## **KEY=ETHICS - ROMAN RACHAEL**

---

**Christian Ethics Contemporary Issues and Options Baker Academic This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective. Christian Ethics Baker Academic A clear, biblical perspective on pressing issues such as abortion, euthanasia, divorce, and others. If God, Why Evil? A New Way to Think About the Question Baker Books Bestselling author and apologist takes on one of the most difficult questions Christians face. How can an omnipotent, loving God preside over a world filled with evil and suffering? The author's approach is concise, systematic, and clearly communicated, just what Geisler fans have grown to expect. In addition to relying on time-tested solutions to the problem of evil, the author also presents a compelling new way to think about this puzzle. The Big Book of Christian Apologetics An A to Z Guide Baker Books The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses. Love Your Neighbor Thinking Wisely about Right and Wrong Crossway Love Your Neighbor is a concise introduction to Christian ethics. It begins with a look at the biblical basis for morality, defines and describes various philosophical approaches to the subject of ethics, then connects biblical morality with the idea of absolute**

truth in philosophy. The book then moves from its philosophical basis to a practical application of Christian ethics, considering a wide range of social, biomedical, and personal issues. It does not take a partisan or denominational approach to these issues, but squarely faces them with an open mind and open Bible. The book is based on sound biblical and philosophical reasoning and does not tell readers what to think but encourages them to think biblically and critically through these issues. **Ethics: Alternatives and Issues** Zondervan Publishing Company Christian Apologetics Baker Academic The standard for Christian apologetics, this systematic approach presents both the methods and reasons for defending Christianity. **Legislating Morality Is It Wise? Is It Legal? Is It Possible?** Wipf and Stock Publishers America's moral decline is not secret. An alarming number of moral and cultural problems have exploded in our country since 1960--a period when the standards of morality expressed in our laws and customs have been relaxed, abandoned, or judicially overruled. Conventional wisdom says laws cannot stem moral decline. Anyone who raises the prospect of legislation on the hot topics of our day - abortion, family issues, gay rights, euthanasia - encounters a host of objections: "As long as I don't hurt anyone the government should leave me alone." "No one should force their morals on anyone else." "You can't make people be good." **Legislating morality violates the separation of church and state.** 'Legislating Morality' answers those objections and advocates a moral base for America without sacrificing religious and cultural diversity. It debunks the myth that morality can't be legislated" and amply demonstrates how liberals, moderates, and conservatives alike exploit law to promote good and curtail evil. This book boldly challenges prevailing thinking about right and wrong and about our nation's moral future. **Unshakable Foundations Contemporary Answers to Crucial Questions about the Christian Faith** Bethany House The authors of this weighty survey of Christian thought cover a wide range of topics important to twenty-first century Christians, from the life of Jesus Christ to the ethics of biomedicine. **Original. Reasons for Belief Easy-to-Understand Answers to 10 Essential Questions** Baker Books Trusted Theologian Presents a Case for Christian Faith in Easy-to-Understand Language Seminary professor and bestselling author teams with a seminary-trained apologist and teacher to give readers basic, solid evidence for the Christian faith. This book is ideal for both teens and adults. Lay leaders and teachers as well as students will be equipped to explain the basics of Christianity to unbelievers and new believers. The accessible and topically organized book is easy to understand and use. **Why I Am a Christian Leading Thinkers Explain Why They Believe** Baker Books Now with a new chapter on "Why I Am Not a Muslim" by an ex-Muslim, **Why I Am a Christian** is an even more helpful resource in our global times. **Answering Islam The Crescent in Light of the Cross** Baker Books Compares the major tenets of Islam and Christianity, evaluating the Islamic faith from a Christian viewpoint while providing apologetic answers that prepare Christians for ministry in an Islamic context, offering in a second edition a new preface written in

light of the September 11 attacks. Original. Christian Apologetics Baker Academic World-famous apologist Norman Geisler offers a new edition of his bestselling apologetics text, which has sold consistently for over thirty years (over 125,000 copies sold). This edition has been updated throughout and includes three new chapters. It offers readers a systematic approach that presents both the reasons and the methods for defending the claims of Christianity. Topics covered include deism, theism, Christ's authority, and the inspiration of the Bible. Inerrancy Zondervan Inerrancy is a collection of essays by fourteen leading evangelical scholars on a wide range of topics related to the doctrine of the inerrancy of the Bible. Footnotes and index are included. Chosen But Free Bethany House Pub Offers a balanced, moderating position to the endless theological debate over man's free will and God's sovereignty. To Everyone an Answer A Case for the Christian Worldview InterVarsity Press In a society that believes "anything goes," the Christian worldview faces aggressive opposition. Francis J. Beckwith, William Lane Craig and J. P. Moreland assembled the essays in this book—covering all major aspects of apologetics—to help you make a more coherent defense for the Christian faith. Defending Inerrancy Affirming the Accuracy of Scripture for a New Generation Baker Books According to the authors, the doctrine of inerrancy has been standard, accepted teaching for more than 1,000 years. In 1978, the famous "Chicago Statement" on inerrancy was adopted by the Evangelical Theological Society, and for decades it has been the accepted conservative evangelical doctrine of the Scriptures. However, in recent years, some prominent evangelical authors have challenged this statement in their writings. Now eminent apologist and bestselling author Norman L. Geisler, who was one of the original drafters of the "Chicago Statement," and his coauthor, William C. Roach, present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God, truth, and language. Pastors, students, and armchair theologians will appreciate this clear, reasoned response to the current crisis. Worlds Apart A Handbook on World Views; Second Edition Wipf and Stock Publishers Those looking for a compendium of the major world views, written from a Christian perspective, need look no further. Comprehensive and readable, well organized and up to date, 'Worlds Apart' stands alone. After introducing the meaning and function of a world view, the authors explore the seven major world views of our day -- theism, atheism, pantheism, pantheism, deism, finite godism, and polytheism. They delineate the varieties within each view, analyze the beliefs of its major representatives, and outline and evaluate its basic tenets. The authors present the seven world views in such a way that one can compare and contrast these views. "It is our hope," they write, "that [readers] will carefully consider all the options and then decide, even if it means discarding the world view [they] now have." In this revised edition the authors have updated the text and bibliography, rewritten several sections, and included suggested readings for each world view. Like the original edition, published in

1984, this volume contains a glossary of terms and an index of subjects and names. **Come, Let Us Reason An Introduction to Logical Thinking Baker Academic** The perfect introductory textbook, this simplified study of logic prepares readers to reason thoughtfully and to spot illogic in an argument. **A Popular Survey of the New Testament Baker Books** Understanding the New Testament is a daunting but exciting task. Our world is so different from that of the first century. Yet it is important to understand the context and content of the New Testament if we are to be faithful followers. Now in paper, this survey addresses the who, what, where, when, why, and how questions that readers of the Bible may have, such as: How can we tell if what is written in the New Testament is true history or just mythology? When were these books written and why? and What can today's believers get out of letters addressed to people who lived two millennia ago? **Written in an easy, informal style, this survey is accessible and enjoyable to anyone who wants to better understand the New Testament.** **I Am Put Here for the Defense of the Gospel Dr. Norman L. Geisler: A Festschrift in His Honor Wipf and Stock Publishers** Dr. Norman L. Geisler has been called the "father of evangelical Christian philosophy." He has written more than one hundred books and taught at universities and top seminaries for some fifty-six years. He was the first president of the Evangelical Philosophical Society and the founder and first president of the International Society of Christian Apologetics. He has spoken or debated in more than two dozen countries and held pastoral/pulpit ministries in four states. Many view him as a cross between Thomas Aquinas and Billy Graham. No one has done more to communicate the modern challenges of the Faith to the "average" Christian, to the church, and to the academy. This volume offers creative and constructive essays from twenty-three contributors, all notable in their own right, who preserve and propagate Dr. Geisler's ideas and express appreciation for his influence. Those who know him best say he is "true, faithful, and blessed by God!" **Twelve Points That Show Christianity Is True A Handbook on Defending the Christian Faith Createspace Independent Publishing Platform** Jesus said, "I am the way, the truth, and the life. No one comes to the father except through me" (John 14:6). Many people have difficulty accepting this claim because it seems so narrow. After all, there are many claimants to truth in the current marketplace of ideas. Indeed, Christ does not call on us to make a leap of faith in the dark but to take a step of faith in the light-in the light of the evidence. So, it is necessary for a truth seeker to demand reasonable evidence before he or she makes a firm or final decision. We encourage everyone to look carefully and with an open mind at the premises that we use to conclude that Jesus Christ is the way, the truth, life, and the only way to God the Father. We set our evidence forth in twelve chapters which build logically upon one another. Chapter one provides a firm foundation upon which chapter two and the subsequent chapters build upon. The conclusion of each chapter serves as a premise for the chapter(s) that succeeds it. We begin our quest for truth on the ground level with an examination of

whether there is such a thing as truth and then move step by step, chapter by chapter, to see whether Christianity is true and the Gospel of Christ is the only way of salvation, as it claims to be. Popular Survey of the Old Testament, A Baker Books The world of the Old Testament can seem hard to understand, especially for people living in times and places so far removed from the ancient Middle East. It's not just that we wear different clothes and hold different jobs-- people in the West just don't have the same history, the same culture, or the same way of thinking as Old Testament characters like Abraham and David. And this disconnect can make studying the Old Testament an arduous and confusing process. A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events. Illustrated throughout with color photos, charts, and maps, and written in an easy, informal style, this survey is accessible and enjoyable to Christians of all backgrounds. Creating God in the Image of Man? Bethany House Pub A biblical defense of the traditional understanding of God against the view of "Neotheism", a humanizing picture of God. Roman Catholics and Evangelicals Agreements and Differences Baker Academic This comparative study shows that Protestants and Catholics are not as separated theologically as they may think. An excellent reference tool or textbook. Baker Encyclopedia of Christian Apologetics Baker Academic This comprehensive reference volume covers every key issue, person, and concept related to Christian apologetics from Anselm to Zen. If God, Why Evil? A New Way to Think About the Question Bethany House A trusted apologist provides a fresh, balanced approach to understanding how a loving God can preside over a world filled with evil and suffering The Christian Ethic of Love The Apologetics of Jesus A Caring Approach to Dealing with Doubters Baker Books Readers will find a new way of looking at the message and miracles of Christ and will be revived by Christ's caring approach to dealing with doubters. Readings in Christian Ethics Theory and Method Baker Academic Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking. From God to Us How We Got Our Bible Moody Pub An introduction to the Bible's origin, history, and development, and including charts, photographs, and indices, and addressing inspiration, canonicity, major manuscripts and recent discoveries, textual criticism, Greek and Latin translations, and modern English translations. A General Introduction to the Bible Moody Pub A General Introduction to the Bible, presents a comprehensive introduction to the Bible. It gives special emphasis to conservative scholarship and provides clearly defined responses to negative criticism that undermines the authority of the Bible. When Skeptics Ask A Handbook on Christian Evidences Baker Books When skeptics ask tough questions, believers can turn to this helpful, user-friendly guide for thoughtful, up-to-date answers. Readers will also learn to identify and respond to the misuse of Scripture by nonbelievers and help detractors see the fullness, beauty, and truth of Christianity. Introduction to Philosophy A Christian Perspective Baker Academic Well-organized presentations of most

of the significant philosophical positions make this book an excellent reference tool. **Integrity at Work Finding Your Ethical Compass in a Post-Enron World Baker Publishing Group** Ethics in the workplace isn't just a matter of corporate litigation and big companies. Those on the job are faced daily with ethical decisions at work--large and small. How can Christians maintain godly integrity at work, especially when the pressure is often so strong to do otherwise? Here is a realistic, practical resource that tackles these issues head-on. The heart of the book is a biblically based compass for doing the right thing in any workplace situation, spelled out in the acrostic: **E**xamine the facts **T**ruth **H**esitate **I**dentify greater good **C**onsider **S**tand for God**T**he authors demonstrate how this compass can be applied, using situations from the life of Daniel. This helpful and practical book covers common ethical dilemmas faced in today's workplace and is perfect for anyone who works, from the CEO on down. **Chosen But Free A Balanced View of God's Sovereignty and Free Will Bethany House** "Respected author, seminary professor, and apologist presents a moderate view of divine sovereignty vs. human responsibility. In the third edition he addresses current debate surrounding freewill and destination, including response to critics"--Provided by publisher. **Thomas Aquinas An Evangelical Appraisal Wipf and Stock Publishers** Norman L. Geisler reintroduces evangelicals to the man they forgot, Ó clarifying Aquinas' teachings about the nature of God, Scripture, faith, reason, and other key issues of apologetics and ethics. Aquinas, the author argues, is a more articulate defender of the faith than anyone in our midst. Ó Roman Catholic Aquinas scholar Robert N. Campbell observes that Geisler makes a good case for his message that the writings of Aquinas can be of great value to today's Protestant and Roman Catholic philosophers and theologians. Ó The book gives an understandable presentation of many of Aquinas' major contributions and shows how they are relevant, at times even crucial, to contemporary discussion, Ó adds Winfried Corduan of Taylor University. In the process Geisler strikes a credible blow against the current unfounded prejudice toward St. Thomas in evangelical thought. Ó **Living Loud Defending Your Faith B & H Books** Citing a conflict between faithful American high school students and students who seek lives separate from God, a guide to Christian youth apologetics offers teens tools for defending their faith in a non-sectarian culture. **Original. Systematic Theology Introduction/Bible Bethany House Publishers** This stand-alone, in-depth reference work is the culmination of the author's thirty-plus years of study, teaching, and research. The extensive **Part One, Introduction--or preconditions--sets this work apart from other systematic theologies available today.** Here Geisler examines the realities of the Christian faith including the existence of God, inescapability of truth, the nature of revelation, and guidelines for interpretation. **Part Two, Bible,** presents the origin of the Scripture, its inspiration, inerrancy, and much more. **Christian Ethics in Plain Language Nelson Reference & Electronic Publishing** This book provides a comprehensive introduction to Christian ethics, suitable for individual study or textbook use in a

**Bible college or seminary. The first four chapters survey of the field of Christian ethics before focusing on specific issues. Eighteen chapters confront all of the issues faced by believers today, including a discussion of racial issues that goes beyond black and white, business ethics on this side of Enron, and war and international relations in light of today's headlines.**
