CRUSADE

Penguin Lieutenant Commander Matthew Reddy and the crew of the USS Walker are transported from the World War II Pacific to an alternate world where they ally themselves with the Lemurians in their battle against the warlike reptilian Grik.

CRUSADE

Penguin Hurtled through time and space from the World War II Pacific, Lieutenant Commander Matthew Reddy, and the crew of the USS Walker find themselves in a strange alternate world where they and the destroyer Mahan ally themselves with the Lemurians in their battle against the warlike reptilian Grik, who have seized control of the Japanese battleship Amagi.

DISTANT THUNDERS

DESTROYERMEN

Penguin The skies explode in this thrilling alternate history novel in Taylor Anderson's New York Times bestselling Destroyermen series. After the terrible battle between the men of the destroyer USS Walker and their Lemurian allies against the savage Grik, Lieutenant Commander Matthew Reddy is shocked by the arrival of a strange ship captained by Commodore Jenks of the New Britain Imperial Navy—an island-nation populated by the descendants of British East Indiamen swept through the rift centuries before. With the Walker undergoing much-needed repairs, Reddy knows the Grik have only been fended off, not defeated, and he will need all hands on deck to fight them off when they next attack—but Jenks' loyalties seem uncertain. As tension between the Allies and the Imperials mount,

Reddy will come to realize that his suspicions are not misplaced—and that a greater danger than the Grik is about to be revealed...

IRON GRAY SEA

DESTROYERMEN

Penguin In Taylor Anderson's acclaimed Destroyermen series, a parallel universe adds an extraordinary layer to the drama of World War II. Now, Lieutenant Commander Matthew Reddy, the crew of USS Walker, and their allies battle an ever-growing host of enemies across the globe in a desperate battle for freedom ... War has engulfed the—other earth. With every hard-won victory and painful defeat, Matt Reddy and the Allies encounter more friends—and even more diabolical enemies. Even, at last, in the arms of the woman he loves, there is little peace for Reddy. The vast sea, and the scope of the conflict, have trapped him too far away to help on either front, but that doesn't mean he and Walker can rest. Cutting short his "honeymoon," Reddy sails off in pursuit of Hidoiame, a rogue Japanese destroyer that is wreaking havoc in Allied seas. Now that Walker is armed with the latest "new" technology, he hopes his battle-tested four-stacker has an even chance in a straight-up fight against the bigger ship—and he means to take her on. Elsewhere, the long-awaited invasion of Grik "Indiaa" has begun, and the Human-Lemurian Alliance is pushing back against the twisted might of the Dominion. The diplomatic waters seethe with treachery and a final, terrible plot explodes in the Empire of New Britain Isles. Worse, the savage Grik have also mastered "new" technologies and strategies. Their fleet of monstrous ironclads—and an army two years in the making—are finally massing to strike...

FIRESTORM

Penguin The crew of the USS Walker, led by Lieutenant Commander Matthew Reddy, upholds their promise to defend and protect the Allies as they face a new threat from the "Holy Dominion" and their devastating new weapon.

MAELSTROM

Penguin Lieutenant Commander Matthew Reddy and the crew of the U.S.S. Walker prepare for the ultimate confrontation with the reptilian Grik, who have seized control of the Japanese juggernaut Amagi, and the ship's fanatical commander.

PURGATORY'S SHORE

Penguin On their way to fight in the Mexican-American War, a group of

American soldiers are swept away to a strange and deadly alternate Earth in this thrilling new adventure set in the world of the New York Times bestselling Destroyermen series. The United States, 1847. A disparate group of young American soldiers are bound to join General Winfield Scott's campaign against Santa Anna at Veracruz during the Mexican-American War. They never arrive. Or rather . . . they arrive somewhere else. The untried, idealistic soldiers are mostly replacements, really; a handful of infantry, artillery, dragoons, and a few mounted riflemen with no unified command. And they've been shipwrecked on a terrible, different Earth full of monsters and unimaginable enemies. Major Lewis Cayce, late of the 3rd US "Flying" Artillery, must unite these men to face their fears and myriad threats, armed with little more than flintlock muskets, a few pieces of artillery, and a worldview that spiritually and culturally rebels against virtually everything they encounter. It will take extraordinary leadership and a cadre of equally extraordinary men and women to mold frightened troops into an effective force, make friends with other peoples the evil Holy Dominion would eradicate, and reshape their "manifest destiny" into a cause they can all believe in and fight for. For only together will they have any hope of survival.

INTO THE STORM

Penguin Pursued by Japanese battleships, the USS Walker, a destroyer under the command of Lieutenant Commander Matthew Patrick Reddy, tries to lose the enemy by heading into a storm, only to become trapped in a primitive alternate world, populated by strange crea

STORM SURGE

Penguin Aboard the USS Walker, Matt Reddy plans a raid against the Grik Empire while the Alliance fights their enemies' new weapons and tactics.

DEADLY SHORES

Penguin Many Lemurians see an opportunity to reconquer their sacred homeland, which was stolen long ago, and have no intention of simply striking a blow and then pulling back. Others, Lemurian and human, have their own agendas which may not be in the best interests of the Alliance. Complicating matters further is Reddy's suspicion that his task force is being stalked by an unknown power bent on aiding the Grik for reasons of its own.

RIVER OF BONES

Penguin The crew of a WWII destroyer face their greatest challenge yet as they try to survive in a strange new world in the next thrilling book in the New York Times bestselling series. Commander Matt Reddy and his crew are afraid it may finally be the end of the USS Walker. Ever since their ship was transported to another world, and they became embroiled in a deadly

conflict between the Lemurians and the vicious Grik, the Walker has been taking a pounding. With Walker out of commission for repairs, Reddy takes command of a different ship and joins a desperate battle to block the Grik swarm. Meanwhile, the humans and their allies face a deadly second front in the Republic to the south. All of Reddy's forces are committed, and there's no turning back. Either they'll win—or lose—everything...

WINDS OF WRATH

Penguin Matt Reddy and his sailors have fought, bled, and died for their Lemurian friends and other allies from across time, but their enemies are still operational. In Africa, the Grik General Eshk has escaped defeat to build a new army and new weapons, and is desperate enough to use them to destroy the world if he can't have it.

MAELSTROM

DESTROYERMEN

Penguin The spectacular alternate military history saga continues in the third novel in the New York Times bestselling Destroyermen series... Lieutenant Commander Matthew Reddy, along with the men and women of the battleship Walker, are once again at war. Having sided with the peaceful Lemurians against the savage, reptilian Grik, they now find themselves scrambling to prepare for the attack that is sure to come. Meanwhile, the Japanese juggernaut Amagi, also trapped in this strange world, is under Grik control. Soon, they will have amassed a force that no amount of fire-power and technology will be able to stop. Reddy, his crew, his allies, and his loved ones face annihilation. But if there is one thing they have learned about their new world, it is that hope-and help-may just be over the horizon...

PASS OF FIRE

Ace After being transported to a strange alternate Earth, Matt Reddy and the crew of the USS Walker have learned desperate times call for desperate measures, in the return to the New York Times bestselling Destroyermen series. Time is running out for the Grand Human and Lemurian Alliance. The longer they take to prepare for their confrontations with the reptilian Grik, the Holy Dominion, and the League of Tripoli, the stronger their enemies become. Ready or not, they have to move--or the price in blood will break them. Matt Reddy and his battered old destroyer USS Walker lead the greatest army the humans and their Lemurian allies have ever assembled up the Zambezi toward the ancient Grik capital city. Standing against them is the largest, most dangerous force of Grik yet gathered. On the far side of the world, General Shinya and his Army of the Sisters are finally prepared for their long-expected assault on the mysterious El Paso del Fuego. Not only is the dreaded Dominion ready and

waiting for them; they've formed closer, more sinister ties with the fascist League of Tripoli. Everything is on the line in both complex, grueling campaigns, and the Grand Alliance is stretched to its breaking point. Victory is the only option, whatever the cost, because there can be no second chances.

BLOOD IN THE WATER

Penguin With the USS Walker badly in need of repairs and facing more enemies than ever, Matt Reddy and his crew seek out new allies in the wilds of Madagascar, the fabled place of the Lemurians' ancestors.

STRAITS OF HELL

Roc "Matt Reddy's old Asiatic Fleet destroyer USS Walker has been mysteriously transported to an alternate version of earth. Here WWII is no longer raging, and Reddy and his crew have been trying to find a new place for themselves in this strange new world. Now, along with the felinoid Lemurians and Imperial allies, they fight to keep the reptilian Grik, a race growing in supremacy, from reconquering the Lemurians' ancestral home on Madagascar"--Amazon.com.

THE SWORD OF THE LADY

Penguin "This new novel of the Change is quite probably the finest by an author who has been growing in skill and imagination for more than twenty-five years." - Booklist (Starred Review) Rudi Mackenzie has journeyed long and far across the land that was once the United States of America, seeking the shore where the sun rises, hoping to find the source of the world-altering event that has come to be known as the Change. His quest ends in Nantucket, an island overrun with forest, inhabited by a mere two hundred people, who claim to have been transported there from out of time. Only one odd stone house remains standing. Within it, Rudi finds a beautifully made sword seemingly waiting for him. And once he takes it up, nothing for Rudi—or for the world that he knows—will ever be the same...

HITLER'S WAR

THE WAR THAT CAME EARLY, BOOK ONE

Del Rey A stroke of the pen and history is changed. In 1938, British prime minister Neville Chamberlain, determined to avoid war, signed the Munich

Accord, ceding part of Czechoslovakia to Hitler. But the following spring, Hitler snatched the rest of that country, and England, after a fatal act of appeasement, was fighting a war for which it was not prepared. Now, in this thrilling alternate history, another scenario is played out: What if Chamberlain had not signed the accord? In this action-packed chronicle of the war that might have been, Harry Turtledove uses dozens of points of view to tell the story: from American marines serving in Japanese-occupied China and ragtag volunteers fighting in the Abraham Lincoln Battalion in Spain to an American woman desperately trying to escape Nazi-occupied territory—and witnessing the war from within the belly of the beast. A tale of powerful leaders and ordinary people, at once brilliantly imaginative and hugely entertaining, *Hitler's War* captures the beginning of a very different World War II—with a very different fate for our world today. **BONUS:** This edition contains an excerpt from Harry Turtledove's *The War that Came Early: West and East*.

THE THOUSAND NAMES

Penguin Set in an alternate nineteenth century, muskets and magic are weapons to be feared in the first "spectacular epic" (Fantasy Book Critic) in Django Wexler's Shadow Campaigns series. Captain Marcus d'Ivoire, commander of one of the Vordanai empire's colonial garrisons, was serving out his days in a sleepy, remote outpost—until a rebellion left him in charge of a demoralized force clinging to a small fortress at the edge of the desert. To flee from her past, Winter Ihernglass masqueraded as a man and enlisted as a ranker in the Vordanai Colonials, hoping only to avoid notice. But when chance sees her promoted to command, she must lead her men into battle against impossible odds. Their fate depends on Colonel Janus bet Vhalnich. Under his command, Marcus and Winter feel the tide turning and their allegiance being tested. For Janus's ambitions extend beyond the battlefield and into the realm of the supernatural—a realm with the power to reshape the known world and change the lives of everyone in its path.

DEVIL'S DUE

Penguin New York Times bestselling author Taylor Anderson continues the thrilling Destroyermen series of alternate history and military strategy, as the conflict is about to become terrifyingly personal.... Captain Matt Reddy and the crew of the USS Walker have been fighting for their lives ever since their ship was swept from the Pacific to another world and they became embroiled in a deadly conflict between their Lemurian allies and the ravaging Grik. But things are about to get worse. With Reddy's family and allies held prisoner by the mad General Kurokawa, the mysterious League and evil Dominion plotting schemes of their own, and the Grik trying to build their swarm and concentrate power, Reddy faces danger on all sides. Although desperate to confront Kurokawa, Captain Reddy fears he's subordinating the war effort for personal reasons. But Kurokawa is too dangerous to be left alone. With the mighty League battleship Savoie at his command, he plots a terrible vengeance against Reddy and his tiny, battered destroyer. The stage is set for a devastating cataclysm, and Reddy and his allies will have to risk everything to protect what they hold dear.

MUTINEER'S MOON

Baen Publishing Enterprises **MUTINY** For Lt. Commander Colin MacIntyre, it began as a routine training flight over the Moon. For Dahak, a self-aware Imperial battleship, it began millennia ago when that powerful artificial intelligence underwent a mutiny in the face of the enemy. The mutiny was never resolved-Dahak was forced to maroon not just the mutineers but the entire crew on prehistoric Earth. Dahak has been helplessly waiting as the descendants of the loyal crew regressed while the mutineers maintained control of technology that kept them alive as the millennia passed. But now Dahak's sensors indicate that the enemy that devastated the Imperium so long ago has returned-and Earth is in their path. For the sake of the planet, Dahak must mobilize its defenses. And that it cannot do until the mutineers are put down. So Dahak has picked Colin MacIntyre to be its new captain. Now MacIntyre must mobilize humanity to destroy the mutineers once and for all-or Earth will become a cinder in the path of galactic conquest. With New York clutched in the grip of thousands of heavily armed predators, is an all-out attack on the city the only way to save it?

WARRIORS 2

Tor Fantasy From George R. R. Martin's Introduction to *Warriors*: "People have been telling stories about warriors for as long as they have been telling stories. Since Homer first sang the wrath of Achilles and the ancient Sumerians set down their tales of Gilgamesh, warriors, soldiers, and fighters have fascinated us; they are a part of every culture, every literary tradition, every genre. All Quiet on the Western Front, From Here to Eternity, and The Red Badge of Courage have become part of our literary canon, taught in classrooms all around the country and the world. Our contributors make up an all-star lineup of award-winning and bestselling writers, representing a dozen different publishers and as many genres. We asked each of them for the same thing—a story about a warrior. Some chose to write in the genre they're best known for. Some decided to try something different. You will find warriors of every shape, size, and color in these pages, warriors from every epoch of human history, from yesterday and today and tomorrow, and from worlds that never were. Some of the stories will make you sad, some will make you laugh, and many will keep you on the edge of your seat." The stories in the second mass market volume of this book are: Introduction: Stories of the Spinner Rack, by George R. R. Martin Seven Years from Home, by Naomi Novik Dirae, by Peter S. Beagle Ancient Ways, by S. M. Stirling The Scroll, by David Ball Recidivist, by Gardner Dozois Ninieslando, by Howard Waldrop Out of the Dark, by David Weber Many of these writers are bestsellers. All of them are storytellers of the highest quality. Together they make a volume of unforgettable reading. ISLAND IN THE SEA OF TIME

Penguin "Utterly engaging...a page-turner that is certain to win the author legions of new readers and fans."—George R. R. Martin, author of *A Game of Thrones* It's spring on Nantucket and everything is perfectly normal, until a sudden storm blankets the entire island. When the weather clears,

the island's inhabitants find that they are no longer in the late twentieth century...but have been transported instead to the Bronze Age! Now they must learn to survive with suspicious, warlike peoples they can barely understand and deal with impending disaster, in the shape of a would-be conqueror from their own time.

HELL'S MARCH

Penguin Major Lewis Cayce will need to use every weapon in his arsenal to keep his stranded men alive on a deadly alternate Earth in this gripping new adventure set in the world of the New York Times bestselling Destroyermen series. It is 1847, and almost a full year after being shipwrecked on another, far stranger and more dangerous Earth on their way to fight Santa Anna in the Mexican-American War, Lewis Cayce and his small group of artillerymen, infantrymen, and dragoons have made friends in the Yucatán, helped build an army, and repulsed the first efforts of the blood-drenched Holy Dominion to wipe their new friends out. As an even more radical cult of Blood Priests arises and begins to pursue its own path to power, the Dominion can't let its defeat stand. It must crush the heretics and expel them from the land it has claimed. Fortunately, Lewis Cayce is a professional. He understands defense can only result in a stalemate at best, and a stalemate with the more populous Dominion will only lead to defeat in the end. The lucky few will be enslaved. The rest will be sacrificed in the most horrific way imaginable. The only hope his new allies have is to win—and to do that, his little army must attack the most powerful and diabolical enemy on the planet in its own territory. Achieving victory will take all Lewis's imagination, the courage and trust of his soldiers—and all the round shot and canister his tiny band of artillerymen can slam out.

THE LOST FLEET: BEYOND THE FRONTIER: GUARDIAN

Penguin Admiral Geary's First Fleet of the Alliance has survived the journey deep into unexplored interstellar space, a voyage that led to the discovery of new alien species, including a new enemy and a possible ally. Now Geary's mission is to ensure the safety of the Midway Star System, which has revolted against the Syndicate Worlds empire—an empire that is on the brink of collapse. To complicate matters further, Geary also needs to return safely to Alliance space not only with representatives of the Dancers, an alien species, but also with Invincible, a captured warship that could possibly be the most valuable object in human history. Despite the peace treaty that Geary must adhere to at all costs, the Syndicate Worlds regime threatens to make the fleet's journey back grueling and perilous. And even if Geary escorts Invincible and the Dancers' representatives home unharmed, the Syndics' attempts to spread dissent and political unrest may have already sown the seeds of the Alliance's destruction...
