Stone Soup

Read Along or Enhanced eBook

Triangle Interactive, Inc. Read Along or Enhanced eBook: Two hungry travelers arrive at a village expecting to find a household that will share a bit of food, as has been the custom along their journey. To their surprise, villager after villager refuses to share, each one closing the door with a bang. As they sit to rest beside a well, one of the travelers observes that if the townspeople have no food to share, they must be "in greater need than we are." With that, the travelers demonstrate their special recipe for a magical soup, using a stone as a starter. All they need is a carrot, which a young girl volunteers. Not to be outdone, another villager contributes a potato, and the soup grows as others bring corn, celery, and other vegetables and seasonings. In this cumulative retelling of an ancient and widely circulated legend, author Heather Forest shows us that when each person makes a small contribution, "the collective impact can be huge." Susan Gaber's paintings portray the optimism and timelessness of a story that celebrates teamwork and generosity

A Whole New World

A Twisted Tale

Disney Press What if Aladdin had never found the lamp? This paperback edition of the first book in the A Twisted Tale line will explore a dark and daring version of Disney's Aladdin. Plus, it includes an excerpt of book two, *Once Upon a Dream*, a twist on Disney's *Sleeping Beauty*! When Jafar steals the Genie's lamp, he uses his first two wishes to become sultan and the most powerful sorcerer in the world. Agrabah lives in fear, waiting for his third and final wish. To stop the power-mad ruler, Aladdin and the deposed princess Jasmine must unite the people of Agrabah in rebellion. But soon their fight for freedom threatens to tear the kingdom apart in a costly civil war. What happens next? A Street Rat becomes a leader. A princess becomes a revolutionary. And readers will never look at the story of Aladdin in the same way again. Praise for *A Whole New World*: "A magic carpet ride of a book! A fun and unpredictable retelling of the classic Aladdin story, a must-read for all of us Disney fans!" -Melissa de la Cruz

A Short Text Book for Elementary Schools of Philadelphia

Stone Soup

Simon and Schuster Three soldiers came marching down the road towards a French village. The peasants, seeing them coming, suddenly became very busy, for soldiers are often hungry. So all the food was hidden under mattresses or in barns. There followed a battle of wits, with the soldiers equal to the occasion. Stone soup? Why, of course, they could make a wonderful soup of stones...but, of course, one must add a carrot or two...some meat...so it went. Marcia Brown has made of this old tale a carnival of activity, dancing, and laughter. Children who have once heard the story will turn to this book again and again, retelling the story for themselves. Now in an eBook edition!

The Psychosocial Implications of Disney Movies

MDPI In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Earrings!

Atheneum A young girl uses various arguments to convince her parents to let her have her ears pierced.

Once Upon a Time, the End (Asleep in 60 Seconds)

Atheneum Books for Young Readers Once upon a time there was a grown-up looking for a book with very short bedtime stories for a kid who wouldn't go to sleep. So the grown-up picked up this book and read this flap and took the book home and read it out loud and they both laughed and fell fast asleep fast. Just like you. The end.

Forthcoming Books

Precious and the Boo Hag

Simon and Schuster From the author of the Newbery Honor-winning "The Dark-Thirty" comes a deliciously funny, not-too-scary picture book featuring a spunky heroine and the Boo Hag, a crafty spirit that will stop at nothing to get inside the house. Full color.

Democracy and Education

An Introduction to the Philosophy of Education,

John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

A Frog in the Bog

Simon and Schuster From the bestselling author of "Bear Snores On" comes this hilariously illustrated story that teaches young readers the concept of counting from one to five and back again. Full color.

Little Red Riding Hood

Houghton Mifflin Harcourt (HMH) A retelling of the folk tale about a little girl who finds a wolf in her grandmother's clothing.
