HOLLYWOOD CAR WASH

A NOVEL

Simon and Schuster College drama student Amy Spencer dreams of starring in independent films. When her roommate signs her up for a mysterious "television project" audition, she blows away the competition with her girl-next-door looks and impressive acting chops, inadvertently getting a starring role on a major TV show and going from Michigan teen to Hollywood starlet overnight. To keep the part she didn't even know she wanted, Amy finds herself taking a spin through the "Hollywood Car Wash" to make her more marketable. First, she'll have to lose twenty pounds (don't ask how). Then it's new clothes, new teeth, blonder hair, new friends, and a megastar, high-profile boyfriend (though hers comes with a big secret). Bombarded by jealous, two-faced colleagues, overeager plastic surgeons, and manipulative network executives, Amy slowly learns that the only way to survive in Hollywood is to lose her identity. Will Amy get too caught up by the glitz or will she get a grip on her life before it's too late? The hands-down winner of Touchstone's "Media Predict" Contest -- a competition similar to American Idol for books, Hollywood Car Wash is as delicious and addictive as the celebrity gossip that inspired it.

OPERATION CAR WASH

UNDERSTAND THE INVESTIGATION THAT UNVEILED BRAZIL'S LARGEST EVER CORRUPTION SCHEME

Createspace Independent Publishing Platform Operation Car Wash began in March 2014 and went on to become the largest operation against corruption in Brazil's history. It brought to light the fact that Petrobras, that at one point was the fifth most valuable company in the world, had been bled for many years at the hands of criminals. Since the scheme was funding politicians and parties, it is possible to say that this was not just a corruption scandal, but also a real attack on democracy, promoted by parties in power and in the opposition, both in the current government and the previous ones. At first glance, Brazil's Criminal Justice system seems to be undergoing a drastic change with Car Wash. A senator in office was arrested in precautionary custody. Dozens of business owners and executives at the highest levels were also taken into custody and continue being the targets of investigations and criminal proceedings. Finally, it appears that justice became effective for everyone. However, despite the evolution of anti-corruption promoted by Car Wash, the operation is target of severe criticism. Many believe it disrespects civil principles of criminal procedure, leaving fundamental rights in the background. The dubiousness of opinions in relation to the operation, coupled with the political scenario of struggle for power, resulted in Car Wash being politically appropriated by two different narratives. In one, it is propagated that the Workers' Party (PT) is responsible for the corruption in Brazil and that it would be enough to remove the party from power to resume the path of economic growth. In another, the operation is accused of being selective, directing investigations at crimes involving the Workers' Party (PT) as a way of taking over power through a coup and removing former president Lula from the political scenario. In this context, Lula was charged in the Operation. Paradoxically, the investigations may, however unwittingly, have favored him, who went on to articulate the facts in his favor and capitalize on popular support, sharply reducing his rejection levels, rising in the opinion polls and presenting himself as the strongest candidate for the presidency in 2018. The

huge amount of detail in the midst of countless legal controversies generated a series of questions, for example: - Is there any legal reason why Car Wash is only investigating corruption during the government of the Workers' Party (PT)? - Could there be a connection between precautionary custody and plea bargains? - Although people say Dilma Rousseff's impeachment was a coup, could it somehow have benefited the Worker's Party (PT)? - Was the bench warrant deposition of Lula legal? Was Judge Moro allowed to release the wiretap recordings of Lula? - Who is actually affected by the Supreme Court's (STF) decision that the sentence should be enforced after a conviction is upheld by a Court of Appeals? - Could Car Wash, even involuntarily, have contributed to former president Lula becoming favorite in polls for the presidential election of 2018? These and other questions will be answered here. To facilitate the understanding of the operation, each chapter corresponds to the respective stage of the police investigation and the main legal issues related to each stage will be presented in a simple and straightforward way, at the end of each chapter. In matters involving controversial discussions, legal arguments for and against them will be presented in an impartial, pluralistic and non-partisan manner, at least as far as possible in such a polarized country, so that readers can come to their own conclusions. It is not, therefore, a scientific study of each legal subject, since, due to the complexity of the issues, it would be contrary to the main objective of this book: to synthesize Operation Car Wash, clarifying its main legal controversies and contributing to everyone's informed views on the power struggles in the Brazilian democracy.

BIKINI CARWASH

Oliver-Heber books "I've read all her books and loved every word." -Jude Deveraux. After Andrea Wolkowicz abandons corporate life to help care for her sister, she quickly wears out the want ads in their rustbelt hometown. Time to be her own boss. Every mogul knows the best idea is an old idea with a new twist. So Andi proudly revives her father's business: an old-fashioned car wash staffed entirely by bikini-clad women. That ought to get traffic and blood flowing on Grosvenor Street! This gutsy gimmick soon has the whole town in a lather, and not necessarily in a good way. Scandalized citizens are howling, neighboring businesses are worried. But straitlaced grocery-store owner Pete Guthrie is definitely intrigued. He knows it's hard to run a small business in a big-box world. To him, Andi's brains and bravery are as alluring as the bikini she calls business attire.

THE MAN FROM THE CAR WASH

BOOK ONE - THE DARKNESS

BookRix This is the first book of the Darkness trilogy. The concept is pretty simple. It is based on the idea of the conspiracy theorist. Gabrielle is a retired special agent who is now working a simple job at a car wash. Mainly for the idea he grew up on a lake and loves playing in water all day. The conspiracy begins with two groups trying to kill him as well as bring total, and absolute, control of the world led by them. Gabrielle just wants a peaceful life with his wife. To safely grow old with her. Some things just have a way of never happening. In book one he sees the doorway opened by the group calling themselves the Darkness. He then teams up with an old enemy who is more honest, reliable, than a lot of his old teammates. Book one sets up the start of the fighting force to battle the monsters from the doorway. Even though this enemy is known Gabrielle knows he has to find the real enemy who is hidden and unknown. In reality the Darkness is a different form of the Illuminati. A centuries old cult who want to rule the world while remaining unseen. Thank you for reading my book and I hope you enjoyed it very much.

ORANGE PRIDE CAR WASH

Blurb The Orange Pride Car Wash has been the most affordable car wash in Stillwater, Oklahoma for some forty years. Originally there were four Orange Prides, now only one is left, but keeping these last ten wash bays open and running is sometimes a bit of a challenge. Self Service Car Washes seem simple enough on the outside, put in the quarters, select a function and wash your vehicle. As long as everything is working we don't think much about how it works. But, the part you don't see from the outside, the components that makes it work, can be confusing when seen from the inside. This book attempts to explain the components, functions, maintenance and repair of a Self Service Car Wash. By breaking down the various parts and pieces that make up the necessary equipment, and explaining the interaction of that equipment so that out in the Wash Bay you can push a button and wash.

SLUGGERS' CAR WASH

HarperCollins The 21st Street Sluggers have a problem: Their team T-shirts are worn-out and dirty. They need new ones, but they have no money. How can they raise some? A car wash! The team gets to work. Lilly is scrubbing, Julia is squirting, Will is polishing, and CJ is kicking back and counting the dollars and cents. Pretty soon everyone is wet and tired -- except for CJ. But his teammates have a surprise in store for the master of the cash! Learning how to count money and make change are important real-life math skills -- but teamwork is the most valuable player in this sports story.
