### A Practical Guide To Instructional Design

[Penerbit UTM](#)

### Contract Actions in Modern Employment Law

### Developments and Issues

[Lexis Law Publishing \(Va\)](#) **This book has been written against a background of increasing interest in the possibilities of using the traditional breach of contract action more widely in employment disputes, in spite of teh existence of the many statutory rights. This area has seen substantial developments in recent years, in both tribunals and courts. The aim of this book is to take stock of these developments and to seek to put some order and structure into them. Although the modern case law has sometimes settled contentious points, more often it has opened up new controversies and possibilities, often requiring reconsideration of some surprisingly fundamental points against the backdrop of contemporary industrial and employment practices.**

### SCOLAG

### Scottish Legal Action Group Bulletin

### Irish Law Times

### ILT.

### The Journal of the Law Society of Scotland

### Contracts of Employment

[Lexis Pub](#) **The standard reference work on employment contracts has been thoroughly updated for a seventh edition, taking into full account the Trade Union Reform and Employment Rights Act 1993, the Disability Discrimination Act 1995 and the associated Codes of Practice and Guidance, the Employment Rights Act 1996 and the Industrial Tribunals Act 1996. Coverage has also been expanded to include references to employment law in Scotland and relevant European activity. It contains an extensive range of precedents both in the text and on disk.**

BRILL **The first detailed examination of the vibrant culture of literature produced by Scots in Latin in the late-sixteenth and seventeenth centuries.**

# Economic Developments in Victorian Scotland

Routledge Marwick argues that economic development in Scotland was severely delayed until the 18th Century unlike neighbouring countries. Originally published in 1936, this study aims to explore key features of economic development in Victorian Scotland to promote more understanding of this issue. Issues discussed include ownership of land and capital, administration and finances of industry, organisation of trade and marketing, labour and recruitment, trade unions, housing and other aspects which impact on the standard of life. This title will be of interest to students of Economics and Industrial History.
