Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own. **The Case for Grace A Journalist Explores the Evidence of Transformed Lives** **Zondervan** Join investigative journalist and bestselling author Lee Strobel as he embarks on his life-changing quest to solve the riddle of grace. Along the way, you'll find the undeniable evidence of grace in the true stories of racists, addicts, and even murderers who have found new hope and purpose--all through the redemptive power of God's amazing grace. In *The Case for Grace*, Lee offers an accessible explanation of the theology of God's grace, shown through the incredible, dramatic, can't-put-it-down stories of people whose lives were changed by the gift of grace--true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God. Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people, traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Each story that Strobel shares in *The Case for Grace* contributes a piece to the puzzle of grace, showing us: How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left; how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds--and even to forgive ourselves Through it all, you will be encouraged as you see how God's grace can revolutionize your life--starting today. **Case for Miracles for Kids** **Zonderkidz** With clear facts, real-life stories, and answers to the questions kids six to ten ask most, this adaptation of Lee Strobel's bestselling *The Case for Miracles* uses kid-friendly language to explore the research, facts, and evidence behind the question of whether miracles can be believed, and if they still happen in our world today. Whether they've grown up in the church or are encountering faith for the first time, *The Case for Miracles for Kids* is the

perfect resource to answer the questions about faith and miracles kids 6-10 ask most. Inside, readers will discover: An introduction to the historical evidence, expert testimonies, extensive research, and scientific proof that back up what the Bible says Stories and experiences from real people who claim to have experienced a miracle An exploration of why God performs miracles, why they do (and sometimes don't) happen, and what they tell us about God and his involvement in our world today Answers for why Christians believe what they do, and why they can be confident in our beliefs Kid-friendly examples that make the facts easy to understand Ways to talk to other people about their faith and share what they know

The Case for Miracles for Kids: Is a solid source of information that looks at all sides of the issue to present solid evidence behind each conclusion and fact about the Christian faith Has illustrations and callout graphics to make the topics engaging for kids six to ten Is an excellent resource for Sunday schools, church libraries, and homeschooling This book can be used on its own or alongside *The Case for a Creator for Kids*, *The Case for Christ for Kids*, *The Case for Faith for Kids*, and *The Case for Grace for Kids* to help children with faith development and answer questions they wonder about most.

The Case for Faith for Kids Zondervan Explains in plain terms such issues for Christians as the existence of evil, miracles, the meaning of Jesus, the validity of other religions, and religious doubt, and suggests reasons why the Bible should be believed about these matters.

The Case for Miracles A Journalist Investigates Evidence for the Supernatural Zondervan New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: *The Case for Miracles* Spanish edition, kids' edition, and student edition.

The Case for Christ A Journalist Investigates the Toughest Questions to Christianity Harper Collins Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his

findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*? **Cold-Case Christianity A Homicide Detective Investigates the Claims of the Gospels** **David C Cook** Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. **Fact Or Fantasy Good News Ministries The Case for a Creator A Journalist Investigates Scientific Evidence That Points Toward God** **Zondervan** Discover the astonishing evidence for intelligent design in this *New York Times* bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in *The Case for a Creator*. Also available: *The Case for a Creator* small group video study and study guide, Spanish edition, kids' edition, student edition, and more. **The Case for Christ Answer Booklet** **Zondervan** Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in *God's Not Dead 2*, his own life is now the subject for a full-length feature film from Pure Flix Entertainment. He is excited about the possibility of trimming the existing *Case for Christianity Answer Book* into a booklet-sized product that will help lift the visibility of several projects: the parent book (the *Answer Book*), the newly recover *Case for Christ* that will release in tandem with the movie, as well as promoting the movie itself. **The Case for Christ Young Reader's Edition Investigating the Toughest Questions about Jesus** **Zonderkidz** Is Jesus real? Was he actually born in a stable? Did he really come back from the dead? Aren't

all the stories in the Bible about Jesus just that ... stories? Kids ages 8-12 can join in this incredible search for the truth about Jesus, including the answers that changed the life of investigative reporter and international bestselling author Lee Strobel. Here's a book that finally answers the most important questions about the existence, life, death, and resurrection of Jesus. Will Lee Strobel's findings bring Christianity's claims about Jesus tumbling down like a house of cards, or prove the facts support what Christians believe? *The Case for Christ Young Reader's Edition* is: Written specifically for readers ages 8-12, and presented in a way that is logical and easy to understand Based on the adult edition, which has sold over 5 million copies Perfect for encouraging a child's faith, and is also ideal for homeschool use or as a first communion gift for boys or girls Packed full of well-researched, reliable, and eye-opening investigations of some of the toughest questions kids have about Christianity Contains discussion questions and room for kids to write out their thoughts Full of the evidence about Jesus that rocked the world of atheist investigative reporter Lee Strobel A sturdy hardcover book with a place-keeping ribbon Like Strobel, you will be amazed at the evidence—how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in *The Case for Christ*? *The Case for Christ Young Reader's Edition* is perfect for: Homeschool, church libraries, and middle-school church education classes Encouraging a child's faith development Unpacking biblical principles in a way anyone can understand Also check out *The Case for Heaven Young Reader's Edition*!

Its primary goal is to foster local church transformation and vitality.

Forensic Faith A Homicide Detective Makes the Case for a More Reasonable, Evidential Christian Faith David C Cook A cold-case homicide detective helps Christians understand why it's important to develop a "forensic faith" and provides a unique template to help them become effective "Christian Case Makers." *Forensic Faith* will help readers: understand why they have a duty to defend the truth develop a training strategy to master the evidence for Christianity learn how to employ the techniques of a detective to discover new insights from God's Word become better communicators by learning the skills of professional case makers With real-life detective stories, fascinating strategies, and biblical insights, Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. *Forensic Faith* is an engaging, fresh look at what it means to be a Christian.

The Case for Faith A Journalist Investigates the Toughest Objections to Christianity Zondervan Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In *The Case for Faith*, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to

the most persistent emotional objections to belief in God--the eight "heart barriers" to faith: "Since evil and suffering exist, a loving God cannot" "Since miracles contradict science, they cannot be true" "Evolution explains life, so God isn't needed" "God isn't worthy of worship if he kills innocent children" "It's offensive to claim Jesus is the only way to God" "A loving God would never torture people in Hell" "Church history is littered with oppression and violence" "I still have doubts, so I can't be a Christian" This book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: The Case for Faith Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of Case for... books: The Case for Christ investigates the historical evidence for Jesus The Case for a Creator explores the scientific evidence for God The Case for Grace uncovers the "how" and "why" behind God's amazing grace . . . and more! **The Case for Heaven Young Reader's Edition**

Investigating What Happens After Our Life on Earth Zonderkidz Is heaven real? What is it really like? Award-winning author Lee Strobel tracked down the evidence and provides answers to the questions children 8-12 ask about both heaven and hell in this young reader's edition of The Case for Heaven that is perfect for teaching your child about the biblical evidence for eternal life. Every child wonders at some point what happens after we die—especially after the loss of a pet, a grandparent, or another loved one. Lee Strobel (The Case for Christ) understands your child's questions, and presents a kid-friendly examination of the evidence for heaven, packed full of research that: Helps readers 8-12 understand the biblical, historical, and contemporary facts about the afterlife in a logical and easy-to-follow way Explains what happens after we die Explores what heaven and hell are really like, based on tested biblical truths Presents what it means to have eternal life The Case for Heaven Young Reader's Edition is perfect for: Sunday school and homeschool education Comforting kids 8-12 following a death, and reassuring those experiencing grief Unpacking biblical principles in a way anyone can understand By the end of this book, your child will have a clearer understanding of the afterlife, as well as peace knowing the Christian view of heaven is sound. Don't forget to also check out The Case for Christ Young Reader's Edition!

The Case for Grace for Kids Zonderkidz In The Case for Grace for Kids, Lee Strobel, along with Jesse Florea, presents the concept of grace in a way kids eight to twelve relate to. Sharing stories of people who have been changed by God's love and forgiveness, learning to forgive those who have hurt them, as well as forgive themselves. Lee also shares never-before-seen stories from his own journey from atheism to Christianity, and how God's redeeming love personally affected him. Throughout the book, readers will see how God's grace can change their lives and relationships today. . **The Case for Jesus The Biblical and Historical Evidence for Christ Image** "This book will prove to be a most effective weapon... against the debunking and skeptical attitudes toward the Gospels that are so prevalent, not only in academe, but also on the street, among young people who, sadly, are leaving the Churches in droves." - Robert Barron, author of Catholicism For well over a hundred years now, many scholars have questioned the historical truth

of the Gospels, claiming that they were originally anonymous. Others have even argued that Jesus of Nazareth did not think he was God and never claimed to be divine. In *The Case for Jesus*, Dr. Brant Pitre, the bestselling author of *Jesus and the Jewish Roots of the Eucharist*, goes back to the sources—the biblical and historical evidence for Christ—in order to answer several key questions, including:

- Were the four Gospels really anonymous?
- Are the Gospels folklore? Or are they biographies?
- Were the four Gospels written too late to be reliable?
- What about the so-called “Lost Gospels,” such as “Q” and the Gospel of Thomas?
- Did Jesus claim to be God?
- Is Jesus divine in all four Gospels? Or only in John?
- Did Jesus fulfill the Jewish prophecies of the Messiah?
- Why was Jesus crucified?
- What is the evidence for the Resurrection?

As *The Case for Jesus* will show, recent discoveries in New Testament scholarship, as well as neglected evidence from ancient manuscripts and the early church fathers, together have the potential to pull the rug out from under a century of skepticism toward the traditional Gospels. Above all, Pitre shows how the divine claims of Jesus of Nazareth can only be understood by putting them in their ancient Jewish context. **The Case for Faith Study Guide Revised Edition Investigating the Toughest Objections to Christianity Zondervan** Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session revised small group Bible study (DVD/digital video sold separately), Strobel explores the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling personal stories and experts testimony combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: *The Challenge of Faith Dealing with Doubt Evil and Suffering, Part 1 Evil and Suffering, Part 2 Why Is Jesus the Only Way to God? The Power of Faith Designed for use with The Case for Faith Revised Video Study 9780310698814 (sold separately).*

Case for a Creator for Kids The Daily Show (The Book) An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests Grand Central Publishing NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night

program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

God's Feminist Movement Redefining a "Woman's Place" From a Biblical Perspective **Destiny Image Publishers** Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ! **Faith Case Investigating the Truth Gospel Publishing House** Kids become investigators as they join Mr. Trench and the Commissioner in search of 16 foundational truths--biblical doctrines vital to your kids' faith. 12 sessions. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness. **The Eternal Church Destiny Image Publishers** Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present. **The Case for Christmas A Journalist Investigates the Identity of the Child in the Manger Zondervan** Who

was in the manger that first Christmas morning? Some say he would become a great moral leader. Others, a social critic. Still others view Jesus as a profound philosopher, a rabbi, a feminist, a prophet, and more. Many are convinced he was the divine Son of God. Who was he—really? And how can you know for sure? Consulting experts on the Bible, archaeology, and messianic prophecy, Lee Strobel searches out the true identity of the child in the manger. Join him as he asks the tough, pointed questions you'd expect from an award-winning legal journalist. If Jesus really was God in the flesh, then there ought to be credible evidence, including Eyewitness Evidence—Can the biographies of Jesus be trusted? Scientific Evidence—What does archaeology reveal? Profile Evidence—Did Jesus fulfill the attributes of God? Fingerprint Evidence—Did Jesus uniquely match the identity of the Messiah? *The Case for Christmas* invites you to consider why Christmas matters in the first place. Somewhere beyond the traditions of the holiday lies the truth. It may be more compelling than you've realized. Weigh the facts . . . and decide for yourself. **Keeping Your Kids on God's Side 40 Conversations to Help Them Build a Lasting Faith Harvest House Publishers** Empower Your Kids to Respond Well to the Hard Questions That Threaten Their Faith It's no secret that children of all ages are being exposed to negative criticism of Christianity as they spend time at school, with friends, or online. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than "project me" will cherish this paradigm-shifting message of true fulfillment. **Case for a Creator for Kids Zondervan** Offers a faith-based approach to science, the universe, and the development of human life. **God at Work Live Each Day with Purpose Thomas Nelson**

God calls us to the work we are doing. He's interested not only in what we do, but how we do it. Yet, finding purpose at work is one of the greatest challenges of our world today. Does my work matter to God? Is ambition good? How do I deal with failure? How do I make difficult decisions? Ken Costa shares his practical insights and experience gained from more than forty years working in finance. This timeless message, that there is space for faith at work, will truly inspire you to live each day with purpose. **Faith HarperCollins Christian Publishing** "Previously published as *The case for faith visual edition, 2005*"--T.p. verso. **Case for Miracles for Kids** *In The Case for Miracles for Kids, a companion to his adult title, bestselling author Lee Strobel tackles tough questions kids ask about God, Jesus, and miracles, along with providing kids with answers they can use to share their faith.* **The Case for Heaven A Journalist Investigates Evidence for Life After Death** **Zondervan** *Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.*
