Depraved Heart A Scarpetta Novel

HarperCollins In *Scarpetta*, Patricia Cornwell has a character as strong as any in popular fiction" —Wall Street Journal
New York Times bestselling author Patricia Cornwell delivers the newest engrossing thriller in her high-stakes series starring medical examiner Dr. Kay Scarpetta. *Depraved Heart*: "Void of social duty and fatally bent on mischief."
—Mayes v. People, 806 Ill. 306 (1883) Dr. Kay Scarpetta is working a suspicious death scene in Cambridge, Massachusetts when an emergency alert sounds on her phone. A video link lands in her text messages and seems to be from her computer genius niece Lucy. But how can it be? It's clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she begins to learn frightening secrets about her niece, whom she has loved and raised like a daughter. That film clip and then others sent soon after raise dangerous legal implications that increasingly isolate Scarpetta and leave her confused, worried, and not knowing where to turn. She doesn't know whom she can tell—not her FBI husband Benton Wesley or her investigative partner Pete Marino. Not even Lucy. In this new novel, Cornwell launches these unforgettable characters on an intensely psychological odyssey that includes the mysterious death of a Hollywood mogul's daughter, aircraft wreckage on the bottom of the sea in the Bermuda Triangle, a grisly gift left in the back of a crime scene truck, and videos from the past that threaten to destroy Scarpetta's entire world and everyone she loves. The diabolical presence behind what unfolds seems obvious—but strangely, not to the FBI. Certainly that's the message they send when they raid Lucy's estate and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring chief medical examiner Dr. Kay Scarpetta, Cornwell will captivate readers with the shocking twists, high-wire tension, and cutting-edge forensic detail that she is famous for, proving yet again why she's the world's #1 bestselling crime writer.

Depraved Heart

Chaos

A Scarpetta Novel

HarperCollins “When it comes to the forensic sciences, nobody can touch Cornwell.” —New York Times Book Review
 [PLEASE BOX:] **CHAOS** From the Ancient Greek (χάος or kháos) A vast chasm or void. Anarchy. The science of unpredictability. On a late summer evening in Cambridge, Massachusetts, Dr. Kay Scarpetta and her investigative partner, Pete Marino, respond to a call about a dead bicyclist near the Kennedy School of Government. It appears that a young woman has been attacked with almost superhuman force. Even before Scarpetta’s headquarters has been officially notified about the case, Marino and Scarpetta’s FBI agent husband, Benton Wesley, receive suspicious calls, allegedly from someone at Interpol. But it makes no sense. Why would the elite international police agency know about the case or be interested? It soon becomes apparent that an onslaught of harassment might be the work of an anonymous cyberbully named Tailend Charlie, who has been sending cryptic communications to Scarpetta for over a week. Even Lucy, her brilliant tech-savvy niece, can’t trace who it is or how this person could have access to intimate information. When a second death shocks Scarpetta to her core, it becomes apparent she and those close to her are confronted with something far bigger and more dangerous than they’d ever imagined.

Livid

A Scarpetta Novel

In this thrilling new installment of Patricia Cornwell's #1 bestselling series, chief medical examiner Dr. Kay Scarpetta finds herself a reluctant star witness in a sensational televised murder trial causing chaos in Old Town Alexandria with the threat of violent protests. Forensic pathologist Kay Scarpetta has just inherited one of the most notorious cases of her career. Two years ago, a former beauty queen's body washed up on the shore of Wallops Island, Virginia. She was last seen on a boat with her fiancé, who has since been held in jail while awaiting trial. Scarpetta must act as the expert witness for the case--an investigation previously botched by another forensic pathologist. After a grueling cross-examination by the prosecutor, Scarpetta leaves the court only to discover that the sister of the judge on her case has been found dead. Scarpetta ultimately finds herself facing a powerful, invisible enemy who's planning the unthinkable . . .

Postmortem

Simon and Schuster Discover the “dazzling...fascinating” (Los Angeles Times) forensic thriller that launched the New York Times bestselling Kay Scarpetta series from #1 bestselling crime writer Patricia Cornwell. Under cover of night in Richmond, Virginia, a monster strikes, leaving a gruesome trail of stranglings that has paralyzed the city. Medical examiner Kay Scarpetta suspects the worst: a deliberate campaign by a brilliant serial killer whose signature offers precious few clues. With an unerring eye, she calls on the latest advances in forensic research to unmask the madman. But this investigation will test Kay like no other, because it’s being sabotaged from within—and someone wants her dead.

The Last Second

Pocket Books The New York Times bestselling Brit in the FBI series continues with this thrilling “popcorn movie in print form” (Associated Press) pitting special agents Nicholas Drummond and Michaela Caine against a private French space agency that has the power to end the world as we know it. Galactus, France’s answer to SpaceX, has just launched a communications satellite into orbit, but the payload actually harbors a frightening weapon: a nuclear bomb that can trigger a massive electromagnetic pulse (EMP). When the satellite is in position, Galactus’s second-in-command, Dr. Nevaeh Patel, will have the power to lay waste to the world. A former astronaut, Patel believes she is following the directions of the Numen, aliens who saved her life when she space-walked outside the International Space Station. She is convinced that with the Holy Grail—just discovered by the owner of Galactus, eccentric treasure hunter Jean-Pierre Broussard—she can be reunited with the Numen, change the world’s destiny, and become immortal with them. The countdown has begun when Special Agents Nicholas Drummond and Michaela Caine are thrown into the pending disaster. They must stop the EMP that would wreak havoc on communication and electronic systems on Earth, resulting in chaos and anarchy. With their high-octane and suspenseful prose, “Coulter and Ellison are a thriller writer’s dream team, and The Last Second is some of their best work yet” (The Real Book Spy).

The Bone Bed

Scarpetta (Book 20)

Penguin From one of the world's number top selling crime writers comes the extraordinary twentieth Kay Scarpetta novel. A woman has vanished while digging a dinosaur bone bed in the remote wilderness of Canada. Somehow, the only evidence has made its way to the inbox of Chief Medical Examiner Kay Scarpetta, over two thousand miles away in Boston. She has no idea why. But as events unfold with alarming speed, Scarpetta begins to suspect that the paleontologist's disappearance is connected to a series of crimes much closer to home: a gruesome murder, inexplicable tortures, and trace evidence from the last living creatures of the dinosaur age. When she turns to those around her, Scarpetta finds that the danger and suspicion have penetrated even her closest circles. Her niece Lucy speaks in riddles. Her lead investigator, Pete Marino, and FBI forensic psychologist and husband, Benton Wesley, have secrets of their own. Feeling alone and betrayed, Scarpetta is tempted by someone from her past as she tracks a killer both cunning and cruel.

Sex, Lies & Serious Money

Penguin Stone Barrington takes on a client who gives him a run for his money in this heart-stopping thriller from #1 New York Times bestselling author Stuart Woods. Fresh off the runway at Teterboro, Stone Barrington arrives home to find an unexpected new client on his doorstep, anxiously soliciting his help. But everything is not as it seems, when the client reveals the true nature—and value—of his recent turn of fortune. From luxury New York high-rises to the sprawling New Mexico desert, his client is pursued from all angles...and Stone quickly learns that easy money isn't always so easy.

Blindside

Little, Brown When New York City's Mayor is desperate to find his missing daughter, Detective Michael Bennett steps in to help the Mayor and strike a deal to save his son in prison. Bennett and the mayor have always had a tense relationship, but now the mayor sees in Bennett a discreet investigator with family worries of his own. Just one father helping another. The detective leaps into the case and sources lead him to a homicide in the Bronx. The victim has ties to a sophisticated hacking operation—and also to the mayor's missing daughter, Natalie, a twenty-one-year-old computer prodigy. The murder is part of a serial killing spree, one with national security implications. And suddenly Bennett is at the center of a dangerous triangle anchored by NYPD, FBI, and a transnational criminal organization. Michael Bennett has always been an honorable man, but sometimes—when the lives of innocents are at stake—honor has to take a back seat. Survival comes first.

A Line of Blood

A Novel

HarperCollins In one of the most entertaining and twisty thrillers of the year a London family, a mother, father and young son, must deal with the murder of their secretive next door neighbor and the intrusive police investigation that follows. Readers will be faced with ever shifting and increasingly frightening suspicions that one or all of them had something to do with it. Alex Mercer loves his family more than anything. His wife Millicent and their precocious eleven-year-old son Max are everything to him, his little tribe. When he is with them all is right with the world. But when he and Max find their next door neighbour dead in his bathtub, their lives are suddenly and irrevocably changed. Max is surprisingly fascinated by the dead body, and Alex is understandably anxious about how Max will react later, once he takes it all in. And Alex is increasingly impatient for the police to conclude their investigation and call this the suicide that it so clearly was. But as new information surfaces, it becomes clear that there is more to this than anyone is saying... Why was the neighbour charging his home improvements to the Mercers' address? How did Millicent's bracelet end up in his apartment? And why, in fact, did Max lead his father into the house on the quiet summer night that they found the corpse? As suspicion grows between the three, the once close-knit family starts to disintegrate. Is Alex really the loving husband we believe him to be? And where is Millicent really going when she disappears for hours, walking the parks of London, stewing over something that she can't forget? Each of them is suffering. Each has something to hide. And as each questions how well they really know each other, they must decide how far they'll go to protect themselves-and each other-from investigators who are watching every move they make. Just waiting for someone to make a mistake.

Red Mist

Scarpetta (Book 19)

Penguin With high-tension suspense and cutting-edge technology, Patricia Cornwell—the world's #1 bestselling crime writer—once again proves her exceptional ability to entertain and enthrall in this remarkable novel featuring chief medical examiner Dr. Kay Scarpetta. On her quest to find out exactly what happened to her former deputy chief, Jack Fielding, murdered six months before, Scarpetta drives to the Georgia Prison for Women to meet a convicted sex offender and the mother of a vicious and diabolically brilliant killer. Against the advice of her FBI criminal intelligence agent husband, Benton Wesley, Scarpetta is determined to hear this woman out. Scarpetta has both personal and professional reasons to learn more about a string of grisly killings: the murder of a Savannah family years earlier, a young woman on death row, and then other inexplicable deaths that begin to occur at a breathtaking pace. Driven by inner forces, Scarpetta discovers connections that compel her to conclude that what she thought ended with Fielding's death and an attempt on her own life is only the beginning of something far more destructive: a terrifying terrain of conspiracy and potential terrorism on an international scale. And she is the only one who can stop it.

Fake Money, Real Danger

Protect Yourself and Grow Wealth While You Still Can

John Wiley & Sons The latest must-read book from the authors of the New York Times and Wall street Journal bestselling Aftershock series of books, *Fake Money Real Danger* strips away the confusion and exposes what’s really happening to our economy and investments—and shows you what to do about it, now before it’s too late. Picking up where the Aftershock series left off, *Fake Money Real Danger* reveals how the Covid-19 Pandemic—and the government’s massive money printing and borrowing in response to it—is putting us on a faster track to the coming Aftershock. What is FAKE MONEY? Massive government money printing that increased the US money supply by more than 800% since 2008, printing more money in just two months of 2020 than during the Financial Crisis in 2008 and 2009. Mammoth federal debt now at a staggering \$27 trillion, up \$3 trillion in 2020 and on track for even more in 2021. What is the REAL DANGER? All US economic growth since the Financial Crisis entirely due to government borrowing. All of it. Without massive government borrowing we’d have no growth at all. Stock markets that will likely continue to rise because of Fake Money, but face an inevitable crisis when continued massive money printing creates serious inflation. You and every investor are at a crossroads. Your next move will decide your fate: protection and profits OR wealth destruction and regret.

Live Like a Vulcan, Love Like a Wookiee, Laugh Like a Hobbit

Life Lessons from Pop Culture

BenBella Books Much like a dragon-guarded mountain filled with stolen dwarf gold, Pop Culture is far more than just a side quest or afternoon's entertainment: it contains a veritable treasure trove overflowing with life lessons. If there's one takeaway from more than 40 years of Scooby-Doo mysteries, it's that the vast majority of life's villains are old white men using literal scare tactics to hold on to whatever privilege they have; Stranger Things taught us that any group of bike-riding kids are either running from or toward a vast governmental conspiracy; The Wizard of Oz proved that fashion can only take you so far; The Lord of the Rings showed us not only about the power of statement jewelry but that gifts come with strings attached; and Jaws was evidence that no matter how prepared you think you are, you should always expect the unexpected. This modern-day fable takes the best elements of My Dinner With Andre, The Big Bang Theory, and How to Make Friends and Influence People, to tell the story of three cosplaying friends sharing what they have learned from their favorite (and hated) movies, series, and games in a cafe after a day of walking the halls of a convention center. Live Like a Vulcan, Love Like a Wookiee, Laugh Like a Hobbit invites readers to a never-before-seen and slightly skewed look at the most memorable moments in films, shows, books, comic books, graphic novels, and video games. By the end of this pop-culture tour, fans of all ages will be given more inside knowledge than could ever be gotten at a comic convention, more self-help tools than can fit into any utility belt, more treasures than can be found in a cave of wonders, and more smiles than can be seen on any joker's face.

Unnatural Exposure

Scarpetta (Book 8)

Penguin Kay Scarpetta finds herself pitted against a possible bioterrorist in this suspense-filled read from #1 New York Times bestselling author Patricia Cornwell. When a woman turns up dismembered in a landfill, Scarpetta initially suspects the work of a serial killer she's been tracking. But her investigation turns far more dangerous when she realizes the victim's skin is covered in an unusual rash—and Scarpetta herself may have just been exposed to a deadly virus.

Redemption Road

A Novel

Macmillan "Imagine: A boy with a gun waits for the man who killed his mother. A troubled detective confronts her past in the aftermath of a brutal shooting. After thirteen years in prison, a good cop walks free. But for how long? And deep in the forest, on the altar of an abandoned church, the unthinkable has just happened... This is a town on the brink. This is a road with no mercy."--

Cross and Burn

Open Road + Grove/Atlantic Psychologist Tony Hill and ex-DCI Carol Jordan—the UK crime fighting partners from the TV series *Wire in the Blood*—face down a serial killer. International bestselling crime writer Val McDermid's work speaks for itself: her books have sold millions of copies worldwide, won numerous accolades, and attracted a devoted following of readers around the globe. *Cross and Burn* picks up where *The Retribution* left off: following the best crime-fighting team in the UK—clinical psychologist Tony Hill and police detective Carol Jordan—who when we last saw them were barely speaking, and whose relationship will now be challenged even further. But just because they're not talking doesn't mean the killing stops. Women are being murdered—ones who bear an unsettling resemblance to Carol Jordan. And when the evidence begins to point in a disturbing direction, thinking the unthinkable seems the only possible answer. Cornered by events, Tony and Carol are forced to fight for themselves and each other as never before. "McDermid is as smooth a practitioner of crime fiction as anyone out there . . . She's the best we've got." —The New York Times Book Review

Blindsighted

The First Grant County Thriller

HarperCollins From New York Times bestselling author Karin Slaughter, the first novel in her acclaimed Grant County Series. A small Georgia town erupts in panic when a young college professor is found brutally mutilated in the local diner. But it's only when town pediatrician and coroner Sara Linton does the autopsy that the full extent of the killer's twisted work becomes clear. Sara's ex-husband, police chief Jeffrey Tolliver, leads the investigation—a trail of terror that grows increasingly macabre when another local woman is found crucified a few days later. But he's got more than a sadistic serial killer on his hands, because the county's only female detective, Lena Adams—the first victim's sister—wants to serve her own justice. But it is Sara who holds the key to finding the killer. A secret from her past could unmask the brilliantly malevolent psychopath... or mean her death.
