DELIVERANCE TRAINING MANUAL 101

Createspace Independent Publishing Platform Deliverance was a core ministry of the Lord Jesus Christ that was passed on to the His apostles and disciples. Believers today have been commanded in scripture to cast out devils; however we find most churches don't practice this fundamental ministry or provide the training necessary to properly address demonic strongholds in people's lives. Unfortunately most believers today cannot recognize demons, evil spirits or strongholds present in people's lives. If they do, they lack the training necessary to get the people in bondage delivered from the enemy. In many cases victims of demonic strongholds are brought to the Pastor and typically "counseling" replaces biblically based deliverance ministry. In our modern society many are coming into our churches from the occult, witchcraft, spiritualism and the new age movement. Others come in with emotional issues and wounds that have built up over decades. The church must be properly trained in the area of deliverance to address this. The purpose of this training manual is to equip you in the area of casting out demons. This manual is the result of extensive research and hours studying on the topic of deliverance.

CREATED FOR PURPOSE

Whitaker House You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In *Created for Purpose*, you will discover God’s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

PRACTICING DELIVERANCE MINISTRY

Independently Published I first real encounter with casting out demons was in 2009 in my High School boarding house. During an entertainment night (jams), I decided to pray in a classroom instead of

dancing to secular songs. As a Bible Studies Coordinator for Christ Apostolic Students and Associates on campus, as I began praying some colleagues and members of my denomination joined me and after an hour prayer we closed at 9pm GMT. Everyone left the classroom to the hostel but I realized that a course mate of my stood frozen so as I tapped him, a strange feminine voice came out from his lips insulting me and blaspheming. I realized it was not him but kind of another being speaking from inside of him. I quickly started praying against what the voice was saying and I asked the Lord to take that voice away and restore my friend. Since I have no idea about deliverance ministry except the few times I read about it in the bible, it took me praying for my friend from 9pm to 2pm before my friend became calm and normal. Later in my senior year in High School, I had another privilege to pray for someone under demonic manifesting with my head master and my Biology teacher until that person was restored. After my calling into ministry in 2014 at College, I had a dream where my pastor was teaching his church leaders including me, how to exercise our authority in Christ and cast out demons. I discussed it with my pastor and he told me the Lord wants me to study more on deliverance so He can use me in that ministry. I wrote down what I learnt from the dream and started applying them and it worked. With my prophetic gifts I would receive word of knowledge or discern demons then I would pray as I saw in the dream and people will manifest and the demons leave as they become free. Sometimes just by prophesying to people, demons began leaving them. I once travelled to a village for 3days revivals and counseling program in 2016. My wife ministered on the first night and after her ministration I was invited to speak a few words of encouragement, as I stood up I saw in the spirit a serpent tied around the waist of a lady, I called her up and cast out that demon and the following day the church building was completely full of people. The power of God was so strong and many people were delivered and healed to the glory of God but i encountered a lady with a spirit of divination and did not know anything about that demon and how to deliver the lady since that spirit seems to resist my command prayer. I came home and spent weeks studying more on deliverance ministry and praying. I learnt a lot from others and from the Holy Spirit. I then began to teach others and they too began casting out demons and setting people free. In 2018, I had a dream where in three different scenes, I was asked by individuals and a class of students to teach them about snake bites and how to deal with snakes. I knew this was a call to equip more people in deliverance ministry. I have been doing that through Pistis Bible School ever since but I wrote this book as a manual to study and teach deliverance ministry. The information in this manual is vital to anyone who desires to destroy the works of the devil and cast out demons. Deliverance workers should refer to it periodically in order to refresh their knowledge of Deliverance Ministry. I trust the information in this Manual will bring much needed light to expose demons, their works, our identity and authority in Christ and step by step way on how to destroy set the captives free irrespective of their type or form of bondage. I pray it is a blessing to you and that you will take it, use what you've learned and be a blessing to others.

Wipf and Stock Publishers The title of the book, *The X-Manual*, is taken from the word *exousia*, from the subtitle. It is the Greek word for authority. The word is used throughout the New Testament. For our purposes, it is used to express the divine authority or right to cast out demons—"I have given you authority [exousia] to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you" (Luke 10:19 NIV). Jesus gives believers authority to cast out demons. This book is about spiritual authority over evil. *The X-Manual* is a practical "how to" handbook for clergy and laity on deliverance and exorcism. One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry. Nowhere is the church more inadequate or excessive than in deliverance ministry. *The X-Manual* contains specific time-tested biblical instructions on selecting and training a deliverance team, pre-deliverance work, the deliverance session, post-deliverance work, and other useful tools like the C1-13 instrument that helps determine if one needs deliverance. Deliverance is essential to the church's New Testament healing and evangelism ministry. It is time for the church to walk in the authority and power that Christ gave us to set the captives free!

DELIVER US FROM EVIL

HOW JESUS CASTS OUT DEMONS TODAY

Jesus cast out demons during His time on earth, and His followers continue to do the same. Kent Philpott, during the years of the Jesus People Movement, from 1967 to 1975, engaged in the casting out of demons, however reluctantly. Being the author of several books on the subject, he was asked by Christian counselors to prepare a short and concise instruction manual on how the work called deliverance may be approached today. In this second and expanded edition, he presents the biblical theology for casting out demons, lists ways in which people become demonized, and looks at objections and questions many have on the subject. This second edition also discusses the possible connection between hearing voices and demonization. Philpott postulates the potential that the voices many hear are in fact evil spirits, based on years of experience and research. It is not uncommon for voices to disappear once demons are cast out, Philpott discovered over nearly four decades of work with those troubled by spirits. With some trepidation, he approaches this important discussion, considering the large numbers of people who do hear voices and are often quite hesitant to speak of it. Pastor Philpott recommends that those who receive deliverance have follow-up care, preferring a small group setting of those who have had similar experiences - survivors - as an extension of deliverance ministry. Here is a simple and clear explanation of how to go about the increasingly important deliverance ministry.

Rounding out the manual is a series of accessible, biblical, step-by-step instructions to assist ministers in helping others find freedom in Christ from demonic attacks. A Minister's Manual for Spiritual Warfare is a must-have for any Christian minister involved in deliverance ministry. "In the past quarter century, North American Christians have finally admitted that we are engaged in a deadly war for souls. We are learning that the enemy cannot be defeated by truth encounters alone. Indeed, our Lord Jesus Christ frequently cast out demons as He liberated souls from bondage. I am grateful that Mark Quay has provided us with a sorely needed training manual to help equip pastors and lay leaders learn how to employ power encounters as the church seeks to destroy the works of the devil. All pastors and ministers in training need to read this important book." --Lyle W. Dorsett, Billy Graham Professor of Evangelism, Beeson Divinity School, Samford University; Rector, Christ the King Anglican Church, Birmingham, AL "A must-have manual for any Anglican priest, and a worthy resource for anyone confronting such personal evil when ministering to others. Given within this manual are clear, concise instructions on how to undertake a deliverance ministry with just enough background and theological discussion to allow the reader to knowledgeably embrace the methods offered." --Craig Isaacs, clinical psychologist, author of Revelations and Possession: Distinguishing Spiritual from Psychological Experiences Mark Allen Quay is the Rector of St. Peter's Anglican Church and teaches in the Anglican Studies Program at Beeson Divinity School in Birmingham. MANUAL ON DEMONOLOGY

DIARY OF AN EXORCISTS

Independently Published Demonology (the study, classification and activities of demons) is "invading" the kingdom of Satan. The Bible calls him the god of this world who has blinded the minds of those that believe not. But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ who is the image of God should shine unto them. II Corinthians 4:3-4 The Bible calls him our adversary who goes about as a roaring lion seeking whom he may devour. (I Peter 5:8). Satan is also called the prince and power of the air. (Read the following Scriptures: St. John 12:31, 14:30, 16:11 and Ephesians 2:2.) Satan tried to stop the ministry of Jesus Christ in the wilderness by offering Jesus all the kingdoms of this world. (Read St. Matthew, Chapter 4.) Jesus used the word of God against Satan, continually telling him it is written... An exorcist, as one who drives out evil spirits, must do everything according to God's word. He cannot go beyond the authority that God has given him. No one can cast Satan and his demons "back to the pit." His time is not yet and he knows it. Let us refer to St. Matthew 8:29. We must learn to rightly divide God's word because the demons know their rights. No one can take rights away from the devil that God has permitted him to have. Even Jesus could not torment the demons before their time by casting them back to the pit. The Word of God must be fulfilled. Again, their time is not yet. But the time will come. Knowledge according to the Word of God gives you power. Ask yourself, what does God say about it. When Christ came, he came to invade the kingdom of Satan. He also called unto Him his twelve disciples, and later seventy disciples and gave them power. He sent them out two by two and they invaded the kingdom of Satan. This is the ministry of Jesus Christ. (Read St. Matthew, Chapter 10 and also St. Luke, Chapter 10.) This is what demonology and the work of an exorcist are all about. Christ committed this work to the church. The ministry of Jesus Christ, to this day, has not changed. Ministries have changed, but the ministry of Jesus Christ has not. Neither has God's Word changed. When an individual receives the baptism of the Holy Spirit, he is snatched away from Satan's kingdom. The whole of heaven rejoices when a sinner repents. But this does not stop Satan from trying to snatch that soul back. If there were no deliverance ministers and if everyone was fighting against demonology, just imagine the state that churches would be in. If I, and other deliverance ministers, do not invade the kingdom of Satan, many souls will be lost to suicide, homosexuality, depression, lust, fear, witchcraft and thousands of other demonic spirits. Dealing as an exorcist, one must first have the anointing and be exercising wisdom and knowledge. Every deliverance minister should be able to operate in the gift of Discernment according to I Corinthians, Chapter 12. To "discern" means to be able to tell the difference between the flesh (person-ality of the person) and the spirit; what is of God and what is of the devil. Demons can take over the personality of a person and manifest themselves in his speech and actions. If we cannot discern, we will be talking to and sometimes arguing with demons and not know it. We must also discern what is of God. Sometimes the Holy Spirit is working through a person and because we do not discern it to be so, we attribute the works of the Holy Ghost to the devil. However, everything is not God and everything is not a demon. Sometimes it is just the flesh. (Read Romans Chapter 7.) We must discern the difference. The original Apostles have gone from the scene, but we are continuing their works. Remember Jesus said in St. John 14:12, "Verily, verily I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

THE SCHOOL OF DELIVERANCE A TRAINING MANUAL

This workbook is designed to bring a wealth of practical guidance to those interested in bringing Spiritual Warfare and Deliverance to those who need it. It is designed to guide those who are interested or heading towards the deliverance ministry or those already involved in the Deliverance Ministry to bring those who are in captivity, freedom, and into a more intimate walk with Jesus. This book is also designed to uncover the root of the spiritual problems to the one who is ministering deliverance and to those receiving ministry. Many Christians are held captive in demonic behavior. Paul writes about this in: 2 Timothy 2 King James Version (KJV) 24 And the servant of the Lord must not strive; but be gentle unto all men, apt to teach, patient, 25 In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; 26 And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will. Many are held captive by the devil to do his will as Paul writes. The deliverance ministry is making a comeback to the church after much controversy and it is this writer's desire to show a Biblical and balanced way to achieve the casting out of demons. The writer Frank Marzullo, Jr is a second-generation deliverance minister who has written 14 books on spiritual warfare and deliverance. He is an ordained minister and conference speaker who ministers in churches and home groups and on the radio. As well as teaching, he has ministered deliverance to thousands of people. Frank believes that all the ministries of Jesus are for today, as Jesus said in Mark 16:17 New King James Version (NKJV): 17 And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues.
