Every story shows how God works through history and ends with a short prayer, which personalizes the message for each reader's own life. Archbishop Tutu's wisdom, compassion, and sense of humor shine throughout as he reminds us that, "We are all God's children." Author, civil rights activist, and APARTHEID opponent Archbishop Desmond Tutu was awarded the Nobel Peace Prize in 1984 for his lifelong struggle to bring equality, justice, and peace to his native country of South Africa. Bible Story Book for Kids

True Bible Stories For Children About Jesus And The New Testament Every Christian Child Should Know

[Happy Children](#) If you want an important tool to teach your children about the wonderful Bible and all the promises it holds, keep listening! The New Testament is a clear and concise summary of the Greatest Story Ever Told, the Life of the Lord Jesus Christ. It is written for young minds to understand and explore the main points of Jesus' birth, life, death, and ascension, as well as the rise of the Christian church. It includes explanations of the locations, culture, hard to understand figures of speech, and the external cultures surrounding his life. Parents--in a world so busy, so beautiful, so interesting, and often so confusing--some of us think that we don't have time for God. However, for those who are aware of him, we can understand the peace what a prayerful life can bring to a soul. Even the little children have daily challenges and daily choices--and imparting a love of God into their heart at an early age is a wonderful gift for a fabulous life. To a child, prayer is a natural instinct. As we raise our children to do good, to live with the principles you are teaching them, it is also important to teach them the power and importance of prayer. In this world, you represent God to a young child--giving them their needs often before they even ask. God encourages all of us to teach them that it is ultimately God who supplies all of our needs. The Bible Story Book for Kids will show you: The miracle of the immaculate conception of Mary The wondrous childhood of Jesus The friendship that Jesus had with his apostles and disciples The miracles that Jesus performed for one person or for thousands The reason that Christ had to be crucified for you and me How the early Christian church grew for both Jews and Gentiles How the power of God can still work today for anyone who believes And much more... The Bible is one of the most amazing miracles God ever performed and is written so that the youngest child to someone who studied it for his whole life can constantly find deeper and deeper levels of understanding about the love that God has for all his children. It is our hope and prayer that this book will start a journey that will last an entire lifetime of learning about God and loving him as a personal Father, to be born again as a child of God, and eventually to be with God and Jesus Christ through all eternity to come. The stories about Jesus Christ and what he did are presented in a brief, simple format, suitable to be studied with your children or read to them at night as they drift off to sleep. It will allow your children to understand that the promise of God to live a powerful, righteous life in this day and time is still available, no matter how far society degrades into confusion. If you desire to give your child a tool that can reward your child for a lifetime and beyond, just get this awesome book and enjoy!

Awkward Moments (Not Found in Your Average) Children's Bible - Vol. I

Illustrating the Bible Like You've Never Seen Before!

[CreateSpace](#) How well do you know the Good Book? Written by a retired ministry leader, this book combines actual Bible verses with more than 30 whimsical original illustrations and commentaries to encourage readers (from all walks of faith) to think about how the Bible shapes our culture as Christianity continues to evolve. What began as a private online gag among interfaith friends quickly grew into a #1 Amazon Bestseller on its first day of sales - enjoyed by fundamentalist Christians and militant atheists alike! BEWARE - NOT FOR KIDS! This is definitely not your average children's Bible! If you thought the bestselling parody "Go The F**k To Sleep" was inappropriate for story-time with kids, you haven't seen anything yet! Leave it to the Bible! However, this book is not a satire, but a real look into some of the more troubling passages from both the Old Testament and the New Testament - including the words and teachings of Jesus Christ, himself! Unicorn Murders Genocidal Behavior Foreskins Fetishes Boiled Babies Missing Messiah Selling Daughters Cannibalism Club Genetic Breakthroughs Demonic Bacon Gagged Women Jihad Jesus Historical manipulation of the Bible And much more! Let's be honest - there are some things in the Good Book that are just... awkward! There are verses we'd like to forget or that have been changed throughout the centuries. There are many verses you've never heard before in church, let alone seen in your average children's Bible! Not to mention the verses that have been added over the centuries! The Awkward Moments Children's Bible is much more than an irreverent book for your coffee table! Christian readers, agnostics and atheists will find themselves laughing out loud while being encouraged to think about the Bible and Christianity in a new way. Most people were raised in the religion chosen by their family. Young children learn a few Bible stories taken out of context and accept them without question. (On what basis could they possibly question their parents or church leaders?) After decades of repetition and tradition, it's understandable how we might put our beliefs on auto-pilot and just nod as a pastor repeats bizarre stories that are already familiar to us. It's no wonder that recent studies show an incredible lack of Biblical knowledge among Christians - 55% unable to even name the four Gospels of the New Testament - the very

foundation of Christianity! This book takes a much different tone than other authors who are critical of the Bible and Christianity. It is not as academic or dry as Bart Ehrman or Richard Carrier. It is not as arrogant or condescending as some find Richard Dawkins or Christopher Hitchens or as blustery as many accuse Sam Harris or Daniel Dennett. Instead, Horus Gilgamesh takes the approach, "Let's assume that it's all true and work backwards from there." In doing so, the author directly challenges many of today's Christian leaders from Joel Osteen and Pat Robertson to Joyce Meyer and Ken Ham. This book is as much a critique on the evolution of Christian culture as it is about the history of the Bible. The goal of this mock Children's book is not to do mock a reader's faith, but to encourage critical thinking! Awkward Moments (Not Found In Your Average) Children's Bible encourages readers to really understand what is in their Bibles and think for themselves about the context of Biblical teaching. The book will hopefully challenge Christian readers to reflect on how religion continues to shape the lives and culture of future generations. If readers happen to laugh out loud and enjoy the interactive puzzles and games in the mean time - it's just an added bonus!
