Class President

Harper Collins The fifth-grade class election is shaping up as a close contest between class clown Lucas Cott and one time teacher's pet Cricket Kaufman. It's just possible that the student with the greatest leadership ability is Julio Sanchez, but Julio's too busy running Lucas's campaign to notice. Or is he? And how can Julio throw his hat into the ring without betraying his best friend? Johanna Hurwitz introduced Julio, Cricket, and Lucas in Class Clown and Teacher's Pet, earning a ringing vote of confidence from Publishers Weekly: "Hurwitz masterfully demonstrates why she is one of the premier practitioners of the humorous school story genre." Magical Monty

Candlewick Press Monty tries to master a magic kit — and finds some real-life situations tricky — in this spot-on story about an endearing, utterly relatable first-grader. First grade is almost over, and Monty will soon be seven. He's now a big brother, too, which makes him feel very grown-up. But when he tries to use the magic set his grandmother gave him, he has a little trouble. Maybe the card trick would work if he were eight years old? Mother's Day is coming, and Monty wishes he had something better to give his mom than the picture frame he made out of ice-cream sticks at school. But how is he supposed to guess from the TV call-in ad how much flowers cost, or that you need a special card to get them? Whether involving his baby sister in his library project, losing a sneaker while marching with his karate class in the parade, or learning that an exciting afternoon isn't always a good thing, Monty's familiar adventures embody the gentle humor of everyday life.

Harper Collins Yard sales, ice-skating, and surprise parties are just a few of the things that make fourth grade fun. But Julio and his friends know it's time to get serious when the class begins preparing for the big statewide test at the end of the year. Just thinking about it is enough to give anybody a stomachache! Julio and his best friend, Lucas, are going to try every superstition in the book to make sure they pass. They'll wear their underwear inside out, use brand-new pencils, and even—gulp—study. But when test day comes, Julio finds out there are some surprises no one can prepare for! Whether one has read about Julio and Lucas and their other classmates before in class clown and class president or this is the first meeting, here is a story that will strike a familiar chord.
