Remember who You are

Remember 'where' You are and where You 'come' From-- Remember--

"David Icke...has exposed the global network of families behind Big Banking, Big Biotech, Big Food, Big Government, Big Media and Big Pharma in book after book as his awareness has expanded -- and he takes this on to still new levels of exposure in Remember Who You are...the key is in the title. We are enslaved because we identify with our body and our name, when these are only vehicles and symbols for what we really are -- Infinite Awareness, Infinite Consciousness. We are imprisoned in the realms of the five senses and 'little me' when we are All That Is, All That Has Been and all That Can Ever Be. To breach the perceptual walls of the Saturn-Moon Matrix and bring and end to mass human enslavement, we need to awaken to our true identity." -- Publisher's description.

The Trigger

The Lie That Changed the World

Everything You Need to Know But Have Never Been Told

"I want to make it clear before we start what the title represents. Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

Phantom Self

The vast majority of us unknowingly suffer from a slave mentality. We constantly experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being systematically weakened: if you are sick, you are easier to control. Icke's dystopian view of the future assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says "I have no power". Can humanity break free? Through truth and love we can become who and what we really are.

The David Icke Guide to the Global Conspiracy (and how to End It)

Days of Decision

Perceptions of a Renegade Mind

David Icke has been writing books for decades warning that current events were coming. He has faced ridicule and abuse for saying that the end of human freedom was being planned, how, and by whom. His latest highly topical book, Perceptions of a Renegade Mind, is published in very different circumstances with vast numbers of people acknowledging that he has been vindicated by the happenings of the 'Covid' era. His predictions over more than 30 years have been proved stunningly accurate since the turn of 2020 often down to the fine detail. Icke set out only in January 2021, to write a book to quickly bring enormous numbers of people worldwide up to speed and who can now see that something very strange is happening. But they ask, what exactly? What is going on? He answers those questions in his usual dot-connected detail and lays out the background to what he calls the 'Global Cult' which operates across borders to advance a long-planned agenda for total human control. Those who read his section on 'Covid' will view events of 2020 and 2021 in a totally new light as he produces the evidence that humanity has been misled on a scale that defies belief. David Icke's time has come, and Perceptions of a Renegade Mind is destined to be an international best seller that could not have been published at a more important and relevant time or with such a now receptive audience to what he has to say.

The Perception Deception

Or It's All Bollocks -- Yes, All of it

"Icke lays out in dot-connected detail a lifetime of research and insight about our 'computer'-simulated reality, the holographic universe, and the hidden non-human forces that are manipulating human life via hybrid bloodline families and networks into a global Orwellian state of total control"--P. [4] of cover.

Earth Moon Matrix

Inter-Species Enslavement

The Story Of Human Enslavement By The Draconis Reptilians On The Moon. On Earth, there are two streams of reality going on together. One is a secret Lunar Agenda to create a global fascist centralized dictatorship to control every man, woman, and child on our planet. Going along beside that is the Matrix, the version of the world that we are given through the mainstream media, government, education and our mass consciousness. It explains away the changes going on which are actually the Lunar Agenda coming in a coordinated way and the Matrix is there to explain them away in an uncoordinated fashion so we don't see where we are being led. There is a war on consciousness being fought on Earth and you are engaged in it whether you want to or not, whether you agree with it or not. Mankind is

controlled completely on the living Earth as much as in between lives. It requires fantastic confront to find out exactly what we have to face between lives. This is serious business. It wasn't by accident that you wound up in a meat body. And it is a miracle of wonderful proportions that this information ever landed in your possession. You could save yourself if you could give up your ego and the vanity of thinking you know anything. The Lunar Predators have tricked you into thinking that you are in tune with reality, but actually, your situation is catastrophic. You have denied yourself as a divine being to such an extent that you are now a substitute beingness, a human, that will get trapped and maligned and killed lifetime after lifetime until someone like me comes along and rescues you. The people on planet Earth are so deeply hypnotized and enslaved that they may never escape their chains, and you are one of them. The Moon is not what you think it is. The Reptilians up there mean business. This is inter-species enslavement. The Reptiles, led by Jehovah, have conquered the money system on Earth through the Federal Reserve Bank and international banking systems. These Jewish groups are called Zionists and they also control politics and the mainstream media. Each part helps and assists the other parts of the trio. So they have an iron fist on Earth and they are squeezing the population to obtain a total fascist police state.

The Robots' Rebellion – The Story of Spiritual Renaissance

David Icke's History of the New World Order

Gill & Macmillan Ltd David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. *The Robots' Rebellion: Table of Contents Introduction Remember Who You Are PART ONE: The Darkness The Takeover Bid Collective Amnesia The Brotherhood of Clans Bible Stories Hell on Earth Arabian Knights The Cracks Appear Eagle Tails The Rule of Science The World at War Big is Beautiful The New World Order When Will We Ever Learn? Fruit from a Poisonous Tree

iUniverse "This book is a veritable powerhouse that shatters, in one instant, the wall of lies and deceit that took decades to build upon our impressionable minds. Stamper's ability to explain complex legal and political information in a comprehensive yet concise manner is without equal. This book has single-handedly bared the cleverly crafted schemes of a Power-lusting Elite." ~ Paul Nash, DC, ND, CCN, ACU, Holistic Medicine, Minneapolis "If only a portion of what this researcher has discovered is verifiable, we as a nation of free people must hang our heads in shame. The future generations will not forgive us or forget the terrible injustice we have let befall them." ~ Fred Diaulas, Professor of Ethics, University of North Florida "In 1954 I began my legal practice as an assistant district attorney in the city of Miami. We switched from common law pleading to statutory pleading and no one asked why. Now I know the answer, and it depresses me to no end." ~ Ralph G. Mitchell, JD, Attorney at Law, St. Augustine, Florida.

Pale Horse Rider

William Cooper, the Rise of Conspiracy, and the Fall of Trust in America

Penguin *We are living in a time of unprecedented distrust in America... Faith in the government is at an all-time low, and political groups on both sides of the aisle are able to tout preposterous conspiracy theories as gospel, without much opposition. "Fake news" is the order of the day. This book is about a man to whom all of it points, the greatest conspiracist of this generation and a man you may not have heard of. A former U.S. naval intelligence worker, Milton William Cooper published his manifesto Behold a Pale Horse in 1991. Since then it has gone on to sell hundreds of thousands of copies, becoming the number-one bestseller in the American prison system. According to Behold a Pale Horse, JFK was assassinated—because he was about to reveal that extraterrestrials were about to take over the earth—by his driver, an alien himself; AIDS is a government conspiracy to decrease the population of blacks, Hispanics, and homosexuals; and the Illuminati are secretly involved with the U.S. government to manage relationships with extraterrestrials. Cooper died in a shootout with Apache County police in 2001, one month after September 11, in the year in which he had predicted catastrophe. In Pale Horse Rider, journalist Mark Jacobson not only tells the story of Cooper's fascinating life but also provides the social and political context for American paranoia. Indeed, with the present NSA situation and countless other shadowy government dealings often in the news, aren't we right to suspect that things may not be as they seem?*
