America's History

For the AP Course

American Pageant

Cengage Learning [THE AMERICAN PAGEANT](#) enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater

thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

American History

A Survey : Since 1865

The Federalist Papers

Read Books Ltd Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Teaching What Really Happened

How to Avoid the Tyranny of Textbooks and Get Students Excited About Doing History, Second Edition

Teachers College Press James Loewen has revised Teaching What Really Happened, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retelling of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American

Indian experience, and slavery. Book Features: an up-to-date assessment of the potential and pitfalls of U.S. and world history education; information to help teachers expect, and get good performance from students of all racial, ethnic, and socioeconomic backgrounds; strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography; ideas from teachers across the country.

The Devil In The White City

Random House 'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the

twentieth century . . .

A People's History of the United States

1492-Present

Harper Collins Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

The American Journey

McGraw-Hill/Glencoe

Traditions & Encounters: A Global Perspective on the Past

McGraw-Hill Education Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. The seven-part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By digging deeper into the implications of world history’s stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
