KEY=I - MADELYNN DAKOTA

But Why Can't I?

A Book about Rules

Franklin Watts *George thinks rules are silly. When Jenny comes to babysit, George refuses to keep to the rules. But that makes playing dangerous and not fun at all! Can George learn why rules are important? This series introduces young children to different aspects of our emotions and behaviour. A fictional story is backed up by suggestions for activities and ideas to talk about, while a wordless storyboard encourages children to tell another story. Supports the Personal, Social and Emotional Development Area of Learning in the Early Years Foundation Stage. For children aged 3-5.*

Can't Hurt Me

Master Your Mind and Defy the Odds - Clean Edition

David Goggins *New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.*

So Good They Can't Ignore You

Why Skills Trump Passion in the Quest for Work You Love

Grand Central Publishing *In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.*

Cows Can't Jump

Jumping Cow Press *Cows Can't Jump (featuring animal actions) is part of the Cows Can't Series, which includes Cows Can't Quack (animal sounds), Cows Can't Spin Silk (animal creations), Cows Can't Blow Bubbles (shapes animals make), bilingual Spanish/English editions of all four titles and Haitian Creole and French bilingual editions of Cows Can't Jump. By listening to and reading aloud these fun, educational and engaging picture books, young children will learn the names of dozens of animals - and their actions, sounds, and creations - reinforcing early reading skills and a love of books! The Cows Can't Series is perfect for young listeners and beginning readers ages newborn to six years old. Cows Can't Jump is available in multiple formats: Stubby & Stout? Board-book (chunky-style format ideal for small hands), Glossy Paperback (for older children), Hardcover (full size format with board-book covers/pages) and Kindle. Cows Can't Jump is featured on the Recommended Children's Books list of the award-winning early literacy organization Parent-Child+ and has received high praise including "On my list of all-time favorite picture books", "Will fast become your child's favorite bedtime story" and "A new staple in our daily reading". The Series is published by Jumping Cow Press, which actively supports literacy programs and partners with a direct-impact foundation to provide tens of thousands of copies of the Series at no cost to Reach Out and Read, Parent-Child Home+, Pajama Program, Read to Grow, Raising a Reader, Kids Need to Read, Get Georgia Reading, Literacy, Inc. (LINC) and Read by 4th, all of which integrate the Cows Can't Series into their early childhood literacy programs. Learn more about the Cows Can't Series at jumpingcowpress.com. The Clutter Book

When You Can't Let Go

Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress. Marcie Lovett, author of The Clutter Book, will motivate you to make the changes you want. Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is keeping you from achieving success. Whether your clutter is caused by things, commitments or thoughts, Marcie encourages you to make the choices to conquer your challenges. If previous attempts at letting go of clutter have not been successful for you, you will benefit from the motivation and wisdom Marcie offers. Written in a straightforward and accessible style, filled with insight and real-life stories, the book enables readers to learn from the experience of others and overcome obstacles to success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items.

Whether you want to live with less or live with what you have, this is the book for you.

If You're So Smart How Come You Can't Spell Mississippi? (A Book About Dyslexia)

Mainstream Connections ADHD, ADD, Dyslexia, Learning Styles, Learning Disabilities Introduces the mainstream student and educator to the world of the child who struggles academically. The main character discovers her father is dyslexic, as is one of her classmates-- and she tries to make sense of it.

You Can Run But You Can't Hide

Hyperion "Freeze!" Duane "Dog" Chapman entertains and inspires millions on Dog the Bounty Hunter, his #1-rated show on A&E -- but there is more to his story. From troubled beginnings and tragedy to triumph and transformation, he reveals all for the first time in this no-holds-barred memoir. Dog spent the first twenty-three years of his life on the wrong side of the law. In *You Can Run, but You Cant Hide*, he offers an inside look at his days as a gang member; his dark years of addiction and abuse; and how serving eighteen months in prison for a murder he didnt commit helped him recommit to his faith. He also shares stories of some of his most dangerous bounty hunts -- including his capture of Max Factor heir and convicted rapist Andrew Luster, which made international headlines. In *You Can Run, but You Cant Hide*, Dog recounts his incredible story, chronicling his journey from his onetime criminal past to the guiding faith that has led him to become one of the most successful bounty hunters in American history. Against all odds, Dog turned his life around and went from ex-con to American icon in the process. This is his story.

If You Can't Quit Cryin', You Can't Come Here No More

A Family's Legacy of Poverty, Crime and Mental Illness in Rural America

Feral House On May 12, 2013, 48-year-old Vicky Isaac of rural Puxico, Missouri—a woman with a history of learning disabilities, traumatic brain injuries, and drug addiction— loaded a .22 caliber handgun and shot her violent addict husband while he slept in the trailer they shared with Vicky’s adult son. Or did she? According to police reports, Vicky called 911 and confessed to the crime. Was this another sad case of murder amongst addicts or something more? Betty Frizzell escaped her family’s legacy of crime, addiction, and abuse to become a respected law enforcement officer and teacher. Drawn back to the town and people of her past, Betty works to uncover the truth of murder and her family’s history of violence. Her investigation uncovers sad realities about mental illness, small-town politics, and a society that doesn’t care about “poor, white trash”. There are never easy answers when the odds are stacked against you and no amount of “elegies” will save your family.

And If You Can't

Independent Inclusive and comforting. The last story I wish I could have read to my daughter before she entered heaven. A story filled with enchanted endurance gracefully given by a caregiver and the lesser known tail of lovingly letting go.

Can't and Won't

Stories

Farrar, Straus and Giroux A new collection of short stories from the woman Rick Moody has called "the best prose stylist in America" Her stories may be literal one-liners: the entirety of "Bloomington" reads, "Now that I have been here for a little while, I can say with confidence that I have never been here before." Or they may be lengthier investigations of the havoc wreaked by the most mundane disruptions to routine: in "A Small Story About a Small Box of Chocolates," a professor receives a gift of thirty-two small chocolates and is paralyzed by the multitude of options she imagines for their consumption. The stories may appear in the form of letters of complaint; they may be extracted from Flaubert's correspondence; or they may be inspired by the author's own dreams, or the dreams of friends. What does not vary throughout *Can't and Won't*, Lydia Davis's fifth collection of stories, is the power of her finely honed prose. Davis is sharply observant; she is wry or witty or poignant. Above all, she is refreshing. Davis writes with bracing candor and sly humor about the quotidian, revealing the mysterious, the foreign, the alienating, and the pleasurable within the predictable patterns of daily life.

Stolen Focus

Why You Can't Pay Attention--and How to Think Deeply Again

Crown NEW YORK TIMES BESTSELLER • Our ability to pay attention is collapsing. From the New York Times bestselling author of *Chasing the Scream* and *Lost Connections* comes a groundbreaking examination of why this is happening—and how to get our attention back. “The book the world needs in order to win the war on distraction.”—Adam Grant, author of *Think Again* “Read this book to save your mind.”—Susan Cain, author of *Quiet* In the United States, teenagers can focus on one task for only sixty-five seconds at a time, and office workers average only three minutes. Like so many of us, Johann Hari was finding that constantly switching from device to device and tab to tab was a diminishing and depressing way to live. He tried all sorts of self-help solutions—even abandoning his phone for three months—but nothing seemed to work. So Hari went on an epic journey across the world to interview the leading experts on human attention—and he discovered that everything we think we know about this crisis is wrong. We think our inability to focus is a personal failure to exert enough willpower over our devices. The truth is even more disturbing: our focus has been stolen by powerful external forces that have left us uniquely vulnerable to corporations determined to raid our attention for profit. Hari found that there are twelve deep causes of this crisis, from the decline of mind-wandering to rising pollution, all of which have robbed some of our attention. In *Stolen Focus*, he introduces readers to Silicon Valley dissidents who learned to hack human attention, and veterinarians who diagnose dogs with ADHD. He explores a favela in Rio de Janeiro where everyone lost their attention in a particularly surreal way, and an office in New Zealand that discovered a remarkable technique to restore workers’ productivity. Crucially, Hari learned how we can reclaim our focus—as individuals, and as a society—if we are determined to fight for it. *Stolen Focus* will transform the debate about attention and finally show us how to get it back.

No, They Can't

Why Government Fails-But Individuals Succeed

Simon and Schuster Challenges the belief that government action is the best way to solve a problem, examining such topics as government's inappropriate role in health care, the ineffectiveness of food bans, and the failures of government- and union-run educational systems.

Forgiving What You Can't Forget

Discover How to Move On, Make Peace with Painful Memories, and Create a Life That's Beautiful Again

Thomas Nelson *#1 New York Times Bestseller* You deserve to stop suffering because of what other people have done to you. Have you ever felt stuck in a cycle of unresolved pain, playing offenses over and over in your mind? You know you can't go on like this, but you don't know what to do next. Lysa TerKeurst has wrestled through this journey. But in surprising ways, she's discovered how to let go of bound-up resentment and overcome the resistance to forgiving people who aren't willing to make things right. With deep empathy, therapeutic insight, and rich Bible teaching coming out of more than 1,000 hours of theological study, Lysa will help you: Learn how to move on when the other person refuses to change and never says they're sorry. Walk through a step-by-step process to free yourself from the hurt of your past and feel less offended today. Discover what the Bible really says about forgiveness and the peace that comes from living it out right now. Identify what's stealing trust and vulnerability from your relationships so you can believe there is still good ahead. Disempower the triggers hijacking your emotions by embracing the two necessary parts of forgiveness.

Falling for the Ranger

Tule Publishing When Todd Harris makes the move from the mean streets of Chicago to the sleepy roads of Marietta, Montana, it's not just his career that's changing... it's his entire life. Going from police officer to forest ranger isn't too much of a stretch, but getting used to how things work in a small town is. As he settles in, Todd realizes he loves the slower pace of the countryside, but then... an Olympic gold medalist comes to town and shatters his hard fought peace. But the town's new forest ranger doesn't like attention and he sure as hell isn't looking for any kind of relationship with someone who does. When Molly gets lost in the woods though and Todd is the one who saves her, the spark he's been trying to ignore smolders and ignites. It's then that he realizes there's a lot more to Molly than ambition and public adulation. When Todd signs up for the Men of Marietta calendar shoot to raise money for Harry's House, a place for children to commemorate a fallen firefighter, Molly realizes the kind of man he is. With the shoot wrapping up, she faces a painful decision—return to her old life, or give her new life with Todd a fighting chance.

Who Says You Can't? You Do

Harmony Offers a seven step guide to discovering the true self, committing to life, and pushing beyond limits.

What You Can Change... and What You Can't

Hachette UK If you believe that dieting down to your "ideal" weight will prolong your life; that reliving childhood trauma can undo adult personality problems; that alcoholics have addictive personalities, or that psychoanalysis helps cure anxiety, then get ready for a shock. In the climate of self-improvement that has reigned for the last twenty years, misinformation about treatments for everything from alcohol abuse to sexual dysfunction has flourished. Those of us trying to change these conditions are often frustrated by failure, mixed success, or success followed by a relapse. But have you ever asked yourself: can my condition really be changed? And if so, am I going about it in the most effective way? Grounding his conclusions in the most recent and most authoritative scientific studies, Seligman pinpoints the techniques and therapies that work best for each condition, explains why they work, and discusses how you can use them to change your life. Inside, you'll discover: the four natural healing factors for recovering from alcoholism; the vital difference between overeating and being overweight, and why dieters always gain back the pounds they "lost"; the four therapies that work for depression, and how you can "dispute" your way to optimistic thinking; the pros and cons of anger, and the steps to take to understand it and much more!

Who Says Women Can't Be Doctors?

The Story of Elizabeth Blackwell

Henry Holt and Company (BYR) In the 1830s, when a brave and curious girl named Elizabeth Blackwell was growing up, women were supposed to be wives and mothers. Some women could be teachers or seamstresses, but career options were few. Certainly no women were doctors. But Elizabeth refused to accept the common beliefs that women weren't smart enough to be doctors, or that they were too weak for such hard work. And she would not take no for an answer. Although she faced much opposition, she worked hard and finally—when she graduated from medical school and went on to have a brilliant career—proved her detractors wrong. This inspiring story of the first female doctor shows how one strong-willed woman opened the doors for all the female doctors to come. *Who Says Women Can't Be Doctors?* by Tanya Lee Stone is an NPR Best Book of 2013 This title has common core connections.

Among the Hidden

Simon and Schuster In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

TIME TO COLOR THE STRESS AWAY

Can't Buy Me Love

The Beatles, Britain, and America

[Crown Archetype](#) *That the Beatles were an unprecedented phenomenon is a given. In Can't Buy Me Love, Jonathan Gould explains why, placing the Fab Four in the broad and tumultuous panorama of their time and place, rooting their story in the social context that girded both their rise and their demise. Nearly twenty years in the making, Can't Buy Me Love is a masterful work of group biography, cultural history, and musical criticism. Beginning with their adolescence in Liverpool, Gould describes the seminal influences—from Elvis Presley and Chuck Berry to The Goon Show and Alice's Adventures in Wonderland—that shaped the Beatles both as individuals and as a group. In addition to chronicling their growth as singers, songwriters, and instrumentalists, he highlights the advances in recording technology that made their sound both possible and unique, as well as the developments in television and radio that lent an explosive force to their popular success. With a musician's ear, Gould sensitively evokes the timeless appeal of the Lennon-McCartney collaboration and their emergence as one of the most creative and significant songwriting teams in history. Behind the scenes Gould explores the pivotal roles played by manager Brian Epstein and producer George Martin, credits the influence on the Beatles' music of contemporaries like Bob Dylan, Brian Wilson, and Ravi Shankar, and traces the gradual escalation of the fractious internal rivalries that led to the group's breakup after their final masterpiece, Abbey Road. Most significantly, by chronicling their revolutionary impact on popular culture during the 1960s, Can't Buy Me Love illuminates the Beatles as a charismatic phenomenon of international proportions, whose anarchic energy and unexpected import was derived from*

the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II. From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination, Gould captures the pulse of a time that made the Beatles possible—and even necessary. As seen through the prism of the Beatles and their music, an entire generation's experience comes astonishingly to life. Beautifully written, consistently insightful, and utterly original, *Can't Buy Me Love* is a landmark work about the Beatles, Britain, and America.

Why Can't I Be You

HarperCollins "This book is for anyone who has ever felt 'less than' or on the outside. That is to say, this is a book for everyone." —Elana K. Arnold, author of *What Girls Are Made Of* "With a clear, compelling voice, Walker creates a believable world where socioeconomic tensions challenge, but never defeat, her well-rounded characters."—*Publishers Weekly* (starred review) *Claire Ladd* knows that this summer is going to be special. She and her two best friends, Ronan and Brianna, are turning twelve. She is leaving camp behind and gets to do what she wants all day. She feels everything starting to change. But things don't always change for the better. With Brianna's cousin Eden visiting for the summer, Claire feels like a third wheel. Even though she is only a year older, Eden seems so much more sophisticated and glamorous . . . and when she's around, she takes up everyone's attention, including Brianna's. But that doesn't explain why things have felt awkward with Brianna ever since she moved to a fancy new house, or why Ronan, who lives in the trailer next to Claire's, has started acting moody anytime anyone mentions his dad. Claire has always been happy with her life just as it is, but as the summer wears on and the issues with her friends start to grow, she can't help but wonder: Would everything be better if she could just be someone else?

Patty's Journey

A Family Book You Can't Put Down Once You Begin: Funny

Independently Published *Funny and very touching story, brutally honest under my daughter's eyes. This book is A wonderful, light-hearted look at an issue and age that so many of us will be dealing with before too long. Patty always said it was never going to be her. She wasn't the one who was going to have to take Mom in eventually. And Mom didn't want to move either - she was FINE by herself. FINE. So Patty nodded her head sympathetically every time her siblings talked about the inevitable and said, with all the sincerity she could muster, "Gosh, I wish I could help but..." As Patty says in the book "Until she fell. Now, I don't want to make it more dramatic than it was. Yes, she fell. Ok. But it was a little fall. I mean, she didn't fall off a mountaintop - she fell getting up from her recliner. But she hit her head on the bookcase and apparently bled quite a lot. But head wounds bleed a lot - everyone knows that! She managed to get herself up from the floor and call an ambulance. Done. But it did get her to thinking. What if she had passed out? What if she had broken her leg? How would she get hold of anyone? Since the woman refuses to turn on her cell phone that wasn't an option. She HAS a cell phone, yes. It's in her purse. But she won't turn it on. She doesn't want to "use up her minutes". By turning it on. I know, I know - YOU try explaining it to her. Anyway, it got her thinking. Thinking that maybe she shouldn't be alone." And so it begins. It's one thing to make room for her mother but quite another, as Patty quickly finds out, to make room for all the "stuff". The Avon? The Hummels? The stuffed bears? What to do with it all? Who will cut and who will be voted off the island? Follow along with Patty as she and her siblings start the process of trudging down memory lane with nothing but a little patience and a lot of trash bags. You'll laugh, you'll cry but most of all, you will relate to this daughter's journey.*

Things I Want To Say To My Father-In-Law But Can't

Can't Stop Won't Stop

A History of the Hip-Hop Generation

Macmillan A history of hip-hop cites its origins in the post-civil rights Bronx and Jamaica, drawing on interviews with performers, activists, gang members, DJs, and others to document how the movement has influenced politics and culture. 50,000 first printing.

Broken Identity

Destiny Image Publishers *Drake Pearson, a narrow-minded 18-year-old barely enduring Missouri's heat, is tired of feeling empty. Living conditions are about as cozy as a cardboard box, on account of his alcoholic father who can find nothing better to do than argue relentlessly with him. When Drake thinks he can't take another blow, he is reminded daily of his mom who vanished twelve years ago. And now there's a dead body. After a terrible accident turns into a protected secret, a twisted string of events brings Drake miles away from home to an elderly man's front door. Every promising opportunity also brings new doubts and temptations to run away—this time for good. When the secret he has kept locked away threatens to reveal itself, Drake knows he must shield it with his very life, even if the love he has been shown undeservingly is about to be destroyed.*

While We Can't Hug

Faber & Faber *Hedgehog and Tortoise were the best of friends. They wanted to give each other a great, big hug. But they weren't allowed to touch. "Don't worry," said Owl. "There are lots of ways to show someone you love them." So the two friends wave to each other, blow kisses, sing songs, dance around and write letters. And even though they can't hug and they can't touch, they both know that they are loved. A gorgeous, uplifting, inspiring picture book that makes social distancing fun!*

You Can't Say You Can't Play

[Harvard University Press](#) Who of us cannot remember the pain and humiliation of being rejected by our classmates? However thick-skinned or immune to such assaults we may become as adults, the memory of those early exclusions is as palpable to each of us today as it is common to human experience. We remember the uncertainty of separating from our home and entering school as strangers and, more than the relief of making friends, we recall the cruel moments of our own isolation as well as those children we knew were destined to remain strangers. In this book Vivian Paley employs a unique strategy to probe the moral dimensions of the classroom. She departs from her previous work by extending her analysis to children through the fifth grade, all the while weaving remarkable fairy tale into her narrative description. Paley introduces a new rule-You can't say you can't play-to her kindergarten classroom and solicits the opinions of older children regarding the fairness of such a rule. We hear from those who are rejected as well as those who do the rejecting. One child, objecting to the rule, says, It will be fairer, but how are we going to have any fun? Another child defends the principle of classroom bosses as a more benign way of excluding the unwanted. In a brilliant twist, Paley mixes fantasy and reality, and introduces a new voice into the debate: Magpie, a magical bird, who brings lonely people to a place where a full share of the sun is rightfully theirs. Myth and morality begin to proclaim the same message and the schoolhouse will be the crucible in which the new order is tried. A struggle ensues and even the Magpie stories cannot avoid the scrutiny of this merciless pack of social philosophers who will not be easily caught in a morality tale. You Can't Say You Can't Play speaks to some of our most deeply held beliefs. Is exclusivity part of human nature? Can we legislate fairness and still nurture creativity and individuality? Can children be freed from the habit of rejection? These are some of the questions. The answers are to be found in the words of Paley's schoolchildren and in the wisdom of their teacher who respectfully listens to them.

“U Can’t Make This Stuff Up”!

Shocking Sexual Humor Offensive Jokes Impossible Made Possible

[Xlibris Corporation](#) DO NOT READ THIS BOOK IF YOUR EASILY OFFENDED! THIS BOOK HAS SEXUAL HUMOR THAT MAY EMBARRASS U. OFFENSIVE JOKES THAT ARE INTENDED TO RAISE EYEBROWS BUT HURT NO ONE. I WANT TO EMPHASIS...DO NOT READ THIS BOOK IF YOUR OFFENDED EASILY. THE OPINIONS OF THIS AUTHOR...MAY NOT NECESSARILY BE THE OPINIONS OF THIS AUTHOR

Things Are Never So Bad That They Can't Get Worse

Inside the Collapse of Venezuela

[St. Martin's Press](#) A nuanced and deeply-reported account of the collapse of Venezuela, and what it could mean for the rest of the world. Today, Venezuela is a country of perpetual crisis—a country of rolling blackouts, nearly worthless currency, uncertain supply of water and food, and extreme poverty. In the same land where oil—the largest reserve in the world—sits so close to the surface that it bubbles from the ground, where gold and other mineral resources are abundant, and where the government spends billions of dollars on public works projects that go abandoned, the supermarket shelves are bare and the hospitals have no medicine. Twenty percent of the population has fled, creating the largest refugee exodus in the world, rivaling only war-torn Syria's crisis. Venezuela's collapse affects all of Latin America, as well as the United States and the international community. Republicans like to point to Venezuela as the perfect example of the emptiness of socialism, but it is a better model for something else: the destructive potential of charismatic populist leadership. The ascent of Hugo Chávez was a precursor to the emergence of strongmen that can now be seen all over the world, and the success of the corrupt economy he presided over only lasted while oil sold for more than \$100 a barrel. Chávez's regime and policies, which have been reinforced under Nicolás Maduro, squandered abundant resources and ultimately bankrupted the country. Things Are Never So Bad That They Can't Get Worse is a fluid combination of journalism, memoir, and history that chronicles Venezuela's tragic journey from petro-riches to poverty. Author William Neuman witnessed it all firsthand while living in Caracas and serving as the New York Times Andes Region Bureau Chief. His book paints a clear-eyed, riveting, and highly personal portrait of the crisis unfolding in real time, with all of its tropical surrealism, extremes of wealth and suffering, and gripping drama. It is also a heartfelt reflection of the country's great beauty and vibrancy—and the energy, passion, and humor of its people, even under the most challenging circumstances.

Can't Remember Sh*t

Reminder Book, Keep Track of Birthdays, Passwords, Health, Home Maintenance Travel Details, and So Much More! No More Forgetting

Can't Help My Shelf (His Curvy Librarian Book 3)

[Frankie Love](#) There's one thing in life I've always, always wanted. And I'm tired of waiting for my prince charming to sweep me off my feet to help make that happen. On my 26th birthday I make a life altering decision. But before the deed is done, Army officer Nash Nichols walks into the children's section of the library where I work, changing my trajectory forever. Falling in love sounds sweet and all, but my eyes have always been on another prize: being a mother. Maybe I will get my own version of a happily ever after ... or maybe my heart will be broken in ways I didn't see coming. His Curvy Librarian is a new filthy-sweet series brought to you by Frankie Love and Kaylin Evans. It's full of heat, heart, and literary innuendo. What's sexier than a man who loves to read? How about a naked man who loves to read?

Things I Want to Say at Work But Can't

Adult Coloring Book - Funny Office Notebook Gift

Funny adult coloring book for work or school! Great gift for coworkers. 25 unique coloring sheets with detailed mandala and art coloring challenges.
