It is a humorous book--pure entertainment--that maintains that UNIX is a computer virus with a user interface. It features letters from the thousands posted on the Internet's "UNIX-Haters" mailing list. It is not a computer handbook, tutorial, or reference. It is a self-help book that will let readers know they are not alone. **The Literary Year-book The Journal of Helene Berr Emblem Editions** Not since The Diary of Anne Frank has there been such a book as this: The joyful but ultimately heartbreaking journal of a young Jewish woman in occupied Paris, now being published for the first time, 63 years after her death in a Nazi concentration camp. On April 7, 1942, Hélène Berr, a 21-year-old Jewish student of English literature at the Sorbonne, took up her pen and started to keep a journal, writing with verve and style about her everyday life in Paris — about her studies, her friends, her growing affection for the “boy with the grey eyes,” about the sun in the dewdrops, and about the effect of the growing restrictions imposed by France’s Nazi occupiers. Berr brought a keen literary sensibility to her writing, a talent that renders the story it relates all the more rich, all the more heartbreaking. The first day Berr has to wear the yellow star on her coat, she writes, “I held my head high and looked people so straight in the eye they turned away. But it’s hard.” More, many more, humiliations were to follow, which she records, now with a view to posterity. She wants the journal to go to her fiancé, who has enrolled with the Free French Forces, as she knows she may not live much longer. She was right. The final entry is dated February 15, 1944, and ends with the chilling words: “Horror! Horror! Horror!” Berr and her family were arrested three weeks later. She went — as was discovered later — on the death march from Auschwitz to Bergen-Belsen, where she died of typhus in April 1945, within a month of Anne Frank and just days before the liberation of the camp. The journal did eventually reach her fiancé, and for over fifty years it was kept private. In 2002, it was donated to the Memorial of the Shoah in Paris. Before it was first published in France in January 2008, translation rights had already been sold for twelve languages. **The Saturday Review of Politics, Literature, Science and Art The Saturday Review of Politics, Literature, Science, Art, and Finance Once We Were Brothers A Novel St. Martin's Griffin** The gripping tale about two boys, once as close as brothers, who find themselves on opposite sides of the Holocaust. "A novel of survival, justice and redemption...riveting." —Chicago Tribune, on *Once We Were Brothers* Elliot Rosenzweig, a respected civic leader and wealthy philanthropist, is attending a fundraiser when he is suddenly accosted and accused of being a former Nazi SS officer named Otto Piatek, the Butcher of Zamosc. Although the charges are denounced as preposterous, his accuser is convinced he is right and engages attorney Catherine Lockhart to bring Rosenzweig to justice. Solomon persuades attorney Catherine Lockhart to take his case, revealing that the true Piatek was abandoned as a child and raised by Solomon's own family only to betray them during the Nazi occupation. But has Solomon accused the right man? *Once We Were Brothers* is Ronald H. Balson's compelling tale of two boys and a family who struggle to survive in war-torn Poland, and a young love that struggles to endure the unspeakable cruelty of the Holocaust. Two lives, two worlds, and sixty years converge in an explosive race to redemption that makes for a moving and powerful tale of love, survival, and ultimately the triumph of the human spirit. **The Red Umbrella Yearling** The Red Umbrella is a moving tale of a 14-year-old girl's journey from Cuba to America as part of Operation Pedro Pan—an organized exodus of more than 14,000 unaccompanied children, whose parents sent them away to escape Fidel Castro's revolution. In 1961, two years after the Communist revolution, Lucía Álvarez still leads a carefree life, dreaming of parties and her first crush. But when the soldiers come to her sleepy Cuban town, everything begins to change. Freedoms are stripped away. Neighbors disappear. And soon, Lucía's parents make the heart-wrenching decision to send her and her little brother to the United States—on their own. Suddenly plunked down in Nebraska with well-meaning strangers, Lucía struggles to adapt to a new country, a new language, a new way of life. But what of her old life? Will she ever see her home or her parents again? And if she does, will she still be the same girl? The Red Umbrella is a touching story of country, culture, family, and the true meaning of home. “Captures the fervor, uncertainty and fear of the times. . . . Compelling.” —The Washington Post “Gonzalez deals effectively with separation, culture shock, homesickness, uncertainty and identity as she captures what is also a grand adventure.” —San Francisco Chronicle **The Kitchen Boy A Novel of the Last Tsar Penguin** Soon to be a major motion picture starring Kristin Scott Thomas (*The English Patient*), directed by Stefan Ruzowitzky (*The Counterfeiters*) Drawing from decades of work, travel, and research in Russia, Robert Alexander re-creates the tragic, perennially fascinating story of the final days of Nicholas and

Alexandra Romanov as seen through the eyes of their young kitchen boy, Leonka. Now an ancient Russian immigrant, Leonka claims to be the last living witness to the Romanovs' brutal murders and sets down the dark secrets of his past with the imperial family. Does he hold the key to the many questions surrounding the family's murder? Historically vivid and compelling, *The Kitchen Boy* is also a touching portrait of a loving family that was in many ways similar, yet so different, from any other. "Ingenious...Keeps readers guessing through the final pages." —USA Today **The Scribe of Siena A Novel** [Simon and Schuster](#) "Like *Outlander* with an Italian accent." —Real Simple "A detailed historical novel, a multifaceted mystery, and a moving tale of improbable love." —Publishers Weekly, starred review A NEW YORK POST MUST-READ BOOK Readers of Diana Gabaldon's *Outlander* and Tracy Chevalier's *Girl with a Pearl Earring*...will be swept away by the spell of medieval Siena" (Library Journal, starred review) in this transporting love story and gripping historical mystery. Accomplished neurosurgeon Beatrice Trovato knows that her deep empathy for her patients is starting to impede her work. So when her beloved brother passes away, she welcomes the unexpected trip to the Tuscan city of Siena to resolve his estate, even as she wrestles with grief. But as she delves deeper into her brother's affairs, she discovers intrigue she never imagined—a 700-year-old conspiracy to decimate the city. As Beatrice explores the evidence further, she uncovers the journal and paintings of the fourteenth-century artist Gabriele Accorsi. But when she finds a startling image of her own face, she is suddenly transported to the year 1347. She awakens in a Siena unfamiliar to her, one that will soon be hit by the Plague. Yet when Beatrice meets Accorsi, something unexpected happens: she falls in love—not only with Gabriele, but also with the beauty and cadence of medieval life. As the Plague and the ruthless hands behind its trajectory threaten not only her survival but also Siena's very existence, Beatrice must decide in which century she belongs. **The Scribe of Siena** is the captivating story of a brilliant woman's passionate affair with a time and a place that captures her in an impossibly romantic and dangerous trap—testing the strength of fate and the bonds of love. **To Calais, In Ordinary Time** [Canongate Books](#) SHORTLISTED FOR THE WALTER SCOTT PRIZE FOR HISTORICAL FICTION LONGLISTED FOR THE ORWELL PRIZE FOR POLITICAL FICTION A BOOK OF THE YEAR IN THE TIMES, GUARDIAN, SUNDAY TIMES, DAILY EXPRESS, SCOTSMAN and SPECTATOR Three journeys. One road. England, 1348. A gentlewoman flees an odious arranged marriage, a Scots proctor sets out for Avignon and a young ploughman in search of freedom is on his way to volunteer with a company of archers. All come together on the road to Calais. Coming in their direction from across the Channel is the Black Death, the plague that will wipe out half of the population of Northern Europe. As the journey unfolds, overshadowed by the archers' past misdeeds and clerical warnings of the imminent end of the world, the wayfarers must confront the nature of their loves and desires. A tremendous feat of language and empathy, it summons a medieval world that is at once uncannily plausible, utterly alien and eerily reflective of our own. James Meek's extraordinary *To Calais, In Ordinary Time* is a novel about love, class, faith, loss, gender and desire - set against one of the biggest cataclysms of human history. **The Godmothers A Novel** [HarperCollins](#) "A group of deeply complex and beautifully written women . . . Andrew Haswell Green is dead, shot at the venerable age of eighty-three, when he thought life could hold no more surprises. The killing—on Park Avenue in broad daylight, on Friday the thirteenth—shook the city. Born to a struggling farmer, Green was a self-made man without whom there would be no Central Park, no Metropolitan Museum of Art, no Museum of Natural History, no New York Public Library. But Green had a secret, a life locked within him that now, in the hour of his death, may finally break free. A work of tremendous depth and piercing emotion, *The Great Mistake* is the story of a city transformed, a murder that made a private man infamous, and a portrait of a singular individual who found the world closed off to him—yet enlarged it. **The Glovemaker's Daughter** [Simon and Schuster](#) FROM THE ACCLAIMED AUTHOR OF THE LAST PEARL AND DANCING AT THE VICTORY CAFE, this is a beautiful novel about dark family secrets, betrayal, love and redemption. 1666. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an aching bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be. **Directory The Caravan and Campervan Cookbook** [Woodslane Press](#) From roasts to rissoles, salads to savouries and dampers to deserts, *The Caravan & Campervan Cookbook* will help bring a tempting new twist to your travel cooking. Foster's disappearance during a round-the-world flight in 1937 remains one of the world's greatest unsolved mysteries. At first, the flinty Mrs. Lindquist denies any connection to Foster. But Janey informs her that the wreck of Sam Mallory's airplane has recently been discovered in a Spanish desert, and piece by piece, the details of Foster's extraordinary life emerge: from the beginnings of her flying career in Southern California, to her complicated, passionate relationship with Mallory, to the collapse of her marriage to her aggressive career manager, the publishing scion George Morrow.
