Bob Dylan

The Never Ending Star

John Wiley & Sons Bob Dylan's contribution to popular music is immeasurable. Venerated as rock's one true genius, Dylan is considered responsible for introducing a new range of topics and new lyrical complexity into popular music. Without Bob Dylan, rock critic Dave Marsh once claimed, there would be no popular music as we understand it today. As such an exalted figure, Dylan has been the subject of countless books and intricate scholarship considering various dimensions of both the man and his music. This book places new emphasis on Dylan as a rock star. Whatever else Dylan is, he is a star – iconic, charismatic, legendary, enigmatic. No one else in popular music has maintained such star status for so long a period of time. Showing how theories of stardom can help us understand both Bob Dylan and the history of rock music, Lee Marshall provides new insight into how Dylan's songs acquire meaning and affects his relationship with his fans, his critics and the recording industry. Marshall discusses Dylan's emergence as a star in the folk revival (the "spokesman for a generation") and the formative role that Dylan plays in creating a new type of music – rock – and a new type of star. Bringing the book right up to date, he also sheds new light on how Dylan's later career has been shaped by his earlier star image and how Dylan repeatedly tried to throw off the limitations and responsibilities of his stardom. The book concludes by considering the revival of Dylan over the past ten years and how Dylan's stardom has developed in a way that contains, but is not overshadowed by, his achievements in the 1960s.

Bob Dylan

The Never Ending Star

One More Night

Bob Dylan's Never Ending Tour

CreateSpace What Dylan fans call 'The Never Ending Tour' celebrated its 25th anniversary on June 7th 2013. Its time span already represents almost half of Dylan's entire career and totals over 2,500 shows. Highly respected Dylan expert Andrew Muir documents the ups and downs of this unprecedented trek. Muir analyses and assesses Dylan's performances over the years, with special focus on many memorable shows. One More Night traces what it all means both in terms of Dylan's artistic career and in the lives of the dedicated Dylan followers who collect recordings of every show and regularly cross the globe to catch up with the latest leg. Muir also includes the funny and affecting story of his own unforgettable meeting with Dylan. One More Night is part rock criticism, part cultural analysis, part scrutiny of fandom and paints a telling portrait of the Never Ending Tour and its importance in Dylan's career.

Bob Dylan in Performance

Song, Stage, and Screen

Rowman & Littlefield This study of Bob Dylan's art explores the distinctive ways he brings words and music to life on recordings, onstage, and onscreen. Dylan's body of work to date is situated in terms of the influences that have shaped his performances and the ways these performances have shaped contemporary popular music.

Rock Star

The Making of Musical Icons from Elvis to Springsteen

JHU Press Filled with memorable photographs, Rock Star will appeal to anyone interested in modern American popular culture or music history.

The World of Bob Dylan

Cambridge University Press This book features 27 integrated essays that offer access to the art, life, and legacy of one of the world's most influential artists.

Wicked Messenger

Bob Dylan and the 1960s; Chimes of Freedom, revised and expanded

Seven Stories Press Bob Dylan's abrupt abandonment of overtly political songwriting in the mid-1960s caused an uproar among critics and fans. In *Wicked Messenger*, acclaimed cultural-political commentator Mike Marqusee advances the new thesis that Dylan did not drop politics from his songs but changed the manner of his critique to address the changing political and cultural climate and, more importantly, his own evolving aesthetic. *Wicked Messenger* is also a riveting political history of the United States in the 1960s. Tracing the development of the decade's political and cultural dissent movements, Marqusee shows how their twists and turns were anticipated in the poetic aesthetic—*anarchic, unaccountable, contradictory, punk*—of Dylan's mid-sixties albums, as well as in his recent artistic ventures in *Chronicles, Vol. I* and *Masked and Anonymous*. Dylan's anguished, self-obsessed, prickly artistic evolution, Marqusee asserts, was a deeply creative response to a deeply disturbing situation. "He can no longer tell the story straight," Marqusee concludes, "because any story told straight is a false one."

Polyvocal Bob Dylan

Music, Performance, Literature

Springer Polyvocal Bob Dylan brings together an interdisciplinary range of scholarly voices to explore the cultural and aesthetic impact of Dylan's musical and literary production. Significantly distinct in approach, each chapter draws attention to the function and implications of certain aspects of Dylan's work—his tendency to confuse, question, and subvert literary, musical, and performative traditions. Polyvocal Bob Dylan places Dylan's textual and performative art within and against a larger context of cultural and literary studies. In doing so, it invites readers to reassess how Dylan's Nobel Prize-winning work fits into and challenges traditional conceptions of literature.

Tearing the World Apart

Bob Dylan and the Twenty-First Century

Univ. Press of Mississippi Contributions by Alberto Brodesco, James Cody, Andrea Cossu, Anne Margaret Daniel, Jesper Doolard, Nina Goss, Jonathan Hodggers, Jamie Lorentzen, Fahri "z, Nick Smart, and Thad Williamson Bob Dylan is many things to many people. Folk prodigy. Rock poet. Quiet gentleman. Dionysian impresario. Cotton Mather. Stage hog. Each of these Dylan creations comes with its own accessories, including a costume, a hairstyle, a voice, a lyrical register, a metaphysics, an audience, and a library of commentary. Each Bob Dylan joins a collective cast that has made up his persona for over fifty years. No version of Dylan turns out uncomplicated, but the postmillennial manifestation seems peculiarly contrary—a tireless and enterprising antiquarian; a creator of singular texts and sounds through promiscuous poaching; an artist of innovation and uncanny renewal. This is a Dylan of persistent surrender from and engagement with a world he perceives as broken and enduring, addressing us from a past that is lost and yet forever present. *Tearing the World Apart* participates in the creation of the postmillennial Bob Dylan by exploring three central records of the twenty-first century: "Love and Theft" (2001), *Modern Times* (2006), and *Tempest* (2012)—along with the 2003 film *Masked and Anonymous*, which Dylan helped write and in which he appears as an actor and musical performer. The collection of essays does justice to this difficult Bob Dylan by examining his method and effects through a disparate set of viewpoints. Readers will find a variety of critical contexts and cultural perspectives as well as a range of experiences as members of Dylan's audience. The essays in *Tearing the World Apart* illuminate, as a prism might, their intransigent subject from enticing and intersecting angles.

Time Out of Mind: The Lives of Bob Dylan

Simon and Schuster The second volume in Ian Bell's magisterial two-part biography of the ever-evolving and enigmatic Bob Dylan By the middle of the 1970s, Bob Dylan's position as the pre-eminent artist of his generation was assured. The 1975 album *Blood on the Tracks* seemed to prove, finally, that an uncertain age had found its poet. Then Dylan faltered. His instincts, formerly unerring, deserted him. In the 1980s, what had once appeared unthinkable came to pass: the "voice of a generation" began to sound irrelevant, a tale told to grandchildren. Yet in the autumn of 1997, something remarkable happened. Having failed to release a single new song in seven long years, Dylan put out the equivalent of two albums in a single package. In the concluding volume of his groundbreaking study, Ian Bell explores the unparalleled second act in a quintessentially American career. It is a tale of redemption, of an act of creative will against the odds, and of a writer who refused to fade away. *Time Out of Mind* is the story of the latest, perhaps the last, of the many Bob Dylans.

It Ain't Me Babe

Bob Dylan and the Performance of Authenticity

Routledge Bob Dylan has always been something of a mystery. He has worn a variety of masks that have delighted, puzzled, amused and angered his many audiences. Andrea Cossu offers a strikingly fresh explanation of Dylan and the transformations he has made throughout his career. Cossu's descriptions of key Dylan performances explain how he forged authenticity through performance, and how the various attempts to make 'Bob Dylan' have often involved the interaction between the artist, his public image and his many audiences. *It Ain't Me Babe* offers a striking vision of how Dylan built his image and learned to live with its burden, painting a unique and coherent new portrait of the artist.

Bob Dylan and the British Sixties

A Cultural History

Routledge Britain played a key role in Bob Dylan's career in the 1960s. He visited Britain on several occasions and performed across the country both as an acoustic folk singer and as an electric-rock musician. His tours of Britain in the mid-1960s feature heavily in documentary films such as *D.A. Pennebaker's Don't Look Back* and *Martin Scorsese's No Direction Home* and the concerts contain some of his most acclaimed ever live performances. Dylan influenced British rock musicians such as The Beatles, The Animals, and many others; they, in turn, influenced him. Yet this key period in Dylan's artistic development is still under-represented in the extensive literature on Dylan. Tudor Jones rectifies that glaring gap with this deeply researched, yet highly readable, account of Dylan and the British Sixties. He explores the profound impact of Dylan on British popular musicians as well as his intense, and at times fraught, relationship with his UK fan base. He also provides much interesting historical context – cultural, social, and political – to give the reader a far greater understanding of a defining period of Dylan's hugely varied career. This is essential reading for all Dylan fans, as well as for readers interested in the tumultuous social and cultural history of the 1960s.

Invisible Now: Bob Dylan in the 1960s

Routledge Invisible Now describes Bob Dylan's transformative inspiration as artist and cultural figure in the 1960s. Hughes identifies Dylan's creativity with an essential imaginative dynamic, as the singer perpetually departs from a former state of inexpression in pursuit of new, as yet unknown, powers of self-renewal. This motif of temporal self-division is taken as corresponding to what Dylan later referred to as an artistic project of 'continual becoming', and is explored in the book as a creative and ethical principle that underlies many facets of Dylan's appeal. Accordingly, the book combines close discussions of Dylan's mercurial art with related discussions of his humour, voice, photographs, and self-presentation, as well as with the singularities of particular performances. The result is a nuanced account of Dylan's creativity that allows us to understand more closely the nature of Dylan's art, and its links with American culture.

Baby Boomers and Popular Culture: An Inquiry into America's Most Powerful Generation

An Inquiry into America's Most Powerful Generation

ABC-CLIO The Boomers are the generation that changed everything, from economics to politics to popular culture. This book examines the myriad ways and long-reaching consequences of the now fully "grown up" Baby Boomer generation on America. • Supplies comprehensive, critical analysis of the legacy of the Boomer Generation that examines the benefits and drawbacks of the enormous changes this generation of Americans instituted • Presents accessible but rigorous, scholarly analysis from a broad range of experts in multiple fields • Spotlights the ways in which pop culture at large has responded to the Boomers' influence or example—sometimes in vehement opposition and at other times with imitation or flattery

Dylan at Play

Cambridge Scholars Publishing Dylan at Play offers a selection of writings that can challenge and engross readers eager for new ways to meet the singularity of Bob Dylan's work. We have no interest in competing with the almost numberless and ever-increasing quantity of critical and encyclopedic writing on Dylan. Our goal with this collection has been play and not categorizing or defining. We solicited material that might, in sum, create a vision of both reverent scrutiny and mischief. In this collection, you'll find writers who generally are not already fixtures in the Dylan Criticism industry. Here you'll meet a webmaster, theologians, a linguist, a poet, a polyglot, scholars and teachers. The writers in this collection have heard Dylan's art calling to them through their particular frameworks of meaning and expression, and the pieces here are a result of their abilities to find the voices to respond to that call. We hope above all that readers of Dylan at Play will become inspired to invent and play with their own experiences of this artist.

All Along Bob Dylan

America and the World

Routledge All Along Bob Dylan: America and the World offers an important contribution to thinking about the artist and his work. Adding European and non-English speaking contexts to the vibrant field of Dylan studies, the volume covers a wide range of topics and methodologies while dealing with the inherently complex and varied material produced or associated with the iconic artist. The chapters, organized around three broad thematic sections (Geographies, Receptions and Perspectives), address the notions of audience, performance and identity, allowing to map out the structure of feeling and authenticity, both, in the case of the artist and his audience. Taking its cue from the collapse of the so-called high-/ low culture split following from the Nobel Prize, the book explores the argument that Dylan (and all popular music) can be interpreted as literature and offers discussions in the context of literary traditions, or visual culture and music. This contributes to a nuanced and complex portrayal of the seminal cultural phenomenon called Bob Dylan.

The Cambridge Companion to Bob Dylan

Cambridge University Press A lively set of new essays on Dylan's work as a writer and composer and on his place in American culture.

Rock Music Icons

Musical and Cultural Impacts

Rowman & Littlefield The music, image, performances, and cultural impact of some of the most enduring figures in popular music are explored in Rock Music Icons, giving the reader an inside look into the creativity of some of the most prominent rock stars of our time.

Together Through Life

My Never Ending Tour With Bob Dylan

Troubador Publishing Ltd Bob Dylan has spent more than thirty years on the so-called Never Ending Tour, playing over 3,000 concerts all around the globe. This is the story of the ten most recent years of that tour; it is the story of Barcelona and Gothenburg, New York and Rome, Paris, Chattanooga and beyond. Climb aboard the magic swirling ship that is Bob Dylan's Never Ending Tour and follow along around Europe and America, guided by Dylan's past and present; by the history of the places he plays in and by everyone who is traveling by your side, as well. Featuring encounters with Lana Del Rey, Tony Garnier, Don Was, Spooner Oldham and more; this is the story of what it is to be a fan on the road with the most important artist of the last 100 years. This book will place you in the audience of Dylan's final performance of 2011 as he traded vocals with Mark Knopfler; to the crowd in Gothenburg where his vocal renaissance shone through the rain in 2014, to the scene of the crime of his first electric gig in 1965 as he returned to Forest Hills Tennis Stadium for the first time 51 in years, has you sitting front-and-centre as he sings a one-off Standing in the Doorway in 2017 a few hours after finally picking up his Nobel Prize in Literature, leading you into the Shadow Kingdom in 2021. You'll be transported back to Ancient Egypt and Ancient Rome; into the Spanish and the American Civil Wars, and the streets of Minneapolis where the biggest Civil Rights Movement since the 1960s took place during the Covid-19 pandemic. This is the story of traveling on the road with Bob Dylan's Never Ending Tour, yes, but it is also the story of traveling Together Through Life.

Political Folk Music in America from Its Origins to Bob Dylan

McFarland Many American folk singers have tried to leave their world a better place by writing songs of social protest. Musicians like Woody Guthrie, Leadbelly, Pete Seeger, Bob Dylan, and Joan Baez sang with fierce moral voices to transform what they saw as an uncaring society. But the personal tales of these guitar-toting idealists were often more tangled than the comparatively pure vision their art would suggest. Many singers produced work in the midst of personal failure and deeply troubled relationships, and under the influence of radical ideas and organizations. This provocative work examines both the long tradition of folk music in its American political context and the lives of those troubadours who wrote its most enduring songs.

100 Songs

Simon and Schuster "Dylan remains the rare singer whose work is worth reading on the page. His words are consistently funny, alive to the sound of language, and of course appealingly cryptic." —The New York Times Book Review A new collection of Bob Dylan's most essential lyrics—one hundred songs that represent the Nobel Laureate's incredible range through the entirety of his career so far. Bob Dylan is one of the most important cultural figures of our time, and the first American musician in history to win the Nobel Prize for Literature. 100 Songs is an intimate and carefully curated collection of his most important lyrics that spans from the beginning of his career through the present day. Perfect for students who may be new to Dylan's work as well as longtime fans, this portable, abridged volume of these singular lyrics explores the depth, breadth, and magnitude of one of the world's most enduring bodies of work.

Dylan, Lennon, Marx and God

Cambridge University Press Ground-breaking dual biography that explores pop music's two most influential songwriters, offering new insights into their creative thinking.

Decoding Dylan

Making Sense of the Songs That Changed Modern Culture

McFarland Taking readers behind Bob Dylan's familiar image as the enigmatic rebel of the 1960s, this book reveals a different view—that of a careful craftsman and student of the art of songwriting. Drawing on revelations from Dylan's memoir *Chronicles* and a variety of other sources, the author arrives at a radically new interpretation of his body of work, which revolutionized American music and won him the Nobel Prize for Literature in 2016. Dylan's songs are viewed as collages, ingeniously combining themes and images from American popular culture and European high culture.

Political Rock

Routledge Political Rock features luminary figures in rock music that have stood out not only for their performances, but also for their politics. The book opens with a comparative, cultural history of artists who have played important roles in social movements. Individual chapters are devoted to The Clash and Fugazi, Billy Bragg, Bob Dylan, Rage Against the Machine, Pearl Jam, Sinéad O'Connor, Peter Dinklage, Ani DiFranco, Bruce Cockburn, Steve Earle and Kim Gordon. These artists have been chosen for their status as rock musicians and connections to political moments, movements, and art. The artists and authors show that rock retains a critical strain, continuing a tradition of rock politics that matters to fans, activists, and movements alike.

Once Upon a Time

Simon and Schuster Half a century ago a youth appeared from the American hinterland and began a cultural revolution. The world is still coming to terms with what he did. How he did it—and why—has never fully been explored. In *Once Upon a Time*, award-winning writer Ian Bell draws together the tangled strands of the many lives of Bob Dylan in all their contradictory brilliance. For the first time, the laureate of modern America is set in his entire context: musical, historical, literary, political, and personal. Full of new insights into the legendary singer, his songs, his life and his era, this new biography reveals the artist who invented himself in order to reinvent America. *Once Upon a Time* is a study of a personality that has splintered and reformed, time after time, in a country forever struggling to understand itself. Dylan has become the mystery that illuminates. Here, in the first part of a major two-volume work, the mystery is explained.

Words, Music, and the Popular

Global Perspectives on Intermedial Relations

Springer Nature *Words, Music, and the Popular: Global Perspectives on Intermedial Relations* opens up the notion of the popular, drawing useful links between wide-ranging aspects of popular culture, through the lens of the interaction between words and music. This collection of essays explores the relation of words and music to issues of the popular. It asks: What is popularity or 'the' popular and what role(s) does music play in it? What is the function of the popular, and is 'pop' a system? How can popularity be explained in certain historical and political contexts? How do class, gender, race, and ethnicity contribute to and complicate an understanding of the 'popular'? What of the popularity of verbal art forms? How do they interact with music at particular times and throughout different media?

Popular Music: The Key Concepts

Taylor & Francis Now in an updated fourth edition, this popular A-Z student handbook provides a comprehensive survey of key ideas and concepts in popular music culture. With new and expanded entries on genres and subgenres, the text comprehensively examines the social and cultural aspects of popular music, taking into account the digital music revolution and changes in the way that music is manufactured, marketed and delivered. New and updated entries include: Age and youth Black music Digital music culture K-Pop Mash-ups Philadelphia Soul Pub music Religion and spirituality Remix Southern Soul Streaming Vinyl With further reading and listening included throughout, *Popular Music: The Key Concepts* is an essential reference text for all students studying the social and cultural dimensions of popular music.

The Late Voice

Time, Age and Experience in Popular Music

Bloomsbury Publishing USA Popular music artists, as performers in the public eye, offer a privileged site for the witnessing and analysis of ageing and its mediation. The Late Voice undertakes such an analysis by considering issues of time, memory, innocence and experience in modern Anglophone popular song and the use by singers and songwriters of a 'late voice'. Lateness here refers to five primary issues: chronology (the stage in an artist's career); the vocal act (the ability to convincingly portray experience); afterlife (posthumous careers made possible by recorded sound); retrospection (how voices 'look back' or anticipate looking back); and the writing of age, experience, lateness and loss into song texts. There has been recent growth in research on ageing and the experience of later stages of life, focusing on physical health, lifestyle and psychology, with work in the latter field intersecting with the field of memory studies. The Late Voice seeks to connect age, experience and lateness with particular performers and performance traditions via the identification and analysis of a late voice in singers and songwriters of mid-late twentieth century popular music.

The International Recording Industries

Routledge The recording industry has been a major focus of interest for cultural commentators throughout the twenty-first century. As the first major content industry to have its production and distribution patterns radically disturbed by the internet, the recording industry's content, attitudes and practices have regularly been under the microscope. Much of this discussion, however, is dominated by US and UK perspectives and assumes the 'the recording industry' to be a relatively static, homogeneous, entity. This book attempts to offer a broader, less Anglocentric and more dynamic understanding of the recording industry. Its starting premise is the idea that the recording industry is not one thing but is, rather, a series of recording industries, locally organised and locally focused, both structured by and structuring the international industry. Seven detailed case studies of different national recording industries illustrate this fact, each of them specifically chosen to provide a distinctive insight into the workings of the recording industry. The expert contributions to this book provide the reader with a sense of the history, structure and contemporary dynamics of the recording industry in these specific territories, and counteract the Anglo-American bias of coverage of the music industry. The International Recording Industries will be valuable to students and scholars of sociology, cultural studies, media studies, cultural economics and popular music studies.

The Ballad of Bob Dylan

A Portrait

Harper Collins Drawing on revelatory interviews, a rich analysis of lyrics, and a lifelong study of one of the greatest songwriters of our time, Daniel Mark Epstein delivers a singular, nuanced, and insightful examination of Bob Dylan—the poet, the musician, and the man. Interweaving in-depth conversations with Dylan collaborators and contemporaries, including Eric Andersen, Tom Paxton, Woody Guthrie's daughter Nora Guthrie, Ramblin' Jack Elliott, Pete Seeger, Maria Muldaur, John P. Hammond, and many others, Epstein crafts a vivid and unforgettable portrait of the inimitable poet and performer. Readers of Christopher Ricks' *Dylan's Visions of Sin*, the Dylan autobiography, *Chronicles*, or Sean Wilentz's *Dylan in America*, as well as fans enthralled by expository musician stories, such as Keith Richards' *Life* and Patti Smith's *Just Kids*, will be captivated by Epstein's unprecedented and incisive look at Bob Dylan, music's most ineffable creator.

Ramblin' Jack Elliott

The Never-Ending Highway

Scarecrow Press This professional biography of Ramblin' Jack Elliott (1931-) examines the music and milestones of the American folksinger's half-century career, detailing his role in the preservation of the music of Woody Guthrie and his mentoring of and influence on Bob Dylan. The book also provides a comprehensive discography of recordings, as well as a bibliography, index, and over 30 photographs.

No Such Thing As Forever

Images from 30 Years of the Never Ending Tour 1989-2019

Red Planet The Never Ending Tour is the popular name for Bob Dylan's endless touring schedule. During the course of the tour, musicians have come and gone as the band continued to evolve. The shows amassed a huge fan base with some fans traveling from around the world to attend as many Dylan shows as possible. Dylan played his 2,000th show of the Never Ending Tour in October 2007 and his 3,000th show of the Never Ending Tour in April 2019, in Innsbruck, Austria (featured in the book). Dylan has attributed much of the versatility of his live shows to the talent of his backing band, with whom he recorded each of his 21st Century studio albums. The tour's name was cemented when a journalist asked Dylan if it was a never ending tour which Dylan affirmed. Since then he has tried to pay down the tag saying in a recent, 'Critics should know there is no such thing as forever'.

Still on the Road

The Songs of Bob Dylan Vol. 2 1974-2008

Constable This is the second volume in Clinton Heylin's magisterial survey of the songs of Bob Dylan. The first volume - *Revolution in the Air* which is now available in paperback - charted the rise of Bob Dylan from his first jottings to the full expression of genius in songs such as 'Hard Rain Gonna Fall' and 'The Times They Are a Changin''. *Still on the Road* begins in 1974 with "Blood on the Tracks", the album filled with masterworks such as 'Tangled Up in Blue' and 'Simple Twist of Fate' that heralded a watershed in Dylan's creative journey, and continues to chart his never-ending fascination with music and the art of song up to 2006's "Modern Times". Praise for *Revolution in the Air*: 'Beg, steal, borrow ... a compelling history of Dylan's mercurial song writing.' *Mojo*, 5-star review 'Better than any biography could ever be, and a crucial Dylan book' Jonathan Letham 'Valuable resource' *Observer* 'A gripping new book by Dylan scholar Clinton Heylin so is so far in the deep end that its borderline insane . . . [yet] has been devoured with a ravenous, insatiable appetite, and I have even made notes in the margin.' Mark Ellen, *Word*. 'Terrifically interesting for Dylan nuts' *Sunday Herald* 'Manna for completists' *Metro* 'True to form, Heylin digs deep-way deep-into the songs, mixing cold hard facts with illuminating anecdotes.' - Mark Smith, managing editor, *Acoustic Guitar*

Bob Dylan

Keith Negus addresses both the novice Dylan fan and the longtime listener in his new book, *Bob Dylan*. Negus first approaches the man as a mythical cultural figure before situating the music within the larger folk and blues tradition. He then examines the beginning of Dylan's career as a protest singer, his role as a performer, and his impact on popular music, concluding with an overall assessment of Dylan as an artist. Chapters titled "Surroundings," "Chronologies," "Traditions," "Lyrics," and "Music" take up the various aspects of Dylan's career, making for a smooth exploration of its overall yet unfinished trajectory. Negus also includes a complete discography as of 2007.

The Last Bookseller

A Life in the Rare Book Trade

U of Minnesota Press A wry, unvarnished chronicle of a career in the rare book trade during its last Golden Age When Gary Goodman wandered into a run-down, used-book shop that was going out of business in East St. Paul in 1982, he had no idea the visit would change his life. He walked in as a psychiatric counselor and walked out as the store's new owner. In *The Last Bookseller* Goodman describes his sometimes desperate, sometimes hilarious career as a used and rare book dealer in Minnesota—the early struggles, the travels to estate sales and book fairs, the remarkable finds, and the bibliophiles, forgers, book thieves, and book hoarders he met along the way. Here we meet the infamous St. Paul Book Bandit, Stephen Blumberg, who stole 24,000 rare books worth more than fifty million dollars; John Jenkins, the Texas rare book dealer who (probably) was murdered while standing in the middle of the Colorado River; and the eccentric Melvin McCosh, who filled his dilapidated Lake Minnetonka mansion with half a million books. In 1990, with a couple of partners, Goodman opened St. Croix Antiquarian Books in Stillwater, one of the Twin Cities region's most venerable bookshops until it closed in 2017. This store became so successful and inspired so many other booksellers to move to town that Richard Booth, founder of the “book town” movement in Hay-on-Wye in Wales, declared Stillwater the First Book Town in North America. The internet changed the book business forever, and Goodman details how, after 2000, the internet made stores like his obsolete. In the 1990s, the Twin Cities had nearly fifty secondhand bookshops; today, there are fewer than ten. As both a memoir and a history of booksellers and book scouts, criminals and collectors, *The Last Bookseller* offers an ultimately poignant account of the used and rare book business during its final Golden Age.

The Cambridge Companion to Bob Dylan

Cambridge University Press A towering figure in American culture and a global twentieth-century icon, Bob Dylan has been at the centre of American life for over forty years. *The Cambridge Companion to Bob Dylan* brings fresh insights into the imposing range of Dylan's creative output. The first Part approaches Dylan's output thematically, tracing the evolution of Dylan's writing and his engagement with American popular music, religion, politics, fame, and his work as a songwriter and performer. Essays in Part II analyse his landmark albums to examine the consummate artistry of Dylan's most accomplished studio releases. As a writer Dylan has courageously chronicled and interpreted many of the cultural upheavals in America since World War II. This book will be invaluable both as a guide for students of Dylan and twentieth-century culture, and for his fans, providing a set of new perspectives on a much-loved writer and composer.

Songbooks

The Literature of American Popular Music

Duke University Press In *Songbooks*, critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings's 1770 New-England Psalm-Singer to Jay-Z's 2010 memoir *Decoded*. Drawing on his background editing the *Village Voice* music section, coediting the *Journal of Popular Music Studies*, and organizing the Pop Conference, Weisbard connects American music writing from memoirs, biographies, and song compilations to blues novels, magazine essays, and academic studies. The authors of these works are as diverse as the music itself: women, people of color, queer writers, self-educated scholars, poets, musicians, and elites discarding their social norms. Whether analyzing books on Louis Armstrong, the Beatles, and Madonna; the novels of Theodore Dreiser, Gayl Jones, and Jennifer Egan; or varying takes on blackface minstrelsy, Weisbard charts an alternative history of American music as told through its writing. As Weisbard demonstrates, the most enduring work pursues questions that linger across time period and genre—cultural studies in the form of notes on the fly, on sounds that never cease to change meaning.

Drawn Blank

Random House Incorporated An extraordinary collection of drawings and sketches of women, hotel rooms, cityscapes, and more by the world's best-known singer-songwriter, each accompanied by a note or short poem.

Bob Dylan in the Big Apple

Troubadour Tales of New York

McNidder & Grace This is your travel guide through time and space to the favorite haunts of the most celebrated folkie on planet earth. *Bob Dylan in the Big Apple* takes you on Dylan's journey through the streets of New York - the locations, characters and stories that formed a backdrop to his life and work. Follow in his early footsteps to the Cafe Wha? and more recently the Beacon Theatre. With maps, illustrations and wonderful stories this is a must have for any Dylan enthusiast.

Bob Dylan Revisited

W W Norton & Company Incorporated "Rendered in striking, explosive graphic form, many of Bob Dylan's most famous songs illustrated as they've never been before. Mesmerized by the power of his lyrics and intrigued by the possibilities of translating his powerful, enigmatic personality into
