Color Me: Who's in the Pond? Baby's First Bath Book [QEB Publishing](#) From the creators of the Wee Gallery come these beautifully illustrated bath books that magically change color when you dip them in water. Color Me: Who's in the Pond? introduces children to a range of animal characters that include a duck, a frog and a dragonfly. Squeezable and lightweight, each black-and-white creature transforms in a child's hands, guaranteeing hours of bathtime fun. **Color Me: Who's in the Ocean? Baby's First Bath Book** [QEB Publishing](#) From the creators of the Wee Gallery come these beautifully illustrated bath books that magically change color when you dip them in water. Color Me: Who's in the Ocean? introduces children to a range of sea creatures that include a fish, an octopus and a starfish. Squeezable and lightweight, each black-and-white creature transforms in a child's hands, guaranteeing hours of bathtime fun. **Colour Me Who's in the Pond?** [QED Publishing](#) Frog paddles in puddles and Duck dives under water but how do you take a bath? Babies will delight in exploring this underwater world at bathtime. Meet new faces and watch the artwork come to life when immersed in water, revealing beautiful colours. Softly shaped pages make it easy for little fingers to hold. Research has indicated that newborn babies love high-contrast images and respond well to them. This adorable series from Wee Gallery features bold illustrations along with simple words to help babies develop their vision and language skills. **Big Book of Colorful Foods** [Find](#), [Discover](#), [Learn](#) Join Allie the snail as she travels around the meadow and discovers a rainbow of new foods to try in this newest addition to the Clever Big Books series. **Guess What's for Christmas** [Clever Hide & Seek](#) Guess What's for Christmas is an interactive adventure that invites young readers to guess what holiday items are hiding under the flaps on every full-page spread. **Scrappiness Is Happiness History Wars The Peter Ryan - Manning Clark Controversy** [ANU Press](#) 'In 1993, Manning Clark came under severe (posthumous) attack in the pages of Quadrant by none other than Peter Ryan, who had published five of the six volumes of Clark's epic A History of Australia. In applying what he called "an overdue axe to a tall poppy", Ryan lambasted the History as "an imposition on Australian credulity" and declared its author a fraud, both as a historian and a person. This unprecedented public assault by a publisher on his best-selling author was a sensation at the time and remains lodged in the public memory. In History Wars, Doug Munro forensically examines the right and wrongs of Ryan's allegations, concluding that Clark was more sinned against than sinning and that Ryan repeatedly misrepresented the situation. More than just telling a story, Munro places the Ryan-Clark controversy within the context of Australia's History Wars. This book is an illuminating saga of that ongoing contest.' — James Curran, University of Sydney 'The Ryan-Clark controversy ... speaks to the place of Manning Clark in Australia's national imagination. Had Ryan taken his axe to another historian, it's unlikely that we would be still talking about it 30 years later. But Clark was the author and keeper of Australia's national story, however imperfect his scholarship and however blinkered that story. Few, if any, historians in the Anglo-American world have occupied the space that Clark occupied by dint of will, force of personality, and felicity of pen.' — Donald Wright, University of New Brunswick **No One Is Talking About This A Novel** [Penguin](#) FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE "A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving." —New York Times Book Review, Editors' Choice "Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable." —David Sedaris From "a formidably gifted writer" (The New York Times Book Review), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms "the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats—from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness—begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, No One Is Talking About This is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature. **Little Country Cottage: An Autumn Treasury of Recipes, Crafts and Wisdom** [Ivy Kids](#) This charmingly illustrated seasonal treasury of nature-based crafts, baking recipes, and gardening projects for the fall celebrates the homesteading lifestyle with self-sufficient and eco-friendly fun. Locally printed on 100% recycled paper, Little Homesteader: A Fall Treasury of Recipes, Crafts and Wisdom offers: Easy yet delicious autumn recipes and treats that introduce young readers to local and seasonal eating. From pumpkin muffins to homemade apple chips, the easy-to-make recipes will inspire kids to get into the kitchen. Suggestions for using up unloved parts of produce, such as ways to make use of apple cores and peel, demonstrate a naturally zero-waste way of living. Accessible and fun crafts, such as making a gratitude tree and a woven basket, have instructions broken down into clear steps illustrated in AnneliesDraws' cute and wholesome style. The seasonal gardening and growing projects, such as planting herbs, can be done in a big back yard or on a windowsill, making this eco-friendly activity book a fun resource, whether readers are based in towns or the country. Woven alongside the cooking, crafting, and planting projects are little snippets of seasonal information and self-sufficient wisdom from homesteading teacher Angela Fanning of Axe and Root Homestead, with a focus on enjoying and celebrating the best of what the fall season has to offer. Find even more nature-centered seasonal fun in: Little Homesteader: A Winter Treasury of Recipes, Crafts, and Wisdom. **Pitter Patter Penguin (2020 Edition)** [words & pictures](#) New edition printed on organic cotton. Say hello to Penguin and his three adorable friends! Whether you and your baby are at home or on the move, these are the ideal first soft cloth books for cot or pram play. Beautiful colorful artwork is printed on one side, and when flipped over a stunning illustrated narrative is revealed in bold line. Research has indicated that newborn babies love high-contrast images and respond well to them. For added sensory effect, these soft cloth books also come with fascinating crinkle sounds. Please cut the sewn-in care label off the book before use and retain box for reference. **Baby Touch: My Magic Bath Book A Colour-changing Playbook** [Baby Touch](#) **Baby Einstein: 12 Board Books** [p i kids](#) Learn about letters, numbers, animals, colors, and more with your Baby Einstein friends! This take-along 12-book library comes in a carrying case with a plastic handle for easy transport and storage. Just-my-size pages are perfect for little hands and help lead to a lifelong love of reading. Share hours of early learning fun with your little one! **Tiny Possum and the Migrating Moths** [CSIRO PUBLISHING](#) High in the Australian Alps, Possum needs to find enough food and shelter to survive the harsh alpine winter. She will spend months hibernating under a blanket of snow. Will she last through the year to successfully raise a new family? The mountain pygmy-possum is small in size but huge in appeal! Once thought to be extinct, there are now around 2500 of these tiny survivors in the wild. They need snow and bogong moths to survive, and also the support of great conservation work. Reading level varies from child to child, but we recommend this book for ages 6 to 9. **Bluey: Easter** [Penguin UK](#) Celebrate Easter with Bluey! It's Easter and Bingo is worried the Easter bunny has forgotten about her and Bluey like last year. But when they wake up to a series of clues, Bluey and Bingo are led on an exciting Easter egg treasure hunt around the house! Join Bluey and Bingo on this fun adventure around the Heelers' home. Want more Bluey? Also available: Bluey: Fun and Games Colouring Book Bluey: Meet Bluey! Sticker Activity Book Bluey: Bluey and Friends Sticker Activity Book **Roly Poly Panda Baby's First Soft Book** [Wee Gallery Cloth Books](#) Open out the soft pages of this beautiful, sensory-rich cloth book to follow Roly Poly Panda through the trees as she explores her forest home and listens out for her friends. With gorgeous vibrant colors and soft, padded tactile pages, this delightful fold-out cloth book for babies features adorable friendly animal faces that babies will love and respond to. Ideal for reading in prams, cots and changing areas, this machine-washable book is the perfect gift for new born babies. Little hands will love to explore Wee Gallery Cloth Books, a lovable collection of animals with crinkly ears that heighten babies' senses. The result of a fantastic partnership between Wee Gallery and words & pictures, the beautiful illustrations, bold lines, whimsical animals, and repeating patterns are designed to stimulate visual development in young infants, making this soft cloth book an ideal first gift. Please cut the sewn-in care label off the book before use and retain box for reference. **Color Me "Ducky" What Color Are You in the Pond?** "Ducky" engages the child by helping them understand diversity by using fun colors, numbers and illustrations. "Ducky" emphasizes in many ways that all ducks are a blessing no matter their differences. At the end of the book, there is a coloring page that will reinforce the child's learning. Enjoy "Color Me Ducky", and cherish every moment watching your little "Ducky" grow and fly high in life. Pamela Yoss Cooper is a motivational speaker and a leader in project management and marketing. Pamela has been employed by Chesterfield County for 22 years. She is an environmental educator and created and manages the county's anti-litter program, Keep Chesterfield Beautiful. Pamela is very creative and has produced educational puppet shows, videos, magic shows, and an educational mobile unit, "Be the Good Neighbor". Pamela is a Chesterfield, Virginia native and has two sons. She enjoys spending time with family and friends, worshipping at her church, and volunteering in the community. Pamela is the author of "David's Hope", published in 2017. **What We Talk About When We Talk About Love** [Vintage](#) In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film Birdman, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one's way through the dark. **Explore Under the Sea** [Happy Yak](#) Evie and her pet dog, Juno, use their senses to explore the ocean in this bright, layered board book. **Leading from the North Rethinking Northern Australia Development** [ANU Press](#) Leading from the North aims to improve public dialogue around the future of Northern Australia to underpin robust and flexible planning and policy frameworks. A number of areas are addressed including social infrastructure, governance systems, economic, business and regional development, climate and its implications, the roles and trends in demography and migration in the region. This book not only speaks to the issues of development in Northern Australia but also other regional areas, and examines opportunities for growth with changing economies and technologies. The authors of this book consist of leading researchers, academics and experts from Charles Darwin University, The Australian National University, James Cook University, the Australian Institute of Marine Science and many other collaborative partners. Many of the authors have first-hand experience of living and working in Northern Australia. They understand the real issues and challenges faced by people living in Northern Australia and other similar regional areas. Backed by their expertise and experience, the authors present their discussions and findings from a local perspective. **First Words** [Clever Publishing](#) The pages of Clever Colorful Concepts First Words are bright, cheerful and packed with 10 first word pictures for little readers to learn and repeat. **The American Girl Goes to War Women and National Identity in U.S. Silent Film** Rutgers University Press During the 1910s, films about war often featured a female protagonist. The films portrayed women as spies, cross-dressing soldiers, and athletic defenders of their homes—roles typically reserved for men and that contradicted gendered-expectations of home-front women waiting for their husbands, sons, and brothers to return from battle. The representation of American

martial spirit—particularly in the form of heroines—has a rich history in film in the years just prior to the American entry into World War I. The American Girl Goes to War demonstrates the predominance of heroic female characters in early narrative films about war from 1908 to 1919. American Girls were filled with the military spirit of their forefathers and became one of the major ways that American women's changing political involvement, independence, and active natures were contained by and subsumed into pre-existing American ideologies. **My Forest Friends CrackBoom! Books** Learn to count in the bath! This cute bath book is perfect to liven up tub time. It teaches babies to identify forest animals as they learn to count from 1 to 5. This book has colorful illustrations and is the perfect size for babies' little hands. It is never too early to learn how to count or to learn about forest animals! The book comes in a transparent plastic packaging and is washable, resistant, and nontoxic. Colorful illustrations to keep little ones engaged during bath time; Early learning to count from 1 to 5 with ease; This book is washable, resistant, and nontoxic making it baby-safe! **Cat Kid Comic Club: On Purpose: A Graphic Novel (Cat Kid Comic Club #3): From the Creator of Dog Man Scholastic Inc.** The Cat Kid Comic Club is deep in discovery in the newest graphic novel in the hilarious and heartwarming worldwide bestselling series by Dav Pilkey, the author and illustrator of Dog Man. The comic club is going in all different directions! Naomi, Melvin, and siblings are each trying to find their purpose. Naomi has an idea to get rich quick that causes a lot of commotion and emotion. And when faced with rejections, the friends try and try again to stay true to their vision. To top it off, a surprise visitor comes to class to stir things up. Will a desire for money and power cloud Naomi's purpose? Is it quitting time? Will the club ever be the same? The hilarity is nonstop as the baby frogs navigate sibling relationships, follow their path, and create art -- with purpose! Featured as stories-within-the-story, the mini comics showcase each baby frog's perspective and individual art style. In this groundbreaking graphic novel series, award-winning author and illustrator Dav Pilkey uses a variety of techniques -- including acrylic paints, colored pencils, photography, collage, gouache, watercolors, and much more -- to illustrate each frog's creative purpose and encourage teamwork. The kaleidoscope of art styles, paired with Pilkey's trademark storytelling and humor, fosters creativity, collaboration, independence, and empathy. Readers of all ages will enjoy this fun, exciting, and purposeful graphic novel adventure. **Reptiles and Amphibians Houghton Mifflin Harcourt** A coloring book about reptiles and amphibians, with 188 species and color stickers. **Something Happened in Our Town A Child's Story about Racial Injustice Magination Press** After discussing the police shooting of a local Black man with their families, Emma and Josh know how to treat a new student who looks and speaks differently than his classmates. **Himawari House First Second** A young adult graphic novel about three foreign exchange students and the pleasures, and difficulties, of adjusting to living in Japan. Living in a new country is no walk in the park—Nao, Hyejung, and Tina can all attest to that. The three of them became fast friends through living together in the Himawari House in Tokyo and attending the same Japanese cram school. Nao came to Japan to reconnect with her Japanese heritage, while Hyejung and Tina came to find freedom and their own paths. Though each of them has her own motivations and challenges, they all deal with language barriers, being a fish out of water, self discovery, love, and family. **Color Me Creative: Adorable Animals Silver Dolphin Books** Use the eight washable markers in this kit to color the cutest animals! Color and doodle adorable animals with the eight washable markers in this kit! Pages and pages of adorable animal scenes are waiting for a creative touch. This kit makes a wonderful gift for budding artists, and with tear-out pages, they'll be able to display their masterpieces when they're finished! **The School for Good and Evil 03. The Last Ever After HarperCollins Children's Books** Once best friends, Agatha and Sophie were pulled apart like strangers, each in the arms of a boy, Good with Good, Evil with Evil. Is their friendship lost forever after? But as they settle into their new lives, their story begs to be re-written, and this time, theirs isn't the only one. With the girls apart, Evil has taken over and the villains of the past have come back to change their tales and turn the world of Good and Evil upside down. With Evers being murdered and Nevers reigning supreme, the girls need to restore the balance, find the end to their story, and - hopefully - become friends again. **You, Happier The 7 Neuroscience Secrets of Feeling Good Based on Your Brain Type Tyndale House Publishers, Inc.** #1 New York Times bestselling author Dr. Daniel Amen reveals the seven neuroscience secrets to becoming more than 30 percent happier in just 30 days—regardless of your age, upbringing, genetics, or current situation. Happiness is a brain function. With a healthier brain always comes a happier life. After studying more than 200,000 brain scans of people from 155 countries, Dr. Amen has discovered five primary brain types and seven neuroscience secrets that influence happiness. In You, Happier, he explains them and offers practical, science-based strategies for optimizing your happiness. Dr. Amen will teach you how to discover your brain type based on your personality and create happiness strategies best suited to you; improve your overall brain health to consistently enhance your mood; protect your happiness by distancing yourself from the “noise” in your head; and make seven simple decisions and ask seven daily questions to enhance your happiness. Creating consistent happiness is a daily journey. In You, Happier, Dr. Amen walks you through neuroscience-based habits, rituals, and choices that will boost your mood and help you live each day with clearly defined values, purpose, and goals. **Color Me Ipswich Lulu.com** The original Ipswich coloring book! 5th in the “Only in Ipswich” small-town New England humor series **Wilma Unlimited How Wilma Rudolph Became the World's Fastest Woman Houghton Mifflin Harcourt** A biography of the African-American woman who overcame crippling polio as a child to become the first woman to win three gold medals in track in a single Olympics. **Make Herstory Your Story Strong Arm Press** Every. Little Witch Hazel is a tiny witch who lives in the forest, helping creatures big and small. She's a midwife, an intrepid explorer, a hard worker and a kind friend. In this four-season volume, Little Witch Hazel rescues an orphaned egg, goes sailing on a raft, solves the mystery of a haunted stump and makes house calls to fellow forest dwellers. But when Little Witch Hazel needs help herself, will she get it in time? Little Witch Hazel is a beautiful ode to nature, friendship, wild things and the seasons that only Phoebe Wahl could create: an instant classic and a book that readers will pore over time and time again. **Party Animals A Cranky Chicken Book 2 Simon and Schuster** Cranky Chicken and Speedy the worm are back in another laugh-out-loud, brightly illustrated, and heartwarming chapter book as Speedy tries to plan a party for a hungry Chicken—sure to delight fans of Narwhal and Jelly and The Bad Guys! Cranky Chicken is super high on the crank-o-meter! And hungry. A hungry, hangry chicken is never fun, so Speedy races to cheer Cranky up. It's Cranky's birthday, so how about a surprise party? But Cranky hates surprises. So Speedy plans an unsurprise party, a day filled with all Cranky's favorite un-cranky things. After, Speedy wants to go to the beach, which Cranky absolutely does not like (too sandy, too hot, not to mention sharks). Can Cranky learn to try something new? Find even more reasons to fall in love with Cranky and Speedy in these three new stories about friendship, communication, and facing things that seem scary! **Beasts of Ruin Penguin** In this much anticipated follow up to New York Times bestselling Beasts of Prey, Koffi's powers grow stronger and Ekon's secrets turn darker as they face the god of death. Koffi has saved her city and the boy she loves, but at a terrible price. Now a servant to the cunning god of death, she must use her newfound power to further his continental conquest, or risk the safety of her home and loved ones. As she reluctantly learns to survive amidst unexpected friends and foes, she will also have to choose between the life—and love—she once had, or the one she could have, if she truly embraces her dangerous gifts. Cast out from the only home he's ever known, Ekon is forced to strike new and unconventional alliances to find and rescue Koffi before it's too late. But as he gets closer to the realm of death each day, so too does he draw nearer to a terrible truth—one that could cost everything. Koffi and Ekon—separated by land, sea, and gods—will have to risk everything to reunite again. But the longer they're kept apart, the more each of their loyalties are tested. Soon, both may have to reckon with changing hearts—and maybe, changing destinies. **Family of Liars The Prequel to We Were Liars Delacorte Press** #1 NEW YORK TIMES BESTSELLER • The addictive prequel to the TikTok phenomenon We Were Liars: the story of another summer, another generation—and the secrets that will haunt them for decades to come.
