#### DEATH IN THE AFTERNOON

Simon and Schuster **Still considered one of the best books ever written about bullfighting, Death in the Afternoon is an impassioned look at the sport by one of its true aficionados. It reflects Hemingway's conviction that bullfighting was more than mere sport and reveals a rich source of inspiration for his art. The unrivaled drama of bullfighting, with its rigorous combination of athleticism and artistry, and its requisite display of grace under pressure, ignited Hemingway's imagination. Here he describes and explains the technical aspects of this dangerous ritual and "the emotional and spiritual intensity and pure classic beauty that can be produced by a man, an animal, and a piece of scarlet serge draped on a stick." Seen through his eyes, bullfighting becomes a richly choreographed ballet, with performers who range from awkward amateurs to masters of great elegance and cunning. A fascinating look at the history and grandeur of bullfighting, Death in the Afternoon is also a deeper contemplation of the nature of cowardice and bravery, sport and tragedy, and is enlivened throughout by Hemingway's sharp commentary on life and literature.**

#### THE COMMON SENSE OF TEACHING FOREIGN LANGUAGES

Gattegno wrote this book as a scientist interested in learning processes, as a student interested in the mastery of foreign languages, and as a teacher interested in providing his students with ideal learning conditions. These perspectives combined with years of research, travel, and fieldwork create a full insight into the problem of learning a foreign language. He argues that learning a language should not be about recitation and memorization, but about the natural learning processes we have used since birth. "In fact," he writes, "We can no more say that we remember our language than that we remember how to stand up or walk."

**A SOCIALIST EMPIRE****THE INCAS OF PERU**

2011 Reprint of 1961 Edition. Many social scientists have attempted to lump the unique Inca society into modern political and economic categories. Louis Baudin argued that Incan society was socialistic. He claimed that the ayllu system is what classified the Inca as a system of state socialism. Baudin defines state socialism as being based on the idea of the regulative action of a central power in social relations. According to Baudin, the idea of private property in Europe had been in existence for centuries, but no such idea existed at the times of the Incas. He claims, that society in Peru rested on a foundation of collective ownership which, to a certain extent, facilitated its establishment, because the effacement of the individual within a group prepared him to allow himself to be absorbed. Baudin argued that the higher ranking Incas tried, and succeeded to an extent, to force a degree of uniformity on the common Inca. The Inca were forced to dress similarly, eat the same food, practice the same religion, and speak the same language, Quechua.

**WORD SEARCHES 2****NADA****A NOVEL**

Modern Library Renowned as Spain's *The Catcher in the Rye*, this passionate coming-of-age novel follows a rebellious college-age girl as she uncovers her family's secrets in chaotic, polarized, post-Civil War Barcelona. Andrea, an eighteen-year-old orphan, moves in with her volatile Barcelona relatives to attend the local University. Living in genteel squalor in a mysterious house on Calle de Aribau, Andrea relies on her wealthy, beautiful, bohemian friend Ena to prove that normal life exists beyond the gothic dwelling she calls home. In one year, as her innocence melts away, Andrea learns the truth about her overbearing and religious Aunt Angustias, her cruelly sensual, musically gifted uncle Román and his violent brother Juan, and her lovely Aunt Gloria, who provides the family's bread with furtive gambling expeditions. She also learns the truth about Ena—and why her friendship goes hand in hand with her interest in Andrea's family. Peppered with dark humor, energy, and hope, Carmen Laforet's stunning classic is the story of a young woman who endures the harsh realities of post-Civil War Barcelona, emerging wiser and stronger, and with a bright future ahead of her.
