MOSSBERG

MORE GUN FOR THE MONEY

SOPHIE'S WORLD

A NOVEL ABOUT THE HISTORY OF PHILOSOPHY

Farrar, Straus and Giroux One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

WHY WE TOOK THE CAR

Scholastic Inc. Mike Klingenberg doesn't get why people think he's boring. Sure, he doesn't have many friends. (Okay, zero friends.) And everyone laughs at him when he reads his essays out loud in class. And he's never invited to parties - including the gorgeous Tatiana's party of the year. Andre Tschichatschow, aka Tschick (not even the teachers can pronounce his name), is new in school, and a whole different kind of unpopular. He always looks like he's just been in a fight, his clothes are tragic, and he never talks to anyone. But one day Tschick shows up at Mike's house out of the blue. Turns out he wasn't invited to Tatiana's party either, and he's ready to do something about it. Forget the popular kids: Together, Mike and Tschick are heading out on a road trip. No parents, no map, no destination. Will they get hopelessly lost in the middle of nowhere? Probably. Will they meet crazy people and get into serious trouble? Definitely. But will they ever be called boring again? Not a chance.

THE HYPNOTIST

A NOVEL

Vintage Crime/Black Lizard The first of the internationally bestselling Killer Instinct series: a triple murder, the one surviving witness—a boy with no memory of what happened—and the hypnotist hired to help uncover the truth. "Full of surprises and more than enough twists to keep those pages turning well into the night." —NPR The police are desperate for information on the triple homicide. Detective Joona Linna enlists the help of hypnotist Erik Maria Bark. But when Bark unlocks the secrets in the boy's memory, he triggers a terrifying chain of events that will put all their lives in jeopardy.

AFTER

Simon and Schuster "Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

THE PRINCE

Courier Corporation Classic, Renaissance-era guide to acquiring and maintaining political power. Today, nearly 500 years after it was written, this calculating prescription for autocratic rule continues to be much read and studied.

FLOW

THE PSYCHOLOGY OF OPTIMAL EXPERIENCE

Harper Collins “Csikszentmihalyi arrives at an insight that many of us can intuitively grasp, despite our insistent (and culturally supported) denial of this truth. That is, it is not what happens to us that determines our happiness, but the manner in which we make sense of that reality. . . . The manner in which Csikszentmihalyi integrates research on consciousness, personal psychology and spirituality is illuminating.” —Los Angeles Times Book Review The bestselling classic that holds the key to unlocking meaning, creativity, peak performance, and true happiness. Legendary psychologist Mihaly Csikszentmihalyi's famous investigations of "optimal experience" have revealed that what makes an experience genuinely satisfying is a state of consciousness called flow. During flow, people typically experience deep enjoyment, creativity, and a total involvement with life. In this new edition of his groundbreaking classic work, Csikszentmihalyi ("the leading researcher into 'flow states'" —Newsweek) demonstrates the ways this positive state can be controlled, not just left to chance. Flow: The Psychology of Optimal Experience teaches how, by ordering the information that enters our consciousness, we can discover true happiness, unlock our potential, and greatly improve the quality of our lives.
