Piers Morgan was made editor of the News of the World, the UK's biggest-selling Sunday newspaper at the record-breaking age of 28. The decade that followed was one of the most tumultuous in modern times. In a world of indiscreet dinners, private meetings and gossipy lunches, Piers Morgan found himself in the thick of it. His diaries from this remarkable period reveal astonishing and hilarious encounters with an endless list of celebrities and politicians alike: Diana, William, Charles and Camilla; Tony Blair, Cherie, Gordon Brown; Paul McCartney, George Michael and Elton John; Jeremy Clarkson, Paula Yates and Gazza to name just a few. Entertaining, engaging and compulsive, The Insider was the most talked-about book of 2005, blowing apart every notion we have of politics, media and celebrity. **Leonard Maltin's 2009 Movie Guide** Penguin Offers

readers a comprehensive reference to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features. **The New Confessions of an Economic Hit Man** Berrett-Koehler Publishers Featuring 15 explosive new chapters, this new edition of the New York Times bestseller brings the story of Economic Hit Men up-to-date and, chillingly, home to the U.S.—but it also gives us hope and the tools to fight back. Former economic hit man John Perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars. Then he reveals how the deadly EHM cancer he helped create has spread far more widely and deeply than ever in the US and everywhere else—to become the dominant system of business, government, and society today. Finally, he gives an insider view of what we each can do to change it. Economic hit men are the shock troops of what Perkins calls the corporatocracy, a vast network of corporations, banks, colluding governments, and the rich and powerful people tied to them. If the EHMs can't maintain the corrupt status quo through nonviolent coercion, the jackal assassins swoop in. The heart of this book is a completely new section, over 100 pages long, that exposes the fact that all the EHM and jackal tools—false economics, false promises, threats, bribes, extortion, debt, deception, coups, assassinations, unbridled military power—are used around the world today exponentially more than during the era Perkins exposed over a decade ago. As dark as the story gets, this reformed EHM also provides hope. Perkins offers specific actions each of us can take to transform what he calls a failing Death Economy into a Life Economy that provides sustainable abundance for all. **Joey the Hitman The Autobiography of a Mafia Killer** Da Capo Press Following up on the success of the Adrenaline title Mob: Stories of Death and Betrayal from Organized Crime, Adrenaline Classics brings back the New York Times bestseller (originally published as Killer) that helped pave the way for the latest generation of nouveau-mob stories, from Donnie Brasco to The Sopranos. "Joey"—a journeyman Jewish hitman, numbers king, and loan shark—collaborated with David Fisher (co-editor of the hit Adrenaline title Wild Blue) to lay out the rackets in gripping detail. His story includes detailed accounts of his chillingly "professional" murders of thirty-eight victims. The strong sales of Mob are further evidence that the best mafia stories—and this is one of the best—capture the public's interest. Joey the Hitman's original best-seller status reflects the quality of the writing, the frank intelligence of the subject/writer, and Joey's convincingly matter-of-fact, regular-guy tone. When he writes, debunking The Godfather, "... Actually very few mob members even have Bronx-Italian accents ... a lot of mob people are not very tough, the people we meet and deal with are very ordinary, most of us stay home at night and watch TV, and we only shoot each other when absolutely necessary," you know you're listening to the original Soprano. This edition includes a new afterword from David Fisher, who for the first time reveals Joey's identity and the incredible story of how Joey finally died. **Mzundastood Diary Of A Professional Hitman At 14: My HATRED For HUMANITY! Of What Is About To Take Place. Welcome To The World And Life Of A ANGRY, PISSED OFF & VENGEFUL 14 YEAR OLD HITMAN! **I Am a Hitman The Real-Life Confessions of a Contract Killer** Welbeck Publishing Group The unbelievable account of life as a hitman from a man who has been doing it for decades Hitmen commit heinous crimes virtually every day of the week and, in most instances, we don't even realize. He's been a killer for hire for more than twenty years now, but life as a fulltime professional assassin has never been easy. There have been close calls, failed attempts and a lot of looking over his shoulder. And now, he has decided to come clean and seek atonement for his life as a murderer and one of the most covertly dangerous men alive. An account of a life lived between our world and a shadowy underworld of criminals, a life lived under the radar of the law, a life lived in death. This is the true story of a hitman. **Confessions of a Cartel Hit Man** Penguin The true confession of an assassin, a sicario, who rose through the ranks of the Southern California gang world to become a respected leader in an elite, cruelly efficient crew of hit men for Mexico's "most vicious drug cartel," and eventually found a way out and an (almost) normal life. Martin Corona, a US citizen, fell into the outlaw life at twelve and worked for a crew run by the Arellano brothers, founders of the the Tijuana drug cartel that dominated the Southern California drug trade and much bloody gang warfare for decades. Corona's crew would cross into the United States from their luxurious hideout in Mexico, kill whoever needed to be killed north of the border, and return home in the afternoon. That work continued until the arrest of Javier Arellano-Félix in 2006 in a huge coordinated DEA operation. Martin Corona played a key role in the downfall of the cartel when he turned state's evidence. He confessed to multiple murders. Special Agent of the California Department of Justice Steve Duncan, who wrote the foreword, says Martin Corona is the only former cartel hit man he knows who is truly remorseful. Martin's father was a US Marine. The family had many solid middle-class advantages, including the good fortune to be posted in Hawaii for a time during which a teenage Martin thought he might be able to turn away from the outlaw life of theft, drug dealing, gun play, and prostitution. He briefly quit drugs and held down a job, but a die had been cast. He soon returned to a gangbanging life he now deeply regrets. How does someone become evil, a murderer who can kill without hesitation? This story is an insight into how it happened to one human being and how he now lives with himself. He is no longer a killer; he has asked for forgiveness; he has made a kind of peace for himself. He wrote letters to family members of his victims. Some of them not only wrote back but came to support him at his parole hearings. It is a cautionary tale, but also one that shows that evil doesn't have to be forever. **Stay Pretty Journal** What do you call the diary of a hitman? A bullet journal. This is not a bullet journal. However, you can still use it to write down all your thoughts and take all your notes while you remember to always stay pretty, be educated, dress well, and get money. **Hitman My Real Life in the Cartoon World of Wrestling** Vintage Canada In his own words, Bret Hart's honest, perceptive, startling account of his life in and out of the pro wrestling ring. The sixth-born son of the pro wrestling dynasty founded by Stu Hart and his elegant wife, Helen, Bret Hart is a Canadian icon. As a teenager, he could have been an amateur wrestling Olympic contender, but instead he turned to the family business, climbing into the ring for his dad's western circuit, Stampede Wrestling. From his early twenties until he retired at 43, Hart

kept an audio diary, recording stories of the wrestling life, the relentless travel, the practical jokes, the sex and drugs, and the real rivalries (as opposed to the staged ones). The result is an intimate, no-holds-barred account that will keep readers, not just wrestling fans, riveted. Hart achieved superstardom in pink tights, and won multiple wrestling belts in multiple territories, for both the WWF (now the WWE) and WCW. But he also paid the price in betrayals (most famously by Vince McMahon, a man he had served loyally); in tragic deaths, including the loss of his brother Owen, who died when a stunt went terribly wrong; and in his own massive stroke, most likely resulting from a concussion he received in the ring, and from which, with the spirit of a true champion, he has battled back. Widely considered by his peers as one of the business's best technicians and workers, Hart describes pro wrestling as part dancing, part acting, and part dangerous physical pursuit. He is proud that in all his years in the ring he never seriously hurt a single wrestler, yet did his utmost to deliver to his fans an experience as credible as it was exciting. He also records the incredible toll the business takes on its workhorses: he estimates that twenty or more of the wrestlers he was regularly matched with have died young, weakened by their own coping mechanisms, namely drugs, alcohol, and steroids. That toll included his own brother-in-law, Davey Boy Smith. No one has ever written about wrestling like Bret Hart. No one has ever lived a life like Bret Hart's. For as long as I can remember, my world was filled with liars and bullshitters, losers and pretenders, but I also saw the good side of pro wrestling. To me there is something bordering on beautiful about a brotherhood of big tough men who pretended to hurt one another for a living instead of actually doing it. Any idiot can hurt someone. —from Hitman **Blood and Bullets** Diary of a Hitman Ever 'Night' Dracovi is a hitman and a vampire. People pay him to do the dirty work they refuse to do.
