Cities and Urban Life

Pearson Revised edition of the authors' Cities and urban life, 2013.

The New Urban Sociology

Routledge Widely recognized as a groundbreaking text, *The New Urban Sociology* is a broad and expert introduction to urban sociology that is both relevant and accessible to the student. A thought leader in the field, the book is organized around an integrated paradigm (the sociospatial perspective) which considers the role played by social factors such as race, class, gender, lifestyle, economics, culture, and politics on the development of metropolitan areas. Emphasizing the importance of space to social life and real estate to urban development, the book integrates social, ecological and political economy perspectives and research through a fresh theoretical approach. With its unique perspective, concise history of urban life, clear summary of urban social theory, and attention to the impact of culture on urban development, this book gives students a cohesive conceptual framework for understanding cities and urban life. In this thoroughly revised 5th edition, authors Mark Gottdiener, Ray Hutchison, and Michael T. Ryan offer expanded discussions of created cultures, gentrification, and urban tourism, and have incorporated the most recent work in the field throughout the text. *The New Urban Sociology* is a necessity for all courses on the subject.

Cities, Change, and Conflict

A Political Economy of Urban Life

Routledge *Cities, Change, and Conflict* was one of the first texts to embrace the perspective of political economy as its main explanatory framework, and then complement it with the rich contributions found in the human ecology perspective. Although its primary focus is on North American cities, the book contains several chapters on cities in other parts of the world, including Europe and developing nations, providing both historical and contemporary accounts on the impact of globalization on urban development. This edition features new coverage of important recent developments affecting urban

life, including the implications of racial conflict in Ferguson, Missouri, and elsewhere, recent presidential urban strategies, the new waves of European refugees, the long-term impacts of the Great Recession as seen through the lens of Detroit's bankruptcy, new and emerging inequalities, and an extended look into Sampson's Great American City. Beyond examining the dynamics that shape the form and functionality of cities, the text surveys the experience of urban life among different social groups, including immigrants, African Americans, women, and members of different social classes. It illuminates the workings of the urban economy, local and federal governments, and the criminal justice system, and also addresses policy debates and decisions that affect almost every aspect of urbanization and urban life.

The Death and Life of Great American Cities

Vintage Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The New Urban Sociology

"Widely recognized as a groundbreaking text, *The New Urban Sociology* is a broad and expert introduction to urban sociology that is both relevant and accessible to students. Organized around an integrated paradigm, the sociospatial perspective, this text examines the role played by social factors such as race, class, gender, lifestyle, economics, and culture on the development of metropolitan areas, and integrates social, ecological and political economy perspectives and research into this study. With its unique perspective, concise history of urban life, clear summary of urban social theory, and attention to the impact of culture on urban development, this book gives students a cohesive conceptual framework for understanding cities and urban life. The 6th edition of *The New Urban Sociology* is a major overhaul and expansion of the previous editions. This edition is packed with new material including an expansion of the sociospatial approach to include the primary importance of racism in the formation of the urban landscape, the spatial aspects of urban social problems, including the issues surrounding urban public health and affordable housing, and a brand new chapter on urban social movements. There is also new material on the importance of space for social groups, including immigrants and the LGBTQ community, as well as the gendered meanings embedded in social space"--

The City Reader

Routledge The sixth edition of the highly successful *The City Reader* juxtaposes the very best classic and contemporary writings on the city to provide the comprehensive mapping of the terrain of Urban Studies and Planning old and new. *The City Reader* is the anchor volume in the Routledge Urban Reader Series and is now integrated with all ten other titles in the series. This edition has been extensively updated and expanded to reflect the latest thinking in each of the disciplinary areas included and in topical areas such as compact cities, urban history, place making, sustainable urban development, globalization, cities and climate change, the world city network, the impact of technology on cities, resilient cities, cities in Africa and the Middle East, and urban theory. The new edition places greater emphasis on cities in the developing world, globalization and the global city system of the future. The plate sections have been revised and updated. Sixty generous selections are included: forty-four from the fifth edition, and sixteen new selections, including three newly written exclusively for *The City Reader*. The sixth edition keeps classic writings by authors such as Ebenezer Howard, Ernest W. Burgess, LeCorbusier, Lewis Mumford, Jane Jacobs, and Louis Wirth, as well as the best contemporary writings of, among others, Peter Hall, Manuel Castells, David Harvey, Saskia Sassen, and Kenneth Jackson. In addition to newly commissioned selections by Yasser Elshestawy, Peter Taylor, and Lawrence Vale, new selections in the sixth edition include writings by Aristotle, Peter Calthorpe, Alberto Camarillo, Filip DeBoech, Edward Glaeser, David Owen, Henri Pirenne, *The Project for Public Spaces*, Jonas Rabinovich and Joseph Lietman, Doug Saunders, and Bish Sanyal. The anthology features general and section introductions as well as individual introductions to the selected articles introducing the authors, providing context, relating the selection to other selection, and providing a bibliography for further study. The sixth edition includes fifty plates in four plate sections, substantially revised from the fifth edition.

Cities of the World

Regional Patterns and Urban Environments

Remarkably, more than half of the world's population now lives in cities, and the numbers grow daily as people abandon rural areas. This fully updated and revised seventh edition of the classic text offers readers a comprehensive set of tools for understanding the urban landscape, and, by extension, the world's politics, cultures, and economies. Providing a sweeping overview of world urban geography, noted experts explore the eleven major global regions. Each regional chapter considers urban history, economy, culture, and environment, as well as urban spatial models and problems and prospects. Each begins with two facing pages: a regional map that shows the major cities and a table of basic statistical information about cities and urbanization in each region and a list of ten salient points about that region's urban experience. Chapters conclude with a list of references, including films and webpages, which can be used by the student and instructor for additional information about specific cities. This edition adds the important new themes of climate change and migration, while continuing to focus specifically on sustainability, water, technology, social and environmental justice, security and conflict, the history of urban settlement, urban planning trends, and daily life. Vignettes of key cities give the reader a vivid understanding of daily life and the "spirit of place." The opening chapter presents an overview of key terms and concepts and explores contemporary world urbanization, and a concluding chapter projects the world's urban future. Liberally illustrated in full color with a new selection of photographs, maps, and diagrams, the text also includes a rich array of textboxes to highlight key topics ranging from migration and immigration to LGBTQ activism, human security, and climate change. Clearly written and timely, Cities of the World will be invaluable for those teaching introductory or advanced classes on global cities, regional geography, the developing world, and urban studies.

Holding Back The Tears

Rose Garden Press *This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.*

The Red City

A Novel of the Second Administration of President Washington

Copp, Clark Company

The Book of Life

Applewood Books *Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .*

Chasing Bliss

Chase tries to protect his younger brother Corey, escape from his drug-dealing older brother Cyrus, and put his murderous alter ego behind him when he falls for Bliss, but Cyrus's schemes to keep him on the payroll threaten to destroy his sanity.

Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America

Life Remotely

The Patchwork Girl of Oz

Copp, Clark *A boy, a patchwork girl, and a glass cat go on a mission to find the ingredients for a charm which will transform some people turned to marble.*

The Plugs Lawyer

Createspace Independent Publishing Platform *Raw, gritty, and witty. This unexpected tale of the good girl with trap habits that shoots for her dream as "The Plugs Lawyer!" Kinda hood, more classy, Tia Jones. Midwest raised, southern paid, the lawyer that talks the talk & walks to walk, as we see what made her become the "legal genius of the nation." The Plugs Lawyer is made for that girl looking to escape her past for a better life. Ride the wave of life with Tia in the first installation of three as she builds the Jones Law empire. Betrayal, desperation, desire, & persistence, this story is the voice for the smart, hood girl looking to find where she belongs... which is at the top.*

Remembering What I Forgot

Createspace Independent Publishing Platform *You may remember visiting a grandparent or elder friend who lived in a nursing home memory unit. When you were a child you may recall sights, sounds, and smells that caused you to feel uneasy. Step into any one of today's 16,000 long-term care facilities across the US, and suddenly those memories reemerge. Nurse Supervisor K. Allen tells of the emotional investments found while working with seniors inside the Van Gogh, a large upscale urban assisted living complex. Located at its core is found a locked memory care unit, the Rembrandt, where he and his heroic support team struggle to comfort those suffering from Alzheimer's and other types of Dementia. Emotionally rich and deeply moving, Remembering What I Forgot tells of a day in the life of a memory unit nurse and the unimaginable obstacles faced by today's health care workers. A first of its kind, the story provides its reader with a rare glimpse into "life on a memory unit" including the emotional torment experienced by visitors who witness their loved one slip into ever increasing apathy and confusion. In its truest sense a love story of the need to cope and how to find hope when someone we love suddenly cannot remember well and is handed a diagnosis of Dementia. Insightful, humorous and heartfelt, Remembering What I Forgot conveys a message of inspiration and helps us connect with those in the final chapter of their life. Let us not forget them.*

City Streets

A Memoir

Createspace Independent Publishing Platform Navy pilot Frank Del Vecchio returned home on a weekend leave only to find his neighborhood had disappeared. Boston's West End was being demolished in an urban renewal land grab, its twelve thousand immigrant Jewish and Italian residents summarily displaced. This was the turning point for Frank—he resigned his Navy commission and instead chose to battle political corruption. *CITY STREETS* is the story of a kid from the Depression era who wins a college scholarship, goes through Navy flight training, serves as a carrier pilot, and lands at Harvard Law School. From saving Boston's historic Charlestown neighborhood, to working with Martin Luther King, Jr. on projects for inner-city Washington D.C., Del Vecchio's memoir vividly recalls a time of struggle, idealism and hard-won triumphs.

Wild for the Night

Createspace Independent Publishing Platform Naji is a loose cannon addicted to gunsmoke, fast money, and making it happen at all costs. Nathan is college bound and determined to escape the streets. Gotta is a smooth talking playboy with a sweet tooth for teenage girls. Nikki the lone female in the family is beautiful, ambitious, and just as wild as her brothers. How else could she control them. K.K. the baby boy is 7 going on 25 and too grown for his own good. Journey with this family as they rescue Young Savage, encounter beef, internal conflict, and situations that test their love and loyalty to each other .

Slave to the Trade

Createspace Independent Pub In this gritty urban novel, a pimp named Anthony Davis (AD) and police officer George Pratt wage war with one another on the rain-slicked streets of Seattle. *Slave to the Trade* is packed with jaded cops, wannabe pimps, hardened prostitutes, gangbanging drug dealers, and several down-and-out drug addicts. The sad but true reality of the streets has never been painted so clearly and colorfully. The novel begins in a police station where Detective Pratt is pestered by the rookie partner about a mysterious piece of paper with a single calendar date on it that has been hanging on the wall for years. Now that the date has arrived, Pratt decides to finally divulge its meaning. He explains that a pimp named AD is being released from prison and needs to be tracked down and watched. When the rookie asks for further information, Pratt becomes irritated and evasive...making it apparent that the beef between the two men would remain a mystery until a later time. Upon his release, AD returns to his former stomping grounds and finds that the power structure of the game has changed dramatically. Where he was once a shot caller, the gangbangers are now firmly in control. AD does his best to make headway with the youngsters, but one of them just so happens to be an aspiring wannabe pimp and decides that AD is a threat that needs to be dealt with. Meanwhile, the mystery of AD and Pratt's past grows in intensity as the rookie and the veteran cruise the streets watching the pimp's every move. However, things get forced to a head when a young runaway girl turns up working the streets. Sadly, without her consent or knowledge, the young girl becomes a pawn in AD and Pratt's personal war of wills. Steamy, gritty, and violent, *Slave to the Trade* is a work of urban fiction that brims with authenticity. The spitfire dialogue drives the intricate plot as the manipulative pimp and jaded cop head for an inevitable collision that will shake the street game to its very foundation.

The Life and Death of Ancient Cities

A Natural History

Oxford University Press The dramatic story of the rise and collapse of Europe's first great urban experiment The growth of cities around the world in the last two centuries is the greatest episode in our urban history, but it is not the first. Three thousand years ago most of the Mediterranean basin was a world of villages; a world without money or writing, without temples for the gods or palaces for the mighty. Over the centuries that followed, however, cities appeared in many places around the Inland Sea, built by Greeks and Romans, and also by Etruscans and Phoenicians, Tartessians and Lycians, and many others. Most were tiny by modern standards, but they were the building blocks of all the states and empires of antiquity. The greatest--Athens and Corinth, Syracuse and Marseilles, Alexandria and

Ephesus, Persepolis and Carthage, Rome and Byzantium--became the powerhouses of successive ancient societies, not just political centers but also the places where ancient art and literatures were created and accumulated. And then, half way through the first millennium, most withered away, leaving behind ruins that have fascinated so many who came after. Based on the most recent historical and archaeological evidence, The Life and Death of Ancient Cities provides a sweeping narrative of one of the world's first great urban experiments, from Bronze Age origins to the demise of cities in late antiquity. Greg Woolf chronicles the history of the ancient Mediterranean city, against the background of wider patterns of human evolution, and of the unforgiving environment in which they were built. Richly illustrated, the book vividly brings to life the abandoned remains of our ancient urban ancestors and serves as a stark reminder of the fragility of even the mightiest of cities.

Painz Poetry 151: Story and Message of a Niggah

AS THE CHANTS BLACK LIVES MATTER BECOMES MORE AND MORE PREVALENT PRINTESS WILLIAMS PRODUCES HIS OWN STORY IN THE HOPES AND THE EFFORTS OF ENCOURAGING HIS FELLOW BLACK LIVES TO BE AND TO PRODUCE THEM SELVES AS THEIR OWN MATTERING POWER. FOR AT THE END OF THE DAY ONE MUST ENCOURAGE ONES OWN LIFE TO BE EVERYTHING AND ANYTHING THAT INDIVIDUAL LIFE HAS THE POTENTIAL TO BE, AND WHO CAN ENCOURAGE URBAN LIVES TO BE MORE BETTER THAN ONE WHO COMES FROM THE URBAN STRUGGLE HIMSELF. THIS BOOK IS ABOUT PERSEVERANCE, SURVIVAL, SELF RECREATION, AND IT IS ALSO ABOUT USING THE LESSONS FROM ONES OWN EXPERIENCES TO SHARE AND ENCOURAGE WHAT SHOULD BE THE 2 MOST IMPORTANT THINGS IN AND TO ALL LIVES..... HOPE AND LOVE.....

Islam

A Superior System of Life

Createspace Independent Pub *One of the largest and fastest-growing religions, Islam is currently practiced by approximately one-fifth of the world's population. Unlike most religions that only consist of acts of worship, rituals, and a set of beliefs, it also offers a just socio-politico-economic system, which is especially important today as we continue to make significant material and scientific progress. However, although it presents real solutions to problems faced by the whole of mankind, factors such as worldwide media propaganda and the current condition of the Muslim community have seriously distorted the public image of Islam. Adeel Zeerak hopes that his book Islam: A Superior System of Life will help change all that. He says that after careful study, even those with non-Muslim unprejudiced minds will appreciate the beauty of his religion's teachings. To prove the superiority of Islamic system over other systems, he provides concrete data obtained from authentic sources and refrains from using boastful or exaggerative language. Chapters in Islam: A Superior System of Life include: • This is Islam • Characteristics of the Islamic System • Spiritual System • Social System • Economic System • Political System • The Prophet, peace be upon him, the Message, and the Ummah "Despite commendable progress in the field of science and technology, this world is full of evil, exploitation, and injustice," says Zeerak, who believes any effort to find a solution to our problems continually fails because we choose to ignore the light of Divine Guidance. We all know what happened to prophet Noah's people when they rejected this guidance, but we, thankfully, still exist in this world to follow our Lord and accept Islam. Written for the Muslim and non-Muslim, Islam: A Superior System of Life is for readers interested in Islam, the prophet Muhammad (PBUH), the Islamic view of women, the concept of Khilafat, Islamic finance, Islamic spirituality, and Islamic history. The author promises that our obedience to Allah, subhanahu wa-ta'ala, will result in endless favors and blessings both in this world and the hereafter.*

Building Cathedrals

As a young urban youth worker, Ted Travis was captivated by a question posed by Christian community development pioneer Dr. John Perkins: "How do we build incentive in inner-city youth, motivating them toward Christ and a life of meaning and purpose?" Over the next 30 years, Ted wrestled with this question as he and his wife Shelly ministered to hundreds of teens in Denver's Five Points neighborhood- an inner-city community facing the daunting challenges of poverty, gangs, crime, and unemployment. Along the way, Ted pressed biblical principles and tried-in-the-trenches strategies into a philosophy of youth leadership development he calls "transformational discipleship." In Building Cathedrals, Ted shares his blueprint for transformational discipleship (as well as accounts of its profound impact on young people) and exhorts today's youth workers to reimagine their ministries and raise up a new generation of visionary urban leaders. This book has been revised and expanded, including the addition of an index.

Tough Call

A Little Book on Making Big Decisions

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

Social Problems

Pearson College Division *Macionis's Social Problems is the only social problems text that explains how society frames social problems and solutions through politics. The text analyzes social issues and policies, using the concepts of sociological theory and the everyday language of politics. This text helps students understand the attitudes and values that define the political spectrum in the United States. Once students know how social problems are defined by our society through politics, and how the policies to solve these problems are developed, students are able to become involved in solving social problems through activism and political involvement.*

Oaxaca Chocolate

Createspace Independent Publishing Platform *When a suspicious gas leak blows up his favorite doughnut shop, a retired American expat bumbles into a mystery in Mexico. He follows money flowing down from the States, cocoa beans going north, and finds some tasty foodie hangouts to help him start his days on the prowl. OAXACA CHOCOLATE is a cross-border mystery, a travel guide, an expat's struggle with multinational takeovers in a corrupt state, a scammer's lament, and a taste of the comida and mezcal in Mexico's most beautiful colonial city located high in its scenic, southern mountains. the perfect book for a Mexico visit to meet its gracious people and to explore warm-sun living with a helping of crime on the side. Kirkus Reviews chose OAXACA CHOCOLATE to be featured as one of Kirkus' Indie Books of the Month. "The city of Oaxaca, lively, dark and under threat, plays a starring role in this satisfying mystery." -- Kirkus Reviews "Kerns' second Santo Gordo mystery is even tastier than the first. It's a cup that runs over with Oaxaca's unique local color--I don't know anyone who captures the sights, sounds, smells and tastes of Oaxaca more vividly or insightfully than Kerns. Santo Gordo, gourmand, local hero and reluctant detective, is a shrewd observer of this exotic locale and its cast of characters." Robert Adler, co-author of the best-selling Oaxaca guidebook, Viva Oaxaca. Don't forget the other Santo Gordo mysteries--Santo Gordo: a Killing in Oaxaca and Restaurante Oaxaca.*

Benevolent

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

Dry Heat

A Novel

Elhuevopublishing *Dry Heat* is the debut novel by indie author Steven Eggleton. A dirty, angry, and often painfully funny read, *Dry Heat* explores the angst and confusion people in their early twenties frequently feel. Written in Eggleton's skeptical, sardonic, and bluntly frank narrative voice, the book chronicles a little over a year in the life of Vincente Vasquez, a disillusioned grocery-store clerk living in Tucson, Arizona. Chiefly concerned with escaping the drudgery of work, social equality, and the pursuit of sex; *Dry Heat* is a visceral and raw novel that's sure to leave an impression.

Free Roll

Brandt Tobler Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Edge of the City

Createspace Independent Publishing Platform For years, south Dallas has been ruled by a corrupt caste of politicians who espouse populist rhetoric. Growing fat and rich while their constituents wallow in crime and poverty. Jebediah Shaw never wanted to make the city his home. It had never been more than a place to rest between wars. And now, working in that dark area between government and private business, he's given an impossible task. To keep a man alive that everyone, including himself, has a reason to want dead while choosing sides in a Civil War no one even knows is happening. At the beginning of the end of the American empire, at the edge of what was and what will be, he knows in the end all a man has, all he has any control over, is his word and his work. He will do whatever it takes to complete his mission. Dallas, may never be the same.

Ithaca Diaries

Coming of Age in The 1960s

How does an impressionable 17-year-old girl deal with Fat Phil the Wet Kisser and a revolution at the same time? *Ithaca Diaries* is a coming of age memoir set at Cornell University in the tumultuous 1960s. The story is told in first person from the point of view of a smart, sassy, funny, scared, sophisticated yet naive college student who can laugh at herself while she and the world around her are having a nervous breakdown. Based on the author's diaries and letters, interviews and other primary and secondary accounts of the time, *Ithaca Diaries* describes collegiate life as protests, politics, and violence increasingly engulf the student, her campus, and her nation. Her irreverent observations serve as a prism for understanding what it was like to live through those tumultuous times. While often laugh-out-loud funny, they provide meaningful insight into the process of political and social change we continue to experience, today. Author James McConkey has called the book "a remarkable achievement." According to historian Carol Kammen, *Ithaca Diaries* is "earnest, honest and funny. Historically important in addition to being an engaging coming-of-age story."

Blackbone

The Reunion

Createspace Independent Publishing Platform *BLACKBONE: THE REUNION* It's funny how life and circumstances has its ways of bringing folks back together and in this latest installment of "Blackbone: The Reunion " the fun and drama is only the beginning. Ciara has matured in ways no one would have expected - now a proud business woman and wife to Kanye, Ciara is seemingly living a picture perfect life. But co-parenting with a man like Smooth proves to be difficult because of the hefty distance between the two past lovers. Smooth is everything his name says: suave, debonair and still getting it. He's the new King of Chicago's streets and with that power comes the ladies and the respect. But what lengths will Smooth go to if the lady he really wants to crown Queen is married to another man and living her happily ever after? Kayla has earned her title as Smooth's loyal sidepiece but she's ready for a promotion. Smooth tries to distance himself from Kayla but she always finds her way back to him and this time around, she refuses to give up. When Ciara rolls back into town, Kayla immediately feels threatened and when she sees Smooth trying to give her the crown Kayla feels she deserves, Kayla tries to secure her position in Smooth's life by eliminating the woman she just can't seem to win against. But can she go through with her devious scheme or did she bite off more than she could chew? Young and sweet but rough around the edges, Kelly has blossomed into a beautiful woman. Now the owner of a profitable real estate firm, Kelly refuses to let anything step in the way of her progress. But what will she do when her husband Anthony's ties to the streets make a bloody path leading all the way to their current lives and the Feds begin to watch their every move? With her back up against the wall and time running out, Kelly will do all she can to protect her family, her business and most of all herself. Denise, Red, Aaliyah, Vell, Tia and Tommy are all back and ready to ride in this latest installment of the "Blackbone" series. Author Caryn Lee weaves a tale so wickedly nerve-wracking, you won't want to put it down.

Rise of the Dibor

Createspace Independent Pub Support the author more by purchasing direct from his CreateSpace Store: *RISE OF THE DIBOR* <https://www.createspace.com/3618531> *THE LION VRIE* <https://www.createspace.com/3649857> *ATHERA'S DAWN* <https://www.createspace.com/3723285> This newly edited 2nd edition of the 2006 debut, brought to you by Spearhead Books, includes a revised map, page layout, and first ever "From the Author" section. Visit spearheadbooks.com and christopherhopper.com today! **DESCRIPTION:** Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

Dragon Born

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient prophecies that are about to begin coming true. Older than most who are just beginning their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

Get Fit, Stay Fit, Remain Fit

Create Habits That Last

There is no secret to losing weight, building muscle, and getting in shape. We have always had the tools. We have lacked in creating habits using the tools we have. In this breakthrough book you will not hear the same old advice you have always heard about health, fitness, and dieting. This book is about truly creating a healthy lifestyle and making exercise a lifelong habit. Get Fit, Stay Fit, Remain Fit is a discovery of: - How to build a system for achieving the healthy body you want. - How to set goals, achieve goals, and stay on track as you go after your goals. - How to stay motivated with exercise for the long-term so that nothing will stop you in the pursuit of what you want to accomplish. It's time for you to achieve your health and fitness goals. Forever. No more fitness-related New Year's resolutions. No more going on diets. No more temporary results. With Get Fit, Stay Fit, Remain Fit you will create habits that last and create results that last.

Every Mile Matters

Createspace Independent Publishing Platform *What does every mile mean to you? When you hit the trails, the road, the track or the treadmill, what does each mile mean? A group of runners and walkers from around the world share their stories as they let us know what every mile matters means to them. Get ready to be inspired.*

Wild World

William Mulvey *A public square bombing in Yemen and shipment of rockets from North America only randomly connect university researcher Arthur Crawford and Washington anti-terrorism expert Myron Klass. But coincidence is quickly overshadowed by reality when a Spaniard known as the most thoughtful of arms dealers has ambitions to devastate the US. Strap yourself in as former Canadian Member of Parliament Dr. David C. Walker boldly weaves together their lives and stories in Wild World, the first in a series of political mysteries novels that is sure to make you question what you've been told and what you need to know.*

From Poor Law to Welfare State, 6th Edition

A History of Social Welfare in America

Simon and Schuster *Over twenty-five years and through five editions, Walter I. Trattner's From Poor Law to Welfare State has served as the standard text on the history of welfare policy in the United States. The only comprehensive account of American social welfare history from the colonial era to the present, the new sixth edition has been updated to include the latest developments in our society as well as trends in social welfare. Trattner provides in-depth examination of developments in child welfare, public health, and the evolution of social work as a profession, showing how all these changes affected the treatment of the poor and needy in America. He explores the impact of public policies on social workers and other helping professions -- all against the backdrop of social and intellectual trends in American history. From Poor Law to Welfare State directly addresses racism and sexism and pays special attention to the worsening problems of child abuse, neglect, and homelessness. Topics new to this sixth edition include: A review of President Clinton's health-care reform and its failure, and his efforts to "end welfare as we know it" Recent developments in child welfare including an expanded section on the voluntary use of children's institutions by parents in the nineteenth century, and the continued discrimination against black youth in the juvenile justice system An in-depth discussion of Charles Murray and Richard Herrnstein's controversial book, The Bell Curve, which provided social conservatives new weapons in their war on the black poor and social welfare in general The latest information on AIDS and the reappearance of tuberculosis -- and their impact on public health policy A new Preface and Conclusion, and substantially updated Bibliographies Written for students in social work and other human service professions, From Poor Law to Welfare State: A History of Social Welfare in America is also an essential resource for historians, political scientists, sociologists, and policymakers.*

Urban Issues, 6th Edition

CQ Press *Is extreme poverty growing? Is business-style competition a good model for improving schools? Are downtowns making a sustainable comeback? These are just some of the provocative questions your students will find in the new edition of Urban Issues. For current coverage of urban politics, your students will appreciate the balanced and unbiased reporting of CQ Researcher. Urban*

Issues gives them a window into how policy is made and implemented and is sure to spark classroom debate. Each chapter examines the key players, stakes, and lessons for the future, while covering the range of fact, analysis, and opinion surrounding each issue. Advancing critical thinking, each report includes the following useful features: a pron box that examines two competing sides of a single question; a detailed chronology; an annotated bibliography and web resources; and photos, charts, graphs, and maps. Customize your own book! Choose from an extensive collection of CQ Researcher articles and create the Urban Issues that is perfect for your class. Find out more at custom.cqpress.com.

Gender and Religion in the City

Women, Urban Planning and Spirituality

Routledge *This book provides a conceptual, historical and contemporary context to the relationships between gender, religion and cities. It draws together these three components to provide an innovative view of how religion and gender interact and affect urban form and city planning. While there have been many books that deal with religion and cities; gender and cities; and gender and religion, this book is unique in bringing these three subjects together. This trio of inter-relationships is first explored within Western Christianity: in Roman Catholicism, Protestantism, Eastern Orthodoxy and in the Pentecostal and Charismatic movements. A wider perspective is then provided in chapters on the ways in which Islam shapes urban development and influences the position of Muslim women in urban space. While official religions have declined in the West there is still a desire for new forms of spirituality, and this is discussed in chapters on municipal spirituality and on the rise of paganism and the links to both environmentalism and feminism. Finally, ways of taking into account both gender and religion within the statutory urban planning system are presented. This book will be of great interest to those researching environment and gender, urban planning and sustainability, human geography and religion.*
