THE DIARY OF A YOUNG GIRL

Anchor **THE DEFINITIVE EDITION** • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

AFRICANISTAN

DEVELOPMENT OR JIHAD

Oxford University Press **In Africa, progress can be seen across the board. But the important question is whether this so-called progress is sustainable. The continent is a powder keg: the powder is demographics and unemployment the detonator. By 2050, the number of young people of working age in Africa is expected to be three times that of China's. But will there be enough jobs for them? What is troubling for the continent is even more dramatic for the Sahel, a huge region of about 100 million inhabitants where insecurity is spreading like a bushfire. Despite major differences in geography and culture, there are huge similarities between the Sahel and Afghanistan: a demographic impasse, stagnating agriculture, widespread rural misery, high unemployment, deep ethnic and religious fault lines, weak states, regional instability, drug trafficking, and the spread of radical Islam. And unfortunately the same recipes that failed in Afghanistan are being rolled out in the Sahel. Are we headed to a 'Sahelistan' and to an 'Africanistan'? Serge Michailof helps us find the answer to this important question.**

MUTANT MESSAGE DOWN UNDER

Harper Collins "A powerful message for all of us. I was hypnotized by the simple truths and spiritual lessons. Read it and tell everyone you know to do the same." --Wayne Dyer This incredible adventure story--and New York Times bestseller--offers us an opportunity to discover the wisdom of an ancient culture and to hear its powerful message. An American woman is summoned by a remote tribe of nomadic Aboriginals who call themselves the “Real People” to accompany them on a four-month-long walkabout through the Outback. While traveling barefoot with them through 1,400 miles of rugged desert terrain, she learns a new way of life, including their methods of healing, based on the wisdom of their 50,000-year-old culture. Ultimately, she experiences a dramatic personal transformation. **Mutant Message Down Under** recounts a unique, timely, and powerful life-enhancing message for all humankind: It is not too late to save our world from destruction if we realize that all living things--be they plants, animals, or human beings--are part of the same universal oneness. If we heed the message, our lives, like the lives of the Real People, can be filled with this great sense of purpose.

I AM NO MESSIAH

(PENGUIN PETIT)

Penguin Random House India Private Limited **Sometimes, a little nudge from the universe pushes one to find his raison d'etre in life. If actor Sonu Sood had given in to the celebrity syndrome of sitting in his ivory tower and expressing his**

generosity by remote control, he would have never come face to face with the trauma of India's migrant labourers or understood that a food packet was a woefully inadequate substitute for a ride back home. During the nationwide lockdown, imposed in the wake of the COVID-19 pandemic, when a wave of poverty-stricken migrants set out on foot to make their arduous journey back home, the value of seva, service to mankind, instilled in him by his parents, spurred Sonu Sood into action. From taking to the streets and reaching out to the stranded, to setting up a dedicated team and making arrangements for national and international transport, Sonu managed to help thousands of helpless and needy workers. Thus, began his 'Ghar Bhejo' programme, carried out like a humanitarian mission. Chartered flights, buses and trains were sanitized and paid for. Distress calls from all over the world were answered. Soon, the movement snowballed into a campaign for providing jobs, medical facilities and educational aid to workers. The silver-screen villain transitioned into a real-life superhero. In his memoir, *I Am No Messiah*, Sonu Sood combines the extraordinary experiences of his journey from Moga to Mumbai with the writing skills of veteran journalist and author Meena K. Iyer. Honest, inspirational and heart-warming, this is the story of Sonu Sood and of the people whose lives he continues to transform.

BHARAT VIKHANDAN

Harper Collins Bharat Vikhandan is a book that speaks in favour of the latent potential within India and its diverse

culture. It argues that the country's integrity is being diluted by three prominent Western cultures and discusses the resulting effects of the process. This book examines the origins of the famous Dravidian movement that shaped the vast culture of our nation, while also focusing on the Dalit Identity and its current situation. It has been also noted that the book predominantly concentrates on the subordination, surveillance and subversion of Independent India. Bharat Vikhandan makes for a powerful read while closely observing the changing trends in modern India and questioning the reasons behind its growth and eventual dilution. It makes for an eye-opener and is a wakeup call to the nation as whole, forcing to rethink our priorities and allegiances. It has been praised for its historiographical and confrontational content while refusing to shy away from hard truths that need to be discussed. This book was published by Harper Hindi in 2014 and is available in paperback. Key Features: This is the Hindi translation of the title Breaking India by the same author.

THE UNVEILING

BOOK ONE IN THE AGE OF FAITH SERIES

12th century England: Two men vie for the throne: King Stephen the usurper and young Duke Henry the rightful heir. Amid civil and private wars, alliances are formed, loyalties are betrayed, families are divided, and marriages are made. For four years, Lady Annyn Bretanne has trained at arms with one end in mind--to avenge her brother's murder as God has not deemed it worthy to do. Disguised as a squire, she sets off to exact revenge on a man known only by his surname, Wulfrith. But when she holds his fate in her hands, her will wavers and her heart whispers that her enemy may not be an enemy after all. Baron Wulfrith, renowned trainer of knights, allows no women within his walls for the distraction they breed. What he never expects is that the impetuous young man sent to train under him is a woman who seeks his death--nor that her unveiling will test his faith and distract the warrior from his purpose.

REDUCING THE CURRICULUM

A PROCESS MODEL

Improving the quality of education is difficult today when many schools are experiencing a steady decline in student enrollment and financial resources. In such a climate it is increasingly important to stretch resources and adjust programs to provide for the diverse needs of all students. The National Association of Secondary School Principals (NASSP) has developed a process model for reducing curriculum while maintaining the elements essential for educational quality. This guide for curricular analysis and decision-making is intended to give direction to principals and school communities in setting curricular priorities, making reductions, and finding alternatives. Since cutbacks in courses or programs are almost always controversial, great emphasis is placed on the quality and scope of information, the establishment of criteria, and the opportunity to hear all viewpoints. Course-rating sheets for students, departments, and committee members are appended to the guide. (Author/MLF)

WHO WERE THE SHUDRAS

The general proposition that the social organization of the Indo-Aryans was based on the theory of Chaturvarnya and that Chaturvarnya means division of society into four classes-Brahmins (priests), Kshatriyas (soldiers), Vaishyas (traders) and Shudras (menials) does not convey any idea of the real nature of the problem of the Shudras nor of its magnitude. Chaturvarnya would have been a very innocent principle if it meant no more than mere division of society into four classes. Unfortunately, more than this is involved in the theory of Chaturvarnya. Besides dividing society into four orders, the theory goes further and makes the principle of graded inequality. Under the system of Chaturvarnya, the Shudra is not only placed at the bottom of the gradation but he is subjected to innumerable ignominies and disabilities so as to prevent him from rising above the condition fixed for him by law. Indeed until the fifth Varna of the Untouchables came into being, the Shudras were in the eyes of the Hindus the lowest of the low. This shows the nature of what might be called the problem of the Shudras. If people have no idea of the magnitude of the problem it is

because they have not cared to know what the population of the Shudras is.
