**The Microgenre A Quick Look at Small Culture Bloomsbury Publishing USA** Everybody knows, and maybe even loves, a microgenre. Plague romances and mommy memoirs. Nudie-cutie movies, Nazi zombies, and dinosaur erotica. Baby burlesks, Minecraft fiction, grindcore, premature ejaculation poetry...microgenres come in all varieties and turn up in every form of media under the sun, tailor-made for enthusiasts of all walks of life. Coming into use in the last decade or so, the term "microgenre" classifies increasingly niche-marketed worlds in popular music, fiction, television, and the Internet. Netflix has recently highlighted our fascination with the ultra-niche genre with hilariously specific classifications -- [independent supernatural dramedy featuring a strong female lead] that can sometimes hit a little too close to home. Each contribution in this collection introduces readers to a different microgenre, drawn from a range of historical periods and from a variety of media. The Microgenre presents a previously untreated point of cultural curiosity, revealing the profound truth that humanity's desire to classify is often only matched by the unsustainability of the obscure and hyper-specific. It also affirms, in colorful detail, what most people suspect but have trouble fathoming in an increasingly homogenized and commercial West: that imaginative projects are just that, imaginative, diverse, and sometimes completely and hilariously inexplicable. **Diary of an 8-Bit Warrior: Crafting Alliances (Book 3 8-Bit Warrior series) An Unofficial Minecraft Adventure Andrews McMeel Publishing** THESE ARE THE REAL BOOKS BY CUBE KID! did. Here, the kids were teaching the parents! Follow the family in their hilarious adventure as they live and learn and survive in Minecraft. They have to explore, craft, mine, make food, defend against monsters, and protect Bruce the cat from himself, who keeps trying to gobble everything up! \*\*\*We are a mom and dad to five kids, who wrote these Minecraft books as a way to engage kids who have a hard time finding books they enjoy reading. Our son hated reading. He was good at it and did not struggle, but it was a chore. He didn't get any pleasure from the books, no feelings from the stories. Nothing we could find resonated with him. He would read for his twenty minutes a day then slam the book shut to do something- anything- else. Until he found Steve the Noob, Dave the Villager, and Diary of a Surfer Villager. He couldn't read them fast enough. He would burn through a book in a couple hours and beg for the next. He'd snuggle up in his bed and read all day. We'd have to force him to turn off his light at night and actually get some sleep. It was all he'd talk about around the dinner table. He constantly retold the story, relayed the jokes he couldn't stop laughing about. He would finish one series and start another. Then another. And another. And from those books, his love of reading was born. We hope our books can do the same for other kids who are struggling to find something they love to read.\*\*\*The Accidental Minecraft Family books were written for kids age 7+ who love to laugh and love Minecraft!
