## **KEY=VENICE - RIGOBERTO HINTON**

---

---

### **FIRSTBORN OF VENICE**

---

---

#### **VICENZA IN THE EARLY RENAISSANCE STATE**

---

*Johns Hopkins University Press Firstborn of Venice explores issues that are political in the broadest sense: legal institutions and administrative practices, fiscal politics, the consolidation of elites, ecclesiastical management, and the contrasting governing ideologies of ruler and subjects.*

---

### **INVENTING THE BUSINESS OF OPERA**

---

---

#### **THE IMPRESARIO AND HIS WORLD IN SEVENTEENTH CENTURY VENICE**

---

*Oxford University Press In mid seventeenth-century Venice, opera first emerged from courts and private drawing rooms to become a form of public entertainment. Early commercial operas were elaborate spectacles, featuring ornate costumes and set design along with dancing and music. As ambitious works of theater, these productions required not only significant financial backing, but also strong managers to oversee several months of rehearsals and performances. These impresarios were responsible for every facet of production from contracting the cast to balancing the books at season's end. The systems they created still survive, in part, today. Inventing the Business of Opera explores public opera in its infancy, from 1637 to 1677, when theater owners and impresarios established Venice as the operatic capital of Europe. Drawing on extensive new documentation, the book studies all of the components necessary to opera production, from the financial backing of various populations of Venice, to the commissioning and creation of the libretto and the score; the recruitment and employment of singers, dancers, and instrumentalists; the production of the scenery and the costumes, and, the nature of the audience; and, finally, the issue of patronage. Throughout the book, the problems faced by impresarios come into new focus. The authors chronicle the progress of Marco Faustini, the impresario most well known today, who made his way from one of Venice's smallest theaters to one of the largest. His companies provide the most personal view of an impresario and his partners, who ranged from Venetian nobles to artisans. Throughout the book, Venice emerges as a city that prized novelty over economy, with new repertory, scenery, costumes, and expensive singers the rule rather than the exception. The authors examine the challenges faced by four separate Venetian theaters during the seventeenth century: San Cassiano, the first opera theater, the Novissimo, the small Sant'Aponal, and San Luca, established in 1660. Only two of them would survive past the 1650s. Through close examination of an extraordinary cache of documents--including personal papers, account books, and correspondence -- Beth and Jonathan Glixon provide a comprehensive view of opera production in mid-seventeenth century Venice. For the first time in a study of opera, an emphasis is placed on the physical production -- the scenery, costumes, and stage machinery -- that tied these opera productions to the social and economic life of the city. This original and meticulously researched study will be of strong interest to all students of opera and its history.*

### **THE VENICE VARIATIONS**

---

---

#### **TRACING THE ARCHITECTURAL IMAGINATION**

---

*UCL Press From the myth of Arcadia through to the twenty-first century, ideas about sustainability – how we imagine better urban environments – remain persistently relevant, and raise recurring questions. How do cities evolve as complex spaces nurturing both urban creativity and the fortuitous art of discovery, and by which mechanisms do they foster imagination and innovation? While past utopias were conceived in terms of an ideal geometry, contemporary exemplary models of urban design seek technological solutions of optimal organisation. The Venice Variations explores Venice as a*

prototypical city that may hold unique answers to the ancient narrative of utopia. Venice was not the result of a preconceived ideal but the pragmatic outcome of social and economic networks of communication. Its urban creativity, though, came to represent the quintessential combination of place and institutions of its time. Through a discussion of Venice and two other works owing their inspiration to this city - Italo Calvino's *Invisible Cities* and Le Corbusier's *Venice Hospital* - Sophia Psarra describes Venice as a system that starts to resemble a highly probabilistic 'algorithm', that is, a structure with a small number of rules capable of producing a large number of variations. The rapidly escalating processes of urban development around our big cities share many of the motivations for survival, shelter and trade that brought Venice into existence. Rather than seeing these places as problems to be solved, we need to understand how urban complexity can evolve, as happened from its unprepossessing origins in the marshes of the Venetian lagoon to the 'model city' that endured a thousand years. This book frees Venice from stereotypical representations, revealing its generative capacity to inform potential other 'Venices' for the future.

## **LLOYD'S LIST**

---

## **OPERA IN SEVENTEENTH-CENTURY VENICE**

---

## **THE CREATION OF A GENRE**

---

Univ of California Press "In this elegantly constructed study of the early decades of public opera, the conflicts and cooperation of poets, composers, managers, designers, and singers—producing the art form that was soon to sweep the world and that has been dominant ever since—are revealed in their first freshness."—Andrew Porter "This will be a standard work on the subject of the rise of Venetian opera for decades. Rosand has provided a decisive contribution to the reshaping of the entire subject. . . . She offers a profoundly new view of baroque opera based on a solid documentary and historical-critical foundation. The treatment of the artistic self-consciousness and professional activities of the librettists, impresarios, singers, and composers is exemplary, as is the examination of their reciprocal relations. This work will have a positive effect not only on studies of 17th-century, but on the history of opera in general."—Lorenzo Bianconi

#### STORIES FROM A SOUTH AFRICAN CHILDHOOD

---

*One World #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.*

#### A MEMOIR BY THE COFOUNDER OF MICROSOFT

---

*Penguin By his early thirties, Paul Allen was a world-famous billionaire-and that was just the beginning. In 2007 and 2008, Time named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor-combined with the resources to launch and support new initiatives-have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors-both the triumphs and the failures-and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.*

## THE STORY OF MY LIFE

---

---

---

## THE OTHER WES MOORE

---

---

---

## ONE NAME, TWO FATES

---

*One World NEW YORK TIMES BESTSELLER • The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world. BONUS: This edition contains a new afterword and a The Other Wes Moore discussion guide.*

## BOOK ARTS OF ISFAHAN

---

---

---

## DIVERSITY AND IDENTITY IN SEVENTEENTH-CENTURY PERSIA

---

*Getty Publications In the seventeenth century, the Persian city of Isfahan was a crossroads of international trade and diplomacy. Manuscript paintings produced within the city’s various cultural, religious, and ethnic groups reveal the vibrant artistic legacy of the Safavid Empire. Published to coincide with an exhibition at the Getty Museum, Book Arts of Isfahan offers a fascinating account of the ways in which the artists of Isfahan used their art to record the life around them and at the same time define their own identities within a complex society.*

---

## SINGING TO THE LYRE IN RENAISSANCE ITALY

---

---

**MEMORY, PERFORMANCE, AND ORAL POETRY**

---

Cambridge University Press *The first comprehensive study of the dominant form of solo singing in Renaissance Italy prior to the mid-sixteenth century.*

---

**AFRICANS**

---

**THE HISTORY OF A CONTINENT**

---

Cambridge University Press *In a vast and all-embracing study of Africa, from the origins of mankind to the AIDS epidemic, John Iliffe refocuses its history on the peopling of an environmentally hostile continent. Africans have been pioneers struggling against disease and nature, and their social, economic and political institutions have been designed to ensure their survival. In the context of medical progress and other twentieth-century innovations, however, the same institutions have bred the most rapid population growth the world has ever seen. Africans: The History of a Continent is thus a single story binding living Africans to their earliest human ancestors.*
