running out of time - and the stakes couldn't be more personal. Win and he returns home to his fiancée and a future. Lose and he dies a bloodthirsty beast... **BOOKS IN THE STRANGEVERSE** *Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow - More to come!* Prof Croft Series Preq 0: *Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage* Death Mage Playing fast and loose with the Order's rules has finally caught up with me. Sentenced to hunt down a cagey insurgent known as the Death Mage, I'm not feeling overly optimistic. Wizards with far more experience have tried and, well ... died. But overmatched or not, I want this assignment. The Death Mage killed my mother—he might also be my father. I can't lose my head, though. The mage wields an evil, mind-warping magic. A power that undermines his victims' sanity while pledging their souls to an ancient being and devourer of worlds. How would I even know if his magic was corrupting me? Or is it already? Prof Croft Series Preq 0: *Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage* * The prequel can be read before or after book 1 *Diabetes and Hypertension Evaluation and Management* Springer Science & Business Media Diabetes and hypertension have evolved as two of the modern day epidemics affecting millions of people around the world. These two common co-morbidities lead to substantial increase in cardiovascular disease, the major cause of morbidity and mortality of adults around the world. In *Diabetes and Hypertension: Evaluation and Management*, a panel of renowned experts address a range of critical topics -- from basic concepts in evaluation and management of diabetes and hypertension, such as dietary interventions, to evaluation and management of secondary hypertension in clinical practice. Other chapters focus on high cardiovascular risk populations such as those with coronary heart disease, chronic kidney disease and minority patients. In addition, evolving concepts and new developments in the field are presented in other chapters, such as prevention of type 2 diabetes and the epidemic of sleep apnea and its implication for diabetes and hypertension evaluation and management. An important title covering two of the most troubling disorders of our time, *Diabetes and Hypertension: Evaluation and Management* will provide the busy practitioner with cutting edge knowledge in the field as well as practical information that can translate into better care provided to the high-risk population of diabetics and hypertensive patients. *The Percy Jackson and the Olympians, Book Three: Titan's Curse* Disney / Hyperion Books for Children In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped. *Junkyard Druid A New Adult Urban Fantasy Novel* Createspace Independent Publishing Platform A cursed druid, blackmailed by a faery queen to find a missing magic rock. Let's just hope they don't hack the druid off... for everyone's sake. *JUNKYARD DRUID A New Adult Urban Fantasy Novel* From M.D. Massey Name's Colin McCool. Folks call me the Junkyard Druid. I hate that name. Despite my last name, I'm not "cool" like the other hunters in town. I don't run an occult bookstore, I've never owned a Harley, and I didn't inherit a family fortune passed down through generations of hunters before me. And I kind of have this curse on me that's messed up my life. So, things have gone to hell since I was cursed. I live in a junkyard, my mentor Finn is a heroin addict, I've got the Cold Iron Circle breathing down my neck, and the local Fae Queen Maeve is blackmailing me into doing her dirty work. Now I'm in way over my head trying to retrieve Maeve's stolen magic rock, all while helping my friend Belladonna solve a series of murders that may or may not involve the local werewolves. And did I mention that my girlfriend is a ghost? If I can just get the Faery Queen's tathlum back, and help Belladonna solve the murders... Then I just might live long enough to finish my first year of college. - - - *Junkyard Druid* is a new adult fantasy novel that interweaves elements of paranormal mystery and suspense to introduce an exciting new world and characters in the urban fantasy paranormal genre. It's the first book in the Colin McCool urban fantasy series for adults. Readers of Jim Butcher, Patricia Briggs, and Kevin Hearne will enjoy exploring this new fantasy world through the eyes of Colin McCool. Get your copy today! *A Guide to the Study and Use of Military History* Government Printing Office *Power Game* Creatures, conjurers, and ... cosplay? Protect Sefu. On paper it looks simple. Only I have no idea who Sefu is, much less how to find him or her. And my magic's not talking. But with demons on the hunt, and fiendish whispers of Sefu being some sort of ultimate weapon, failure could spell apocalypse. One of those demons happens to be an enemy I cast into the Pits, a former vampire lord whose twisted mind drips vengeance. Worse, he knows about my relationship with Detective Vega and her son. Meaning I have much more than Sefu to protect. In the Order's absence, I'm forced to scrape together what help I can. Let's just say that with the hunt for Sefu tracking through a major sci-fi and fantasy convention, my new teammates and I will blend right in. That is until a shadowy conjurer threatens Epic Con and its thousands of costumed attendees. A conjurer whose name might be Sefu... **BOOKS IN THE CROFTVERSE** Prof Croft Series Preq 0: *Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage Book 5: Black Luck Book 6: Power Game* *Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow - More to come! Book 3: Blue Howl - More to come! Remembrance* *The Descendants: Book One* I was three when I watched my mother die. Now I'm back in Muckle Cove digging into her murder. They say coming home is never easy, but what I'm finding goes so much deeper than anyone could have imagined. Ancient magic, modern politics, and my mother's ghost all point to some truth in the past that could change my present forever. If it doesn't kill me first... *Speech & Language Processing* Pearson Education India *Blood for Blood* Thomas & Mercer Ziba Mackenzie profiles killers. Now one is profiling her. Rush hour, London. A packed commuter train is torn apart in a collision. Picking through the carnage, ex-special forces profiler Ziba MacKenzie helps a dying woman who passes on a cryptic message: He did it. You have to tell someone. When a corpse is found bearing the gruesome signature of a serial killer dormant for twenty-five years, Ziba is pulled into the hunt for the perpetrator. As the body count rises it becomes clear he's on a new spree. But what's brought the London Lacerator back after such a long hiatus? And does his sudden return have anything to do with the woman on the train? Ziba scrambles to profile the killer in the hope of predicting his next move. But time is running out. And the closer she gets to uncovering his identity, the closer he gets to destroying hers. Shortlisted for the CWA Debut Dagger Award *Innocent Blood* Challenging the Powers of Death with the Gospel of Life Cruciform Press Not a book on social issues per se, nor a book on missions, *Innocent Blood* integrates the two and calls us to courageously challenge the powers of death with the gospel of life. It does this by exploring the striking relationships between the scandal of the gospel and the tragedy of abortion. *Cursed by Night A Reverse Harem Urban Fantasy* My name is Ace Bissett, and I'm a paranormal detective that doesn't believe in magic. Or at least, I didn't before I met them. The day I inherited my aunt's old house, everything changed. One moment, I was convinced that magic was a hoax. The next, I'm surrounded by four winged, fanged, ridiculously hot guys who are definitely nothuman, and who insist that I'm the only one who can break the curse that binds them to the night. I know I should run far, far away from this hot mess, but there's a connection between us I can't deny. I'm seeing things I can't explain, feeling things that don't make sense. The detective in me has never been able to resist a mystery, and this one is just begging me to dig in. But all that will have to wait, because there's a new threat stalking my city. One with a taste for blood and bone, unable to be killed or captured by normal human means. It's a good thing I've got four new roommates to help me hunt them down. But even if I didn't, I'd figure out a way. Because I never give up. I never give in. And I always protect what's mine. Don't miss this delicious new reverse harem series. Scroll up and grab your copy today! *Blue Howl* I have met the enemy... With Jason Wolfe's ragtag team of monster hunters hardening into a lethal unit, they're ready to roll. And not a moment too soon. In the wilds of northern Canada, something is stalking humans and leaving a trail of scattered remains. The team arrives, armed for mayhem. But how to handle an arrogant client, not to mention a killer that can't be tracked? Meanwhile, Jason faces an inner test. His wolf nature, awakened by the vast, rugged landscape, yearns to break from the human mind tethering it. A struggle made more dangerous by Nadie, an alluring shifter intent on claiming the Blue Wolf for her mate. With a winter storm pounding in, can Jason hold onto his command, his teammates, and his devotion to his fiancée? Or will this mission consume them all? **BOOKS IN THE CROFTVERSE** *Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow Book 2: Blue Howl - More to come!* Prof Croft Series Preq 0: *Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage Book 5: Black Luck* *Vienna Blood (Vienna Blood 2)* Random House The hit novels behind the major new TV series *Vienna Blood* _____ Vienna, 1902. Vienna is in the grip of the worst winter for years. Amid the snow and ice, a killer embarks upon a bizarre campaign of murder. Vicious mutilation, a penchant for arcane symbols, and a seemingly random choice of victim are his most distinctive peculiarities. Detective Inspector Oskar Rheinhardt summons a young disciple of Freud - his friend Dr. Max Liebermann - to assist him with the case. The investigation draws them into the sphere of Vienna's secret societies - a murky underworld of German literary scholars, race theorists, and scientists inspired by the new English evolutionary theories. At first, the killer's mind seems impenetrable - his behaviour and cryptic clues impervious to psychoanalytic interpretation; however, gradually, it becomes apparent that an extraordinary and shocking rationale underlies his actions ... Against this backdrop of mystery and terror, Liebermann struggles with his own demons. The treatment of a patient suffering from paranoia erotica and his own fascination with the enigmatic Englishwoman Amelia Lydgate raise doubts concerning the propriety of his imminent marriage. To resolve the dilemma, he must entertain the unthinkable - risking disgrace and accusations of cowardice. *My Struggle: Macmillan* An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him. *God Touched Lulu.com* Chris Gordon is a rookie cop in the Big Apple with an interesting sideline - hunting demons. But after rescuing a beautiful girl from a demonic attack, he finds life stranger than he ever thought possible. Vampires, werewolves, shadowy federal agencies and a giant short-faced bear. And it's not even Halloween yet. *Forty Studies that Changed Psychology Explorations Into the History of Psychological Research* Prentice Hall This unique book closes the gap between psychology books and the research that made them possible. Its journey through the "headline history" of psychology presents 40 of the most famous studies in the history of the science, and subsequent follow-up studies that expanded their findings and relevance. Readers are granted a valuable insider's look at the studies that continue to be cited most frequently, stirred up the most controversy when they were published, sparked the most subsequent related research, opened new fields of psychological exploration, and changed most dramatically our knowledge of human behavior. For individuals with an interest in an introduction to psychology. *Where There's a Kilt, There's a Way* Carina Press Sweden, 1930 Two years ago, Dr. Ainsley Graham proved the existence of ghosts and fell in love—hard to top that. But a trip to Sweden to research at a prestigious university for the summer is nothing to sneeze at, especially since his partner, psychologist Joachim Cockburn, will be teaching alongside him. A change of scenery might be just the thing. Their idyllic trip to Sweden is interrupted by a ghost with a proclivity for rude hand gestures and graphic curse words—and a ghastly history begging to be investigated. Life among the living is complicated, too, by a gruff professor who can't take his eyes off Ainsley, and an enticing new job offer for Joachim. What starts as an adventurous trip abroad turns into mayhem, murder, and...a magical moose? And everyone—well, perhaps not the moose—is a suspect in the death of the ghostly young man who brings them together to expose secrets, loves lost, and a crime that will shock them all. *Kilty Pleasures Book 1: Best Laid Plaids Book 2: Where There's a Kilt, There's a Way* *Soulkeeper Orbit* The Witcher meets D&D in the first book of this epic fantasy adventure where a warrior priest must suddenly protect his world from monsters that were once only legend from USA Today bestselling author David Dalglish. Devin Eveson is a Soulkeeper, traveling through remote villages as a preacher and healer. But when a mysterious black water washes over the world, the veil is torn, flooding the land with ancient magic and forgotten races: fire that dances as if alive, corpses that walk, and creatures that can manipulate time itself. And not all the creatures that have re-awakened remember humanity fondly. As

the land grows more dangerous and more chaotic, Soulkeepers are turning up dead, their bodies transformed into macabre works of art. Devin must set aside his words of peace and accept his new role: slayer of monsters and protector of the human race.

Biosocial Surveys National Academies Press Biosocial Surveys analyzes the latest research on the increasing number of multipurpose household surveys that collect biological data along with the more familiar interviewer-respondent information. This book serves as a follow-up to the 2003 volume, *Cells and Surveys: Should Biological Measures Be Included in Social Science Research?* and asks these questions: What have the social sciences, especially demography, learned from those efforts and the greater interdisciplinary communication that has resulted from them? Which biological or genetic information has proven most useful to researchers? How can better models be developed to help integrate biological and social science information in ways that can broaden scientific understanding? This volume contains a collection of 17 papers by distinguished experts in demography, biology, economics, epidemiology, and survey methodology. It is an invaluable sourcebook for social and behavioral science researchers who are working with biosocial data.

Blood Ties Lindsay Buroker Recently appointed Crown Agents Jev and Zenia must prove that they're worthy of their new jobs and young King Targyon's trust. Their mission? To research the strange "disease of the blood" that killed Targyon's three cousins and left him unexpectedly ruling an entire kingdom at barely twenty years of age. There are just a few problems. If someone was responsible for creating that disease, that person could still be in the city, forcing Zenia and Jev to deal with someone very smart and very dangerous. Meanwhile, since Targyon has the same blood flowing through his veins that his cousins had, he's at risk of becoming the next victim. And as it so happens, Jev shares some of that blood too. Might he become a target before Targyon? When Jev and Zenia signed on for this job, they didn't realize how deadly it might become.

Bill The Vampire There Are Reasons We Fear The Night. He's Not One Of Them. Bill Ryder was a dateless geek, but then he met a girl to die for. So he did. Unfortunately for him, that was just the beginning of his troubles. He awoke as a vampire, one of the legendary predators of the night. Sadly, fangs or not, he was still at the bottom of the food chain. Now he finds himself surrounded by creatures stronger, deadlier, and a lot cooler than he is ... and they all want to kick his teeth in. Bill isn't exactly average, though. A vampire like him hasn't been seen in centuries. He's got a few tricks up his sleeve, unexpected allies, and an attitude that makes him too damned obnoxious to quit. Join him in this hilarious tale of immortal monsters and the unlikely hero who's not afraid to tell them off, even if it gets him killed - permanently this time.
