**Clean Sweep** CreateSpace "On the outside, Dina Demille is the epitome of normal. She runs a quaint Victorian Bed and Breakfast in a small Texas town, owns a Shi-tzu named Beast, and is a perfect neighbor, whose biggest problem should be what to serve her guests for breakfast. But Dina is... different: Her broom is a deadly weapon; her Inn is magic and thinks for itself. Meant to be a lodging for otherworldly visitors, the only permanent guest is a retired Galactic aristocrat who can't leave the grounds because she's responsible for the deaths of millions and someone might shoot her on sight. Under the circumstances, 'normal' is a bit of a stretch for Dina. And now, something with wicked claws and deepwater teeth has begun to hunt at night... Feeling responsible for her neighbors, Dina decides to get involved. Before long, she has to juggle dealing with the annoyingly attractive, ex-military, new neighbor, Sean Evans -- an alpha-strain werewolf -- and the equally arresting cosmic vampire soldier, Arland, while trying to keep her inn and its guests safe. But the enemy she's facing is unlike anything she's ever encountered before. It's smart, vicious, and lethal; and putting herself between this creature and her neighbors might just cost her everything."--Page 4 of cover. **Operation Clean Sweep** Farrar, Straus and Giroux (BYR) Mom for mayor! Election day is fast approaching, and twelve-year-old Cornelius Sanwick discovers a secret: his mom is running for mayor! That would be pretty neat, except that his dad is the incumbent. Corn feels torn -- surely he should warn his father. But if he does, his mother won't stand a chance. In 1916, Oregon is one of only eleven states in which women can vote, and they have to take office by stealth. Corn wonders what kind of mayor his mom would make. Would she be able to get the streetlights turned back on? Would she corral the chickens and keep their poop off the streets? And what would she do if the pickpocket Sticky Fingers Fred showed up in Umatilla? Friendship, first love, and above all filial devotion play their parts in this charming story set during the Great War and based on a true episode in the history of Umatilla, Oregon -- the female takeover of the town's government. **Clean Sweep A Novel** On a Manhattan sidewalk, a retired advertising executive finds the dead body of a homeless woman,

Frank Zamboni's Ice Machine Great Idea Series** Tundra Books Now in paperback. Meet Frank Zamboni, whose determination and persistence led to his invention of the now-famous Zamboni ice-resurfacing machine. When Frank Zamboni, along with his brother and cousin, opened their own skating rink in 1940 in Paramount, California, it could take an hour and a half for a crew to resurface the ice. They had to level the surface by shaving down the pits and grooves with a tractor, remove the shavings, wash the ice and find a way to give the rink its shining finish. Skaters became exasperated with the wait, so Frank was determined to do something about it. Could he turn a ninety-minute job for five men into a ten-minute task for only one? Working in the shed behind his ice rink, Frank drew designs and built models of machines he hoped would do the job. For nine years, he worked on his invention, each model an improvement on the one before. Finally, in 1949, Frank tested the Model A, which cleaned the ice in one sweep around the rink. The rest is history. **A Clean Sweep** St Martins Press When San Francisco private eye Aaron Asherfield is hired to track down a missing businessman, his investigation takes on a kinky dimension as he meets a host of characters from the city's sleazy underside. **Sotheran's Price Current of Literature Sotheran's Price Current of Literature Catalogue ... **Ten Books That Shaped the British Empire Creating an Imperial Commons** Duke University Press Combining insights from imperial studies and transnational book history, this provocative collection opens new vistas on both fields through ten accessible essays, each devoted to a single book. Contributors revisit well-known works associated with the British empire, including Charlotte Brontë's *Jane Eyre*, Thomas Macaulay's *History of England*, Charles Pearson's *National Life and Character*, and Robert Baden-Powell's *Scouting for Boys*. They explore anticolonial texts in which authors such as C. L. R. James and Mohandas K. Gandhi chipped away at the foundations of imperial authority, and they introduce books that may be less familiar to students of empire. Taken together, the essays reveal the dynamics of what the editors call an "imperial commons," a lively, empire-wide print culture. They show that neither empire nor book were stable, self-evident constructs. Each helped to legitimize the other. Contributors. finest. *The Portrait of a Lady* is the story of a spirited young American woman, Isabel Archer, who in "affronting her destiny", finds it overwhelming. She inherits a large amount of money and subsequently becomes the victim of Machiavellian scheming by two American expatriates. "The Wings of the Dove" tells the story of Milly Theale, an American heiress stricken with a serious disease, and her effect on the people around her. Some of these people befriend Milly with honorable motives, while others are more self-interested. "The American" is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe. **Schlump** New York Review of Books An NYRB Classics Original Seventeen-year-old Schlump marches off to war in 1915 because going to war is the best way to meet girls. And so he does, on his first posting, overseeing three villages in occupied France. But then Schlump is sent to the front, and the good times end. Schlump, written by Hans Herbert Grimm, was published anonymously in 1928 and was one of the first German novels to describe World War I in all its horror and absurdity, and it remains one of the best. What really sets it apart is its remarkable central character. Who is Schlump? A bit of a rascal and a bit of a sweetheart, a victim of his times, an inveterate survivor, maybe even a new type of man. At once comedy, documentary, hellhole, and fairy tale, Schlump is a gripping and disturbing book about the experience of trauma and what the great critic Walter Benjamin, writing at the same time as Hans Herbert Grimm, would call the death of experience, since perhaps if anything goes, nothing counts.

**Notes and Queries Is That a Fish in Your Ear? Translation and the Meaning of Everything** Farrar, Straus and Giroux A New York Times Notable Book for 2011 One of The Economist's 2011 Books of the Year People speak different languages, and always have. The Ancient Greeks took no notice of anything unless it was said in Greek; the Romans made everyone speak Latin; and in India, people learned their neighbors' languages—as did many ordinary Europeans in times past (Christopher Columbus knew Italian, Portuguese, and Castilian Spanish as well as the classical languages). But today, we all use translation to cope with the diversity of languages. Without translation there would be no world news, not much of a reading list in any subject at college, no repair manuals for cars or planes; we wouldn't even be able to put together flat-pack furniture. *Is That a Fish in Your Ear?* ranges across the whole of human experience, from foreign films to philosophy, to show why translation is at the heart of what we do and who we are. Among many other things, David Bellos asks: What's the difference between translating unprepared natural speech and translating *Madame Bovary*? How do you translate a joke? What's the difference between a native tongue and a learned one? Can you translate between any pair of languages, or only between some? What really goes on when world leaders speak at the UN? Can machines ever replace human translators, and if not, why? But the biggest question Bellos asks is this: How do we ever really know that we've understood what anybody else says—in our own language or in another? Surprising, witty, and written with great joie de vivre, this book is all about how we comprehend other people and shows us how, ultimately, translation is another name for the
