What Is Biblical Theology?

A Guide to the Bible's Story, Symbolism, and Patterns

Crossway Is the Bible just a random collection of old stories, or is there something more going on within the pages of Scripture? Is it possible that the ancient books of the Old and New Testaments are part of a single, unified story, begun long ago but extending into our world today? In this introduction to biblical theology, professor James Hamilton orients Bible readers afresh to the overarching story line of Scripture, helping Christians read and interpret the Bible as the biblical writers intended and as the early Christians read it. Examining Scripture's key symbols, patterns, and themes, Hamilton helps readers truly grasp—and be transformed by—the

theology of redemption contained in God's Word.

The Chronology of the Kings of Israel and Judah

BRILL This pioneering study wrestles with the perpetual problem of chronology in the Books of Kings. The result is one of the most responsible and yet most critical chronologies proposed to date, and will be the standard chronological reference for the next decade, if not longer.

The Bible Unearthed

Archaeology's New Vision of Ancient Israel and the Origin of Sacred Texts

Simon and Schuster In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua's conquest of Canaan, and David and Solomon's vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, The Bible Unearthed offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

Moses the Reluctant Leader

Discipleship and Leadership Lessons

Moses pioneered a Spirit-led leadership paradigm that Christian leaders do well to emulate today. Moses didn't want to be a leader. He had been raised as a prince of Egypt, but now at 80, he was content to be a simple shepherd, watching sheep on the slopes of Sinai. Then, God spoke from the burning bush and Moses' world changed. How do you lead a multitude of people through impossible

situations, badgered by a storm of criticism from within the camp, and threatened by deadly peril from without? Moses the reluctant leader has much to teach both disciples and leaders today. This Bible study leads you through Moses' life covering several chapters in each lesson so you can see the big picture. It slows down, however, to examine key passages in Exodus and Numbers that give insight into God's instruction to Moses. One lesson surveys the tabernacle, the priesthood, and the sacrifices that God revealed through Moses. This book explores Moses' life in 9 lessons with discussion questions, and can be used for personal enrichment, by small groups and classes, and by teachers and preachers for sermon preparation.

Book of Bible Charts, Maps, and Time Lines

Rose Publishing Inc ROSE BOOK OF BIBLE CHARTS, MAPS and TIME LINES. The 2007 #1 Bible Reference book according in the CBA Core Inventory Now you can have 180 pages of fantastic full-color Bible charts, maps, and time lines in one spiral bound book. Reproducible. If you bought all of these charts separately, you would pay more than \$250.

God Behaving Badly

Is the God of the Old Testament Angry, Sexist and Racist?

InterVarsity Press God has a bad reputation. Many think of God as wrathful and angry, smiting people right and left for no apparent reason. In this book David Lamb unpacks the complexity of the Old Testament to explore the true character of God. He sheds light on problematic passages and gives coherence to our understanding of God in both the Old and New Testaments.

The Prophets

Introducing Israel's Prophetic Writings

Fortress Press The prophets remain figures of enduring interest and importance in contemporary Judaism, Christianity, and even secular society. The Prophets introduces students to the rise of prophecy in ancient Israel, possible ancient Near Eastern parallels, the messages of individual prophets, and the significance of the compositional and editorial history of the prophetic writings. The book guides students into leading questions and issues in contemporary scholarship, and surveys different contemporary approaches to the messages of the prophets. Part 1 introduces the prophets and prophecy in context. The rise of prophecy, the role of the prophet, key themes, and the fate of prophecy are explored. Part 2 profiles Israel's prophets during the eighth century, the exile, and the postexilic period. This section will also look at each book of the prophets and how the prophetic writings fit within the complete Hebrew Bible and the Old Testament. These chapters also provide insights into interpreting the prophetic writings today, including Jewish and Christian interpretations, prophecy and prediction, and the secular legacy of Israelite prophecy. This textbook includes numerous images, charts, and maps to enhance the experience of the students.

Prostitutes and Polygamists

A Look at Love, Old Testament Style

Zondervan Jacob and Solomon were polygamists. Tamar and Rahab were prostitutes. What are polygamists and prostitutes doing on the pages of Holy Scripture? And God told the prophet Hosea to marry a prostitute. What about Cain—did he really marry his sister? Abraham did, and he was also a polygamist. Lot offered his daughters up for rape, David committed adultery (or rape?) and the Bible calls both men righteous. Love, Old Testament style, was bizarre. As readers of the Old Testament encounter these weird, confusing, and horrific “love” stories they ask, “What’s up with sex in the Old Testament?” The church often ignores the R-rated bits of the Bible, so it’s hard for people to find answers to their disturbing questions about sex in Scripture, which can lead people to give up on God and God’s word. However, these stories were included in the Bible for a reason, to reveal an even more shocking “love” story. When humans behave badly, God behaves graciously. God not only forgives people with sexual baggage, but also redeems their lives and includes them in his mission. God’s word records their story to benefit us. Just as sex was not often ideal in the Old Testament, it’s often not ideal today. Instead of ignoring these stories, Prostitutes and Polygamists engages, discusses, and learns from them.

Historical chart of the government of Israel under their kings

Women Living Well

Find Your Joy in God, Your Man, Your Kids, and Your Home

Thomas Nelson Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for

Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

1 and 2 Kings

Paternoster Provan treats 1 and 2 Kings as a unified whole nestled within its canonical context. Kings constantly presupposes knowledge of the remainder of the story of Israel and invites reflection upon itself in the light of the prophetic writings and of the New Testament. It is examined here as narrative literature with historiographical intent, designed to teach its readers about God and the Ways of God. Provan does a masterful job of drawing the reader's attention to themes that are repeated in Kings, such as the theme of God's promise and how it is fulfilled among God's people. He has succeeded in making Kings a more readily accessible book.

Chronicles and Its Synoptic Parallels in Samuel, Kings, and Related Biblical Texts

Liturgical Press The author of Chronicles used much of Samuel and Kings in presenting his version of Israel's "history". With this book, readers can easily see how the Chronicler refashioned many texts Samuel-Kings and incorporated details from other biblical books such as Psalms and Isaiah.

Shepherd Leadership

Freiling Publishing In this seminal work for the post-pandemic church, pastor Craig T. Owens offers a picture of a church gone astray, succumbed by the "business" of ministry and forgetting the joy of doing ministry. Rather than being the shepherds Jesus called us to be, church leaders spend too much time in boardroom meetings, checking off meaningless boxes, and imitating worldly business leaders. Owens liberates burned-out pastors and church leaders by reminding them to return to the simple shepherding style of leadership portrayed in the Bible, which leads to our churches and ministries being healthy, energized, effective, sheep-producing,

and God-glorifying. He charts out a path for leaders to implement simple changes that will lead to them becoming wholly healthy shepherds. "Craig Owens has it right: Jesus appointed church leaders to be shepherds over His precious flocks. The combination of Craig's Biblical understanding, practical insights, and consistent personal practice make Shepherd Leadership a book every pastor should read." -T.M. Moore, Principal of The Fellowship of Ailbe "In Shepherd Leadership, Craig T. Owens gets to the heart of pastoral ministry and caring about people with great wisdom. Craig delivers practical principles for healthy leadership that allows you the opportunity for freedom as God intended, joy in serving, and ultimately experiencing the full blessing of God." -Dan Reiland, Executive Pastor, 12Stone Church, Lawrenceville, GA

The Cambridge Companion to the Bible and Literature

Cambridge University Press Examines the varied, enormously sophisticated contents of the Bible and sees how certain Western authors were inspired by them.

A Chronology of the Hebrew Kings

Zondervan Publishing Company

Divided Kingdom

A&C Black It is winter, somewhere in the United Kingdom, and an eight-year-old boy is removed from his home and family in the middle of the night. He learns that he is the victim of an extraordinary experiment. In an attempt to reform society, the government has divided the population into four groups, each representing a different personality type. The land, too, has been divided into quarters. Borders have been established, reinforced by concrete walls, armed guards and rolls of razor wire. Plunged headlong into this brave new world, the boy tries to make the best of things, unaware that ahead of him lies a truly explosive moment, a revelation that will challenge everything he believes in and will, in the end, put his very life in jeopardy ...

Chronological and Background Charts of the Old Testament

Zondervan Academic Approach the Old Testament with confidence. Chronological and Background Charts of the Old Testament helps students organize and synthesize the vast amount of biblical and extrabiblical information on the Old Testament by providing a helpful visual overview of the data, chronology, historical background, and criticism. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily. Perfect for enhancing every type of teaching and learning situation and style, including homeschooling curricula and tutoring, church classes and Sunday school. The many charts in this updated, expanded edition cover historical, literary, archaeological, and theological aspects of the Old Testament, its background, and biblical studies. Notable topics include: Genealogies Comparative Ancient Near-Eastern Chronology Parallels between Law and Wisdom The Kings of Judah and Israel Treaty Format and Biblical Covenants Dynasties of the Northern Kingdom Principles for Word Studies Messages of the Pre-Exilic Minor Prophets Angel of the Lord in the Old Testament ZondervanCharts are ready references for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects, and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program.

Queen Mother

A Biblical Theology of Mary's Queenship

Emmaus Road Publishing An in-depth presentation of the Gebirah or 'Great Lady' tradition in salvation history and its profound connection to the doctrine of Mary's queenship. Edward Sri demonstrates how the queen-mother theme in the Davidic kingdom sheds light on the role of Mary as heavenly Queen. This compelling read will bear much fruit for those seriously looking to grow in their knowledge and love of Scripture.

David and Solomon

In Search of the Bible's Sacred Kings and the Roots of the Western Tradition

Simon and Schuster The exciting field of biblical archaeology has revolutionized our understanding of the Bible -- and no one has done more to popularise this vast store of knowledge than Israel Finkelstein and Neil Silberman, who revealed what we now know about when and why the Bible was first written in The Bible Unearthed. Now, with David and Solomon, they do nothing less than help us to understand the sacred kings and founding fathers of western civilization. David and his son Solomon are famous in the Bible for their warrior prowess, legendary loves, wisdom, poetry, conquests, and ambitious building programmes. Yet thanks to archaeology's astonishing finds, we now know that most of these stories are myths. Finkelstein and Silberman show us that the historical David was a bandit leader in a tiny back-water called Jerusalem, and how -- through wars, conquests and epic tragedies like the exile of the Jews in the centuries before Christ and the later Roman conquest -- David and his successor were reshaped into mighty kings and even messiahs, symbols of hope to Jews and Christians alike in times of strife and despair and models for the great kings of Europe. A landmark work of research and lucid scholarship by two brilliant luminaries, David and Solomon recasts the very genesis of western history in a whole new light.

The Bible For Beginners And The Rest of Us

A Guide to Making Basic Bible Sense

EMBASSY ONE PUBLISHERS In this new series - BIBLE THREADS, Keys to Understanding the Bible - Arlington McRae offers us a fresh new 21st century paradigm for how we approach the Bible and understand its essential message. The Bible presents us with a series of stories and related events. The question becomes, "How are these stories and events connected? And what are we to do with them?" The answer is found in understanding "Bible Threads". A Bible thread is the link or bridge that connects the stories and books. A Bible thread is what each story and/or book has in common with other books or stories from Genesis to Revelation. This series addresses the indispensable threads to prepare you to read your Bible enthusiastically with great understanding; and to allow you the joy of discovering other threads for yourself through your own daily Bible study. This volume offers a power packed, Jesus inspired, potentially life-changing resource as it presents the Bible to us in its simplest form. Starting at the beginning, the author walks us through a new "perspective" and a new "context" for how we understand and interpret what we read. It is designed for (a) those of us new to the Bible, and (b) those who never received a comprehensive overview of the Bible that makes sense to them. In this volume, the author lays out the structure and the over all story - the big picture - of the Bible. This presentation is designed to broaden the context for how we interpret and unify the various books and stories. At the completion of this volume, you will be encouraged to read your Bible and to study it more intelligently with much more confidence and with a satisfying sense of accomplishment.

The Kings and Prophets of Israel and Judah

From the Division of the Kingdom to the Babylonian Exile, by Charles Foster Kent, - with Maps and Chart

1 & 2 Kings

Brazos Press This commentary on 1 and 2 Kings demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible for today's church. It is the second volume in the Brazos Theological Commentary on the Bible.

Kings and Prophets

Oxford University Press on Demand This collection of essays examines the respective religious and social functions of kings and prophets as they are presented in the biblical narratives. Biblical kingship is easily shown to be a specific instance of an ancient and widespread institution--sacred monarchy--that was the pivot of most state organizations throughout antiquity; prophetic authority is described as a typical institution of ancient Hebrew society. The difference between monarchy and prophecy is radical, because the former implies a hereditary power and is upheld by its subjects who feed their kings with taxes, while the latter derives its authority from allegedly direct divine inspiration, and though it is also economically dependent it is not explicitly presented as being based upon systematic exploitation. Cristiano Grottanelli interprets the rise of prophecy as a consequence of a crisis of monarchical structures at the beginning of the Iron Age, and connects it to similar phenomena attested in ancient Greek texts derived from a similar crisis. Though monarchy finally won the day in the Ancient Mediterranean in a new imperial form, the new literatures in Greek and Hebrew consonantic and alphabetic scripts shaped nonmonarchic figures to which they attributed some of the functions previously pertaining to monarchy. These new literatures, produced by two cultures that were both highly literate and organized according to nonmonarchical principles, diverged radically in their development and final outcomes. In the Hebrew tradition, monolatry and an official canon of sacred writings were the final result; the prophetic principle was thus overcome by a new ideological construction, centered upon inspired scriptures rather than upon the impromptu performances of inspired persons. In using the prophetic principle against the monarchic, the canonical texts paradoxically shaped their own authority above that of living prophets.

The Twelve Tribes of Israel

Rose Publishing Inc Enjoy having a simple overview on the 12 Tribes of Israel at your fingertips. See each tribe's symbol, meaning, history, and other fascinating facts at a glance. Includes incredible visual aids, such as a full-color map, family tree, Tabernacle diagram, and more. Almost every person in the Bible belonged to one of the 12 Tribes of Israel based on their ancestry: From Moses

who was a Levite to the Apostle Paul who was Benjaminite. Each tribe had its own history, land, and heritage. Now you can easily grasp the "backstory" of each tribe and see key information at a glance! For example, find out the significance of Jesus being called the "Lion of Judah." For each of the 12 Tribes of Israel, you will get—

- A quick overview of its meaning, size, family history, location, and more.
- A picture of the tribe's symbol (such as the lion from the Tribe of Judah)
- Simple summary of Jacob's blessing, Moses' blessing, and other key events related to each tribe. (Find out the major battles, controversies, and scandals that impacted each tribe. Plus, see which important Bible people came from each tribe of Israel.)

Features Incredible Visual Aids (Map of Israel, Tabernacle Diagram, and more) This pamphlet is packed with visual aids that will help you see key information at a glance. These visuals will enrich your understanding of the 12 Tribes of Israel and add depth to any Old Testament study:

- Family Tree of Jacob (Israel)
- Tabernacle diagram showing where each of the 12 tribes encamped around the Tabernacle.
- Time Line showing key events, starting with Abraham's journey from Haran
- Easy-to-read, full-color map showing how the "promised land" was divided amongst each of the 12 tribes according to their inheritance. The map is color-coded so you can easily spot each tribe's location!

(Please note this edition does not come with free access to the Online ESV Study Bible resources.)

In the Days of the Kings

Authentic Uk Colourful characters and strange stories are all contained in the Old Testament but how do they fit into history? Here you will discover 450 years of the Kings of Israel and Judah; the author places each king in his own time and place, pointing out ways a particular king either feared or did not fear the Lord, and what were the consequences. He also involves the contribution of various prophets sent by the Lord to speak to these kings. The final chapter explains how the kingdom of God still functions even although the

reign of the kings is over. This is an interesting subject matter which has been uniquely covered. it includes a chart providing a helpful timeline of the kings.
