Calling in "The One" Revised and Expanded 7 Weeks to Attract the Love of Your Life

Harmony The classic guide to finding love and creating life-altering miracles of happiness and fulfillment, now revised and updated with new insights, stories, teaching points, and transformational exercises. Are you frustrated by stymied relationships, missed connections, and the loneliness of the search for someone to spend the rest of your life with? In this classic, updated guide to finding deep happiness in love, licensed marriage and family therapist Katherine Woodward Thomas bridges the gap between wanting to find true love and being truly available to create a fulfilling relationship. Love-seekers today have to deal with a precarious terrain of dating and partnering that seems to encourage a lack of commitment and clarity. Calling in "The One" will empower you to have a radically different experience by shifting your painful patterns in love from the inside out, graduating you from unsatisfying relationships and unleashing your power to manifest the happy, healthy love you desire. Based on the Law of Attraction, which is the concept that we attract what we're ready to receive, the provocative yet simple forty-nine-day program includes a daily lesson, a corresponding practice, and instructions for putting that lesson into action in your life. Manifesting meditations, powerful visualizations, and clarifying journal exercises will lead you to recognize and release your hidden inner obstacles to love and help you

grow beyond them. At the end of the course, you will be in the ideal state of mind to go out into the world and find your "One." An inspirational approach that offers a life-affirming philosophy on relationships, Calling in "The One" is your guide to finding and keeping the love you seek.

Calling in "The One"

7 Weeks to Attract the Love of Your Life

Harmony Are you frustrated by stymied relationships, missed connections, and the loneliness of the search for someone to spend the rest of your life with? Are you ready, instead, to find "The One"? In Calling in "The One," Katherine Woodward Thomas shares her own personal experience to show women that in order to find the relationship that will last a lifetime, you have to be truly open and ready to create a loving, committed, romantic union. Calling in "The One" shows you how. Based on the Law of Attraction, which is the concept that we can only attract what we're ready to receive, the provocative yet simple seven-week program in Calling in "The One" prepares you to bring forth the love you seek. For each of the 49 days of Thomas's thoughtful and life-affirming plan, there is a daily lesson, a corresponding practice, and instruction for putting that lesson into action in your life. Meditation, visualization, and journaling exercises will gently lead you to recognize the obstacles on your path to love and provide ways to steer around them. At the end of those 49 days, you will be in the ideal emotional state to go out into the world and find "The One." An inspirational approach that offers a radical new philosophy on relationships, Calling in "The One" is your guide to finding the love you seek.

Why You're Not Married . . . Yet

The Straight Talk You Need to Get the Relationship You Deserve

Ballantine Books "Very wise . . . Give this book to every single girlfriend [you] have."—Marie Claire If you're looking to get married and you're not, there's most likely a very good reason: you. Hey, you're certainly not a bad person! You just haven't yet become the

woman you need to be in order to have the partnership you want. That's where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan's *Why You're Not Married . . . Yet* dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar? • *You're a Bitch: How defensiveness can hide behind a tough exterior, and why being nice is never a sign of weakness.* • *You're a Liar: How to stop lying to men—and get honest with yourself—about the kind of relationship you really want.* • *You're Selfish: The big secret about marriage: It's about giving something, not getting it.* A funny, insightful guide, *Why You're Not Married . . . Yet* will change your life and the way you think about relationships, and it may very well lead you down the aisle. "Equal parts BFF, boot-camp instructor, and relationship guru, Tracy McMillan will change the way you think about yourself and your relationships. This book is for every woman out there who wants to have a great marriage."—Ricki Lake

The Single D.i.v.a.'s Guide to the Science of Attracting Love

I have been shot in the chest, had a heart attack at 30, almost died during childbirth twice, unknowingly married a bigamist and almost died 5 times. Even with all of that, my most challenging life lesson was learning how to heal childhood trauma and debilitating beliefs so that I could attract a healthy, whole, loving relationship and do it as a single, divorced mother of two! As a pre-med Biology graduate, I did an experiment of going on over 100 dates and interviewing over 3,700 men, women, and couples so that I could learn the secrets of attracting a man. My life transformed when I went on a spiritual, self-healing journey while applying the advice in this book so that I could attract the right man God selected for me. Ultimately, I married my soulmate, who happened to be my high school sweetheart and life-long friend, two years later. In this book, I share this journey and the lessons learned and give advice mixed with old school rules, the science of human behavior, and the Law of Attraction to help empower singles seeking true love while navigating the dating scene.

The Wake-Up Call

Why the Pandemic Has Exposed the Weakness of the West, and How to Fix It

HarperCollins "[An] executive summary of modern political history studded with sweeping assertions and telling anecdotes." -- The New York Times Book Review "Thought-provoking." -- Kirkus Reviews "A shot in the arm...powerful." -- The Financial Times "The Wake-Up Call, refreshingly concise and eminently readable, highlights how the modern crisis of governance compounded the challenges of the pandemic." -- Bloomberg "The Wake-Up Call argues that Covid-19 has exposed not just one president's shortcomings but a much more profound degeneration of governance dating back long before 2016...You will read no more interesting book on the political consequences of the pandemic than this." -- Niall Ferguson, author of Civilization: The West and the Rest NAMED ONE OF THE BEST BOOKS OF 2020 (BLOOMBERG) An urgent and informed look at the challenges America and world governments will face in a post Covid-19 world. The Covid-19 pandemic has revealed that governments matter again, that competent leadership is the difference between living and dying. A few governments proved adept at handling the crisis while many others failed. Are Western governments healthy and strong enough to keep their citizens safe from another virulent virus—and protect their economies from collapse? Is global leadership passing from the United States to Asia—and particularly China? The Wake-Up Call addresses these urgent questions. Journalists and longtime collaborators John Micklethwait and Adrian Wooldridge identify the problems Western leaders face, and outline a detailed plan to help them become more vigilant, better prepared, and responsive to disruptive future events. The problems that face us are enormous; as The Wake-Up Call makes clear, governments around the world must re-engineer the way they operate to successfully meet the challenges ahead.

I Hope They Serve Beer In Hell

Citadel The “highly entertaining and thoroughly reprehensible” #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

Eleanor Oliphant Is Completely Fine

#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A PENGUIN BOOK CLUB PICK

"Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

Sophie's World

A Novel About the History of Philosophy

Farrar, Straus and Giroux One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Quantum Love

Use Your Body's Atomic Energy to Create the Relationship You Desire

Hay House, Inc Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we've learned from the study of quantum physics—the fact that at our molecular core, each of us is simply a vessel of energy—Dr. Berman explains how you can use what's happening in your inner world to create a level of passion, connection, and bliss in your relationship that you've never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to:

- Plot your unique energetic frequency of love with her Quantum Lovemap
- Work consciously with the energy of your body, heart, and mind
- Make four key commitments designed to raise your energetic profile
- Bring your frequency into harmony with your partner's so that you can grow together
- Learn how to have Quantum Sex (which is every bit as good as it sounds)

Quantum Love is the best possible experience of love, and it's available to absolutely everyone, whether you're seeking a mate, in a relationship that's struggling, or just finding that love has turned lackluster through the stresses of life. You can't go back to

the honeymoon phase, but there is something so much better within your reach. Quantum Love lets you reach new heights of intimacy as you gain a fuller sense of purpose in life and love.

Malibu Rising

A Novel

Ballantine Books NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the author of Daisy Jones & The Six and The Seven Husbands of Evelyn Hugo . . . ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, Time, Marie Claire, PopSugar, Parade, Teen Vogue, Self, She Reads • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—People Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. Malibu: August 1983. It’s the day of Nina Riva’s annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he’s been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can’t stop thinking about promised she’ll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family’s generations will all come rising to the surface. Malibu Rising is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

WANTED: One (fake) boyfriend Practically perfect in every way Luc O'Donnell is tangentially—and reluctantly—famous. His rock star parents split when he was young, and the father he's never met spent the next twenty years cruising in and out of rehab. Now that his dad's making a comeback, Luc's back in the public eye, and one compromising photo is enough to ruin everything. To clean up his image, Luc has to find a nice, normal relationship...and Oliver Blackwood is as nice and normal as they come. He's a barrister, an ethical vegetarian, and he's never inspired a moment of scandal in his life. In other words: perfect boyfriend material. Unfortunately, apart from being gay, single, and really, really in need of a date for a big event, Luc and Oliver have nothing in common. So they strike a deal to be publicity-friendly (fake) boyfriends until the dust has settled. Then they can go their separate ways and pretend it never happened. But the thing about fake-dating is that it can feel a lot like real-dating. And that's when you get used to someone. Start falling for them. Don't ever want to let them go. Discover the LGBT romance about exact opposites falling in perfectly imperfect love that New York Times and USA Today bestselling author CHRISTINA LAUREN calls "hilarious, witty, tender, and stunning."

Becoming the One

Heal Your Past, Transform Your Relationship Patterns, and Come Home to Yourself

Chronicle Books Spiritual writer and founder of Rising Woman, Sheleana Aiyana takes you on a transformational inner-work journey to heal life-long relationship patterns and reclaim power over your life. Romantic relationships have the ability to infuse our lives with the magic of intimacy and connection. But for many of us, that magic is fleeting—over and over, our relationships don't last, or if they do, they fail to make us happy. We find ourselves chasing unavailable love, sublimating our needs in service to others, or trying to save our partners from themselves, all the while abandoning the one who needs us most—ourselves. If you find yourself struggling to let go after a relationship ends, or you keep hitting the same wall in dating and relationships with emotionally unavailable people, this is not a sign that you are broken. It is a sign that somewhere along the way, you learned to sacrifice yourself in order to be loved. In *Becoming the One*, spiritual leader and visionary founder of the Rising Woman community Sheleana Aiyana offers a roadmap for transforming your relationship patterns to end the cycle of self-abandonment and move into the light of self-discovery. You'll learn to:

- build a secure, loving relationship with yourself.
- connect with your inner child.
- challenge your core beliefs about love.
- set self-affirming boundaries.
- discover and celebrate your true desires.
- recognize red and green flags.

Sheleana's revolutionary lessons, based on wisdom from the traumas of her past and years of guiding thousands of women around the world in her internationally acclaimed "Becoming the One" program of spiritual and therapeutic healing practices, teach you to embody the qualities you are seeking in others so that you can become "the one" for yourself. You'll learn how to trust your body, make peace with your past, and clear the path for healthy, conscious love—one that returns the authority to you to choose how to live and whom to love. The desire for love is wired into the very fibers of our being, but before you can create rewarding bonds with others, first you must stand wholeheartedly in self-acceptance. *Becoming the One* is an invitation to find your way home to yourself.

Models

Attract Women Through Honesty

Pan Australia "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, The Subtle Art of Not Giving A F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Peril

Simon and Schuster The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

Things Fall Apart

Penguin UK Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

The Soulmate Secret

Manifest the Love of Your Life with the Law of Attraction

Harper Collins Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

The 4 Day Week

How the Flexible Work Revolution Can Increase Productivity, Profitability and Well-being, and Create a Sustainable Future

Piatkus SHORTLISTED FOR THE BUSINESS BOOK AWARDS 2021 In The 4 Day Week, entrepreneur and business innovator Andrew Barnes makes the case for the four-day work week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company Perpetual Guardian, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours. The outcomes of this trial, which no business leader had previously attempted on these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity, work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and governance. The 4 Day Week is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social media, reaching a global audience in more than seventy countries. A mix of trenchant analysis, personal observation and actionable advice, The 4 Day Week is an essential guide for leaders and workers seeking to make a change for the better in their work world.

The 5AM Club

Own Your Morning. Elevate Your Life.

HarperCollins Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Wired for Dating

How Understanding Neurobiology and Attachment Style

Can Help You Find Your Ideal Mate

New Harbinger Publications In the age of online dating, finding a real connection can seem more daunting than ever! So, why not stack the odds of finding the right person in your favor? This book offers simple, proven-effective principles drawn from neuroscience and attachment theory to help you find the perfect mate. Everybody wants someone to love and spend time with, and searching for your ideal partner is a natural and healthy human tendency. Just about everyone dates at some point in their lives, yet few really understand what they're doing or how to get the best results. In Wired for Dating, psychologist and relationship expert Stan Tatkin—author of Wired for Love—offers powerful tips based in neuroscience and attachment theory to help you find a compatible mate and go on to create a fabulous relationship. Using real-life scenarios, you'll learn key concepts about how people become attracted to potential partners, move toward or away from commitment, and the important role the brain and nervous system play in this process. Each chapter explores the scientific concepts of attachment theory, arousal regulation, and neuroscience. And with a little practice, you'll learn to apply these exercises and practical techniques to your dating life. If you're ready to get serious (or not!) about dating, meet your match, and have more fun, this book will be your guide.

The Storyteller

Tales of Life and Music

HarperCollins The #1 New York Times Bestseller * Named one of Variety's Best Music Books of 2021 * Included in Audible's Best of The Year list * A Business Insider Best Memoirs of 2021 * One of NME's Best Music Books of 2021 So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities ("It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!") I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with Scream at 18 years old, to my time in Nirvana and the Foo Fighters, jamming with Iggy Pop or playing at the Academy Awards or dancing with AC/DC and the Preservation Hall Jazz Band, drumming for Tom Petty or meeting Sir Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement.

All About Love

New Visions

HarperCollins A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Secret

Simon and Schuster The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral

traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Winners Take All

The Elite Charade of Changing the World

Vintage NEW YORK TIMES BESTSELLER • The groundbreaking investigation of how the global elite's efforts to "change the world" preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today's news. "Impassioned.... Entertaining reading." —The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can—except ways that threaten the social order and their position atop it. They rebrand themselves as saviors of the poor; they lavishly reward “thought leaders” who redefine “change” in ways that preserve the status quo; and they constantly seek to do more good, but never less harm. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by

the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? His groundbreaking investigation has already forced a great, sorely needed reckoning among the world's wealthiest and those they hover above, and it points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of building more robust, egalitarian institutions and truly changing the world—a call to action for elites and everyday citizens alike.

Greenlights

Crown #1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of The Subtle Art of Not Giving a F*ck I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter.

To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.
